- Proposed amendments to rules already in existence in the Minnesota Rules.
- Proposed emergency rules.
- Withdrawal of proposed rules (option; not required).

#### The **ADOPTED RULES** section contains:

- Notice of adoption of new rules and rule amendments adopted without change from the previously published proposed rules. (Unchanged adopted rules are not republished in full in the *State Register* unless requested by an agency.)
- Adopted amendments to new rules or rule amendments (adopted changes from the previously published proposed rules).

ALL ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES published in the *State Register* and filed with the Secretary of State before April 8, 1985 are published in the *Minnesota Rules 1985*. ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES filed after April 8, 1985 are included in a supplement published in Spring, 1986. Proposed and adopted EMERGENCY (formerly called TEMPORARY) RULES appear in the *State Register* but are generally not published in the *Minnesota Rules* due to the short-term nature of their legal effectiveness. Those that are long-term may be published.

The *State Register* publishes partial and cumulative listings of rule in the MINNESOTA RULES AMENDMENTS AND ADDITIONS list on the following schedule:

### 5220.2610 ADMINISTRATIVE CONFERENCES.

Subpart 1. **Scope.** This part governs administrative conferences conducted under Minnesota Statutes, sections 176.102, 176.103,

Subp. 2. **Notice.** The division must promptly notify the parties of the date, time, and place of the conference. The qualified rehabilitation consultant, if one is assigned, must be notified of a rehabilitation conference. The special compensation fund must be notified of all administrative conferences where the fund is reimbursing benefits to an insurer or self-insurer under Minnesota Statutes, section 176.131 or 176.132, or a claim has been made under the above referenced statutes against the fund for benefits by any of the parties, or the fund is paying benefits under Minnesota Statutes, section 176.191. The notice must explain the purpose of the conference. Telephone notice is sufficient for a discontinuance or return to work conference if timely service of notice by mail cannot be made.

Subp. 3. **Appearances.** All parties and the qualified rehabilitation consultant if the conference is conducted under section 176.102, must be given notice and the opportunity to attend administrative conferences or, at their option, to present documents on their behalf. Intervenor or a representative of the special compensation fund may attend the conference. A party may be represented by an attorney. The employee is required to attend an administrative conference under Minnesota Statutes, section 176.242, 176.2421, or 176.243 unless health reasons, distances, or other good cause prevents attendance. If absent because of distance, the employee must be available by telephone at the scheduled conference time.

Subp. 4. **Presiding official.** Conferences must be conducted by an impartial designee of the commissioner. The presiding official shall explain the purpose of the conference and the format to be followed. The presiding official may ask questions of the participants. Questioning of one party by other parties may be allowed at the discretion of the presiding official. The presiding official may halt questioning that is argumentative, harassing, intimidating, confusing, or designed to trick a participant.

Subp. 5. **Information considered.** The presiding official shall permit the parties to state their positions and to present reports or other documents or exhibits relevant to the issues involved. ~~Verbal presentation by a health care provider will be allowed only if the commissioner's designee makes a written determination that the appearance is crucial to the relevant issues as provided by Minnesota Statutes, section 176.155, subdivision 5, unless the health care provider initiated the claim under Minnesota Statutes, section 176.103.~~ There is no provision in the statute for costs for testimony at a medical administrative conference. Reasonable opportunity to refute statements or other information submitted at the conference must be allowed. Copies of documents submitted at the conference must be supplied to the other parties.

N. other problems related to medical treatment and supplies.

Subp. 2. **Medical claim, request.** An employee, ~~employer~~, insurer, or health care provider as defined by Minnesota Statutes, section 176.011, subdivision 24, may initiate a medical claim by filing an M-4 "request for assistance in resolving a workers' compensation medical issue" form or an M-10 "change of physician" form with the section and serve the other parties, including the employee, insurer, employer, and any health care provider directly involved in the dispute, specifying the medical issues in dispute and whether an administrative conference is requested. The requesting party must also specify the name and address of any third party who has paid or has been ordered to pay to reimburse medical or treatment expense, and the claim or policy number, if known. At the time the M-4 form is filed, the requesting party must mail a copy of the M-4 form to third parties who have paid benefits. A claim petition containing medical issues only or a referral of a medical issue from the office will be treated in the same manner as an M-4 form under this subpart.

