## Minnesota Rules: Amendments and Additions

**NOTICE: How to Follow State Agency Rulemaking in the State Register**

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the *Minnesota Rules* are published. The current 1999 set is a 13-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as Adopted Rules. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the most current edition of the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive; issue #26 cumulative for issues #1-26; issues #27-38 inclusive; issue #39, cumulative for issues #1-39; issues #40-51 inclusive; and issues #1-52 (or 53 in some years), cumulative for issues #1-52 (or 53). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota’s Bookstore, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000, or toll-free 1-800-657-3757.

Proposed Rules

Comments on Planned Rules or Rule Amendments. An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

Rules to be Adopted After a Hearing. After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

Rules to be Adopted Without a Hearing. Pursuant to Minnesota Statutes § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the State Register. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the State Register.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. Strikeouts indicate deletions from existing rule language. If a proposed rule is totally new, it is designated “all new material.” Adopted Rules - Underlining indicates additions to proposed rule language. Strikeouts indicate deletions from proposed rule language.

Subject of Rules and Statutory Authority. The proposed rules relate to the administration of Sales and Use Tax as it applies to deductions from sales price which are or are not allowable in computing the sales price for sales subject to sales and use tax. The proposal is to amend Minnesota Rules, part 8130.1700, subpart 6, and to repeal Minnesota Rules, part 8130.1600 and part 8130.1700, subparts 1, 2, 5, and 7. The statutory authority to adopt the rules is Minnesota Statutes, section 270C.06. A copy of the proposed rules is published in the State Register and attached to this notice as mailed.

Comments. You have until 4:30 p.m. on Wednesday, June 14, 2006, to submit written comment in support of or in opposition to the proposed rules or any part or subpart of the rules. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comments should identify the portion of the proposed rules addressed, the reason for the comment, and any change proposed. You are encouraged to propose any change desired. Any comments that you would like to make on the legality of the proposed rules must also be made during this comment period.

Request for a Hearing. In addition to submitting comments, you may also request that a hearing be held on the rules. Your request for a public hearing must be in writing and must be received by the agency contact person by 4:30 p.m. on Wednesday, June 14, 2006. Your written request for a public hearing must include your name and address. You must identify the portion of the proposed rules to which you object or state that you oppose the entire set of rules. Any comment that does not comply with these requirements is not valid and cannot be counted by the agency when determining whether a public hearing must be held. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

Withdrawal of Requests. If 25 or more persons submit a valid written request for a hearing, a public hearing will be held unless a sufficient number withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 25, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in Minnesota Statutes, section 14.131 to 14.20.

Alternative Format/ACcommodation. Upon request, this Notice can be made available in an alternative format, such as large print, Braille, or cassette tape. To make such a request or if you need an accommodation to make this hearing accessible, please contact the agency contact person at the address or telephone number listed above.

Modifications. The proposed rules may be modified, either as a result of public comment or as a result of the rule hearing process. Modifications must be supported by data and views submitted to the agency or presented at the hearing and the adopted rules may not be substantially different than these proposed rules, unless the procedure under Minnesota Rules, part 1400.2110, has been followed. If the proposed rules affect you in any way, you are encouraged to participate in the rulemaking process.

Cancellation of Hearing. The hearing scheduled for June 29, 2006, will be canceled if the agency does not receive requests from 25 or more persons that a hearing be held on the rules. If you requested a public hearing, the agency will notify you before the scheduled hearing whether or not the hearing will be held. You may also call the agency contact person at (651) 556-4082 after June 14, 2006, to find out whether the hearing will be held.

Notice of Hearing. If 25 or more persons submit valid written requests for a public hearing on the rules, a hearing will be held following the procedures in Minnesota Statutes, sections 14.131 to 14.20. The hearing will be held on the date and at the time and place listed above. The hearing will continue until all interested persons have been heard. Administrative Law Judge Kathleen Sheehy is assigned to conduct the hearing. Judge Sheehy can be reached at the Office of Administrative Hearings, 100 Washington Square, Suite 1700, Minneapolis, Minnesota 55401-2138, telephone: (612) 341-7602, and Fax: (612) 349-2665.

Hearing Procedure. If a hearing is held, you and all interested or affected persons, including representatives of associations or other interested groups, will have an opportunity to participate. You may present your views either orally at the hearing or in writing at any time before the close of the hearing record. All evidence presented should relate to the proposed rules. You may also submit written material to the Administrative Law Judge to be recorded in the hearing record for five working days after the public hearing ends. This five-day
comment period may be extended for a longer period not to exceed 20 calendar days if ordered by the Administrative Law Judge at the hearing. Following the comment period, there is a five-working-day rebuttal period during which the agency and any interested person may respond in writing to any new information submitted. No additional evidence may be submitted during the five-day rebuttal period. All comments and responses submitted to the Administrative Law Judge must be received at the Office of Administrative Hearings no later than 4:30 p.m. on the due date. All comments or responses received will be available for review at the Office of Administrative Hearings. This rule hearing procedure is governed by Minnesota Rules, parts 1400.2000 to 1400.2240, and Minnesota Statutes, sections 14.131 to 14.20. Questions about procedure may be directed to the Administrative Law Judge.

