**NOTICE: How to Follow State Agency Rulemaking in the State Register**

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 75 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the *Minnesota Rules* are published. This is a ten-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Proposed and adopted emergency rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

If an agency seeks outside opinion before issuing new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION in the *Official Notices* section of the *State Register*. When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as Adopted Rules. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues 1-13 inclusive; issues 14-25 inclusive; issue 26, cumulative for issues 1-26; issues 27-38 inclusive; issue 39, cumulative for 1-39; issues 40-51 inclusive; and issue 52, cumulative for 1-52. An annual subject matter index for rules appears in August. For copies of the *State Register*, a subscription, the annual index, the *Minnesota Rules* or the *Minnesota Guidebook to State Agency Services*, contact the Print Communications Division, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000 or toll-free in Minnesota 1-800-657-3757.

Proposed Rules

Pursuant to Minn. Stat. §14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the State Register. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the State Register.

Pursuant to Minn. Stat. §§14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the State Register and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Minnesota Statutes Chapter 10A requires each lobbyist to register with the State Ethical Practices Board within five days after she or he commences lobbying. A lobbyist is defined in Minnesota Statutes section 10A.01, subdivision 11 as any individual:

a) engaged for pay or other consideration, or authorized by another individual or association to spend money, who spends more than five hours in any month or more than $250, not including his own travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials; or

b) who spends more than $250, not including his/her own traveling expenses and membership dues, in any year for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials.

The statute provides certain exceptions. Questions should be directed to the Ethical Practices Board, 625 North Robert Street, St. Paul, MN 55101, telephone number (612) 296-5615.

NOTICE IS HEREBY GIVEN THAT A STATEMENT OF NEED AND REASONABLENESS is now available for review at the Board and at the Office of Administrative Hearings. This Statement of Need and Reasonableness includes a summary of all the evidence which the Board anticipates presenting at the hearing justifying both the need for and the reasonableness of the proposed rule.

Copies of the Statement of Need and Reasonableness may be reviewed at the Board or the Office of Administrative Hearings and copies may be obtained from the Office of Administrative Hearings at the cost of reproduction.

PLEASE NOTE that any person may request notification of the date on which the administrative law judge’s report will be available, after which date the Board may not take any final action on the rule for a period of five working days. If you want to be so notified, you may so indicate at the hearing. After the hearing, you may request notification by sending a written request to the administrative law judge. Any person may request notification of the date on which the rule was adopted and filed with the Secretary of State. The notice must be mailed on the same day the rule is filed. If you want to be so notified, you may indicate at the hearing or send a request in writing to the Board at any time prior to the filing of the rule with the Secretary of State.

Promulgation of the proposed rule will not result in the expenditure of public monies by local public bodies nor have any impact on agricultural land. The Board’s evaluation of the applicability of the methods contained in Minnesota Statutes section 14.115, subdivision 2 for reducing the impact of the proposed rule on small businesses, should it be determined that the Board is governed by section 14.115, are addressed in the Statement of Need and Reasonableness.

Board of Medical Practice

Proposed Permanent Rules Relating to Continuing Education

Notice of Intent to Adopt a Rule Without a Public Hearing

The Minnesota Board of Medical Practice (hereinafter “Board”) intends to adopt permanent rules without a public hearing following the procedures set forth in the Administrative Procedure Act, Minnesota Statutes, sections 14.22 to 14.28. You have 30 days to submit written comments on the proposed rules.

COMMENTS or questions on the rule and written requests for a public hearing on the rule must be submitted to:
The proposed rule is about continuing medical education. The statutory authority to adopt this rule is Minnesota Statutes 147.01, 214.06, and 214.12 (1993). A copy of the proposed rule is published in the State Register and attached to this notice as mailed.

You have until 4:30 p.m. on August 12, 1994 to submit written comment in support of or in opposition to the proposed rule and any part or subpart of the rule. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

In addition to submitting comments, you may also request that a hearing be held on the rule. Your request for a public hearing must be in writing and must be received by the agency contact person by 4:30 p.m., on August 12, 1994. Your written request for a public hearing must include your name and address. You are encouraged to identify the portion of the proposed rule which caused your request, the reason for the request, and any changes you want made to the proposed rule. If 25 or more persons submit a written request for a hearing, a public hearing will be held unless a sufficient number withdraw their requests in writing. If a public hearing is required, the agency will follow the procedures in Minnesota Statutes, sections 14.131 to 14.20. The proposed rule may be modified as a result of public comment. The modifications must be supported by data and views submitted to the agency and may not result in a substantial change in the proposed rule as attached and printed in the State Register. If the proposed rule affects you in any way, you are encouraged to participate in the rulemaking process.

