47	Monday 10 May	Monday 17 May	Monday 24 May
48	Monday 17 May	Monday 24 May	Tuesday 1 June

*Deadline extensions may be possible at the editor's discretion; however, none will be made beyond the second Wednesday (12 calendar days) preceding the issue date for rules, proposed rules and executive orders, or beyond the Wednesday (5 calendar days) preceding the issue date for official notices. Requests for deadline extensions should be made only in valid emergency situations.

**Notices of public hearings on proposed rules and notices of intent to adopt rules without a public hearing are published in the Proposed Rules section and must be submitted two weeks prior to the issue date.

Instructions for submission of documents may be obtained from the *State Register* editorial offices, 117 University Ave., St. Paul, Minnesota 55155, (612) 297-7963, TDD (Minnesota Relay Service), Metro Area (612) 297-5353, Greater MN 1-800-627-3529.

The *State Register* is published every Monday (Tuesday when Monday is a holiday) by the State of Minnesota, Department of Administration, Print Communications Division, 117 University Avenue, St. Paul, Minnesota 55155, pursuant to *Minnesota Statutes* § 14.46. A *State Register Contracts Supplement* is published every Tuesday, Wednesday and Friday. The Monday edition is the vehicle for conveying all information about state agency rulemaking, including official notices; hearing notices; proposed, adopted and emergency rules. It also contains executive orders of the governor; commissioners' orders; state contracts and advertised bids; professional, technical and consulting contracts; non-state public contracts; state grants; decisions of the supreme court; a monthly calendar of scheduled cases before the supreme court; and other announcements. The *State Register Contracts Supplement* contains additional state contracts and advertised bids.

In accordance with expressed legislative intent that the *State Register* be self-supporting, the following subscription rates have been established: the Monday edition costs \$150.00 per year and includes an index issue published in August (single issues are available at the address listed above for \$3.50 per copy); the combined four editions cost \$195.00 (subscriptions are not available for just the *Contracts Supplement*); trial subscriptions are available for \$60.00, includes four editions, last for 13 weeks, and may be converted to a full subscription anytime by making up the price difference. No refunds will be made in the event of subscription cancellation.

Both editions are delivered postpaid to points in the United States, second class postage paid for the *State Register* at St. Paul, MN, first class for the *Contracts Supplement*. Publication Number 326630 (ISSN 0146-7751).

Subscribers who do not receive a copy of an issue should notify the *State Register* circulation manager immediately at (612) 296-0931. Copies of back issues may not be available more than two weeks after publication.

Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 75 state agencies have the authority to issue rules. Each agency is assigned specific *Minnesota Rule* chapter numbers. Every odd-numbered year the *Minnesota Rules* are published. This is a ten-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Proposed and adopted emergency rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

If an agency seeks outside opinion before issuing new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION in the *Official Notices* section of the *State Register*. When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues 1-13 inclusive; issues 14-25 inclusive; issue 26, cumulative for issues 1-26; issues 27-38 inclusive; issue 39, cumulative for 1-39; issues 40-51 inclusive; and issue 52, cumulative for 1-52. An annual subject matter index for rules appears in August. For copies of the *State Register*, a subscription, the annual index, the *Minnesota Rules* or the *Minnesota Guidebook to State Agency Services*, contact the Print Communications Division, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000 or toll-free in Minnesota 1-800-657-3757.

Proposed Rules

Pursuant to Minn. Stat. §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the *State Register* and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Proposed Permanent Rules Relating to Electrical Code Update

Notice of Intent to Adopt Rules Without a Public Hearing

The State Building Codes and Standards Division intends to adopt a permanent rule without a public hearing following the procedures set forth in the Administrative Procedure Act, *Minnesota Statutes*, sections 14.22 to 14.28. You have 30 days to submit written comments on the proposed rule and may also request that a hearing be held on the rule.

Agency Contact Person. Comments or questions on the rule and written requests for a public hearing on the rule must be submitted to:

Margaret White, State Building Codes and Standards Division, 408 Metro Square Building, 121 East 7th Place, St. Paul, MN 55101, 296-4626, 297-5353 (TDD-MN Relay Service), 800-657-3529 (Greater MN TDD-MN Relay Service). Our fax number is 297-1973.

Subject of Rule and Statutory Authority. The proposed rule is about adoption of the 1993 National Electrical Code (NEC) by reference. The statutory authority to adopt this rule is found in *Minnesota Statutes* 326.243, (1992) and 16B.61 to 16B.64, (1992) and 14.07 Subd. 4 (1992). A copy of the proposed rule is published in the *State Register* and attached to this notice as mailed.