The agency requests that any person submitting written views or data to the Administrative Law Judge prior to the hearing or during the comment or rebuttal period also submit a copy of the written views or data to the agency contact person at the address stated above.

**Statement of Need and Reasonableness.** A statement of need and reasonableness is now available from the agency contact person. This statement contains a summary of the justification for the proposed rules, including a description of who will be affected by the proposed rules and an estimate of the probable cost of the proposed rules. The statement may also be reviewed and copies obtained at the cost of reproduction from the agency.

**Lobbyist Registration.** Minnesota Statutes, chapter 10A, requires each lobbyist to register with the State Campaign Finance and Public Disclosure Board. Questions regarding this requirement may be directed to the Campaign Finance and Public Disclosure Board at: Suite 190, Centennial Building, 658 Cedar Street, St. Paul, Minnesota 55155, telephone: (651) 296-5148 or 1-(800)-657-3889.

**Adoption Procedure if No Hearing.** If no hearing is required, the agency may adopt the rules after the end of the comment period. The rules and supporting documents will then be submitted to the Office of Administrative Hearings for review for legality. You may ask to be notified of the date the rules are submitted to the office. If you want to be so notified, or want to receive a copy of the adopted rules, or to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.

**Adoption Procedure After a Hearing.** If a hearing is held, after the close of the hearing record, the Administrative Law Judge will issue a report on the proposed rules. You may ask to be notified of the date when the Administrative Law Judge’s report will become available, and can make this request at the hearing or in writing to the Administrative Law Judge. You may also ask to be notified of the date on which the agency adopts the rules and the rules are filed with the Secretary of State, and can make this request at the hearing or in writing to the agency contact person stated above.

**8130.1700 DEDUCTIONS ALLOWABLE IN COMPUTING SALES PRICE.**

Subpart 1. See repealer.

Subp. 2. See repealer.

Subp. 5. See repealer.

Subp. 6. **Refunds for property adjustments.** Where taxable property is returned, the retailer’s reported gross receipts may be reduced in the month the property is returned by the amount of the sales price refunded, provided that the applicable sales tax has also been refunded. If the credit given or the cash refunded for the returned merchandise is reduced by a handling charge, the entire amount of sales tax collected should be refunded and a reduction of gross sales for the full sales price should be taken on the sales and use tax return. Where a purchaser of taxable property makes a gift of such property, and subsequently the recipient of the gift returns the property to the vendor and requests a refund of the amount paid for the property, the recipient is entitled to a refund of the sales tax applicable to the amount of the sales price that is refunded. Repossession of tangible personal property does not constitute a return of property. Merchandise that was sold on approval and later returned may be deducted from gross receipts.

Adjustments to the sales price because of unknown damage at the time of sale, i.e. scratches, dents, etc., but not detected until a later time, may be deducted from gross receipts.

For property returned prior to March 22, 1973, a reduction in gross receipts is allowable only if the property was returned within three months of the date of purchase.

**Example 1.** A hardware dealer sells a customer a lawnmower for $100 on May 1, 1972. The customer pays $100 plus $4 sales tax. As the lawnmower was defective, it was returned to the hardware dealer on May 10, 1972, and $104 the total price including sales tax paid was refunded to the customer. Gross receipts will be reduced by $100.

**Example 2.** Retail Tires sells four new tires to a customer at $40 each under guarantee on June 1, 1972. In August 45, 1972, the customer returns one tire and is given a cash refund of $30 plus $1.20 tax. Retail Tires may reduce gross sales by the $30 refunded on the August sales and use tax return.

**Example 3.** A purchases taxable personal property from a retailer at a price of $100. A pays the retailer $104 or ($100 sales price, plus...
$4 sales tax). A then makes a gift of the property to B. B returns the property to the retailer and requests a refund of the amount paid for the property. B (the donee of the gift) is entitled to a refund of $104 (the $100 sales price plus $4 sales tax). The retailer may reduce gross sales by $100 on the sales tax return for merchandise returned and thereby receive credit for the amount of refundment.

Example 4. A lumber company sells 20 redwood posts to a customer for $100. A $4 plus sales tax is charged and collected. The customer decides not to use the posts and returns them to the lumber company. The lumber company has a policy of refunding all but $10 on all returned merchandise. This $10 represents a handling fee for placing the merchandise back into stock. The lumber company is required to refund the customer the entire $4 sales tax and claim a reduction of $100 in gross sales on its sales and use tax return.

Subp. 7. See repealer.

REPEALER. Minnesota Rules, parts 8130.1600; and 8130.1700, subparts 1, 2, 5, and 7, are repealed.

Adopted Rules

A rule becomes effective after the requirements of Minnesota Statutes §§ 14.05-14.28 have been met and five working days after the rule is published in the State Register, unless a later date is required by statutes or specified in the rule. If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous State Register publication will be printed. If an adopted rule differs from its proposed form, language which has been deleted will be printed with strikeouts and new language will be underlined. The rule's previous State Register publication will be cited.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. Strikeout indicates deletions from existing rule language. If a proposed rule is totally new, it is designated “all new material.” Adopted Rules - Underlining indicates additions to proposed rule language. Strikeout indicates deletions from proposed rule language.

