Sec. 13. Laws 1987, chapter 404, section 18, subdivision 1, is amended to read:

Subdivision 1. Total Appropriation 8,009,500 7,585,900
Approved Complement - 124 124
Rural Finance - 0 2

The amounts that may be spent from this appropriation for each activity are specified below.

$141,000 the first year to cover costs associated with modifying the state's personnel/payroll systems. Any unencumbered balance remaining in the first year does not cancel but is available for the second year of the biennium.
The department of finance shall reflect the reimbursement of statewide indirect costs and human services federal reimbursement costs as expenditure reductions in the general fund budgeted fund balance as they would be reported in conformity with generally accepted accounting principles.

Amounts paid to the department of finance pursuant to Minnesota Statutes, section 13.03, subdivision 3, for the costs of searching for and retrieving government data and for making, certifying and compiling the copies of the data, are appropriated to the department of finance to be added to the appropriations from which the costs were paid.

The governor's budget recommendations submitted to the legislature in January, 1989 must include as general fund revenue and appropriations for fiscal years 1990 and 1991 all revenues and expenditures previously accounted for in the statewide accounting system in other operating funds. This requirement does not apply (1) to revenues and expenditures which, under the constitution, must be accounted for in funds other than the general fund; or (2) to revenues and expenditures which are related to specific user fees that provide a primary benefit to individual fee payers, as opposed to the general community.

Notwithstanding the provision of Minnesota Statutes, section 16A.11, the commissioner of finance shall consult with and seek the recommendations of the chair of the House Appropriations committee and the chair of the Senate Finance committee as well as their respective division and subcommittee chairs prior to adopting a format for the 1989-1991 biennial budget document. The commissioner of finance shall not adopt a format for the 1989-1991 biennial budget until the commissioner has received the
recommendations of the chair of the house appropriations committee and the chair of the senate finance committee. Appropriations provided to the department of finance to upgrade the current biennial budget system shall only be expended upon receipt of the recommendations of the chair of the house appropriations committee and the chair of the senate finance committee. These recommendations are advisory only.

Sec. 9. Laws 2023, chapter 22, section 4, subdivision 2, is amended to read:

Subd. 2. Grants to navigators.

(a) $1,936,000 in fiscal year 2024 is appropriated from the health care access fund to the commissioner of human services for grants to organizations with a MNsure grant services navigator assister contract in good standing as of the date of enactment.
