NOTICE

How to Follow State Agency Rulemaking Action in the State Register

State agencies must publish notice of their rulemaking action in the State Register. If an agency seeks outside opinion before promulgating new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION also.

The PROPOSED RULES section contains:

- Calendar of public hearings on proposed rules.
• Proposed new rules (including notice of hearing and/or notice of intent to adopt rules without a hearing).
• Proposed amendments to rules already in existence in the Minnesota Rules.
• Proposed emergency rules.
• Withdrawal of proposed rules (option; not required).

The ADOPTED RULES section contains:

- Notice of adoption of new rules and rule amendments adopted without change from the previously published proposed rules. (Unchanged adopted rules are not republished in full in the State Register unless an agency requests this.)
• Adopted amendments to new rules or rule amendments (adopted changes from the previously published proposed rules).
• Notice of adoption of emergency rules.
• Adopted amendments to emergency rules (changes made since the proposed version was published).
• Extensions of emergency rules beyond their original effective date.

The OFFICIAL NOTICES section includes (but is not limited to):

- Notice of intent to solicit outside opinion before promulgating rules.
• Additional hearings on proposed rules not listed in original proposed rules calendar.

ALL ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES published in the State Register and filed with the Secretary of State before July 31, 1983 are published in the Minnesota Rules 1983. ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES filed after July 31, 1983 will be included in a supplement scheduled for publication in mid-1984. Proposed and adopted EMERGENCY (formerly called TEMPORARY) RULES appear in the State Register but are generally not published in the Minnesota Rules 1983 due to the short-term nature of their legal effectiveness. Those that are long-term may be published.

The State Register publishes partial and cumulative listings of rule in the MINNESOTA RULES AMENDMENTS AND ADDITIONS list on the following schedule:

Issues 1-13, inclusive
Issues 14-25, inclusive
Issue 26, cumulative for 1-26
Issues 27-38, inclusive
Issue 39, cumulative for 1-39
Issues 40-51, inclusive
Issue 52, cumulative for 1-52

The listings are arranged in the same order as the table of contents of the Minnesota Rules 1983.

PROPOSED RULES

Pursuant to Minn. Stat. of 1982, §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the *State Register* and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Ethical Practices Board

Proposed Rules Relating to Economic Interest Disclosure, Lobbyist Reporting, Conflicts of Interest, and Representation Disclosure

Notice of Intent to Adopt Rules without a Public Hearing

Notice is hereby given that the Ethical Practices Board proposes to adopt the above-captioned rules without a public hearing. The Board has determined that the proposed adoption of these rules will be noncontroversial in nature and has elected to follow the procedures set forth in Minn. Stat. §§ 14.21-14.28.

Persons interested in these rules shall have 30 days to submit comments in support of or in opposition to the proposed rules or any part or subpart of the proposed rules and that comment is encouraged. The proposed rules may be modified if the modifications are supported by data or views submitted to the Board and do not result in a substantial change in the proposed language.

No public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period. If a public hearing is required, the Board will proceed according to the provisions of Minn. Stat. §§ 14.131-14.20.

Comments or written requests for a public hearing should be submitted to Mary Ann McCoy, Executive Director, Ethical Practices Board, at 41 State Office Bldg., St. Paul, MN 55155 (mailing address) or Room 200 Capitol Medical Office Bldg., 590 Park

St., St. Paul (walk-in address). Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed. Any person requesting a public hearing should state her or his name, address, and is encouraged to identify the portion of the proposed rules addressed, the reason for the request, and any change proposed. Written requests must be received by the Board office not later than 12 o'clock noon on Wednesday, October 16, 1985.

The Board's authority to adopt rules is found in Minn. Stat. § 10A.02, subd. 13. A statement describing the need and reasonableness of the proposed rules is available from the board upon request.

Minn. Stat. § 14.115 requires the Board to provide an opportunity for small businesses to participate in the rulemaking process. It appears that the proposed amendments do not directly affect small business, for by definition, the regulations are imposed on individuals. However, small businesses may be affected indirectly by these regulations, for example a public official may disclose information on his or her Statement of Economic Interest which may affect small businesses. For more information on the possible small business impact, see the Statement of Need and Reasonableness.

If no hearing is required, upon adoption of the rules, the rules and the required supporting documents will be delivered to the Attorney General for review as to form and legality, including the issue of substantive change. Persons who wish to be advised of the submission of this material to the Attorney General or who wish to receive a copy of the adopted rules should submit a written request to Ms. McCoy.

Please be advised that Minn. Stat. Ch. 10A requires each lobbyist to register with the Ethical Practices Board within five days after she or he commences lobbying. A lobbyist is defined in Minn. Department of Human Services

Proposed Rules Relating to Reimbursement for Cost of Care of Patients in a State Hospital

Notice of Intent to Adopt Rules without a Public Hearing

Notice is hereby given that the State Department of Human Services proposes to adopt the above-entitled rule without a public

hearing following the procedures set forth in Minnesota Statutes, sections 14.22 to 14.28. The specific statutory authority to adopt the rule is Minnesota Statutes, sections 246.50 to 246.55.

Persons interested in this rule shall have 30 days in which to submit comment in support of or in opposition to the proposed rule or any part or subpart of the rule and comment is encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the rule within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held unless a sufficient number withdraw their request. Any person requesting a public hearing should state his or her name and address, and is encouraged to identify the portion of the proposed rule addressed, the reason for the request, and any change proposed. If a public hearing is required, the agency will proceed pursuant to Minnesota Statutes, sections 14.131 to 14.20.

Persons who wish to submit comments or a written request for a public hearing must submit such comments or requests by 4:30 p.m., October 16, 1985, to:

Luanne Laurents
Reimbursement Division
Department of Human Services
Fourth Floor Space Center
444 Lafayette Road
St. Paul, MN 55101
612/296-2140

The proposed rule may be modified if the modifications are supported by data and views and do not result in a substantial change in the proposed rule as noticed.

The proposed amendments to Minnesota Rules, parts 9515.1000 to 9515.2600 implement amendments passed by the 1984 Legislature. Parts 9515.1000 to 9515.2600 specify the extent of liability of responsible relatives for the cost of care of patients in state hospitals. Most of the amendments are procedural in nature or result in minor changes only.

For the purpose of determining a relative's reimbursement for the cost of care of a patient of a state hospital, dividends and interest would be characterized as personal property; the definition of "homestead" would be made consistent with the long-standing definition in Minnesota Statute, section 510.02; all references to in-kind income would be eliminated; children of mentally ill or chemically dependent patients would no longer be liable for state hospital costs; personal interview procedures would be modified to allow contact by mail or telephone; retroactive lump sum awards would be treated as income during the months for which they are designated; the special personal allowance would change from \$50 per month to 50 percent of net monthly income as specified by statute; and differential treatment between spouses who are employed outside the home, and those who are not, would be eliminated.

The amendments would further provide for the deduction from gross income of actual costs of housing and a monthly household living allowance in situations involving outpatients and former patients.

A copy of the rule is available for review from Luanne Laurents upon request.

A Statement of Need and Reasonableness that describes the need for and reasonableness of each provision of the proposed rule amendments and identifies the data and information relied upon to support the proposed rule has been prepared and is available from Luanne Laurents upon request.

The adoption of these rules will not require the expenditure of any money by local government bodies. A fiscal note which explains that there is no cost to local government bodies is available from Luanne Laurents.

These rules will not have a direct impact on small businesses.

If no hearing is required, upon adoption of the rule, the rule and the required supporting documents will be delivered to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the adopted rule, must submit the written request to Luanne Laurents.

Housing Finance Agency

Request for Proposals for Administrators for the Urban Indian Housing Loan Program

The Minnesota Housing Finance Agency announces the availability of funding for the Urban Indian Housing Loan Program. Proposals are hereby solicited from all interested parties who are considered eligible "Administrators" by Minnesota Rule, Part 4900.1510.

The deadline for receipt of hand delivered proposals is 4:30 p.m., October 18, 1985. All other proposals must be sent by certified mail and postmarked no later than October 18, 1985.

The Urban Indian Housing Loan Program provides money for housing loan programs (home mortgage loans) for low and moderate income American Indians residing in urban areas of the state. Urban areas include the cities of Minneapolis, St. Paul, the suburban areas of the Twin City Seven County Metropolitan area, and the city of Duluth. (Though the City of Rochester is eligible under the statute, the size of the Indian population is so small that no set-aside may be established.)

There is currently \$750,000 available for the Urban Indian Housing Program, with half of the funds available on or after July 1, 1985 and the other half disbursed on or after July 1, 1986. If the combined requested amount of approved proposals exceeds the amount of this appropriation, the money shall be allocated among the applicants on a prorated basis according to the Agency's allocation percentage of urban Indian programs.

Proposals must include:

1. Evidence of applicant eligibility as an "Administrator." This can be determined by examination of eligible "Administrator" criteria contained in the information packet described below.
2. The proposal program including the communities or areas to be served, population and need data for American Indians residing in the area and methods to be used to meet the identified needs.
3. A financial description of the program including the dollar amount of funds requested, types and terms of loans, the costs and method of program administration, and the source of funds with which state appropriated will be combined. Please note that evidence regarding the availability of this additional source of funds must be submitted with the proposal, and that said funds must be available as of the date of program commencement.
4. A description of the methods proposed to identify and select participants.
5. Evidence of administrative capacity to carry out the proposed program including resumes of personnel, a brief description of past performance which indicates previous housing experience.
6. The extent to which American Indians will be or are involved in the administration of the program and in the ownership, management and labor force of contractors or subcontractors intended to be employed in the program, if known.

All proposals will be evaluated by Agency staff in accordance with Minnesota Rules 4900.1560. Comments from the Urban Indian Advisory Council will be solicited and considered for each proposal. Any applicant submitting a proposal which meets the objectives of the Urban Indian Housing Loan Program and which the applicant determines is not best presented in the form of

STATE CONTRACTS

proposal required by this request may submit the proposal in any form desired, provided that the applicant also submits a proposal meeting the requirements of the request.

Complete proposal packets which contain specific information and instructions for proposal submission may be obtained from the Minnesota Housing Finance Agency, 400 Sibley Street-Suite 300, St. Paul, Minnesota 55101.

Metropolitan Waste Control Commission

Prequalifications Requested for the Preparation of Two Planning Studies

Notice is hereby given that the Metropolitan Waste Control Commission is soliciting prequalifications for the preparation of a facility planning study for the Seneca Secondary and Expansion, and a planning study for the Minnesota River.

The prequalification should include the firm's interest to provide services, background data, qualifications and disciplines of employees, and the demonstratable experience of the firm.

The prequalification should include information on the firm's programs for compliance with equal employment opportunities, affirmative action and utilization of minority firms. The prequalifications will be used by the Commission as a mechanism for selecting a firm to prepare a facility plan for the Seneca Plant Secondary and Expansion and a study for the Minnesota River.

The Seneca Study will update existing planning documents and will contain an evaluation of alternatives to provide increased hydraulic and waste treatment capacity for more stringent effluent limitations. The Minnesota River Study will involve analyses of cost and potential water quality improvements by reducing pollution discharges from point sources in relation to non-point sources. Costs for treatment at the Seneca and Blue Lake Wastewater Treatment Plants for various levels of treatment will be provided. Computer modeling will be done by Commission and MPCA staff. An analysis will be required to evaluate the feasibility and costs associated with other control options in lieu of treatment plant improvements in the Minnesota River to raise water quality to meet water quality standards.

Firms not currently on the Commission's prequalification list should submit a letter stating their interest in the projects or services and one copy of its prequalifications. Firms presently on the Commission's prequalification list need only to submit a letter stating their interest in the project and the necessary information, if any, to update their prior prequalifications.

Please submit letters with prequalifications or updated information within one week of this notice to the Chief Administrator of the Metropolitan Waste Control Commission, 350 Metro Square Building, St. Paul, Minnesota 55101. Inquiries regarding the solicitation should be directed to Mr. Ray Payne, Deputy Director of Engineering, 612-222-8423.