Public Notice of Maximum Allowable Costs of Medical Assistance Outpatient Prescribed Drugs

NOTICE IS HEREBY GIVEN to recipients, providers of services, and to the public of additions to the state Medical Assistance maximum allowable cost (state MAC) list for certain outpatient prescribed drugs.

At least once each calendar year, the United States Department of Health and Human Services, Centers for Medicare & Medicaid Services, publishes a federal upper limit (FUL) payment schedule for many commonly prescribed multiple-source drugs. The federal upper limit is set at a rate equal to 150 percent of the published price for the least costly therapeutic equivalent that can be purchased by pharmacists. This FUL payment schedule constitutes the federal MAC list. For many multiple-source drugs that are not on the federal MAC list, the Department establishes a state MAC list. Additionally, the Department imposes a state MAC for many multiple-source drugs that are on the federal MAC list, as long as the savings are at least as much as the savings would be using the federal MAC list.

The Department requires Medical Assistance pharmacy providers to submit their usual and customary costs. Pharmacy providers are reimbursed at the lower of: 1) the federal or state MAC, plus a dispensing fee; 2) the submitted usual and customary charge to the general public; or 3) a discount off of average wholesale price, plus a dispensing fee.

Effective May 16, 2006 the Department will add the following outpatient prescribed drugs to the state MAC list:

These additions are made to bring Medical Assistance reimbursement to pharmacists more closely in line with the actual acquisition cost of the drugs listed above. The Department estimates that there will be a state savings of $65,000.00 for State Fiscal Year 2006 (July 1, 2005 through June 30, 2006).

This notice is published pursuant to Code of Federal Regulations, Title 42, section 447.205, which requires publication of a notice when there is a rate change in the methods and standards for setting payment rates for Medical Assistance services.

Minnesota Department of Natural Resources

Notice of Proposed Reclassification of State Forest Lands in Mille Lacs & Kanabec Counties with Respect to Motor Vehicle Use

NOTICE IS HEREBY GIVEN that the Commissioner of the Minnesota Department of Natural Resources (hereinafter DNR) proposes to reclassify the Rum River State Forest, and other forest lands under the authority of the Commissioner in Mille Lacs and Western Kanabec Counties, Minnesota with respect to the operation of motor vehicles.

The Rum River State Forest is located in East-Central Mille Lacs and Western Kanabec Counties, along U.S. Highway 169 between Onamia and Milaca. Its statutory boundary encompasses 33,000 acres; about 17,089 acres of which are administered by DNR Forestry. There are 5,806 acres of forest land under the authority of the Commissioner outside of State Forest boundaries in Mille Lacs County which are also included in this proposal. The reclassification of DNR-administered lands outside the Rum River Forest in Kanabec County is not included in this proposal. These lands will be addressed in a subsequent planning exercise.

The DNR proposal is to retain the current classification of said State Forest lands as ‘Limited’ (in which forest trails are ‘closed’ to motor vehicle use unless posted ‘open’) pursuant to the process and criteria described in Minnesota Rules, Chapter 6100.1950. In addition, the Commissioner proposes to invoke authority granted under Minnesota Statutes, Chapter 84.926, Subdiv. 5 to preclude vehicular use (otherwise granted under Subdivisions 2 & 4 of this same statute) in an approximately 500-acre portion of the Rum River State Forest in West-Central Kanabec County.

In conjunction with the proposed reclassification, the DNR has developed a plan for motor vehicle access to and use of the Rum River State Forest, and other DNR-administered forest lands in Mille Lacs County. Of the approximately 70-miles of inventoried routes in the forest, only 17.6 miles of designated State Forest Roads are proposed to remain open to motor vehicle use (including both Highway-Licensed Vehicles (HLV) and Off-Highway Vehicles (OHV)). No designated OHV trails are proposed. In addition, the DNR proposes to preclude seasonal ATV and HLV use of undesignated trails by hunters and trappers in an approximately 500-acre portion of the forest in West-Central Kanabec County. Cross-country ATV use, pursuant to these same activities, would also be prohibited within this designated area.

Public meetings on the proposed reclassification and road and trail use designations will take place on Tuesday, July 18, 2006 at the Lions Community Center, 806 Kathio Street West, Onamia, MN, and on Thursday, July 20, 2006 at the Kanabec History Center, 805 West Forest Avenue, Mora, MN. Both meetings are scheduled from 6:00 PM to 8:30 PM. At the meetings, the DNR will explain its’ proposal, respond to questions, and solicit public comments on the proposal. Interested or affected persons are encouraged to attend one or both of the meetings.

The reclassification proposal, road and trail designation plan, and related maps are posted on the internet at www.dnr.state.mn.us or at www.findthetrails.com.

Copies of the plan and maps are also available by contacting:
