# Minnesota Rules: Amendments and Additions

## NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 75 state agencies have the authority to issue rules. Each agency is assigned specific *Minnesota Rule* chapter numbers. Every odd-numbered year the *Minnesota Rules* are published. This is a ten-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Proposed and adopted emergency rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

If an agency seeks outside opinion before issuing new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION in the *Official Notices* section of the *State Register*. When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues 1-13 inclusive; issues 14-25 inclusive; issue 26, cumulative for issues 1-26; issues 27-38 inclusive; issue 39, cumulative for 1-39; issues 40-51 inclusive; and issue 52, cumulative for 1-52. An annual subject matter index for rules appears in August. For copies of the *State Register*, a subscription, the annual index, the *Minnesota Rules* or the *Minnesota Guidebook to State Agency Services*, contact the Print Communications Division, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000 or toll-free in Minnesota 1-800-9747.

## Proposed Rules

Pursuant to Minn. Stat. §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the *State Register* and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

## Department of Agriculture

### Proposed Permanent Rules Relating to Seed Fees

#### Notice of Intent to Adopt a Rule Without a Public Hearing

**NOTICE IS HEREBY GIVEN** that the Minnesota Department of Agriculture intends to adopt the above-entitled amendments without a public hearing, following the procedures set forth in the Administrative Procedures Act for adopting rules without a public hearing in *Minnesota Statutes*, sections 14.22-14.28. The statutory authority to adopt these amendments is *Minnesota Statutes*, sections 21.85, subdivisions 12 and 13; 21.89, subdivision 1; and 21.90 subdivision 2.

All persons have 30 days in which to submit comment in support of or in opposition to the proposed amendments or any part or subpart of the amendments. Comment is encouraged. Each comment should identify the portion of the proposed amendments addressed, the reason for the comment, and any change proposed.

**KEY: PROPOSED RULES SECTION** — Underlining indicates additions to existing rule language. ~~Strike outs~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **ADOPTED RULES SECTION** — Underlining indicates additions to proposed rule language. ~~Strike outs~~ indicate deletions from proposed rule language.

## Proposed Rules

Any person may make a written request for a public hearing on the amendments within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held unless a sufficient number withdraw their request in writing. Any person requesting a public hearing should state their name and address, and is encouraged to identify the portion of the proposed amendments addressed, the reason for the request, and any proposed change. If a public hearing is required, the department will proceed according to *Minnesota Statutes*, sections 14.131 to 14.20.

Comments or written requests for a public hearing must be submitted to: Carol Milligan, Minnesota Department of Agriculture, 90 West Plato Boulevard, St. Paul, MN 55107, (612) 296-6906.

The proposed amendments may be modified if the modifications are supported by the data and views submitted to the department and do not result in a substantial change in the proposed amendments as noticed.

A copy of the proposed amendments is attached to this Notice.

**A STATEMENT OF NEED AND REASONABLENESS** that describes the need for and reasonableness of each provision of the proposed amendments and identifies the data and information relied upon to support the proposed amendments has been prepared and is available upon request from Ms. Milligan.

The proposed amendments should not greatly affect small businesses. The fee increases are modest enough that small seed businesses should be able to pass costs on to the consumer in the selling price of the seed. The increases in laboratory testing fees should benefit small private laboratories by putting state fees in line with those charged by private companies, thus eliminating the unfair competitive advantage by the state.

If no hearing is required, upon adoption of the final amendments, the amendments and the required supporting documents will be submitted to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the adopted amendments must submit a written request to Ms. Milligan.

Dated: 25 September 1989

Jim Nichols, Commissioner  
Department of Agriculture

## Ethical Practices Board

### Proposed Permanent Rules Relating to Campaign Financing

#### Notice of Intent to Adopt a Rule Without a Public Hearing

**NOTICE IS HEREBY GIVEN** that the State Ethical Practices Board intends to adopt the above-entitled rule without a public hearing following the procedures set forth in the Administrative Procedure Act for adopting rules without a public hearing in *Minnesota Statutes*, sections 14.22 to 14.28. The statutory authority to adopt the rule is *Minnesota Statutes*, section 10A.02, subd. 13.

