ARTICLE 13

CHILD CARE LICENSING

Section 1. [142B.171] CHILD CARE WEIGHTED RISK SYSTEM.

Subdivision 1. Implementation. The commissioner shall develop and implement a child care weighted risk system that provides a tiered licensing enforcement framework for child care licensing requirements in this chapter or Minnesota Rules, chapter 9502 or 9503.

Subd. 2. Documented technical assistance. (a) In lieu of a correction order under section 142B.16, the commissioner shall provide documented technical assistance to a family child care or child care center license holder if the commissioner finds that:

(1) the license holder has failed to comply with a requirement in this chapter or Minnesota Rules, chapter 9502 or 9503, that the commissioner determines to be low risk as determined by the child care weighted risk system;

(2) the noncompliance does not imminently endanger the health, safety, or rights of the persons served by the program; and

(3) the license holder did not receive documented technical assistance or a correction order for the same violation at the license holder's most recent annual licensing inspection.

(b) Documented technical assistance must include communication from the commissioner to the child care provider that:

(1) states the conditions that constitute a violation of a law or rule;

(2) references the specific law or rule violated; and

(3) explains remedies for correcting the violation.

(c) The commissioner shall not publicly publish documented technical assistance on the department's website.

Sec. 2. Minnesota Statutes 2023 Supplement, section 245A.50, subdivision 3, is amended to read:

Subd. 3. First aid. (a) Before initial licensure and before caring for a child, license holders, second adult caregivers, and substitutes must be trained in pediatric first aid. The first aid training must have been provided by an individual approved to provide first aid instruction. First aid training may be less than eight hours and persons qualified to provide first aid training include individuals approved as first aid instructors. License holders, second adult caregivers, and substitutes must repeat pediatric first aid training every two years within 90 days of the date the training was initially taken. License holders, second adult caregivers, and substitutes must not let the training expire.

(b) Video training reviewed and approved by the county licensing agency satisfies the training requirement of this subdivision.
Sec. 3. Minnesota Statutes 2023 Supplement, section 245A.50, subdivision 4, is amended to read:

Subd. 4. Cardiopulmonary resuscitation. (a) Before initial licensure and before caring for a child, license holders, second adult caregivers, and substitutes must be trained in pediatric cardiopulmonary resuscitation (CPR), including CPR techniques for infants and children, and in the treatment of obstructed airways. The CPR training must have been provided by an individual approved to provide CPR instruction. License holders, second adult caregivers, and substitutes must repeat pediatric CPR training at least once every two years within 90 days of the date the training was initially taken, and the training must document the training be documented in the license holder's records. License holders, second adult caregivers, and substitutes must not let the training expire.

(b) Persons providing CPR training must use CPR training that has been developed:

(1) by the American Heart Association or the American Red Cross and incorporates psychomotor skills to support the instruction; or

(2) using nationally recognized, evidence-based guidelines for CPR training and incorporates psychomotor skills to support the instruction.

Sec. 4. REPEALER.

Minnesota Statutes 2022, section 245A.065, is repealed.
