Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific **Minnesota Rule** chapter numbers. Every odd-numbered year the **Minnesota Rules** are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive (issue #26 cumulative for issues #1-26); issues #27-38 inclusive (issue #39, cumulative for issues #1-39); issues #40-52 inclusive, with final index (#1-52, or 53 in some years). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the *Constitution of the State of Minnesota*, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Emergency Executive Order 13 - 05: Providing for Assistance to the Minnesota Interagency Fire Center

I, MARK DAYTON, GOVERNOR OF THE STATE OF MINNESOTA, by virtue of the authority vested in me by the Constitution and applicable statutes, do hereby issue this Executive Order:

WHEREAS, on Monday, May 13th, the Minnesota Interagency Fire Center (MIFC) was managing suppression of 25 wildfires, including a major uncontrolled fire exceeding 4,000 acres in the vicinity of Red Lake, Minnesota; and

WHEREAS, the National Weather Service has issued Red Flag Fire weather warnings for significant portions of northwest, west central and south central Minnesota due to high temperatures, low humidity, and strong winds and these conditions are expected to remain extreme for the next several days; and

WHEREAS, changing wind directions are making it difficult to predict what property and infrastructure may be threatened; and

WHEREAS, state agencies, the State Emergency Operations Center, the Minnesota Department of Natural Resources, and the MIFC do not have adequate aviation resources for widespread wildfire suppression; and

WHEREAS, the MIFC has requested fire suppression and support assets from the Minnesota National Guard.

NOW, THEREFORE, I hereby order that:

1. The Adjutant General of Minnesota order to state active duty on or about May 14th, 2013, in the service of the State, such personnel and equipment of the military forces of the State as required and for such period of time as necessary to support wildfire suppression in Minnesota; and

2. The Adjutant General is authorized to purchase, lease, or contract goods and services necessary to accomplish the mission; and

3. The cost of subsistence, transportation, fuel, pay, and allowances of said individuals shall be defrayed from the general fund of the State, as provided for in *Minnesota Statutes*, sections 192.49, 192.52, 192.54, and as otherwise permitted by law.

Pursuant to *Minnesota Statutes*, section 4.035, subdivision 2, this Emergency Order is effective immediately and will remain in effect until such date as elements of the military forces of the State are no longer required.

IN TESTIMONY WHEREOF, I have set my hand on this 14th day of May 2013.

Signed: **Mark Dayton**
Governor

Filed According to Law

Signed: **Mark Ritchie**
Secretary of State

Commissioners' Orders

Various agency commissioners are authorized to issue "commissioner's orders" on specified activities governed by their agency's enabling laws. See the *Minnesota Statutes* governing each agency to determine the specific applicable statutes. Commissioners' orders are approved by assistant attorneys general as to form and execution and published in the *State Register*. These commissioners orders are compiled in the year-end subject matter index for each volume of the *State Register*.

Department of Human Services (DHS)

Health Care Purchasing and Delivery Systems Division

Health Care Administration

Public Notice of Maximum Allowable Costs of Medical Assistance Outpatient Prescribed Drugs

NOTICE IS HEREBY GIVEN to recipients, providers of services, and to the public of additions to the state Medical Assistance maximum allowable cost (state MAC) list for certain outpatient prescribed drugs.

At least once each calendar year, the United States Department of Health and Human Services, Centers for Medicare & Medicaid Services, publishes a federal upper limit (FUL) payment schedule for many commonly prescribed multiple-source drugs. The federal upper limit is set at a rate equal to 150 percent of the published price for the least costly therapeutic equivalent that can be purchased by pharmacists. This FUL payment schedule constitutes the federal MAC list. For many multiple-source drugs that are not on the federal MAC list, the Department establishes a state MAC list. Additionally, the Department imposes a state MAC for many multiple-source drugs that are on the federal MAC list, as long as the aggregate savings are at least as much as the savings would be using the federal MAC list.

The Department requires Medical Assistance pharmacy providers to submit their usual and customary costs. Pharmacy providers are reimbursed at the lower of: 1) the state MAC or the estimated acquisition cost determined using wholesale acquisition cost, plus a dispensing fee; or 2) the submitted usual and customary charge to the general public.

No earlier than May 20, 2013 the Department may add the following outpatient prescribed drugs to the state MAC list:

Drug Name

ZOLMITRIPTAN

These additions are made to bring Medical Assistance reimbursement to pharmacists more closely in line with the actual acquisition cost of the drugs listed above. The Department estimates that there will be a state savings of \$10,000.00 for State Fiscal Year 2013 (July 1, 2012 through June 30, 2013).

