NOTICE
How to Follow State Agency Rulemaking Action in the State Register

State agencies must publish notice of their rulemaking action in the State Register. If an agency seeks outside opinion before promulgating new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION also.

The PROPOSED RULES section contains:
- Calendar of public hearings on proposed rules.
- Proposed new rules (including notice of hearing and/or notice of intent to adopt rules without a hearing).
- Proposed amendments to rules already in existence in the Minnesota Rules.
- Proposed emergency rules.
- Withdrawal of proposed rules (option; not required).

The ADOPTED RULES section contains:
- Notice of adoption of new rules and rule amendments adopted without change from the previously published proposed rules. (Unchanged adopted rules are not republished in full in the State Register unless an agency requests this.)
- Adopted amendments to new rules or rule amendments (adopted changes from the previously published proposed rules).
- Notice of adoption of emergency rules.
- Extensions of emergency rules beyond their original effective date.

The OFFICIAL NOTICES section includes (but is not limited to):
- Notice of intent to solicit outside opinion before promulgating rules.
- Additional hearings on proposed rules not listed in original proposed rules calendar.

ALL ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES published in the State Register and filed with the Secretary of State before July 31, 1983 are published in the Minnesota Rules 1983. ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES filed after July 31, 1983 will be included in a supplement scheduled for publication in mid-1984. Proposed and adopted EMERGENCY (formerly called TEMPORARY) RULES appear in the State Register but are generally not published in the Minnesota Rules 1983 due to the short-term nature of their legal effectiveness. Those that are long term may be published.

The State Register publishes partial and cumulative listings of rule in the MINNESOTA RULES AMENDMENTS AND ADDITIONS list on the following schedule:

Issues 1-13, inclusive
Issues 14-25, inclusive
Issue 26, cumulative for 1-26
Issues 27-38, inclusive
Issue 39, cumulative for 1-39
Issues 40-51, inclusive
Issue 52, cumulative for 1-52

The listings are arranged in the same order as the table of contents of the Minnesota Rules 1983.

PROPOSED RULES

Pursuant to Minn. Stat. of 1982, §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the State Register. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the State Register.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the State Register and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Proposed Rules Governing Community Energy Council Grants

Notice of Intent to Adopt Rules without a Public Hearing

NOTICE IS HEREBY GIVEN that the Department of Energy and Economic Development proposes to adopt the above-entitled rules without a public hearing. The Department has determined that the proposed adoption of these rules will be noncontroversial in nature and has elected to follow the procedure set forth in Minnesota Statutes §§ 14.21 through 14.28 (Supp. 1983) as amended by Minn. Laws 1984 ch. 640 §§ 12-15, 33-34.

Persons interested in these rules shall have 30 days to submit comments in support of or in opposition to the proposed rules.

KEY: PROPOSED RULES SECTION — Underlining indicates additions to existing rule language. Strike outs indicate deletions from existing rule language. If a proposed rule is totally new, it is designated “all new material.” ADOPTED RULES SECTION — Underlining indicates additions to proposed rule language. Strike outs indicate deletions from proposed rule language.
Comments are encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the
comment and any change proposed. The proposed rules may be modified if the modifications are supported by the data and
views submitted to the agency and do not result in a substantial change in the proposed language.

Unless 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing
will not be held. In the event a public hearing is required, the agency will proceed according to the provisions of Minnesota

Persons who wish to submit comments or a written request for a public hearing should submit such comments or request to:

Mark Schoenbaum
Energy Division
Minnesota Department of Energy & Economic Development
900 American Center Building
150 E. Kellogg Blvd.
St. Paul, MN 55101
(612) 297-3602

Any person requesting a public hearing should state his or her name and address and is encouraged to identify the portion of
the proposed rule addressed, the reason for the request, and any change proposed.

Authority for the adoption of these rules is contained in Minn. Laws 1984, ch. 604, § 2, subd. 2. Additionally, the Statement
of Need and Reasonableness that describes the need for and reasonableness of each provision of the proposed rules and
identifies the data and information relied upon to support the proposed rules has been prepared by and is available from Mark
Schoenbaum upon request.

