Such notices are published in the **OFFICIAL NOTICES** section. Proposed rules and adopted rules are published in separate sections of the magazine.

The **PROPOSED RULES** section contains:

- Calendar of Public Hearings on Proposed Rules.
- Proposed new rules (including Notice of Hearing and/or Notice of Intent to Adopt Rules without A Hearing).
- Proposed amendments to rules already in existence in the Minnesota Code of Agency Rules (MCAR).
- Proposed temporary rules.

The **ADOPTED RULES** section contains:

- Adopted amendments to new rules or rule amendments (changes made since the proposed version was published).
- Notice of adoption of temporary rules.
- Adopted amendments to temporary rules (changes made since the proposed version was published).

ALL ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES published in the *State Register* and filed with the Secretary of State before September 15, 1982, are published in the *Minnesota Code of Agency Rules 1982 Reprint*. **ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES** filed after September 15, 1982, will be included in a new publication, *Minnesota Rules*, scheduled for publication in spring of 1984. In the **MCAR AMENDMENT AND ADDITIONS** listing below, the rules published in the *MCAR 1982 Reprint* are identified with an asterisk. Proposed and adopted **TEMPORARY RULES** appear in the *State Register* but are not published in the *1982 Reprint* due to the short-term nature of their legal effectiveness.

The *State Register* publishes partial and cumulative listings of rule action in the **MCAR AMENDMENTS AND ADDITIONS** list on the following schedule:

Issues 1-13, inclusive

Issues 14-25, inclusive

Issue 26, cumulative for 1-26

Issue 27-38, inclusive

Issue 39, cumulative for 1-39

PROPOSED RULES

Pursuant to Minn. Stat. of 1980, §§ 14.21, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
 2. that no public hearing will be held unless seven or more persons make a written request for a hearing within the 30-day comment period;
 3. of the manner in which persons shall request a hearing on the proposed rules;
- and
4. that the rule may be modified if modifications are supported by the data and views submitted.

If, during the 30-day comment period, seven or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.13-14.20 which state that if an agency decides to hold a public hearing, it must publish in the *State Register* a notice of its intent to do so. This notice must appear at least 30 days prior to the date set for the hearing, along with the full text of the proposed rules. (If the agency has followed the provisions of subd. 4h and has already published the proposed rules, a citation to the prior publication may be substituted for republication.)

Pursuant to Minn. Stat. § 14.29, when a statute, federal law or court order to adopt, suspend or repeal a rule does not allow time for the usual rulemaking process, temporary rules may be proposed. Proposed temporary rules are published in the *State Register*, and for at least 20 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Department of Corrections
Proposed Rules Governing the Operation of the Office of Adult Release
Notice of Intent to Adopt Rules without a Public Hearing

Notice is hereby given that the Department of Corrections proposes to adopt the above entitled rules without a public hearing. The commissioner has determined the proposed adoption of these rules will be noncontroversial in nature and has elected to follow the procedures set forth in Minnesota sections 14.21 to 14.28 (1982).

Persons interested in these rules shall have thirty (30) days to submit comments on the proposed rules. The proposed rules may be modified if the modifications are supported by the data and views submitted to the agency and do not result in a substantial change in the proposed language.

Unless seven (7) or more persons submit requests for a public hearing on the proposed rules within the 30 day comment period, a public hearing will not be held. In the event a public hearing is required, the agency will proceed according to the provisions of Minnesota Statutes §§ 14.23 to 14.28 (1982).

K. Notice of conditions of parole or supervised release. At the time of release from a correctional facility each inmate shall have read to him the conditions of parole or supervised release, and the inmate shall sign the conditions of parole or supervised release. The inmate's signature shall be witnessed by the staff member who read the conditions of parole or supervised release to the inmate.

L. Cooperation of inmate required. Refusal to cooperate in determining place of residence, employment plans, or conditions of release shall result in an extension of the inmate's term of imprisonment through the institutional disciplinary process. Inmates serving indeterminate sentences will not be allowed to leave the institution without an approved release plan.