All persons have 30 days in which to submit comment in support of or in opposition to the proposed rule or any part or subpart of the rule. The 30-day period ends January 12, 1990. Comment is encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the rule within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held unless a sufficient number withdraw their request in writing. Any person requesting a public hearing should state the person's name and address, and is encouraged to identify the portion of the proposed rule addressed, the reason for the request, and any change proposed. If a public hearing is required, the Board will proceed pursuant to *Minnesota Statutes*, sections 14.131 to 14.20.

Comments or written requests for a public hearing should be submitted to Mary Ann McCoy, Executive Director, Ethical Practices Board, 625 North Robert Street, St. Paul, MN 55101-2520; (612) 296-1720.

The proposed rule may be modified if the modifications are supported by data and views submitted to the Board and do not result in a substantial change in the proposed rule as noticed.

A copy of the proposed rule is attached to this notice.

**A STATEMENT OF NEED AND REASONABLENESS** that describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied upon to support the proposed rule has been prepared and is available from Ms. McCoy upon request.

Please be advised that *Minnesota Statutes* Ch. 10A requires each lobbyist to register with the Ethical Practices Board within five days after the lobbyist commences lobbying. A lobbyist is defined in *Minnesota Statutes* § 10A.01, subd. 11 as any individual: (a) engaged for pay or other consideration, or authorized by another individual or association to spend money, who spends more than five hours in any month or more than \$250, not including the individual's own travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating with or urging others to communicate with public officials; or (b) who spends more than \$250, not including the individual's own travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating with or urging others to communicate with public officials. The statute provides certain exceptions. Questions should be directed to the Board at the address above, telephone (612) 296-5148.

*Minnesota Statutes* § 14.115 requires the Board to provide an opportunity for small businesses to participate in the rulemaking process. It appears that the proposed amendments do not directly affect small business, for by definition, the regulations are imposed on individuals. However, small businesses may be affected indirectly by these regulations, for example a public official may disclose information on the official's statement of economic interest which may affect small businesses. For more information on the possible small business impact, see the Statement of Need and Reasonableness. The proposed amendments will not require expenditures of public money by local public bodies, therefore, Sections 3.982 and 14.11 do not apply.

If no hearing is required, upon adoption of the rule, the rule and the supporting documents will be submitted to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the adopted rule, must submit the written request to LuAnn Swanson, at the Board Office address listed above.

Dated: 27 November 1989

Mary Ann McCoy, Executive Director

#### **Notice of Intent to Adopt Rule Amendments Without a Public Hearing and of Intent to Adopt Rules With a Public Hearing if 25 or More Persons Request a Hearing**

**NOTICE IS HEREBY GIVEN** that the Minnesota Department of Public Service (Department) intends to adopt the above-entitled rule amendments without a public hearing following the procedures set forth in the Administrative Procedure Act for adopting rules without a public hearing in *Minnesota Statutes* §§ 14.22 to 14.28 (1988). By adopting these amendments, the Department will take over the responsibility for approving, modifying, or disapproving conservation improvement programs (CIPs) and utility renewable resource pilot programs (URRPPs), a responsibility currently carried out by the Minnesota Public Utilities Commission but recently transferred to the Department by virtue of 1989 *Minnesota Laws*, ch. 338, § 3. The proposed rule amendments are authorized by 1989 *Minnesota Laws*, ch. 338, § 3, which as been codified as *Minnesota Statutes* § 216B.241 (Supp. 1989).