Upon adoption of the final rules without a public hearing, the proposed rules, this notice, the Statement of Need and
Reasonableness, all written comments received, and the final rules as adopted will be delivered to the Attorney General for
review as to form and legality, including the issue of substantial change. Persons who wish to be advised of the submission of
this material to the Attorney General, or who wish to receive a copy of the final rules as proposed for adoption, should submit a
written statement of such request to Mark Schoenbaum.

The rules proposed for adoption relate to the following matters: These rules govern the distribution of community energy
council grant funds under the program established in Laws of Minnesota 1984, Chapter 654. Article II, Section 106. The rules
establish the grant program, provide for grants of up to $15,000 to cities and counties in support of community energy council
activities, and require grantees to provide at least a ten percent local match. The rules provide for the form and contents of
applications, evaluation of applications, classification of eligible and ineligible grantee activities and expenditures, grant
agreements and grant close-out.

These rules create a state program to be administered by counties and cities, and as such are exempted from the applicability
of Minnesota Statutes § 14.115 by Minnesota Statutes § 14.115, Subdivision 7(b). However, these rules do require small
business representation on community energy councils and allow grant funds to be expended in support of business energy
conservation activities.

Please be advised that Minn. Stat. Chapter 10A requires each lobbyist to register with the State Ethical Practices Board
within five days after he or she commences lobbying. Minn. Stat. Section 10A.01, subdivision 11 defines a lobbyist as any
individual: (a) engaged for pay or other consideration, or authorized by another individual or association to spend money, who
spends more than five hours in any month or more than $250, not including his own travel expenses and membership dues, in
any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging others to
communicate with public officials; or (b) who spends more than $250, not including his own travel expenses and membership
dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging
others to communicate with public officials. The statutes provides certain exceptions. Questions should be directed to the
Ethical Practices Board, 41 State Office Building, St. Paul, Minnesota 55155, telephone (612) 296-5615.

Copies of this notice and the proposed rules are available and may be obtained by contacting Mark Schoenbaum.

Notice of Public Hearings Before Department of Education staff on an Amendment to the Minnesota State Plan for Fiscal Years 1984 through 1986 for Meeting the Requirements of Public Law 94-142, the Education of All Handicapped Children Act (45 C.F.R. 300a.)

The 1984 Minnesota legislature amended Minnesota Statute 120.17, Subd. 3b. [Procedures for Decisions] to bring Minnesota laws into compliance with recent court decisions related to the impartiality of hearing review officers at the state appeals level. The Minnesota Special Education State Plan for FY 84-86 must be amended to reflect these changes.

A public hearing on the proposed change to Chapter Six of the Minnesota State Plan for Fiscal Years 1984 through 1986 will be conducted by Department of Education Staff on July 13, 1984, in Rm. 716B of the Capitol Square Bldg., 550 Cedar Street, St. Paul, MN. The hearing will begin at 9:00 A.M. and continue until all parties have had ample opportunity to participate.

The State Plan is a grant application for Minnesota's P.L. 94-142 Education for All Handicapped Children Act entitlement funds. It outlines Minnesota's policies and procedures to insure that all eligible handicapped children and youth in Minnesota receive a free appropriate public education. The proposed amendment in Chapter Six of the State Plan is essentially similar to the current plan but has been reviewed and updated to reflect the statutory changes made by the 1984 legislature. Only the proposed changes in Chapter Six of the State Plan will be open for discussion.

The proposed amendment to Chapter Six of the State Plan may be modified as a result of the hearing process. Therefore, if you are interested in the activities included in the proposed amendment, you are urged to participate in the hearing process. An interpreter for the hearing impaired will be present upon request.

Following the agency's brief overview of the proposed amendment, all interested persons will have an opportunity to ask questions and make comments. Statements may be made orally and written material may be submitted. In addition, whether or not an appearance is made at the hearing, written comments may be submitted through July 27, 1984, to Barbara S. Burke, State Department of Education, Program Effectiveness Division, Special Education Section, 550 Cedar Street, St. Paul, MN 55101.

Copies of the Amendment to Chapter Six of the State Plan will be available upon request from the Special Education Section by June 25, 1984. Additional copies will be available at the hearing. If you have any questions on the content of the amendment, contact Barbara Burke at (612) 296-8588.
All statements of information and comments shall be accepted until July 30, 1984. Any written material received by the State Board of Education shall become part of the record in the event that the rules are amended.

SUPREME COURT

Decisions of the Court of Appeals Filed Tuesday, June 12, 1984

Compiled by Wayne O. Tschimperle, Clerk

The trial court did not err in concluding reasonable and probable grounds existed to invoke the implied consent law.

A witness who lacks present recollection of an event may be competent to authenticate the written memorandum recording the event.

Trial courts are afforded wide discretion in determining a witness's competency and their decision will be reversed only when abuse of discretion is shown.

A party must clearly show prejudicial error before a trial court's best evidence ruling will be reversed.

Affirmed. Popovich, C.J.

Relator voluntarily discontinued her employment without good cause attributable to the employer and was, therefore, properly disqualified from receiving unemployment compensation benefits. Minn. Stat. § 268.09, subd. 1(1) (Supp. 1983).

(CITE 8 S.R. 2789)  STATE REGISTER, MONDAY, JUNE 25, 1984  PAGE 2789
Relator may be disqualified under Minn. Stat. § 268.09, subd. 1(1) (Supp. 1983) for quitting job whether or not that job would be held "suitable" under Minn. Stat. § 268.09, subd. 2 (Supp. 1983).
Affirmed. Popovich, C.J.

Minn. Stat. § 244.09, subd. 11, requires, in the absence of valid departure reasons, that a sentencing court retroactively reduce the sentence of an offender in conformity with the November 1, 1983, changes in the sentencing guidelines.
Reversed, with order that sentence be reduced to 108 months. Parker, J.

In the face of conflicting evidence, the judge did not err in finding that petitions for review of a driver's license revocation under the implied consent law, Minn. Stat. § 169.123(5) (1982), were not timely filed.

C2-83-1293 Steve Kantorowicz v. VFW Post #230, Appellant. Anoka County.
VFW post, as a possessor of land, has a duty to its members to provide a safe means of access from its parking lot to the post building.
Plaintiff's assumption of risk is to be considered as an element of negligence under the comparative negligence statute. An assumption of risk instruction need not be given where the jury is able to consider all elements of assumption of risk within the framework of comparative negligence.
The function of the Code of Professional Responsibility is to regulate attorney conduct and has no bearing on the admissibility of evidence.
Affirmed. Sedgwick, J.

C4-83-1568 State of Minnesota v. Mary Ann Jackson, Appellant. Ramsey County.
Defendant can be convicted of making or altering a writing under Minn. Stat. § 609.625, subd. 1, and uttering a forged instrument under subd. 3 of the same statute.
In this case, aggravated forgery, uttering a forged instrument and theft by check were part of the same behavioral incident, and defendant may be sentenced on only one crime under Minn. Stat. § 609.035.
Affirmed in part, reversed in part and remanded.
Sedgwick, J.

The trial court erred in making previously imposed sentences run consecutive to the subsequently imposed sentences.
The trial court erred in refusing defendant's request to execute the first probationary sentence.
The trial court erred in imposing a durationally longer sentence than permitted by the sentencing guidelines for a defendant with a criminal history score of six or more.
The trial court erred in requiring restitution in excess of the amount taken in the two burglaries to which defendant pled.
Reversed and remanded with instructions. Sedgwick, J.

The court erred in awarding spousal maintenance which terminates after a five-year period where the amount of the maintenance is insufficient to allow for education or training.
Reversed and remanded. Lansing, J.

CX-84-1 In the Matter of the Petition for Certain Records of the McLeod County Juvenile Court. McLeod County.

A juvenile court order denying a petition brought pursuant to Minn. Juv. C. R. 34.02 requesting disclosure of names and addresses of juveniles who had been under the supervision of a former probation officer is an appealable order under Minn. R. Civ. App. P. 103.03(g).

It is proper to disclose to the McLeod County Sheriff’s Office and to the Minnesota Attorney General’s Office names and addresses of juveniles who had been under the supervision of a former probation officer who is accused of sexually abusing a number of juveniles, when there has been showing that such disclosure would be in the best interests of the juveniles or in the interests of public safety or necessary for the functioning of the juvenile court system as required by Rule 34.02, and when there are adequate measures taken in minimize the intrusion into the privacy of the juveniles, and into the confidentiality of the juvenile court records.

The evidence supports the finding that appellant signed the security agreement as an accommodation party.

The prevailing party in a replevin action may not be awarded damages instead of possession where it is possible to award possession of the personality itself.

Minn. Stat. § 584.04 (Supp. 1983) permits an award of certain specified damages in addition to recovery of the wrongfully detained property.

Absent bad faith, a garnishment summons served in accordance with Minn. Stat. * 571.41 ci req (Supp. 1983) attaches to all personal property of the judgment debtor then in garnishee’s possession.

Affirmed in part, reversed in part and remanded for further proceedings consistent with this opinion. Forsberg, J.

C1-84-100 State of Minnesota v. Steven Mark Knopps, Appellant. Kandiyohi County.

The trial court did not abuse its discretion by refusing to depart downward from the sentencing guidelines when the defendant was convicted of first degree sexual misconduct for sexually penetrating a four and a half year old girl.

Affirmed. Leslie, J.

The trial court did not abuse its discretion in excluding expert testimony concerning typical familial sexual abuse symptoms and behavior, where the victim of criminal sexual conduct and intrafamilial sexual abuse is currently 17 years old and of at least average intelligence.

Affirmed. Leslie, J.

An expert witness may be cross-examined through use of a learned treatise recognized by another expert as authoritative.

An expert witness, otherwise qualified in the area of medical specialization at issue, may testify about a specific procedure of which he has knowledge even if he has not performed it.

A defendant physician in a medical malpractice case arising out of a surgical procedure he performed could testify to his usual and customary procedure where he had no specific recollection of the plaintiff’s operation. His testimony was as an expert witness.

The standard of care applicable to a specialist is a national one, not local, and a specialist must be held to the same standard of care as other specialists in the field.
Where the trial court made several evidentiary errors and erred in instructing the jury on the standard of care applicable to a cardiovascular surgeon, the plaintiff in a medical malpractice action was entitled to a new trial.

The conclusive presumption contained in Minn. Stat. § 176.521, subd. 2 (1982 & Supp. 1983) applies only to an approving body.
Case No. C8-83-441 is affirmed. Case No. C4-83-534 is reversed and remanded. Amdahl, C.J.

Defendant received a fair trial and was properly convicted of burglary and theft.
Affirmed. Todd, J. Took no part, Kelley, J.

Evidence of defendant's guilt of criminal sexual conduct and intrafamilial sexual abuse was sufficient.
Trial court did not prejudicially err in (a) denying motion to dismiss charges of criminal sexual conduct, (b) admitting testimony by a psychiatrist that the complainant exhibited symptoms consistent with her claim of penetration and that she said nothing to indicate she was being untruthful, and (c) excluding evidence indicating that the complainant was lying when she described the appearance of defendant's semen.
Defendant is not entitled to vacation of the criminal sexual conduct convictions pursuant to Minn. Stat. § 609.04 (1982).
Affirmed. Yetka, J.

Where a person who is in danger of being struck by a motor vehicle is injured while avoiding the oncoming vehicle, that person's injuries arise out of the use of a motor vehicle within the meaning of Minn. Stat. § 65B.44. subd. 1 (1982).

Under the circumstances of this case, plaintiffs are not entitled to replacement service loss benefits pursuant to Minn. Stat. § 65B.44 subd. 5 (1982), because no expenses were actually incurred by or on behalf of the injured person for the substitute services rendered by the injured person's spouse.

Affirmed in part, reversed in part. Scott, J.

Trial court did not commit prejudicial error in instructing the jury that witnesses were being sequestered, and evidence was sufficient to sustain defendant's convictions of burglary and theft.

Affirmed. Simonett, J.