A STATEMENT OF NEED AND REASONABLENESS is now available from the agency contact person identified above. This statement describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied upon to support the proposed rule.

It is the position of the Board that it is not subject to Minnesota Statute 14.115 regarding small business considerations in rulemaking. The basis for this position is addressed in the statement of need and reasonableness.

The Minnesota Board of Medical Practice has reviewed the proposed rules, and finds no evidence that the rules would cause the expenditure of public money by any local public body.

The Minnesota Board of Medical Practice has reviewed the proposed rules, and finds that the subject matter of the rules is not related to agriculture land.

After the end of the comment period, the agency may adopt the rule. The rule and supporting documents will then be submitted to the attorney general for review as to legality and form to the extent form relates to legality. You may request to be notified of the date the rule is submitted to the attorney general or be notified of the attorney general’s decision on the rule. If you wish to be so notified, or wish to receive a copy of the adopted rule, submit your request to the agency contact person listed above.

Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

In addition to submitting comments, you may also request a hearing to be held on the rule. Your request for a public hearing must be in writing and be received by the agency contact person by 4:30 p.m., on August 12, 1994. Your written request for a public hearing must include your name and address. You are encouraged to identify the portion of the proposed rule which caused your request, the reason for the request, and any changes you want made to the proposed rule. A STATEMENT OF NEED AND REASONABLENESS is now available from the agency contact person identified above. This statement describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied upon to support the proposed rule.

It is the position of the Board that it is not subject to Minnesota Statute 14.115 regarding small business considerations in rule-making. The basis for this position is addressed in the statement of need and reasonableness.

The Minnesota Board of Medical Practice has reviewed the proposed rules, and finds no evidence that the rules would cause the expenditure of public money by any local public body.

The Minnesota Board of Medical Practice has reviewed the proposed rules, and finds that the subject matter of the rules is not related to agriculture land.

After the end of the comment period, the agency may adopt the rule. The rule and supporting documents will then be submitted to the attorney general for review as to legality and form to the extent form relates to legality. You may request to be notified of the date the rule is submitted to the attorney general or be notified of the attorney general's decision on the rule. A free copy of the rule is also available upon request from the agency contact person listed above.

Comments. You have until 4:30 pm, August 10, 1994 to submit written comments in support of or in opposition to the proposed rule and any part or subpart of the rule. Modifications. The proposed rule may be modified as a result of public comment. The modifications must be supported by data and views submitted to the agency and may not result in a substantial change in the proposed rule as (attached and) printed in the State Register. If the proposed rule affects you in any way, you are encouraged to participate in the rulemaking process.

Statement of Need and Reasonableness. A statement of need and reasonableness is now available from the agency contact person. This statement describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied upon to support the proposed rule.

Small Business Considerations. The Department of Trade and Economic Development had considered the small business community and has determined that it is unnecessary to make exceptions in the application or program process for small businesses because this rule does not affect small business since the applicants are a development authority pursuant to Minnesota Statutes 116J.552, Subd. 4. Therefore, small business considerations in the rulemaking process are not applicable.

Expenditure of Public Money by Local Public Bodies. The Department of Trade and Economic Development hereby expects that the proposed rule will not impact a local public body upon implementation. However, the statute will financially impact the local public body and the impact may be in excess of $100,000. Statutory requirements such as Minnesota Statutes 116J.554, Subd. 1, and Minnesota Statutes 116J.556 (a)-(b) are examples of statutory requirements that will financially impact the local public body.

Impact on Agricultural Land. The proposed rule will not have a direct and substantial adverse impact on agricultural land in the state.

Adoption and Review of Rule. If no hearing is required, after the end of the comment period the agency may adopt the rule. The rule and supporting documents will then be submitted to the attorney general for review as to legality and form to the extent form relates to legality. You may request to be notified of the date the rule is submitted to the attorney general or be notified of the attorney general’s decision on the rule. If you wish to be so notified, or wish to receive a copy of the adopted rule, submit your request to the agency contact person listed above.