Subp. 3. **Medical claims response.** If the employee or health care provider has filed an M-4 or M-10 form, the insurer must file an M-1 medical status report with the section and send copies to the other parties no later than 20 days after service of the M-4 or M-10 form. The insurer must respond on an M-10 form to an M-10 request to change physicians, file the response with the section, and send copies to the other parties no later than 20 days after service of the request to change physicians. Failure to file a form will be considered in the determination of penalties and interest.

Subp. 4. **Medical claim; application to intervene.** To intervene, the potential intervenor must serve the parties and file with the section a written application to intervene promptly after service of the M-4 form on the applicant. The division shall issue to the applicant and the parties a written determination granting or denying permission to intervene in the case. The medical conference will not be held prior to five days following the intervention application period in Minnesota Statutes, section 176.361, unless the section has received from all potential intervenors either an application to intervene or notice that an application to intervene will not be filed.

Subp. 5. **Medical claim; denial of liability.** If an M-4 form has been mistakenly filed in a case in which initial issues of liability within the jurisdiction of the office exist, the matter will be certified to the office for hearing if the petitioner has standing to file a litigated claim. The date of filing of the form with the section is used by the office to determine when the hearing will be held. After initial issues over which the division does not have jurisdiction have been resolved, any remaining medical issues shall be scheduled for an administrative conference in accordance with this part.

Subp. 6. **Conciliation of medical issues.** The division may attempt to resolve medical issues through telephone contact with the parties, if appropriate. If no resolution is reached, the division will schedule an administrative conference in accordance with this part.

Subp. 7. **Medical claim; change of physician.** An injured employee seeking a change of physician shall contact the insurer and request the insurer's consent to the change. If the insurer consents to the change, the division need not authorize the change. If a party seeks a change of physician and the parties cannot agree to the change, the party requesting the change must file an M-10 form with the section under subpart 2 stating the reason for the request, the names of the present and proposed physicians, and whether an administrative conference is requested. The adverse party shall respond under subpart 2. The division may attempt to resolve the dispute through telephone contact with the parties, if appropriate. If no resolution is reached, the division must schedule an administrative conference in accordance with this part. If the adverse party defaults by failing to respond to the proposed change of physician within 20 days of the filing of the M-10 form, the change must be granted ~~absent a compelling reason to deny the request~~ unless the change is clearly not in the best interest of the employee.

Subp. 8. **Medical and other issues on claim petition.**

A. If a claim petition contains medical as well as other issues and the employer or insurer admits primary liability, the case will be referred to a settlement judge under part 1415.1800. If the parties fail to reach a settlement, the settlement judge shall refer medical issues to the section for determination and refer the remaining issues to the office unless the complexity of the issues requires referral to the office before a medical determination can be made. In those complex cases, the case will be immediately referred to the office and the medical issues will not be determined until after the office issues a decision.

B. If a claim petition contains medical issues as well as other issues and the employer or insurer denies primary liability, the case will be referred to a settlement judge under part 1415.1800. If the settlement judge determines that a settlement conference is not appropriate or a settlement conference is held but a complete settlement is not reached, the case must be certified to the office.

A compensation judge may approve a stipulation for settlement of medical issues under part 1415.2000. If the medical issues are not resolved by agreement at the hearing, the matter must be immediately referred to the division to set for an administrative conference. An administrative conference in accordance with this part will be scheduled if conciliation is not attempted or is unsuccessful. If evidence was presented at the hearing related to medical issues under part 1415.2900, subpart 3, item F, which a party wishes considered at the conference, that party shall identify the portion of the hearing record to be considered. At the conference, the parties must submit the information they wish to be considered.

Subp. 9. **The medical decision.** A written decision must be issued and must include a statement indicating the right to appeal the decision to the board and how to initiate the appeal.

Subp. 10. **Continuances.** Continuances are disfavored but must be granted upon a showing of good cause. A party may request a continuance before the conference if the party has good cause for inability to appear at the conference. Good cause does not include:

A. unavailability of the insurer's representative because of engagement in another court or otherwise, unless all representatives practicing in the workers' compensation field are committed elsewhere, or unless all parties, including the employee personally, agree to a continuance and the continuance is requested at least ten business days before the conference; and

B. unavailability of the employee's representative because of engagement in another court or otherwise, unless the representative's associates practicing in the workers' compensation field are all committed elsewhere, or unless all parties, including the employee personally, agree to a continuance and the continuance is requested at least ten business days before the conference.