Pursuant to Minn. Stat. § 271.06, subd. 1, an appeal to the tax court may be taken from any official order of the Commissioner of Revenue regarding any tax, fee or assessment, or any matter concerning the tax laws listed in § 271.01, subd. 5, by an interested or affected person, by any political subdivision of the state, by the Attorney General in behalf of the state, or by any resident taxpayer of the state in behalf of the state in case the Attorney General, upon request, shall refuse to appeal. Decisions of the tax court are printed in the State Register, except in the case of appeals dealing with property valuation, assessment, or taxation for property tax purposes.

State of Minnesota Tax Court

Soo Line Railroad Company, Appellant, v. The Commissioner of Revenue, Appellee, Docket No. 3762

Findings of Fact, Conclusions of Law and Order for Judgment

The above matter was submitted to the Minnesota Tax Court, Judge Carl A. Jensen presiding, on the basis of a Stipulation of Facts and briefs of the parties.

Wayne C. Serkland, attorney for Appellant, represented the Appellant.

C. H. Luther, Deputy Attorney General for the State of Minnesota, represented Appellee.

SYLLABUS

1. When the provisions of two or more laws passed at different sessions of the legislature are irreconcilable, the law latest in date of final enactment shall prevail.

2. Minnesota Statutes § 271.08 states in part as follows:

"The tax court, except in small claims division, shall determine every appeal by written order containing findings of fact and the decision of the tax court."

This provision requires the Tax Court to make Findings of Fact and Conclusions of Law on all matters including constitutional issues in order to make a just decision and provide the necessary elements for a possible appeal to the Minnesota Supreme Court.

3. Imposition of the corporate excise tax in 1975 and 1976 while Appellant was subject to the railroad gross earnings tax did not violate the due process or commerce clauses of the United States Constitution.

4. Imposition of the gross earnings taxes provided in Minn. Stat. § 295.02 and the excise taxes provided in Minn. Stat. § 290.02 on railroads does not violate the Minnesota Constitution prohibiting unequal taxation nor does it constitute double taxation.

5. Imposition of the corporate excise tax in 1975 and 1976 while Appellant was subject to the railroad gross earnings tax did not violate § 306 (§ 11503) of the Railroad Revitalization and Regulatory Reform Act of 1976.

FINDINGS OF FACT

1. At all times material to this case, the Soo Line Railroad Company was a Minnesota corporation doing business in
Minnesota and in the states of Montana, North Dakota, South Dakota, Wisconsin, Michigan and Illinois as an interstate carrier of freight by rail.

2. During the 1975 and 1976 tax years, the Soo Line was subject to the railroad gross earnings tax imposed by Minn. Stat. § 295.02.

3. On September 15, 1976, pursuant to duly obtained extensions, the Soo Line filed its 1975 corporate tax return, which disclosed a corporate excise tax obligation of $122,375. By amended return filed March 14, 1980, the Soo Line claimed a refund of its 1975 corporate excise taxes in the amount of $111,108.

4. On September 14, 1977, pursuant to duly obtained extensions, the Soo Line filed its 1976 corporate tax return, which disclosed a corporate excise tax obligation of $240,370. By amended return, filed March 10, 1981, the Soo Line claimed a refund of its 1976 corporate excise taxes in the amount of $219,587.

5. Pursuant to an audit conducted by the Minnesota Department of Revenue, the Commissioner determined that the Soo Line had incorrectly computed the amount of corporate excise tax it owed to the State under Minn. Stat. § 290.02 for the 1975 and 1976 tax years. The Commissioner recomputed the Soo Line's corporate excise tax pursuant to Minn. Stat. § 290.17 and § 290.19.

6. By notice dated November 2, 1982, the Commissioner advised the Soo Line that additional tax and interest were due in the amounts of $190,979.37 and $256,043.22 for the 1975 and 1976 tax years respectively. By the same notice, the Commissioner denied the Soo Line's claims for refunds for the tax years 1975 and 1976.

7. The Soo Line paid the $447,022.59 determined to be due by the Commissioner, and filed a notice of appeal with the Tax Court on December 27, 1982.