11 MCAR § 2.613 Restructure of conditions of parole or supervised release.

A. Request by offender. Offenders on parole or supervised release may at any time during their term of release request that the standard or special conditions of release be modified. When warrants have been issued as detainers for releasees who are being prosecuted for new charges, including violations which are misdemeanors, gross misdemeanors, or felonies, the revocation process shall not begin until the court process has concluded. The court process will be considered concluded by dismissal of charges, a finding of not guilty, or the completion of any local incarceration time imposed by the court.

1. maintain the warrant or allow the releasee to make bail; or
2. cancel the warrant and allow the local sentence imposed to satisfy the violation time. If this is done, a notice of release will be filed by the fugitive unit which provides that the agent be notified 30 or 60 days prior to release.

Outside the metropolitan area, as defined by Minnesota Statutes, section 473.121 revocation or separate probable cause hearings shall be conducted by a Department of Corrections district supervisor other than the supervising agent's supervisor. In cases of special need the executive officer of adult release may conduct the revocation or separate probable cause hearings outside the metropolitan area. 3. six months to expiration of sentence for conviction of a felony; and

4. depending on the time remaining to be served on the sentence, the type of violation, and the needs of the offender, up to expiration of the sentence may be assigned as the term of reimprisonment if there is a finding of risk to the public or if repeated violations of the conditions of release occur and the releasee is determined to be unamenable to supervision by the executive officer of adult release.

11 MCAR § 2.618 Revocation procedures.

2. The agent shall advise the releasee of the purpose of the hearing; his right to a hearing; his right to the assistance of counsel of his own choosing or the services of the State Public Defender; his right to present evidence and to confront and cross-examine witnesses against him; and his right to admit the violations of release.
3. If the releasee signs the admission of violations form, the agent shall notify the fugitive unit to transport the violator to a correctional facility designated by the commissioner.

5. If the releasee requests a revocation hearing, the agent shall call the office of adult release to coordinate a date and time for the hearing.
6. Upon receiving the date and time for the hearing, the agent shall prepare a notice of hearing form, make six copies of the rules of release, six copies of any written evidence, and distribute one set of each according to the distribution indicated on the notice of revocation hearing form.

At the time notice is given to the releasee, notice shall be sent to the State Public Defender or private counsel.

E. Hearing. The revocation hearing shall be held near the site of the alleged violation, and conducted by the executive officer of adult release or a district supervisor not directly supervising the agent alleging the violation. If parole, supervised release, or work release is revoked, the releasee shall be imprisoned in a place determined by the commissioner. Releasees may admit the alleged violations any time prior to the hearing. The admission must be in writing, and releasees must have been notified of the consequences of their admission, including that they may be returned to a correctional facility for a term of imprisonment specified by the executive officer of adult release or a district supervisor.

F. Warrants. Unless taken into custody by an agent under the authority of Minnesota Statutes, section 243.05, a releasee shall not be taken into custody unless a warrant is issued by the executive officer of adult release. Requests for hold orders or warrants must allege the specific facts upon which the alleged violation is based, indicate the sources of information, and cite reasons why detention pending the hearing is necessary.

Warrants may be issued in all cases where a releasee has absconded from supervision. Issuance of warrant under these circumstances and the revocation of parole, supervised release, or work release shall stop the time from running on the sentence until the releasee is returned to custody. In all cases where a releasee is returned from out of state, whether by extradition proceedings or waiver of extradition, the hearing shall be held at a location determined by the executive officer of adult release.

G. Failure to appear. Failure of a releasee to appear at a revocation or probable cause hearing after having been duly notified will result in the issuance of a warrant for their apprehension and detention and return to custody pending a hearing at a place to be determined by the executive officer of adult release.

Proposed Rules Designating Species of Wild Animals and Plants As Endangered, Threatened or of Special Concern

Notice of Intent to Adopt Rules without a Public Hearing

Notice is hereby given that the Department of Natural Resources proposes to adopt the above entitled rules without a public hearing. The Department of Natural Resources has determined that the proposed adoption of these rules will be noncontroversial in nature and has elected to follow the procedures set forth in Minnesota Statutes sections 14.21-14.28 (1982).