Requests for continuance made within five business days after service of the conference notice and at least ten business days before the conference will receive priority in rescheduling. Requests made within the ten days prior to the conference will generally not be granted.

If at the time of the conference the commissioner's designee determines that a person's rights will be affected by the proceeding and that a person has not been notified of the conference, the conference will be continued.

Subp. 11. **Appeal.** An appeal of the decision shall be as provided in part 5217.0030 (joint rules for the rehabilitation review panel and the medical services review board) or to a compensation judge if the issue is medical causation. The issues appealed will be the subject of a new hearing by the Rehabilitation Review Panel, Medical Services Review Board, or Compensation Judge.

Subp. 12. **Penalties.** Where payment of medical charges is not made in compliance with part 5221.0600, a penalty may be assessed under part 5220.2740.

B. The petition must include substantially all the items listed in part 1415.1000, subpart 1, except that items H to J must list the benefits which the insurer wishes to discontinue. In addition, it must contain a clear and concise statement of the facts upon which the proposed discontinuance is based. Service and filing of the petition must be in accordance with part 1415.1000, subpart 2.

C. Following the filing of a petition to discontinue benefits, the ~~employer or~~ insurer must continue paying compensation until the matter is resolved by agreement or until a judge orders otherwise.

D. The division shall refer the matter to the office under Minnesota Statutes, section 176.241.

##### **Subp. 3. Notice of discontinuance.**

A. The employer or insurer may discontinue the benefit indicated by the filing of a notice of discontinuance with the division and service of the notice on the other parties at the time that the payment or return-to-work occurs when the discontinuance results from:

An insurer or employer may request a conference under part 5220.2640, subpart 2 at any time to discuss a proposed discontinuance of benefits.

E. Instead of requesting a conference under item D or after the conference determination, the employee may object to a proposed or allowed discontinuance by filing with the division an objection to discontinuance under Minnesota Statutes, section 176.241. ~~This commences a formal action which will then be referred to the office and scheduled for hearing under part 1415.2100.~~

Subp. 5. **Notice by division of defect.** If a petition to discontinue compensation, a notice of discontinuance, or a notice of intention to discontinue benefits is filed without the information required by this part, the division may request that the employer or insurer file the required information within ten days of notice of the defect. ### 5220.2640 DISCONTINUANCE CONFERENCES.

Subpart 1. **Purpose.** The purpose of an administrative conference under Minnesota Statutes, section 176.242, is to determine whether reasonable grounds exist for a discontinuance of weekly benefits. The conference is an informal procedure to encourage discussion and clarify issues. If the parties do not reach an agreement on the issues, they will be resolved by a decision of the division. If all affected parties consent, rehabilitation and medical issues may also be discussed and clarified and decisions issued under Minnesota Statutes, sections 176.102 and 176.103.

Subp. 2. **Request.** The employee may request that the division schedule an administrative conference to discuss a proposed discontinuance of benefits. The employee's request for a conference must be received by personally delivered, mailed, or telephoned to the department no later than ten calendar days from the date a notice of intention to discontinue benefits was received by the division. The request is presumed mailed on the date indicated by the United States postmark. A request which does not include a legible United States postmark is presumed timely requested if received by the division no later than 13 days from the date a notice of intention to discontinue benefits was received by the division. Allowance will be made, if appropriate, for nonreceipt or delay under Minnesota Statutes, section 176.285.

If the insurer discontinues, reduces, or suspends benefits without filing a notice of intention to discontinue benefits in a situation in which a notice of intention to discontinue benefits was required under part 5220.2630, subpart 8 the employee may request an administrative conference at any time after the discontinuance or reduction but no later than ten days after a notice of intention to discontinue benefits is filed.

The employee's request should be on the form provided by the insurer which must include the employee's name, address, and social security number; the date of injury or disease; and the employer's name.

#### Subp. 3. Continuation of benefits.

A. If an employee requests an administrative conference within the time set out in this part, benefits must be paid through the date of the conference unless the employee has withdrawn the request for a conference or the commissioner determines that no conference is necessary subject to items B and C.

B. If an employee does not request an administrative conference or fails to appear at the conference without good cause and no continuance of the conference is allowed, benefits may terminate at the time stated in the notice of intention to discontinue benefits. The date for compensation to end must be no earlier than the day the notice of intention to discontinue benefits is served upon the employee and received by the division.