All persons have until 4:30 p.m. on Wednesday, January 10, 1990, to submit comments in support of or in opposition to the proposed rule amendments or any part or subpart of the rule amendments. Comment is encouraged. Each comment should identify the portion of the proposed rule amendment addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the proposed rule amendments within the comment period. If 25 or more persons submit a written request for a public hearing within the comment period, a public hearing will be held unless a sufficient number withdraw their requests in writing. If a public hearing is required, the Department will proceed pursuant to *Minnesota Statutes* §§ 14.131 to 14.20 (1988).

PLEASE NOTE THAT IF 25 OR MORE PERSONS SUBMIT WRITTEN REQUESTS FOR A PUBLIC HEARING WITHIN THE 30-DAY COMMENT PERIOD, A HEARING WILL BE HELD ON WEDNESDAY, JANUARY 17, 1990, UNLESS A SUFFICIENT NUMBER WITHDRAW THEIR REQUEST, IN ACCORDANCE WITH THE NOTICE OF PUBLIC HEARING ON THESE SAME RULE AMENDMENTS PUBLISHED IN THIS *STATE REGISTER* AND MAILED TO PERSONS REGISTERED WITH THE DEPARTMENT. William B. Grant  
Department of Public Service  
150 East Kellogg

The proposed rule amendments may be modified if the data and views received during the hearing process warrant modification and the modification does not result in a substantial change in the proposed rule amendments.

The proposed rule amendments will make it possible for the Department to assume its new responsibilities to administer the CIP and URRPP programs as directed by 1989 *Minnesota Laws* ch. 338, § 3. The proposed rule amendments are published below. One free copy of the rule amendments is available from William B. Grant at the address and telephone number stated above.

**A STATEMENT OF NEED AND REASONABLENESS** that describes the need for and reasonableness of each provision of the proposed rule amendments and identifies the data and information relied upon to support the rule amendments has been prepared and is available from William B. Grant upon request.

**YOU ARE HEREBY ADVISED**, pursuant to *Minnesota Statutes* § 14.115 (1988), "Small business considerations in rulemaking," that the proposed rule amendments do not impose requirements on small businesses because the utilities that are required to implement CIP and URRPP programs are not small businesses. However, the rules provide an opportunity for interested persons, some of whom may be small businesses, to participate in the CIP/URRPP programs. The proposed amendments have some features which will facilitate interested persons' participation in the CIP/URRPP process, particularly non-profit organizations with very limited resources. Examples of these features are discussed in the Statement of Need and Reasonableness. Therefore the proposed rule amendments are expected to have a positive impact on small businesses.

### Department of Employee Relations

#### Request for Proposal for Technology Retraining Project

##### Background

The Department of Employee Relations is pleased to announce that grant money is available to state agencies to provide training programs for their employees. The purpose of these training programs is to retrain current employees to meet new job demands or changing staffing needs caused by the expanded use of technology in the work place.

A legislative appropriation of \$253,000.00 is available for demonstration projects and may be awarded to a single state agency or to a number of state agencies. Awards will be granted by DOER to those agencies whose projects produce benefits to the state and whose experience provides a model for other agencies.

Agency heads are granted the authority to require individuals to participate in these demonstration projects as a condition of continued employment. Agencies are expected to provide contributions, such as released time for employees, and are encouraged, whenever possible, to supplement the grant money with other funds.

Awards will be made by mid-February, 1990. The agency(ies) chosen will be expected to implement the projects between March 1, 1990 and March 1, 1991. It is expected that \$121,000.00 of the legislative appropriation will be encumbered by June 30, 1990 and the remaining \$132,000.00 by March 1, 1991.

Enabling legislation states that DOER "shall ensure that employees are given the maximum opportunity possible to change civil service classifications, employment conditions, positions and appointing authorities after satisfactory completion of the retraining programs."