Comments. You have until 4:30 p.m. June 14, 1993 to submit written comments in support of or in opposition to the proposed rule and any part or subpart of the rule. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Request for a Hearing. In addition to submitting comments, you may also request that a hearing be held on the rule. Your request for a public hearing must be in writing and must be received by the agency contact person by 4:30 p.m. on June 14, 1993. Your written request for a public hearing must include your name and address. You are encouraged to identify the portion of the proposed rule which caused your request, the reason for the request, and any changes you want made to the proposed rule. If 25 or more persons submit a written request for a hearing, a public hearing will be held unless a sufficient number withdraw their requests in writing. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, section 14.131 to 14.20.

Modifications. The proposed rule may be modified as a result of public comment. The modifications must be supported by data and views submitted to the agency and may not result in a substantial change in the proposed rule as attached and printed in the *State Register*. If the proposed rule affects you in any way, you are encouraged to participate in the rulemaking process.

Statement of Need and Reasonableness. A statement of need and reasonableness is available from the agency contact person. This statement describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied upon to support the proposed rule.

Copies of the 1993 National Electrical Code are in general distribution and may be reviewed at the Minnesota Building Codes and Standard Division and obtained from the State Board of Electricity, Room S-173 Griggs Midway Building, 1821 University Avenue, St. Paul, Minnesota 55104.

Expenditure of Public Money by Local Public Bodies; Impact on Agriculture Lands. You are advised, pursuant to *Minnesota Statutes*, Section 14.11 "Special Notice of Rulemaking," that the adoption of these rules will not have any impact on agricultural land nor should the expenditure of public money exceed \$100,000 in either of the two years following the adoption of these rules.

Small Business Considerations. Pursuant to *Minnesota Statutes*, Section 14.115, Subd. 2, the Building Codes and Standards Division has evaluated the effect of the proposed rules on small businesses and has considered each of the methods prescribed. The

proposed rules do not require businesses to make reports of the requirements in items (a), (b) and (c). Establishment of less stringent compliance requirements of items (a), (b), (c) or exemption from any of the rule requirements of item (e) are not appropriate because the purpose of rules is to establish a minimum standard for the application and installation of electrical wiring and its associated materials in all public, private, commercial, industrial and residential structures within the State of Minnesota to protect life, limb, health, property, and public welfare of the residents at the least possible cost consistent with recognized standards. See *Minnesota Statute* Section 16B.59 (1992). To exempt small businesses from any or all requirements of the rules would be contrary to statutory obligations that are the basis of the proposed rulemaking, *Minnesota Statutes* Section 16B.59, 16B.61 and 16B.64. The Legislature has specifically mandated that the uniformity of construction standards is in the public interest. *Minnesota Statute* Section 16B.61, Subd. 1 states in part: "The code must conform insofar as practicable to model codes generally accepted and in use throughout the United States."

Minnesota Statutes Section 14.115 Subd. 2(d) calls for the establishment of performance standards for small businesses to replace design or operational standards required in the rule as one method of reducing the adverse impact of the rules upon them. The National Electrical Code is based on the application of scientific principles, approved tests and professional judgement, and to the extent practicable is written in terms of results rather than specific methods and materials. Any design or operational standards required in the rule must apply equally to all businesses engaged in implementing the code.

Pursuant to *Minnesota Statutes* 14.115, subd. 4(a) the statements in the preceding paragraphs constitute the statement of the impact of the rule on small businesses, and the probable qualitative and quantitative effect of its rules.

Performance standards apply across the board to all entities subject to the code, as they must be to comply with statutory obligations as discussed above.

Minnesota Statutes, Chapter 10A requires each lobbyist to register with the Ethical Practices Board within five days after he or she commences lobbying. A lobbyist is defined in *Minnesota Statutes*, section 10A.01 Subdivision 11 as an individual:

(a) Engaged for pay or other consideration, or authorized by another individual or association to spend money, who spends more than five hours in any month or more than \$250.00, not including travel expenses and membership dues, in any year, for the purpose of attempting to influence legislation or administrative action by communicating or urging others to communicate with public officials; or,

(b) Who spends more than \$250.00, not including travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials.

The statute provides certain exceptions. Questions should be directed to the Ethical Practices Board, 625 North Robert Street, St. Paul, Minnesota 55101, (612) 296-5148.

Adoption and Review of Rule. If no hearing is required, after the end of the comment period the agency may adopt the rule. The rule and supporting documents will then be submitted to the attorney general for review as to legality and form to the extent the form relates to legality. You may request to be notified of the date the rule is submitted to the attorney general or be notified of the attorney general's decision on the rule. If you wish to be so notified, or wish to receive a copy of the adopted rule, submit your request to the agency contact person listed above.

Statement of Need and Reasonableness

The Minnesota State Building Code Administrative Rule 1300.2500 includes the adoption of current model codes and amendments to these model codes. One of these model codes is the National Electrical Code (ANSI/NFPA 70), copyright National Fire Protection Association, One Battery March Park, Post Office Box 9101, Quincy, Massachusetts 02269-9101, that provides for electrical design and construction. The National Electrical Code is updated and printed every three years.

The Minnesota Electrical Act, *Minnesota Statutes* 326.243 (1992), Safety Standards, requires that the most recently published addition of the National Electrical Code as adopted by the National Fire Protection Association, Inc., and approved by the American National Standards Institute shall be prima facie evidence of accepted standards of construction for safety to life and property. The 1993 edition of the National Electrical Code was adopted by the National Fire Protection Association on May 12, 1992, and approved

Proposed Rules

by the American National Standards Institute on August 14, 1992. The 1993 edition is the most recent edition and therefore must be incorporated into the Minnesota State Building Code to reference the most recent edition. Authorization for this adoption is provided in *Minnesota Statutes* Section 16B.64 Subd. 2 (1992) and *Minnesota Statutes* Section 14.07, Subd. 4 (1992).

Establishing the effective date of July 1, 1993, provides a time frame for the State Board of Electricity and Administering Municipalities to notify those affected by the Electrical Code so that they are aware of and prepared to uniformly comply with the provisions of the 1993 National Electrical Code on a specific date.

Adopting the 1993 Edition of the National Electrical Code complies with the intent of *Minnesota Statutes* Section 16B.64 and Sec. 326.243, for the safety of Minnesota citizens.

State Grants

In addition to requests by state agencies for technical/professional services (published in the State Contracts section), the *State Register* also publishes notices about grant funds available through any agency or branch of state government. Although some grant programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself.

Agencies are encouraged to publish grant notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Notice of Availability of Funds for Minnesota Poison Information Centers

The Commissioner of Health announces the availability of funds for the provision of poison information services in the State of Minnesota. Non-profit corporations and units of government are eligible to apply.

The Department anticipates \$530,000 will be available for the year July 1, 1993, through June 30, 1994. Of that amount, \$380,000 is from the State general fund and \$150,000 from federal sources. The availability and specific amount of funding are contingent on the outcome of State and federal budget deliberations.

Proposals for poison information services should be specifically designed to serve the needs of the general public and health professionals. *The services are not intended to fulfill the duties of units of government, private industry or others who may be required by State law to provide information on issues such as worker right-to-know and hazardous materials response.*

Proposals will be due on **Friday, June 11, 1993**. Following a review of the proposals received, the Commissioner will designate one or more regional poison information centers. Funds will be administered through contract(s) between the State and the designated grantee(s) for a one-year period, July 1, 1993, through June 30, 1994. The Commissioner reserves the right to extend the poison center(s) designation and the terms of the contract(s) for an additional year, from July 1, 1994, through June 30, 1995, without reopening the designation process. In that case, the next designation of state poison information center(s) would not occur until mid-1995.

State Grants

In selecting a grantee(s), the Commissioner will use the five selection criteria specified in the enabling legislation (*Minnesota Statutes* 145.93), plus such general considerations as the availability of matching funds and in-kind support and the ability to pursue additional funding from other sources. Applicants will be expected to demonstrate the ability to initiate services immediately following the selection and awarding of funds.

Selection criteria, and additional information on the content and format of proposals, are contained in a Request for Proposal which will be supplied to all eligible grantees who submit a Notice of Intent to apply for funds.

Notices of Intent to apply for funds must be submitted by **Friday, May 21, 1993**, to:

Department of Public Safety

Notice of Availability of Funds

The Minnesota Department of Public Safety, Office of Drug Policy and Violence Prevention, announces the availability of Federal Anti-Drug Abuse Act of 1988 (PL 100-690) funds to develop and demonstrate community policing strategies that focus on drug demand reduction and crime prevention at the neighborhood level. This program involves the co-production of public safety through extensive partnership efforts between law enforcement, other local government agencies, businesses, schools, community/social organizations and citizens.

A total of \$300,000 is available for these initiatives. The estimated size for awards will range from \$10,000–\$75,000. Grant funds must be matched at a 25% level. Funding is for a twelve (12) month period.

Local law enforcement agencies may apply. The deadline for grant submission is Monday, August 2, 1993, 4:30 p.m. To receive a request for proposal contact:

Jeri Boisvert
Minnesota Department of Public Safety
Office of Drug Policy and Violence Prevention
316 Transportation Building

Telephone: (612) 296-0922
TDD: (612) 297-2100

Non-State Public Bids and Contracts

The *State Register* also serves as a central marketplace for contracts let out on bid by the public sector. The *Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector.

It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of project and tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as \$1,000. Contact the editor for further details.

Minnesota Historical Society

Notice of Request for Bids for Printing, Binding and Manufacture of a Book—Lost Twin Cities

The Minnesota Historical Society is seeking bids from qualified firms to provide all services for the printing, binding and manufacture of 3000 paper cover copies of the book Lost Twin Cities.

Awards of State Contracts and Advertised Bids

The Request for Bids is available by calling or writing Gary W. Goldsmith, Contracting Officer, Minnesota Historical Society, 345 Kellogg Blvd. West, St. Paul, MN 55102. Telephone (612) 297-5863.

Bids must be received not later than May 19, 1993.

Details concerning submission requirements are included in the Request for Bids.

Awards of State Contracts and Advertised Bids

Pursuant to the provisions of Minn. Stat. § 14.10, an agency must make reasonable effort to publicize the availability of any services contract or professional and technical services contract which has an estimated cost of over \$2,000.

Commodities contracts with an estimated value of \$15,000 or more are listed under the Materials Management Division, Department of Administration. All bids are open for 7-10 days before bidding deadline. For bid specifics, time lines, and other general information, contact the appropriate buyers whose initials appear in parentheses next to the commodity for bid, by calling (612) 296-6152.

MAILING LISTS GALORE

Successful business means successful sales

The Print Communications Division has a variety of mailing lists of licensed professionals and permit holders that will enable you to focus your marketing efforts on a targeted audience.

Types of lists available are: registered nurses, real estate agents, physicians, insurance agents, boatowners, hunters, cosmetologists, teachers, and many more! And you can get them on printouts, cheshire/pressure sensitive labels, as well as 9-track magnetic tapes.

What's more, you can choose from several selection capabilities. You will find our selections most helpful and beneficial to your business when you learn that you can acquire names and addresses of individuals in the areas you need to target most.

Find out more about our mailing lists by writing for our free mailing list catalog. In a hurry? Call (612) 296-0930 for more information. Requests can be sent to: Print Communications Division, Mailing List Service, 117 University Avenue, St. Paul, MN 55155. FAX: (612) 297-8260.

River Stories That Warm Your Heart

A *Stretch on the River*. 1950 novel about the son of a wealthy family who goes to work on a Mississippi River towboat to avoid being drafted. With power, gusto and humor, author Richard Bissel creates an energetic, rowdy, and delightful account of a typical trip up the river, accurately re-creating a colorful era of towboating on America's major waterway. Stock #17-6-SR. \$8.95 plus tax.

High Water. During the worst flood on the Mississippi River anyone can remember, the mate of a towboat has his hands full on a perilous trip, working with an unhappy crew, an angry captain, and too many barges to push against too much river. A 1954 Richard Bissel novel reveals the drama, humor and charm of working on the river. Stock #17-8-SR. \$8.95 plus tax.

Old Times on the Mississippi River. George Merrick's lively, loving, and humorous reminiscences of his steamboat life from the bottom up, as a pantry boy, apprentice engineer, second clerk, and "cub" pilot. First published in 1909, he describes steamboat operations—from machinery and personnel to the economics of the business—with vivid examples and rich detail. 323 pp. includes appendices and index. Stock #17-45-SR. \$8.95 plus tax.

Canoeing with the Cree. Minnesota's distinguished newsman, Eric Sevareid, wrote his book in 1935 about a canoe journey he and a classmate made to Hudson Bay. The classic recounts their trip on the Mississippi, Minnesota and Red River of the North Rivers into Lake Winnipeg, and then God's River to Hudson Bay. 209 pp. includes index, maps and photos. Stock #17-14-SR. \$6.95 plus tax.