C. If an employee's request for a continuance under subpart 5 is granted and the employee is awarded ongoing benefits, benefits must be paid during the period of continuance through the date of the conference and continuing. If the employee's request for a continuance is granted and the employee is not awarded benefits, benefits need not be paid during the period of continuance. If the employer or insurer requested the continuance, benefits must be paid during the period of continuance. If the employee and insurer's joint request for a continuance is granted, benefits must be paid during the period of continuance unless the employee agrees in writing to waive the interim payment and await a decision regarding payment under subpart 7 following the administrative conference.

Subp. 4. **Scheduling.** Subject to subpart 5, a discontinuance conference must be set within the time limits set by this subpart. Following a notice of intention to discontinue benefits, the division shall schedule an administrative conference no later than ten calendar days after the division's receipt of a timely request for a conference. If no notice of intention to discontinue benefits was filed as required by part 5220.2630 and the employee requests a conference, the division shall schedule a conference no later than ten calendar days after the division's receipt of the employee's request if the conference request is received within 40 days from the date the employee's last benefit payment was received. If no notice of intention to discontinue benefits has been filed where an employer or insurer requests a conference, the division shall schedule an administrative conference to be held no later than 30 days after receipt of the request.

Subp. 5. **Continuances.** Continuances are disfavored but must be granted upon timely request and a showing of good cause. An employee, ~~employer,~~ or insurer may request a continuance if the party shows good cause for inability or failure to appear at the conference.

#### A. Good cause does not include:

(1) a party's lack of actual notice of the conference date and time when that party requested the conference and the notice was properly served on the party, or unless all parties, including the employee personally, agree to a continuance and the continuance is requested at least ten business days before the conference;

(2) unavailability of the insurer's representative because of engagement in another court or otherwise, unless all representatives practicing in the workers' compensation field are committed elsewhere, or unless all parties, including the employee personally, agree to a continuance and the continuance is requested at least ten business days before the conference; and

(3) unavailability of the employee's representative because of engagement in another court or otherwise, unless the representative's associates practicing in the workers' compensation field are all committed elsewhere, or unless all parties, including the employee personally, agree to a continuance and the continuance is requested at least ten business days before the conference.

B. An order continuing the conference must state the date and time of the rescheduled conference. It must be promptly mailed to the persons previously notified.

Subp. 6. **Standard and burden of proof.** The employer or insurer must prove by a preponderance of the information presented that reasonable grounds for a discontinuance exist.

Subp. 7. **The decision.** The decision must be based on information presented at the conference and information from the division file if the parties have been notified that file information will be reviewed and are given an opportunity to comment on those items considered. A written decision must be issued and must include notice of the right to have the matter heard by a compensation judge if a party is dissatisfied with the decision and the procedure for doing so and notice of the right to be represented by an attorney at a hearing before a compensation judge. The division shall mail a copy of the decision to the parties no later than five working days from the date of the conference. The decision is deemed notice of rights under Minnesota Statutes, section 176.241, to those parties served.

Subp. 8. **Petition ~~for hearing to discontinue~~; objection to discontinuance.** Under Minnesota Statutes, section 176.241, if a discontinuance is denied, the employer or insurer may file a petition to discontinue or, if a discontinuance is allowed, the employee may file an objection to discontinuance. Where an objection or petition is filed the administrative decision is binding on the parties until a hearing on the objection or petition is held and a decision made by the compensation judge.

Subp. 9. **Penalties.** Penalties may be imposed for an improper discontinuance of compensation under Minnesota Statutes, section 176.242, subdivision 10, and part 5220.2720 and for unreasonable or inexcusable delay or other grounds under Minnesota Statutes, section 176.225, subdivisions 1 and 5, and ~~part~~ parts 5220.2760 and 5220.2790.

In addition, a return to work conference is also available when properly requested by the employee under subpart 4 and Minnesota Statutes, section 176.2421 because of an inability to work at least 14 work days upon the employee's return to work.

Subp. 3. **Notice regarding employment and wages.** Upon completion of a 14-day employment and wage confirmation but no later than ten days following the 14-day check under Minnesota Statutes, section 176.243, if the employee is not working or is earning a lower wage than at the time of injury, the insurer must file a notice regarding employment and wages. Subp. 4. **Acceptance or rejection, hearing.** Should the division deem the application unacceptable prior to the subsequent injury, the applicant may, within 60 days following the receipt of notice of rejection, petition the division in writing for a hearing upon the application. B. A party may object to a proposed allocation by serving on all parties and filing an objection with the division within 20 days after service of the petition. The objection must contain a clear and concise statement of the specific grounds for the objection and must be accompanied by any documentary evidence supporting the objection.