## Professional, Technical & Consulting Contracts

**Eligibility:** Consideration will be given to any proposal submitted by an executive-branch agency head. DOER particularly encourages proposals that include the training of one or more of the following:

- employees on layoff lists or employees facing layoffs
- employees not trained in new technology whose work has changed because of automation
- employees with program expertise (users) who need technical skills
- employees with technical skills (EDP professionals) who need to upgrade their technical skills because of the acquisition of new systems

**Criteria:** It is essential that each agency proposal provides the following information. Proposals will be evaluated with points given for each criterion as shown below:

1. Demonstrate where and how the agency is in the process of implementing new systems of technology (10 points).
2. Show how the training program being proposed is designed to train current staff so that the agency does not require additional technical staff support (25 points).
3. Specify the target groups of the retraining program, how they will be selected, and how these groups and the agency will benefit (15 points).
4. Include a detailed training plan indicating types of training, internal and external sources of training, timelines and evaluation devices (25 points).
5. Indicate the extent to which the project has transferability to other agencies (25 points).
6. Specify agency contributions and outside support, if applicable.
7. Provide a budget for the entire project and a listing of personnel responsible for implementation.

**Procedures for submitting applications:** Agency heads are invited to submit applications to Commissioner Nina Rothchild, Minnesota Department of Employee Relations, 520 Lafayette Road, St. Paul, Minnesota 55155. An information session will be provided by DOER on December 15, for potential applicants. **THE DEADLINE FOR APPLICATIONS IS 4:30 p.m. on JANUARY 16, 1990.**

**Review process:** Applications will be reviewed jointly in January by DOER and the Information Policy Office (IPO) of the Minnesota Department of Administration. The DOER/IPO review will identify a list of candidates for consideration by the Technology Retraining Advisory Committee set up by DOER to make recommendations to the Commissioner. Candidates on the list will be invited to make a presentation to the members of an Advisory Committee around February 9, 1990. After the Advisory Committee recommends a finalist (or finalists) to DOER, the Commissioner and IPO will determine an award winner(s). Candidates will be notified February 15, 1990.

Agencies selected to receive DOER funds will be expected to document changes in skill levels of employees due to participation in their program. Additional reporting to DOER will be conducted on a quarterly basis. Reporting shall include issues related to the appropriateness of job classifications.

**Information:** A copy of the enabling legislation is attached. For more information about this project, please call Vera Vogelsang-Coombs at (612) 296-8933.

## Minnesota Housing Finance Agency

### Request for Proposals to Provide Title Insurance and Related Services

The Minnesota Housing Finance Agency (MHFA) is in the process of developing several new mortgage programs to assist low to moderate income homebuyers throughout the state. These programs will require that MHFA take on the new responsibility of direct origination of these specialized mortgage loans. To accomplish this in the most effective manner, MHFA will contract with two or more title insurance companies throughout the state to provide a variety of services related to those mortgage loans.

The services MHFA will be asking the title companies to perform will include those normally required of a title company by a mortgage lender, including acting as our closing agent, providing title insurance and acting as a financial intermediary in the closing process.

In addition, MHFA may ask the title company to perform interim and/or final property inspections on properties which are being rehabilitated or newly constructed. The title companies should be well-versed in construction financing and be willing to collect lien waivers. In an effort to minimize closing costs for borrowers on those transactions, MHFA would also hope that the title companies could provide a title insurance policy to the builder/developer at the closing of the construction loan which could be rewritten for the benefit of the ultimate borrower at a reduced fee.

MHFA may also require several services which do not normally fit within the context of those provided by title companies on behalf of a mortgage lender. These types of services include the ability of the title company to act as our financial intermediary for the payment of services not normally associated with the closing of a mortgage loan, such as the appraiser and credit reporting agency.

**Eligible Applicants:** Eligible applicants are title insurance companies which can demonstrate the ability to perform the required services on a state-wide basis for mortgage loans on 1-4 family residential properties.

**Application Process:** Application packets should be requested from MHFA. Completed applications are due at MHFA offices by 4:30 p.m. on Friday, December 29, 1989. MHFA staff will review those applications, select at least 2 title insurance companies and cause contracts to be executed between MHFA and the selected title companies by mid-January of 1990.