Minnesota Statutes section 97.488 provides that the Department of Natural Resources shall adopt rules designating species of wild animals and plants as endangered, threatened or of special concern. With the aid of a technical advisory committee, also provided for by statute, the DNR has compiled the required lists. Additionally, a statement of need and reasonableness that describes the need for and reasonableness of the listing of each species in the proposed rules has been prepared and is available for inspection by the public during regular hours, at the address below.

Persons interested shall have 30 days, specifically until November 30, 1983, to submit comments on the proposed rules. The proposed rules may be modified if the modifications are supported by the data and views submitted to the agency and do not result in a substantial change in the proposed language.

Upon adoption of the final rule without a public hearing, the proposed rule, this notice, the statement of need and reasonableness, all written comments received, and the final rule as adopted will be delivered to the Attorney General for review as to form and legality, including the issue of substantial change. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the final rule as proposed for adoption, should submit a written request to the below address.

Unless seven or more persons submit written requests for a public hearing on the proposed rules within the 30-day comment period, a public hearing will not be held. In the event a public hearing is required, the agency will proceed according to the provisions of Minnesota Statutes sections 14.13-14.20 (1982). Persons requesting a public hearing should identify the particular objection, the suggested modifications to the proposed rules, and the reasons or data relied on to support the suggested modifications.

Please be advised that Minn. Stat. chapter 10A requires each lobbyist to register with the State Ethical Practices Board within five days after he or she commences lobbying. Minn. Stat. § 10A.01, subdivision 11 defines a lobbyist as any individual: (a) engaged for pay or other consideration, or authorized by another individual or association to spend money, who spends more than five hours in any month or more than \$250, not including his own travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials; or (b) who spends more than \$250, not including his own travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative administrative action by communicating or urging others to communicate with public officials. The statute provides certain exceptions. Questions should be directed to the Ethical Practices Board, 41 State Office Building, St. Paul, Minnesota 55155, telephone (612) 296-5615.

Persons who wish to submit comments or a written request for a public hearing, or who wish to receive a copy of the final rule or to be informed when the rule is submitted to the Attorney General, should submit such comments or requests to:

The Minnesota Pollution Control Agency (MPCA) is seeking proposals from qualified engineering consultants/contractors for Remedial Investigations/Feasibility Studies and Remedial Actions at arsenic hazardous waste sites (either above-ground storage or burial sites) located throughout the State of Minnesota. SUPREME COURT

Decisions Filed Friday, October 21, 1983

Compiled by Wayne O. Tschimperle, Clerk

C8-82-1515 Robert R. Ross, Jr. and Ellen Ross, Respondents, v. Martin Homes, Inc., Appellant

Affirmed in part, reversed in part. Todd, J.

C1-83-197 Robbie Lee Mikels, petitioner, Appellant, v. State of Minnesota, Respondent.

Record on appeal fails to establish that defendant, who pleaded guilty to state crime committed while on federal parole, either was promised or reasonably understood that his state sentence necessarily would run concurrently with the remaining part of his federal sentence in the event that federal parole was revoked.

Affirmed. Simonett, J.

C6-82-1187 State of Minnesota, Respondent, v. Jerry Sharpe, Appellant.

Evidence of defendant's guilt of burglary and theft was sufficient, omnibus court did not err in denying motion to suppress evidence on fourth amendment grounds, and trial court did not commit plain error in giving questionable instruction to which defense counsel did not object.

Affirmed. Kelley, J.

CX-82-1189 National Tea Company, Inc., Appellant, v. Tyler Refrigeration Company, Inc., Respondent.

1. Trial court did not err in finding that an Underwriters' Laboratories' report was admissible despite an objection that it was inadmissible hearsay.

2. Underwriters' Laboratories' report meets the business records exception, Minn. R. Evid. 803(6), even though the expert laying the foundation for its admission was never an employee of that organization since it was demonstrated that he was an engineer who was familiar with the operations and procedures employed by the organization for product certification, and could testify as to how the UL certifications were obtained and maintained.

3. Guidelines established herein should be followed by the trial court in the exercise of its discretion to receive reports offered as evidence.

Affirmed. Todd, J. Took no part, Coyne, J.
