Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific **Minnesota Rule** chapter numbers. Every odd-numbered year the **Minnesota Rules** are published. The current 1999 set is a 13-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the most current edition of the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive; issue #26 cumulative for issues #1-26; issues #27-38 inclusive; issue #39, cumulative for issues #1-39; issues #40-51 inclusive; and issues #1-52 (or 53 in some years), cumulative for issues #1-52 (or 53). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155 (612) 297-3000, or toll-free 1-800-657-3757.

Proposed Rules

Comments on Planned Rules or Rule Amendments. An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

Rules to be Adopted After a Hearing. After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

Rules to be Adopted Without a Hearing. Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Board of Teaching

Proposed Permanent Rules Relating to Teachers of Science Endorsement Licensure By Examination

DUAL NOTICE: Notice of Intent to Adopt Rules Without a Public Hearing Unless 25 or More Persons Request a Hearing, And Notice of Hearing If 25 or More Requests For Hearing Are Received

Introduction. The Board of Teaching intends to adopt rules without a public hearing following the procedures set forth in the rules of the Office of Administrative Hearings, *Minnesota Rules*, parts 1400.2300 to 1400.2310, and the Administrative Procedure Act, *Minnesota Statutes*, sections 14.22 to 14.28. If, however, 25 or more persons submit a written request for a hearing on the rules by 4:30 p.m. on April 25, 2007, a public hearing will be held in Conference Center A, Room 14, Minnesota Department of Education, 1500 Highway 36 West, Roseville, Minnesota 55113, starting at 9:30 a.m. on Tuesday, May 15, 2007. To find out whether the rules will be adopted without a hearing or if the hearing will be held, you should contact the agency contact person after April 25 and before May 15.

Board Contact Person. Comments or questions on the rules and written requests for a public hearing on the rules must be submitted to the board contact person. The agency contact person is: Karen Balmer at Minnesota Board of Teaching, 1500 Highway 36 West, Roseville, MN 55113. **Phone:** (651) 582-8888; **Fax:** (651) 582-8872; **E-mail:** karen.balmer@state.mn.us. TTY users may call the Board of Teaching at (651) 582-8201.

Subject of Rules and Statutory Authority. The proposed rules are about allowing a teacher licensed in Chemistry, Physics, Life Science, or Earth and Space Science and who has taught science for at least three years to take the content knowledge test in another area of science licensure. Successful passage of such an exam would result in the issuance of a teaching license in that area. The statutory authority to adopt the rules is *Minnesota Statutes*, 122A.09, Subdivision 4. A copy of the proposed rules will be published in the *State Register* and is attached to this notice as mailed.

Comments. You have until 4:30 p.m. on Wednesday, April 25, 2007, to submit written comment in support of or in opposition to the proposed rules or any part or subpart of the rules. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comments should identify the portion of the proposed rules addressed, the reason for the comment, and any change proposed. You are encouraged to propose any change desired. Any comments that you would like to make on the legality of the proposed rules must also be made during this comment period.

Request for a Hearing. In addition to submitting comments, you may also request that a hearing be held on the rules. Your request for a public hearing must be in writing and must be received by the agency contact person by 4:30 p.m. on Wednesday, April 25, 2007. Your written request for a public hearing must include your name and address. You must identify the portion of the proposed rules to which you object or state that you oppose the entire set of rules. Any request that does not comply with these requirements is not valid and cannot be counted by the agency when determining whether a public hearing must be held. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

Proposed Rules

Withdrawal of Requests. If 25 or more persons submit a valid written request for a hearing, a public hearing will be held unless a sufficient number withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 25, the board must give written notice of this to all persons who requested a hearing, explain the actions the board took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, sections 14.131 to 14.20.

Alternative Format/Accommodation. Upon request, this Notice can be made available in an alternative format, such as large print, Braille, or cassette tape. To make such a request or if you need an accommodation to make this hearing accessible, please contact the agency contact person at the address or telephone number listed above.

Modifications. The proposed rules may be modified, either as a result of public comment or as a result of the rule hearing process. Modifications must be supported by data and views submitted to the agency or presented at the hearing and the adopted rules may not be substantially different than these proposed rules, unless the procedure under *Minnesota Rules*, part 1400.2110, has been followed. If the proposed rules affect you in any way, you are encouraged to participate in the rulemaking process.

Cancellation of Hearing. The hearing scheduled for May 15, 2007, will be canceled if the agency does not receive requests from 25 or more persons that a hearing be held on the rules. If you requested a public hearing, the agency will notify you before the scheduled hearing whether or not the hearing will be held. You may also call the agency contact person at (651) 582-8888 after April 25 to find out whether the hearing will be held.