8. In its notice of appeal the Soo Line claimed that (a) it was not subject to the corporate excise tax imposed by Minn. Stat. § 295.02 because it was subject to the gross earnings tax imposed by Minn. Stat. § 295.02; and (b) if it was subject to the corporate excise tax imposed by § 290.02, it was entitled to deduct the gross earnings taxes paid to the State of Minnesota from its Minnesota net income rather than from its total gross income. The Soo Line also alleged that subjecting it to both the gross earning tax under § 295.02 and the corporate excise tax under § 290.02 violated the commerce clause and the due process clause of the United States Constitution.

9. For the year 1975 the Appellant paid to the State of Minnesota gross earnings taxes in the amount of $2,496,177 and total taxes in the amount of $3,043,047. For the year 1976 Appellant paid to the State of Minnesota gross earnings taxes in the amount of $2,952,747 and total taxes in the amount of $3,677,328.

10. Had Appellant been subject to ad valorem property taxes, as were other business in the State of Minnesota, its total taxes paid in 1975 and 1976 in the State of Minnesota, including income taxes, would have been $1,698,145 and $1,851,488, respectively.

11. All statutory requirements have been complied with and the Court has jurisdiction over the parties to this action.

12. For the 1975 and 1976 tax years, the Soo Line was subject to both the gross earnings tax imposed by Minn. Stat. § 295.02 and the corporate excise tax under Minn. Stat. § 290.02.

13. In computing its corporate excise tax liability under Minn. Stat. § 290.02, the gross earnings taxes paid to the State of Minnesota are to be deducted from the taxpayer's total gross income pursuant to Minn. Stat. § 290.19.

14. During the years 1975 and 1976, Minn. Stat. § 290.02 read in part as follows:

"Every railroad company owning or operating any line of railroad situated within . . . this State shall, annually, pay to the Commissioner of Taxation, in lieu of all taxes upon all property within this State owned or operated for railway purposes by such company, including equipment, appurtenances, appendages and franchises thereof, a sum of money equal to 5% of the gross earnings derived from the operation of such line of railway within the State."

15. During the year 1975 and 1976, Minn. Stat. § 290.02 read in part as follows:

"An annual excise tax is hereby imposed upon every domestic corporation . . . including but not limited to railroad companies. . . ."

The words underlined were added by the legislature in 1974.

16. The specific provisions of Minn. Stat. § 290.02 making railroad companies subject to the Minnesota excise tax prevails over the provisions of Minn. Stat. § 295.02 which provided for a gross earnings tax on railroads in lieu of all taxes upon property including equipment, appurtenances, appendages and franchises.

17. The Soo Line Railroad was not exempt from the tax imposed by Minn. Stat. § 290.02 for the taxable years 1975 and 1976 because it was simultaneously subject to the railroad gross earnings tax pursuant to Minn. Stat. § 295.02.
18. The Commissioner's use of Minn. Stat. § 290.19 to compute Appellant's excise tax liability under Minn. Stat. § 290.02 for the 1975 and 1976 tax years was proper.

19. Neither Minn. Stat. § 290.18, subd. 1(2) nor Minn. Stat. § 290.19, subd. 1(2)(b) authorized Appellant to deduct the gross earnings taxes it paid to Minnesota in 1975 and 1976 directly from its Minnesota taxable net income rather than from its total gross income for the same years.

20. Imposition of the corporate excise tax in 1975 and 1976 while Appellant was subject to the railroad gross earnings tax did not violate the due process or commerce clauses of the United States Constitution.

21. Imposition of the gross earnings taxes provided in Minn. Stat. § 295.02 and the excise taxes provided in Minn. Stat. § 290.02 on railroads does not violate the Minnesota Constitution prohibiting unequal taxation nor does it constitute double taxation.

22. Imposition of the corporate excise tax in 1975 and 1976 while Appellant was subject to the railroad gross earnings tax did not violate § 306 ($11503) of the Railroad Revitalization and Regulatory Reform Act of 1976.

CONCLUSIONS OF LAW

1. The Commissioner's Order assessing additional corporate excise tax pursuant to Minn. Stat. § 290.02 against Appellant for the taxable years 1975 and 1976 is affirmed in all respects.

IT IS SO ORDERED. A STAY OF 15 DAYS IS HEREBY ORDERED.