Public Utilities Commission

Adopted Permanent Rules Relating to Practice and Procedure

The rules proposed and published at State Register, Volume 16, Number 33, pages 1858-1871, February 10, 1992 (16 SR 1858), are adopted with the following modifications:

Rules as Adopted

7829.0400 SERVICE AND FILING REQUIREMENTS.

Subpart 1. Filing. Documents are filed with the commission when they are received in the commission offices during regular business hours. Specific documents may be filed by facsimile transmission or filed when mailed or delivered in person, if the executive secretary so directs, with the consent of the executive secretary. Documents must be directed to the attention of the executive secretary.

Subp. 5. Service. A document filed with the commission must be served the same day on the persons listed on the appropriate service list, except when this chapter permits service of a summary of the filing. Service may be accomplished by first class mail or by delivery in person, unless otherwise provided by law or commission order. Service may also be accomplished by facsimile transmission, followed by first class mail. Service on the department is complete upon receipt by the department. For all other persons, service by mail or facsimile transmission plus mail is complete upon mailing, unless the executive secretary directs otherwise for specific documents. When a party or participant is represented by an attorney, service upon the attorney is considered service upon the party or participant.

7829.0600 GENERAL SERVICE LIST.

Subp. 4. Jurisdiction unaffected. The service lists established in this part are intended to provide the earliest possible notice to persons who may be interested in a particular filing. The requirements of this part do not displace or add to legal notice requirements, and a utility’s failure to comply with this part does not deprive the commission of jurisdiction over a matter of which it would otherwise have jurisdiction, require dismissal of a filing, or invalidate any determination made by the commission in the matter.

7829.0800 PETITION TO INTERVENE.

Subp. 2. Grounds for intervention. The petition must allege the grounds for intervention and must be granted upon a showing that: the person is specifically considered by statute to be interested in the particular type of matter at issue; the person is specifically declared by statute to be an interested party; or the outcome of the proceeding will bind or affect the person with respect to an interest peculiar to that person, as distinguished from an interest common to the public or other ratepayers in general, or the person’s interests are not adequately represented by one or more other parties participating in the case.

7829.1000 REFERRAL FOR CONTESTED CASE PROCEEDING.

If a proceeding involves contested material facts and there is a right to a hearing under statute or rule, or if the commission finds that all significant issues have not been resolved to its satisfaction, the commission shall refer the matter to the Office of Administrative Hearings for contested case proceedings, unless:

7829.1300 MISCELLANEOUS TARIFF AND PRICE LIST FILINGS.

Subp. 5. Rejection of filing. The commission shall reject a filing found to be substantially out of compliance with this chapter or
applicable statutory requirements. A miscellaneous tariff filing or price list filing not rejected within 20 days of filing must be considered accepted as to form.

Subp. 6. Initial comments. A person wishing to comment on a miscellaneous tariff or price list filing shall do so within 30 days of its filing with the commission. A person wishing to comment on one of the following noncompetitive rate change filings shall do so within 20 days of its filing with the commission: a rate reduction filing; a cost increase filing; or a request for a significant change in a condition of telephone service. A person wishing to comment on a new telephone service, competitive or noncompetitive, shall do so within ten days of its filing with the commission. Comments must be served on the persons on the utility's general service list for the filing, as well as on the filing utility.

Subp. 7. Petition to intervene. If a person who files initial or reply comments is not entitled to intervene in commission proceedings as of right and desires full party status, the person shall file a petition to intervene before the initial or reply comment period expires. The intervention petition may be combined with the comments on the filing.

7829.1400 COMMENTS ON MISCELLANEOUS TARIFF OR PRICE LIST FILING.

Subpart 1. Initial comments. A person wishing to comment on a miscellaneous tariff or price list filing shall do so within 30 days of its filing with the commission. A person wishing to comment on one of the following noncompetitive rate change filings shall do so within 20 days of its filing with the commission: a rate reduction filing; a cost increase filing; or a request for a significant change in a condition of telephone service. A person wishing to comment on a new telephone service, competitive or noncompetitive, shall do so within ten days of its filing with the commission. Comments must be served on the persons on the utility's general service list for the filing, as well as on the filing utility.

Subp. 2. Petition to intervene. If a person who files initial or reply comments is not entitled to intervene in commission proceedings as of right and desires full party status, the person shall file a petition to intervene before the initial or reply comment period expires. The intervention petition may be combined with the comments on the filing.