C. A settlement judge shall rule on the petition without a hearing. If a party objects to the judge's decision, the party may request a hearing by filing with the division a written request for hearing within 30 days after the decision was filed. Upon receipt of a timely request for hearing, the matter will be referred to the office for hearing.

Subp. 2. **Allocation of compensation in other cases.** In all cases where there has been no allocation of benefits by a judge under subpart 1, and the death occurs after June 30, 1981, compensation to which dependents are entitled under Minnesota Statutes, section 176.111, shall be allocated as follows:

A. If the deceased employee leaves a surviving spouse and one dependent child, 84 percent of the compensation due under Minnesota Statutes, section 176.111, shall be paid to the surviving spouse and the remaining 16 percent of the compensation shall be paid for the benefit of the dependent child.

B. If the deceased employee leaves a surviving spouse and two or more dependent children, 75 percent of the compensation due under Minnesota Statutes, section 176.111, shall be paid to the surviving spouse and the remaining 25 percent shall be paid for the benefit of the dependent children.

This allocation shall apply from the date of death until a court-determined allocation is made, if any.

Subp. 3. **Date of death governs.** An allocation of benefits under this part shall be based upon facts existing as of the date of death. Reallocations based on a change of circumstances of the dependents after the date of death, such as remarriage, termination of dependency status of one or more of the dependents, or any other reason, are not permitted.

Subp. 4. **Factors in allocating.** Factors which may justify a different allocation from that provided in subpart 2 include special circumstances which necessitate greater income to one or more of the dependents and the existence of other adequate means of support, other than workers' compensation benefits, for certain dependents but not for others.

Subp. 5. **Offset for government survivor benefits.** An offset for government survivor benefits is allowed under Minnesota Statutes, section 176.111, subdivision 21, only to the extent that the government survivor benefits, when combined with the weekly workers' compensation benefits, exceed the weekly wage of the deceased employee at the time of death or exceeds the dependents allocated portion of the weekly wage for deaths occurring prior to July 1, 1981. For purposes of this offset, the weekly wage must be increased by the adjustments provided by Minnesota Statutes, section 176.645.

A. Deaths prior to July 1, 1981. If there is a surviving spouse and one or more dependent children in a single household, the offset must be computed twice, once separately for the spouse and once separately for the children, the children being taken as a group. For purposes of this computation, the weekly wage, as adjusted pursuant to Minnesota Statutes, section 176.645, is allocated between the spouse and children in the same proportion as benefits are allocated pursuant to this rule. Mother's insurance benefits must be allocated to the children.

B. Deaths after June 30, 1981.

(1) Surviving spouse responsible for support of all dependents. If the support of all dependent children is the responsibility of the surviving spouse, the offset shall be computed only once, taking the spouse and dependent children together as one group. All government survivor benefits, including mother's insurance benefits, received by any member of the group shall be lumped together for purposes of computing the offset.

(2) Surviving spouse not responsible for support of all dependents. If support of one or more of the dependent children is not the responsibility of the surviving spouse, the offset shall be computed twice, once for the surviving spouse and the children dependent on the surviving spouse, all taken as a group, and once for the children whose support is not the responsibility of the surviving spouse. For purposes of the offset, the weekly wage, as adjusted under Minnesota Statutes, section 176.645, must be allocated between the spouse and children in the same proportion as benefits are allocated pursuant to this part. Mother's insurance benefits must be allocated to the group comprised of the dependent children for whose benefit the mother's insurance benefits are being paid.

## ADOPTED RULES

Subp. 2. **Investigation by commissioner.** Upon receipt of a completed application, the commissioner shall determine whether benefits are payable under Minnesota Statutes, chapter ~~352B~~ 176B. The commissioner shall make any inquiries or investigation necessary to the determination, and if necessary, shall require the filing of a first report of injury under Minnesota Statutes, chapter 176.

Subp. 3. **Denial of claim.** If the commissioner determines that benefits are not payable, or that there is insufficient information on which to make a determination, the commissioner shall deny the claim and inform the claimant.

Subp. 4. **Petition for payment.** Claimants who disagree with the denial and wish to pursue their claim shall file a petition for payment with the Department of Labor and Industry, following the procedures prescribed for the filing of claim petitions under Minnesota Statutes, chapter 176, and part 1415.1000. The petition shall name as respondent the administrator of the peace officers benefit fund and shall be served on the commissioner.

