Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific **Minnesota Rule** chapter numbers. Every odd-numbered year the **Minnesota Rules** are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive (issue #26 cumulative for issues #1-26); issues #27-38 inclusive (issue #39, cumulative for issues #1-39); issues #40-52 inclusive, with final index (#1-52, or 53 in some years). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. Adopted Rules

A rule becomes effective after the requirements of *Minnesota Statutes* §§ 14.05-14.28 have been met and five working days after the rule is published in the *State Register*, unless a later date is required by statutes or specified in the rule. If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous *State Register* publication will be printed. If an adopted rule differs from its proposed form, language which has been deleted will be printed with strikeouts and new language will be underlined. The rule's previous *State Register* publication will be cited.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

EFFECTIVE PERIOD. The emergency amendments to *Minnesota Rules*, parts 6237.0400 and 6237.0550, expire December 31, 2015. Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the *Constitution of the State of Minnesota*, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Waiver of *Minnesota Statutes*, section 14.127, subdivision 3 - Pursuant to *Minnesota Statutes*, Section 14.127, Subdivision 4(e)

I, MARK DAYTON, GOVERNOR OF THE STATE OF MINNESOTA, by virtue of the power vested in me by the Constitution and applicable statutes, do hereby issue this Waiver:

WHEREAS, the State of Minnesota is committed to improving the quality of life of persons with disabilities of all ages and persons age 65 and older;

WHEREAS, the State of Minnesota recognizes that improving the quality of life of such persons requires the use of positive supports and the implementation of the principles of the most integrated setting and person-centered planning, in accordance with the settlement agreement and subsequent court orders in *Jensen, et al. v. Minnesota Department of Human Services, et al.*, United States District Court File No. 09-CV-1775, and the court decision in *Olmstead v. L.C.*, 527 U.S. 581 (1999);

WHEREAS, the Minnesota Department of Human Services is adopting *Minnesota Rules*, Chapter 9544 to govern use of positive support strategies, safety interventions, and emergency use of manual restraint in services licensed by the Minnesota Department of Human Services;

WHEREAS, *Minnesota Rules*, Chapter 9544 is expected to take effect on August 31, 2015;

Whereas, pursuant to *Minnesota Statutes*, section 14.127, the Minnesota Department of Human Services determined that the cost of complying with *Minnesota Rules*, Chapter 9544 in the first year after the rule takes effect would not exceed \$25,000 for a small business or a small city;

Whereas, the Administrative Law Judge assigned to review the rulemaking pursuant to *Minnesota Statutes*, Chapter 14 disapproved the agency's cost determination under *Minnesota Statutes*, section 14.127;

Whereas, the Administrative Law Judge's disapproval of the agency's cost determination triggers the application of *Minnesota Statutes*, section 14.127, subdivision 3, which enables a small business or a small city to claim a temporary exemption from *Minnesota Rules*, Chapter 9544 until the Minnesota Legislature enacts a law approving the rules;

Whereas, *Minnesota Statutes*, section 14.127, subdivision 4, grants the governor authority to issue a waiver of the application of *Minnesota Statutes*, section 14.127, subdivision 3;

Whereas, the State of Minnesota recognizes that claims of temporary exemptions from *Minnesota Rules*, Chapter 9544 would undermine the purpose of the rule and the commitment of the State of Minnesota to improving the quality of life of persons with disabilities of all ages and persons age 65 and older;

Now, Therefore, I hereby waive application of *Minnesota Statutes*, section 14.127, subdivision 3, to *Minnesota Rules*, Chapter 9544. This waiver is effective August 31, 2015 and shall remain in effect for one year. I hereby reserve the authority to issue a subsequent waiver pursuant to *Minnesota Statutes*, section 14.127, subdivision 4(e), upon the expiration of this waiver.

In Testimony Whereof, I have set my hand on this 25th day of June, 2015.

Mark Dayton
Governor

Minnesota State Lottery Request for Proposals for Sponsorship Agreements

Description of Opportunity

The Minnesota State Lottery develops sponsorship agreements throughout the year with organizations, events, and sports teams to create excitement for lottery players, to interest new players and increase the visibility of lottery games. The Lottery encourages and continually seeks new sponsorship agreements to help achieve current Lottery marketing goals.

Proposal Content

A sponsorship proposal presented to the Lottery should meet the following three criteria:

1. Maximize Lottery Visibility – the event, sports or tie-in proposal should draw a large number of desired participants (typically 50,000 or more) whose demographics match the Lottery player profile. The Lottery is interested in effectively delivering its message of fun and entertainment to Minnesota adults whose demographics skew primarily towards those aged 25-64, with a household income of \$35,000-\$75,000, and having an educational background of some college or higher. The Lottery does not market to those under the age of 18, and family events with high levels of children present are generally not accepted. Attendance, on-site signage visibility and paid media exposure will be critical components that will be evaluated.

2. Enhance Lottery Image- – the event, sports or tie-in proposal should inherently project the attitude that the Lottery is a fun and socially acceptable part of the community. The Lottery's presence should fit well within the lineup of other sponsors. The Lottery is interested in creating opportunities whereby the sponsorship can translate into sales revenue, either via on-site sales from a Lottery booth, from sales-generating promotions with Lottery retailers or from joint programs with the sponsor's media partners.

3. Provide Promotional Extensions – the event, sports or tie-in proposal should offer exciting, value-added ways to interact with our players and have opportunities to motivate attendees, listeners and viewers to participate in and purchase Lottery games. The proposal must include proper staffing availability or other considerations to help the Lottery implement any appropriate promotional extension ideas.

Proposals should address all pertinent elements of the sponsorship and how the Lottery criteria as stated above and on the Evaluation Form are to be met. To view or print copies of the Request for Proposal go to <http://www.mnlottery.com/vendors.html>

This Solicitation does not obligate the state to award a contract or pursue a proposed sponsorship opportunity, and the state reserves the right to cancel the solicitation if it is considered to be in its best interest.
