

MCAR AMENDMENTS AND ADDITIONS

The following is a listing of all proposed and adopted rules published in Volume 3, Numbers 1-52 of the State Register. The listing is arranged in the same order as the table of contents of the *Minnesota Code of Agency Rules* (MCAR). All adopted rules published in the *State Register* and listed below amend the rules contained in the MCAR set. Both proposed temporary and adopted temporary rules are listed here although they are not printed in the MCAR due to the short term nature of their legal effectiveness. During the term of their legal effectiveness, however, adopted temporary rules do amend the MCAR. A cumulative listing of all proposed and adopted rules in Volume 3 of the *State Register* is published each quarter and at the end of the volume year.