This notice is published pursuant to *Code of Federal Regulations*, Title 42, section 447.205, which requires publication of a notice when there is a rate change in the methods and standards for setting payment rates for Medical Assistance services.

Written comments and requests for information may be sent to Pharmacy Program Manager Sara Drake R.Ph., Health Services and Medical Management Division, Health Care Administration, Minnesota Department of Human Services, P.O. Box 64984, St. Paul, Minnesota 55164-0984.

Metropolitan Council

Notice of Adoption of Revisions to Waste Discharge Rules (WDR) for the Metropolitan Disposal System (MDS)

The Metropolitan Council on February 13, 2013, adopted revisions to the Waste Discharge Rules (WDR) for the Metropolitan Disposal System (regional wastewater collection and treatment system). The WDR specify standards and requirements which must be met by affected persons, including permittees and customer communities. The adopted revisions involve three main categories:

1. Requirements involving “customer communities,” which are the cities and townships served by the Metropolitan Disposal System. The revisions generally serve to codify existing requirements or procedures.
2. Revisions required by the Minnesota Pollution Control Agency, resulting from the adoption of “Minnesota Pretreatment Rules” in 2008 (*Minnesota Rules*, Chapter 7049).
3. Other additions, updates and improvements.

The WDR are posted on the Metropolitan Council’s website at:

<http://metro council.org/Wastewater-Water/Publications-And-Resources/WasteDischargeRules-pdf.aspx>

The Metropolitan Council designs, constructs, and operates the Metropolitan Disposal System (MDS), a publicly owned system of interceptor sewers and wastewater treatment facilities, for the conveyance, treatment and disposal of domestic waste, industrial waste and other waste from residential, commercial, institutional and industrial users in the metropolitan area. To achieve efficient and effective use of the Metropolitan Council’s facilities, the Metropolitan Council regulates the quantity and quality of waste discharges into public sewers. The Metropolitan Council implements applicable provisions of *Code of Federal Regulations*, title 40, chapter I, subchapter N and applicable provisions of *Minnesota Rules*, chapter 7049, and enforces national and State of Minnesota pretreatment standards and requirements. The Metropolitan Council maintains a program to regulate use of public sewers, enforces applicable standards and requirements, and charges for services and activities necessary to carry out its obligations under federal and state law.

The WDR are adopted by the Metropolitan Council Board pursuant to *Minnesota Statutes*, chapter 473, and are declared to be necessary for the efficient, economic, and safe operation of the MDS, and for protection of the health, safety, and general welfare of the public in the Twin Cities metropolitan area. The Metropolitan Council is the delegated control authority under the General Pretreatment Regulations and *Minnesota Rules*, chapter 7049, and these rules, therefore, supersede any customer community rules or requirements related to federal pretreatment standards and requirements. The WDR apply to the use of the MDS by all persons and facilities whether served directly or indirectly by the MDS.

Metropolitan Council Environmental Services

Notice of Public Hearing on Proposed Industrial Pretreatment Partnership Incentive Program (IPPIP)

**Metropolitan Council Chambers
390 Robert St. N.
St. Paul, Minnesota
Tuesday, June 25, 2013
2:30 p.m.**

Metropolitan Council Environmental Services (MCES) will conduct a public hearing to provide information and receive public comment on a new program that will provide a partnership and incentive to help high-strength wastewater producers develop pretreat-

ment equipment (e.g. anaerobic digestion facilities) on their industrial sites. The incentive will provide: 1) Metropolitan Council financing (at low, AAA-rated public financing rates), and 2) possible forgiveness of up to 30% of annual debt service payments.

Background

MCES is proposing this new program with the goal of reducing strength-related wastewater from certain industries, which will ultimately save regional wastewater ratepayers money by eliminating energy costs needed to treat this waste and by avoiding or delaying capital costs that otherwise would be needed to expand treatment plant solids capacity.

The proposed program details and requirements will be presented at the public hearing for public review and input, and are available at:

<http://www.metrocouncil.org/Wastewater-Water/News-Events.aspx>

Public Hearing Details

- 2:30 p.m., Tuesday, June 25, 2013
- Metropolitan Council Building, Council Chambers
- 390 Robert St. N. (southeast corner of Robert St. and 6th St.), St. Paul, Minnesota

All interested persons are encouraged to attend the public hearing and provide comments. You also may submit comments, which must be **received** by MCES no later than 5 p.m. Friday, July 5, 2013:

- Send written comments to: Kelly Barnebey, Metropolitan Council Environmental Services, 390 Robert St. N., St. Paul, MN 55101-1805
- Fax comments to: Kelly Barnebey at (651) 602-1030
- Record comments on: Metropolitan Council Public Comment Line at (651) 602-1500
- E-mail comments to: public.info@metc.state.mn.us
- Send TTY comments to: (651) 291-0904

Upon request, MCES will provide reasonable accommodations to persons with disabilities at the public hearing. Please submit such requests to Kelly Barnebey via mail or fax (see above) or by phone at (651) 602-1016 before June 18, 2013.