**Applicants are encouraged to contact the Minnesota Housing Finance Agency to discuss their proposal prior to submission of their application.**

For further information you may contact:

Bruce Strong  
Housing Development Officer  
Minnesota Housing Finance Agency  
400 Sibley Street, Suite 300  
St. Paul, MN 55101-1998  
(612) 297-3131

MHFA reserves the right to modify or withdraw this Request for Proposal at any time and is not able to reimburse any applicant for costs incurred in the preparation or submission of applications.

## Announcements

---

**New Minnesota career information publication now available:** A new publication containing a wealth of data about occupations, including size, salary level, growth rate, number of expected openings and training required, is now available to the public. The 36-page, newspaper-style publication, entitled "Minnesota Careers," is intended to serve as a reference, supplying students and adults with the information they need to explore various career options. Additional sources of information and resources to contact for help with career choice and training also are included. Complimentary supplies of the publication are being sent to all junior and senior high schools, most post-secondary educational institutions and all public libraries in the state. Copies also will be available through the various offices and programs administered by the Department of Jobs and Training, including Job Service, Rehabilitation Services, State Services for the Blind, Job Training, Displaced Homemakers and STRIDE. Additional copies in limited quantities may be obtained by contacting the Research and Statistics office, Hugh Heimdahl or Don Hilber 612/296-6545.

**Winter Guide to Cross-Country Skiing in Minnesota Now Available:** Just in time for winter snowfalls, the Minnesota Department of Natural Resources (DNR) has released its annual free guide to cross-country skiing in Minnesota. Developed in conjunction with the Office of Tourism, the 19-page catalogue locates and describes features on more than 215 cross-country ski areas throughout Minnesota. The Great Minnesota Ski Pass, now in its seventh year, is required for skiers ages 16-64 on all publicly provided trails listed in the trail guide. The DNR advises everyone to check cross-country ski pass legal requirements. An annual ski pass is \$5. A couple's annual ski pass is \$7.50. A three-year ski pass is also available at \$14 for individuals or \$21 for couples. All proceeds from the ski pass help fund grooming and maintenance of statewide cross-country skiing facilities. The free trail guide and ski passes can be ordered by calling (612) 296-6699 in the Twin Cities, or by calling toll free Minnesota 1-800-652-9747 (8 a.m. to 4:30 p.m. weekdays) and asking for "The Great Minnesota Ski Pass." Passes can be charged on VISA or Mastercard. Telephone operators can also provide the latest snow depth information, clarify mailing procedures for the ski pass, and identify local ski pass outlets in addition to those listed in the guide. Those who need their ski passes immediately may purchase them at most Minnesota state parks, county auditors offices, and at about 100 other local parks and businesses. For more information, contact: Dan Collins, Trails & Waterways (612) 296-6048.

**DNR Issues Ice Warning for Aerated Lakes:** A list of Minnesota lakes where aeration devices will be operating this winter has been released by the Minnesota Department of Natural Resources (DNR) in order to warn ice fishermen, skiers, snowmobilers and others about the potential hazard of being on the ice. Aeration devices create areas of open water and thin ice that provide a refuge area with adequate dissolved oxygen where fish can survive the winter months in lakes that suffer from periodic winterkill of fish. Aeration systems may also be permitted for other purposes. Aeration systems are generally in operation from early winter until the ice breaks up in the spring. DNR officials urge people to use caution when on the ice of aerated lakes, particularly at night. Open water areas created by aeration systems can shift or change shape, depending on weather conditions. Air lines might develop leaks, causing other areas of weak ice or open water. For more information, contact: Steve Enger, Aquatic Biologist (612) 296-2835.

**They're Great Lakes:** Mn/DOT's Great Lakes transportation plan is available from the Ports and Waterways Section. It contains historical background on Great Lakes and St. Lawrence Seaway transportation, current information and issues and Mn/DOT's position on those issues. Copies are available from Kaye Schouweiler, (612) 296-8554.