Notice of Hearing. If 25 or more persons submit valid written requests for a public hearing on the rules, a hearing will be held following the procedures in *Minnesota Statutes*, sections 14.131 to 14.20. The hearing will be held on the date and at the time and place listed above. The hearing will continue until all interested persons have been heard. Administrative Law Judge Kathleen Sheehy is assigned to conduct the hearing. Judge Sheehy can be reached at the Office of Administrative Hearings, 100 Washington Square, Suite 1700, Minneapolis, Minnesota 55401-2138, **telephone:** (612) 341-7602, and fax: (612) 349-2665.

Hearing Procedure. If a hearing is held, you and all interested or affected persons, including representatives of associations or other interested groups, will have an opportunity to participate. You may present your views either orally at the hearing or in writing at any time before the close of the hearing record. All evidence presented should relate to the proposed rules. You may also submit written material to the Administrative Law Judge to be recorded in the hearing record for five working days after the public hearing ends. This five-day comment period may be extended for a longer period not to exceed 20 calendar days if ordered by the Administrative Law Judge at the hearing. Following the comment period, there is a five-working-day rebuttal period during which the board and any interested person may respond in writing to any new information submitted. No additional evidence may be submitted during the five-day rebuttal period. All comments and responses submitted to the Administrative Law Judge must be received at the Office of Administrative Hearings no later than 4:30 p.m. on the due date. All comments or responses received will be available for review at the Office of Administrative Hearings. This rule hearing procedure is governed by *Minnesota Rules*, parts 1400.2000 to 1400.2240, and *Minnesota Statutes*, sections 14.131 to 14.20. Questions about procedure may be directed to the Administrative Law Judge.

The board requests that any person submitting written views or data to the Administrative Law Judge prior to the hearing or during the comment or rebuttal period also submit a copy of the written views or data to the board contact person at the address stated above.

Statement of Need and Reasonableness. A statement of need and reasonableness is now available from the board contact person. This statement contains a summary of the justification for the proposed rules, including a description of who will be affected by the proposed rules and an estimate of the probable cost of the proposed rules. The statement may also be reviewed and copies obtained at the cost of reproduction from the board.

Lobbyist Registration. *Minnesota Statutes*, chapter 10A, requires each lobbyist to register with the State Campaign Finance and Public Disclosure Board. Questions regarding this requirement may be directed to the Campaign Finance and Public Disclosure Board at: Suite 190, Centennial Building, 658 Cedar Street, St. Paul, Minnesota 55155, telephone 651-296-5148 or 1-800-657-3889.

Adoption Procedure if No Hearing. If no hearing is required, the board may adopt the rules after the end of the comment period. The rules and supporting documents will then be submitted to the Office of Administrative Hearings for review for legality. You may ask to be notified of the date the rules are submitted to the office. If you want to be so notified, or want to receive a copy of the adopted rules, or want to register with the agency to receive notice of future rule proceedings, submit your request to the board contact person listed above.

Adoption Procedure After a Hearing. If a hearing is held, after the close of the hearing record, the Administrative Law Judge will issue a report on the proposed rules. You may ask to be notified of the date when the Administrative Law Judge's report will become available, and can make this request at the hearing or in writing to the Administrative Law Judge. You may also ask to be notified of the date on which the board adopts the rules and the rules are filed with the Secretary of State, and can make this request at the hearing or in writing to the board contact person stated above.

Order. I order that the rulemaking hearing be held at the date, time, and location listed above.

Dated: March 13, 2007

Minnesota Board of Teaching

Proposed Rules

8710.4770 TEACHERS OF SCIENCE ENDORSEMENT LICENSURE BY EXAMINATION.

Subpart 1. Scope of practice. A teacher of science is authorized to provide instruction in chemistry, earth and space science, life science, or physics to students in grades 9 through 12. The science discipline that the teacher is qualified to teach must be identified on the teacher's license.

Subp. 2. Qualifications for licensure by examination. A candidate for science endorsement licensure by examination to teach chemistry, earth and space science, life science, or physics to students in grades 9 through 12 shall:

A. hold a Minnesota full professional license valid for classroom teaching as described in part 8710.4750 for chemistry, earth and space science, life science, or physics for students in grades 9 through 12 or 7 through 12;

B. have completed three years of science teaching in grades 7 through 12 or 9 through 12; and

C. provide evidence of passing the required PRAXIS II science content exam for the desired science discipline of licensure in chemistry, earth and space science, life science, or physics.

Subp. 3. Professional license. A professional license shall be issued and renewed according to the rule of the Board of Teaching governing licensure.

Subp. 4. Effective date. The requirements of this part for endorsement licensure by examination for specific science disciplines are effective on the date that this part is adopted and thereafter.

Adopted Rules

A rule becomes effective after the requirements of *Minnesota Statutes* §§ 14.05-14.28 have been met and five working days after the rule is published in the *State Register*, unless a later date is required by statutes or specified in the rule. If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous *State Register* publication will be printed. If an adopted rule differs from its proposed form, language which has been deleted will be printed with strikeouts and new language will be underlined. The rule's previous *State Register* publication will be cited.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Minnesota Department of Revenue

Adopted Permanent Rules Governing Valuation and Assessment of the Property of Utility Companies

The rules proposed and published at *State Register*, Volume 31, Number 20, pages 637-645, November 13, 2006 (31 SR 637), are adopted with the following modifications:

8100.0300 VALUATION.

Subp. 4. Income approach. The income indicator of value is estimated by weighting the capitalized net operating earnings of the utility company for the most recent three years as follows: most recent year, 40 percent; previous year, 35 percent; and final year, 25 percent. Utilities may request the removal of nonrecurring items of income or expense. The commissioner must determine if removal of the item is appropriate. The net income is capitalized by applying a capitalization rate that is computed by using the band of investment method. This method considers:

- A. the capital structure of utilities;
- B. the cost of debt or interest rate;
- C. the yield on preferred stock of utilities;
- D. the yield on common stock of utilities; and
- E. the riskfree rate, relative risk, and risk premiums for public utility companies.

Capitalization rates are computed for electric companies, gas distribution companies, natural gas transmission systems, and fluid pipeline companies. The rates are recalculated each year using the method described in this subpart.

Adopted Rules

The following example illustrates how the income indicator of value would be computed for a gas distribution company:

	year 1	year 2	current year
1. Net Operating Income	\$ 394,000	\$ 450,000	\$ 470,000
2. Weighting Factor	25%	35%	40%
3. Weighted Income to be Capitalized	98,500	157,500	188,000
4. Capitalized Income at 9.25%	1,064,865	1,702,703	2,032,432
5. Total Income Indicator of Value			\$4,800,000

Subp. 6. **Cost less depreciation method of valuation for utility property of cooperatives, municipal power agencies, and pipelines that are not common carriers.** Cooperative associations may irrevocably elect to have their property valued using the unit value method described in subparts 1 to 5. Cooperative associations not electing unit valuation and other types of utilities which do not operate in the traditional profit making mode, are not common carriers, or are nonregulated, must have their utility property valued on the basis of cost less depreciation. Elections made by a cooperative association prior to November 1 of any year are effective the next assessment year. Such elections must be in a format prescribed by the commissioner.

C. The following example illustrates this process for an electric cooperative association electing cost less depreciation valuation under this subpart for assessment year 2006.

Cost of individual parcels on 12/31/2005 =	\$105,000 \$520,000 \$415,000 \$100,000
Total cost on 12/31/2005 of all property =	\$1,140,000
Total depreciation on 1/1/2005 =	\$300,000
Total cost on 1/1/2005 =	\$1,100,000
Original cost of retirements in 2006 =	\$6,000
1. Depreciation for the assessment year 2006 (\$1,140,000 x .025) =	\$28,500
2. Depreciation on assessment year 2006 retirements (\$300,000 / \$1,100,000) x \$6,000 =	\$1,636
3. Net depreciation for the assessment year 2006 (\$300,000 + \$28,500 \$1,636) =	\$326,864
4. Depreciation Limit (\$1,140 <u>\$1,140,000</u> x .75) =	\$855,000
5. Net depreciated value for the assessment year 2006 (Total cost on 12/31/2005 Lesser of Line 3 or Line 4) (\$1,140,000 \$326,864) =	\$813,136
This is the market value for all property owned by the cooperative.	

6. Company depreciation factor for 2006
(\$813,136 / \$1,140,000) = 71.327751%
7. Market value of each individual parcel
- | | |
|----------------------------|-----------|
| (\$105,000 x 71.327751%) = | \$74,900 |
| (\$520,000 x 71.327751%) = | \$370,900 |
| (\$415,000 x 71.327751%) = | \$296,000 |
| (\$100,000 x 71.327751%) = | \$71,300 |

Exempt Rules

Exempt rules are excluded from the normal rulemaking procedures (*Minnesota Statutes* §§ 14.386 and 14.388). They are most often of two kinds. One kind is specifically exempted by the Legislature from rulemaking procedures, but approved for form by the Revisor of Statutes, reviewed for legality by the Office of Administrative Hearings, and then published in the *State Register*. These exempt rules are effective for two years only.