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Readers are also advised to check the Office of Grants Management (OGM) at: <http://www.admin.state.mn.us/ogm.html>

Minnesota Pollution Control Agency (MPCA)

Watershed Division

Public Notice of Availability and Request for Proposal for Nonpoint Source Water Pollution Project Grants through the Federal Clean Water Act Section 319 Grant Program

Public Notice Period Begins: May 20, 2013
Public Notice Period Ends: June 11, 2013

The Minnesota Pollution Control Agency (MPCA) is seeking proposals for projects that will reduce Nonpoint Source Pollution (NPS) in Minnesota's lakes, rivers, and streams. Funding for selected projects will be provided by the Federal Clean Water Act Section 319 (Section 319) grant funds.

Proposals for nonpoint source development, education or applied research projects (DER) projects and for Total Maximum Daily Load (TMDL) Implementation projects are being solicited. The MPCA anticipates about two and a half million dollars will be available this year, contingent upon Congressional appropriation. There is a **maximum limit of \$300,000** per project funding request. Projects must be funded with at least a 45 percent local cash or in-kind match. The Federal share of the total project cost can be no more than 55 percent. Grant funds are limited and MPCA urges proposers to request only those funds needed to complete a project by August 31, 2017.

State Grants & Loans

All DER proposals must address at least one specific Milestone (Action Step) in the **Minnesota Nonpoint Source Management Program Plan**. For TMDL implementation projects, eligible proposers must have (or will have) a TMDL Implementation Plan or Watershed Restoration and Protection Strategy (WRAPS) approved by the MPCA by **June 30, 2013**.

For a copy of the Complete Request for Proposal

• Please note that the State of Minnesota has recently implemented a new procurement system, called SWIFT. Now, notifications of solicitations, viewing and submitting proposals and awarding of contracts are done online through the SWIFT system. The complete Request for Proposal (RFP), proposal form, and other information are available through the SWIFT Supplier Portal at:

https://supplier.swift.state.mn.us/psp/fmssupap/SUPPLIER/ERP/h/?tab=SUP_GUEST.

Prospective Responders must have a SWIFT Vendor ID and Supplier Portal Account set up to apply. Please note that it can take up to four days to receive your SWIFT Vendor ID. For more information, please see, "2013 Changes for Minnesota Vendors" at:

<http://www.swift.state.mn.us/doc/messages/announce-12-31-12.pdf>.

• If you need assistance registering in the Supplier Portal so you can bid on this solicitation or if you have questions or problems viewing or submitting proposals, you may contact the Minnesota Department of Administration, Materials Management Division SWIFT Help Desk at 651-201-8100, option 1. Follow the prompts to connect you to the correct contact person. If you have questions concerning this RFP, email questions to *contracts.pca@state.mn.us*, subject line: CR 6659, 319-13 Grant.

Proposers should review attachments to ensure they are viewable, accurate and complete. MPCA and other State staff are not able to verify the documents submitted before the submission deadline and are NOT authorized to discuss this RFP with responders. Contact regarding this RFP with any personnel not listed above could result in disqualification.

Proposals must be electronically submitted through the state SWIFT supplier portal **no later than 4:30 PM CDT June 11, 2013**. Proposals received after the deadline will not be considered. Successful proposers will be notified around **July 3, 2013** and will then be required to submit a detailed work plan, budget and timeline/Gantt chart. Successful proposers will be required to enter into a project contract with the MPCA. The contracts should be finalized by fall 2013, depending on the date of receipt of the award from EPA.

State Contracts

Besides the following listing of state contracts, readers are advised to check: <http://www.mmd.admin.state.mn.us/solicitations.htm> , as well as the Office of Grants Management (OGM) at: <http://www.admin.state.mn.us/ogm.html> .

Informal Solicitations: Informal solicitations for professional/technical (consultant) contracts valued at over \$5,000 through \$50,000, may either be published in the *State Register* or posted on the Department of Administration, Materials Management Division's (MMD) Web site. Interested vendors are encouraged to monitor the P/T Contract Section of the MMD Web site at: www.mmd.admin.state.mn.us for informal solicitation announcements.