Subpart 3. Comments to include procedural recommendation. A person commenting on a miscellaneous tariff or price list filing and recommending its rejection, denial, or modification shall specify whether the person believes the filing requires a contested case proceeding, informal proceeding, expedited proceeding, or some other procedural treatment, together with the person's reasons for recommending a particular procedural treatment.

Subp. 4. Reply comments. The utility and other persons have ten days from the expiration of the original comment period to file reply comments. Reply comments must be served on the utility and persons who have filed comments on the miscellaneous tariff filing. Reply comments must be limited in scope to the issues raised in the initial comments.

Subp. 5. Additional comments. If further information is required to make a fully informed decision, the commission shall require additional comments and identify specific issues requiring further development.

Subp. 6. Comments on supplemental or corrected filings. The commission shall provide opportunity for other parties to respond to supplemental or corrected filings when those filings raise new issues.

Subp. 7. Comment periods varied. Except for comment periods set by statute, the commission may vary the comment periods set by this chapter on its own motion or at the request of a person for good cause shown. The commission may delegate the authority to vary time periods to the executive secretary.

Subp. 8. Comment periods extended at department's request. At the request of the department, the commission shall extend the comment periods in parts 7829.1300 and 7829.1400 up to an additional 30 days, except for comment periods established by statute and except when the commission must act within 60 days to prevent proposed rate changes from going into effect.

Subp. 9. Requests for contested case proceedings. Upon receipt of initial comments requesting a contested case proceeding on a miscellaneous tariff filing or price list filing, the commission shall immediately set the matter for consideration on a date after the time period for reply comments has run. If the commission finds a contested case proceeding is required, the commission shall refer the matter to the Office of Administrative Hearings pursuant to part 7829.1000, and the utility shall file its direct testimony in question and answer form within 20 days of the commission's notice and order for hearing.

7829.1600 TREATMENT OF INFORMAL COMPLAINT.

Commission staff shall try to help resolve informal complaints by correspondence, mediation, arbitration, and other informal
Adopted Rules

means. If the complainant desires formal action by the commission, a formal complaint must be filed initiated by the commission, or filed by a qualified complainant.

7829.1700 FORMAL COMPLAINT.

Subp. 2. Service Mailing and filing. A formal complaint must be served on mailed to the respondent, the department, and the Residential Utilities Division of the Office of the Attorney General, as well as filed with the commission.

7829.1800 INITIAL CONSIDERATION OF FORMAL COMPLAINT.

Subp. 2. Answer. On concluding that it has jurisdiction over the matter and that investigation is warranted, the commission shall serve the complaint on the respondent, together with an order requiring the respondent to grant the relief complainant requests or to show cause by answer why respondent should not be ordered to do so file an answer either stating that it has granted the relief the complainant requests, or responding to the allegations of the complaint. The answer must be filed with the commission and served on the complainant, the department, and the Residential Utilities Division of the Office of the Attorney General within 20 days of service of the complaint and order.

Subp. 4. Failure to answer. If the respondent fails to answer a complaint served by the commission under subpart 2, the commission shall consider the allegations of the complaint denied and issue is joined.

7829.2000 ELECTRIC SERVICE AREA COMPLAINT.

Subpart 1. Content. A complaint alleging violation of an electric utility's assigned service area must include a map that the complainant reasonably believes to be a copy of the official service area map of an area at issue, with the area of the alleged violation clearly marked.

7829.2500 CERTIFICATE OF NEED FILING.

Subp. 9. Public hearing. If the commission decides to act on the application through an informal proceeding, the commission shall hold a public hearing designed to encourage members of the public to express their views on the application, as required under Minnesota Statutes, section 216B.243, subdivision 4. If the commission refers the application to the Office of Administrative Proceedings Hearings for a contested case proceeding, the commission shall ensure that at least one public hearing is held.

7829.2600 STAFF COMMENTS.

Written comments on a filing by commission staff must be made available to those persons on the service list at the same time they are provided to the commission. If commission staff recommend action not advocated by any party, all parties must be granted oral argument comment at the request of any party.

7829.3000 PETITION FOR REHEARING, AMENDMENT, VACATION, RECONSIDERATION, REARGUMENT.

Subp. 7. Second petition not entertained. A second petition for rehearing, amendment, vacation, reconsideration, or reargument of a commission decision or order by the same party or parties and upon the same grounds as a former petition that has been considered and denied, will not be entertained.