Subp. 5. **Subsequent procedures.** The petition will be treated as a claim petition under Minnesota Statutes, chapter 176, including referral to the office for hearing, if the case is not settled.

Subp. 6. **Consolidation with dependency benefit claim.** Upon order of a compensation judge, a claim under Minnesota Statutes, chapter ~~352B~~ 176B, must be consolidated with a claim for death benefits under Minnesota Statutes, chapter 176, if the factual issues are similar and consolidation would not unduly delay resolution of either claim. Consolidation shall not be construed as permitting application of the same legal standard to both claims.

Subp. 7. **Appeals.** A party aggrieved by an order of the compensation judge or the Workers' Compensation Court of Appeals may appeal pursuant to Minnesota Statutes, chapter 176, and rules applicable to cases under Minnesota Statutes, chapter 176.

Subp. 8. **Certification.** After investigation the commissioner may certify pursuant to Minnesota Statutes, section ~~352B.04~~ 176B.04. If a denied claim is appealed, after a final order that the benefit is due, the commissioner shall so certify.

**DEPARTMENT OF NATURAL RESOURCES (DNR)** The DNR is asking the cooperation of 6,000 small game hunters and trappers who will be receiving questionnaires regarding their success last year. The surveys provide an estimate of the harvest and hunting pressure, information necessary in planning future hunting and trapping seasons, and essential for scientific wildlife management. Those surveyed are selected at random from among all license buyers. Roger Holmes, DNR Wildlife Section chief, asks those who receive the survey to fill it out to the best of their knowledge and return it promptly, even if they didn't actually hunt or trap. For information, call 296-3344.

**DEPARTMENT OF TRANSPORTATION (MnDOT)** A survey shows that 59% of all Minnesotans age 16 and over rode a bicycle in 1985, twice the national average. Of 1.5 million households in Minnesota 73% own one or more bicycles. Ten percent of Minnesotans age 16 and over used a bicycle for transportation to and from the workplace in 1985. The survey, conducted for MnDOT by the Minnesota Center for Survey Research at the University of Minnesota, showed that only 6% of all bikes are licensed, although there is a statewide bicycle license system. The survey has a 95% confidence rating. Minnesota has about 25,000 miles of roadway, with over one third of all roads and streets in the state suitable for biking. These bikeways are mapped out in a series of *Explore Minnesota Bikeways* maps, available for \$1.50 plus 6% tax from the Minnesota Documents Division, 117 University Avenue, St. Paul, 55155 (612) 297-3000. ## SUPREME COURT DECISIONS

### Decisions Filed Friday, 20 February 1987

Compiled by Wayne O. Tschimperle, Clerk

**C9-86-835 Glen Dahlbeck, Relator v. New London Concrete and Iowa National Mutual Insurance Company, State Treasurer, Custodian of the Special Compensation Fund. Workers' Compensation Court of Appeals.**

Minn. Stat. § 176.061 (1974) does not provide the Special Compensation Fund a right to reimbursement for benefits paid under the Workers' Compensation Act from proceeds recovered in third party damages actions.

Reversed. Yetka, J.

**C9-86-527 Andrew Louis Robinson v. Minnesota Valley Improvement Company and Aetna Casualty and Surety Company, Relators, and Custodian of the Special Compensation Fund. Workers' Compensation Court of Appeals.**

The finding of the Workers' Compensation Court of Appeals that the 1983 stipulation in this case is to be classified as one for permanent total disability is reversed.

A notice of intention to discontinue pursuant to Minn. Stat. § 176.241 was the proper way to terminate or modify benefits being paid pursuant to the "open award" under the 1983 stipulation in this case, but employer/insurer waived its statutory defense at the time it entered into the stipulation.

The compensation judge's award of attorney fees and disbursements in this case was proper.

Reversed and remanded for reinstatement of the decision of the compensation judge. Kelley, J.

**C8-86-1605 Farmers & Merchants State Bank of Pierz, et al., Appellants v. Bert Bosshart, et al. Morrison County.**

An insurance agent who participates in the placement of casualty insurance with a surplus lines insurer in violation of the Surplus Lines Insurance Act (Minn. Stat. §§ 60A.195-.209 (1986)) is not exempted from personal liability under Minn. Stat. § 60A.17, subd. 12 (1986).

Reversed and remanded to the trial court. Kelley, J.