Formal Solicitations: Department of Administration procedures require that formal solicitations (announcements for contracts with an estimated value over \$50,000) for professional/technical contracts must be published in the *State Register*. Certain quasi-state agency and Minnesota State College and University institutions are exempt from these requirements.

Requirements: There are no statutes or rules requiring contracts to be advertised for any specific length of time, but the Materials Management Division strongly recommends meeting the following requirements:

\$0 - \$5000 does not need to be advertised. Contact the Materials Management Division: (651) 296-2600

\$5,000 - \$25,000 should be advertised in the *State Register* for a period of at least seven calendar days;

\$25,000 - \$50,000 should be advertised in the *State Register* for a period of at least 14 calendar days; and

anything above \$50,000 should be advertised in the *State Register* for a minimum of at least 21 calendar days.

State Contracts

Minnesota State Colleges and Universities (MnSCU) System Office

Request for Proposal: Graphic Design of 2013 Go Places Publications

The Minnesota State Colleges and Universities system is requesting proposals from qualified design firms for the design of the 2013 edition of *Go Places*, a viewbook for all 31 Minnesota State Colleges and Universities produced annually by the Advancement division in the system office. In its 16th year of publication, the colorful 44-page viewbook contains college and university profile information, a program grid showing which institutions offer various programs, application procedures, and admissions and financial aid information for prospective students.

Two supplemental corresponding print pieces need to be designed when the main viewbook design is complete: creation of a matching display poster and 12-page mini *Go Places* viewbook as a PDF for insertion into another publication.

Proposers should review current and past editions of *Go Places* and other system publications, available on the web at:
<http://pa.mnscu.edu/rfp/goplaces-design/>,

be prepared to submit a one- to three-page critique of the 2012-2013 edition design.

Request for proposal specifications are available by visiting the website: <http://pa.mnscu.edu/rfp/goplaces-design/> or by contacting Andrea Drewek, Minnesota State Colleges and Universities by e-mail andrea.drewek@so.mnscu.edu.

Sealed proposals must be received by Monday, May 27, 2013, noon CST. Other department personnel are **NOT** allowed to discuss the Request for Proposal with anyone, including responders, before the proposal submission deadline.

This request does not obligate Minnesota State Colleges and Universities to complete the proposed project, and the system reserves the right to cancel this solicitation if it is considered to be in its best interest. The Minnesota State Colleges and Universities system is an Equal Opportunity employer and educator.

Minnesota State Colleges and Universities (MnSCU) System Office

Request for Proposals: PRINT of 2013 Go Places Publications

The system office is requesting three separate proposals from qualified vendors for the printing and fulfillment of *Go Places* publications. Specifications for each proposal are available by visiting the Web site:

<http://pa.mnscu.edu/rfp/goplaces-print/>

or by contacting Andrea Drewek, Minnesota State Colleges and Universities, Wells Fargo Place, 30 - 7th St. E., Suite 350, St. Paul, Minnesota 55101, phone (651) 201-1811, or request by e-mail: andrea.drewek@so.mnscu.edu

Sealed bids must be received by NOON CDT, MONDAY, MAY 27, 2013.

This request does not obligate Minnesota State Colleges and Universities to complete the proposed project, and the system reserves the right to cancel this solicitation if it is considered to be in its best interest.

The Minnesota State Colleges and Universities system is an Equal Opportunity employer and educator.

Request for Proposals (RFP) for TIS Modernization – Straight Line Diagramming Tool

MnDOT requests proposals for services to create a new Straight Line Diagramming tool (SLD) that will be useful internally for the State's Office of Transportation, Data & Analysis (TDA), for staff in the Office of Land Management (OLM), the Communications Office, the Office of Traffic, Safety & Technology (OTST), MnDOT districts, and the public. This project will help MnDOT realize its goals to make roadway information more readily available and user-friendly in a format that is accessible by a wide audience. At a minimum, the new system must replicate the current work process but in a modern technology that provides additional functionality for public consumption.

The goal of this project is to deliver a user-friendly system that can be accessed by MnDOT and its customers. The system must use the latest technology and industry standard methodology for project implementation.

Responses to this advertisement become public information under the Minnesota Government Data Practices Act. This request does not obligate MnDOT to complete the work contemplated in this notice, and MnDOT reserves the right to cancel this RFP. All expenses incurred in responding to this notice shall be borne by the responder.

Non-State Public Bids, Contracts & Grants

The *State Register* also serves as a central marketplace for contracts let out on bid by the public sector. The *State Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector. It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from the date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as \$1,000. Contact editor for further details.