The second kind of exempt rule is one adopted where an agency for good cause finds that the rulemaking provisions of *Minnesota Statutes*, Chapter 14 are unnecessary, impracticable, or contrary to the public interest. This exemption can be used only where the rules:

- (1) address a serious and immediate threat to the public health, safety, or welfare, or
- (2) comply with a court order or a requirement in federal law in a manner that does not allow for compliance with *Minnesota Statutes* Sections 14.14-14.28, or
- (3) incorporate specific changes set forth in applicable statutes when no interpretation of law is required, or
- (4) make changes that do not alter the sense, meaning, or effect of the rules.

These exempt rules are also reviewed for form by the Revisor of Statutes, for legality by the Office of Administrative Hearings and then published in the *State Register*. In addition, the Office of Administrative Hearings must determine whether the agency has provided adequate justification for the use of this exemption. Rules adopted under clauses (1) or (2) above are effective for two years only. The Legislature may also exempt an agency from the normal rulemaking procedures and establish other procedural and substantive requirements unique to that exemption.

Notice of Intent to Adopt Exempt Rules Regarding a Manual for Minnesota Standards for the Use of the Uniform Paper Explanation of Benefits and Uniform Paper Remittance Advice Report; Per *Minnesota Statutes*, Section 62J.581

Introduction. Notice is hereby given that the Minnesota Department of Health (MDH) is seeking information or opinions from outside sources on a manual for the Minnesota Standards for the Use of the Uniform Paper Explanation of Benefits and Uniform Paper Remittance Advice Report; as developed by the Administrative Uniformity Committee (AUC) and its Explanation of Benefits and Remittance Advice Technical Advisory Group.

Contact Person. MDH requests information and opinions concerning the applicability and functionality of the manual. Interested persons or groups may submit data or views in writing. Written statements should be addressed to Colleen Morse, MDH, P.O. Box 64882, St. Paul, MN 55164-0822, **e-mail** at: colleen.morse@health.state.mn.us, or **fax:** (651) 201-5179.

Description of the Rules. *Minnesota Statutes*, section 62J.581 outlines the standards for the Minnesota uniform health care reimbursement documents. The statute requires all group purchasers, as defined in *Minnesota Statutes*, section 62J.51, to provide a uniform remittance advice report to providers when a claim is adjudicated. The statute also requires group purchasers to provide a uniform

explanation of benefits document to patients when the document is provided. Under *Minnesota Statutes, section 62J.61*, the Commissioner of Health is exempt from chapter 14, including section 14.386, in implementing sections 62J.50 to 62J.54, subdivision 3, and 62J.56 to 62J.59. Because the Commissioner of Health has determined that it is unduly cumbersome to publish the entire text of the proposed rules, the Commissioner of Health is publishing this notice of the proposed rules with a detailed description.

Public Review Process. MDH will provide free copies of the draft manual in paper or electronic PDF format to persons and organizations interested in reviewing them against their current data requirements. The draft manual will be available as of Monday, March 26, 2007. **Comments and suggestions for improvements on this document will be accepted at the above address until Friday, April 27, 2007.** After the Commissioner of Health has considered all comments received, the Commissioner will publish a notice of adoption in the State Register. The rules will take effect 30 days after that.

How to Obtain the Minnesota Standards for the Use of Uniform Paper Explanation of Benefits and Uniform Paper Remittance Advice Report Document. A free copy of the proposed rules is available upon request. Persons who wish to obtain a paper copy should call Colleen Morse at MDH, 651/201-3570, or fax a request to 651/201-3574 or write at the address above. The document will also be available for downloading on the **World Wide Web** at: <http://www.health.state.mn.us/auc/index.html>.

Notice of Adoption of National Information Exchange Model (NIEM) for XML Exchanges

The CriMNet Program Office and Criminal Justice Information Systems (CJIS) units at the Bureau of Criminal Apprehension (BCA) have adopted the National Information Exchange Model (NIEM) for XML exchanges. More information about the model is available at:

<https://cjr.crimnet.state.mn.us/>

CriMNet releases standards recommendations for 90-day vetting cycles beginning the first day of January, April, July and October of each year. The fourth quarter 2006 vetting period ended Dec. 31, and the first quarter 2007 vetting period will remain open until March 31, 2007. Visit the integration repository to view recommendations and provide feedback to assure the recommendations are suitable for each agency. While it is Dakota County's intent to enter into a contractual agreement with a qualified applicant, the RFP does not obligate Dakota County to complete the RFP process or enter into a contract. Dakota County reserves the right to cancel this RFP at any time for any reason.

Dakota County is looking for proposals that speak to an applicant's professional qualifications, experience, and ability to provide Psychological Evaluations for youth. The Evaluation is also designed to be an effective intervention. That is, the information gained through the Evaluation will lead to a more effective case plan, and whatever recommendations can be initiated or implemented will be accomplished during the period of the Evaluation. Therefore, the diagnosis of the problems and the issues must be connected to a plan of action with very specific recommendations.
