Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the *State Register*

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 75 state agencies have the authority to issue rules. Each agency is assigned specific *Minnesota Rule* chapter numbers. Every odd-numbered year the *Minnesota Rules* are published. This is a ten-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Proposed and adopted emergency rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

If an agency seeks outside opinion before issuing new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION in the *Official Notices* section of the *State Register*. When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues 1-13 inclusive; issues 14-25 inclusive; issue 26, cumulative for issues 1-26; issues 27-38 inclusive; issue 39, cumulative for 1-39; issues 40-51 inclusive; and issue 52, cumulative for 1-52. An annual subject matter index for rules appears in August. For copies of the *State Register*, a subscription, the annual index, the *Minnesota Rules* or the *Minnesota Guidebook to State Agency Services*, contact the Print Communications Division, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000 or toll-free in Minnesota 1-800-9747.

Proposed Rules

Pursuant to Minn. Stat. §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the *State Register* and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Tentative opening dates announced for many 1992 Minnesota hunting seasons: Opening dates for many of the 1992 Minnesota hunting seasons were announced this week by Department of Natural Resources (DNR) Commissioner Rod Sando. The dates are being announced now for the benefit of those who must establish their vacation plans well in advance, he said. Although these dates are tentative, Sando said it is unlikely they will change. The general small game seasons for grouse, rabbits, squirrels, Hungarian partridge and fox are scheduled to open on Saturday, Sept. 19. The pheasant season opener is scheduled for Saturday, Oct. 10. The spring turkey season will begin April 15, and the fall turkey season will begin Oct. 14. The firearms deer opener will be Nov. 7. Archery deer hunting will begin Sept. 19. Muzzleloader deer hunting will begin Nov. 28. The mink, muskrat, beaver and otter season openers will be split into north and south zones again in 1992. The south zone opener will be Oct. 31, and the north zone opener will be Oct. 24. The raccoon, badger and opossum seasons will be announced later. The bear season will open Sept. 1. Waterfowl season opening dates and additional season details will be announced next summer, Sando said. Wildlife public input meetings to gather opinions about seasons and proposed new regulations are planned for March at sites around the state. Locations and times will be announced in late January. For more information, contact Ed Bogges, DNR Wildlife (612) 296-3344.

Funds available for urban, community forestry projects: Trees improve the quality of life for city residents, enhance property values and help conserve energy. The Minnesota DNR, in cooperation with the U.S. Forest Service and the Minnesota Shade Tree Advisory Committee, is offering a Challenge Grants Program. A total of \$65,000 is available in cost-share funds for urban and community forestry projects in Minnesota. Funding is available for local units of government and their entities as well as non-profit organizations. To receive funding, applicants must have an eligible project and contribute at least 50 percent of the total project cost either in cash or in-kind contributions. Community applicants must also meet the standards of the Tree City USA program listed below: have a legally constituted tree board or department; have a municipal tree ordinance; have a comprehensive community forestry program supported by a minimum of \$2 per capita; and have an annual Arbor Day proclamation and observance. Communities that do not currently meet the Tree City USA standards may still apply for grant funding, but will not receive approval until the standards are achieved. (Grant monies may be used to help meet the per capita expenditure requirement.) Types of projects eligible for funding include program development, demonstration projects, and information and education programs. No more than 20 percent of these funds can be used for tree planting projects. Successful applicants may be as varied as a county agency, a neighborhood beautification group, or a scout troop. Applications may be obtained by calling DNR Forestry at (612) 297-3507. Completed applications must be received no later than 4:30 p.m. on Friday, Feb. 21, 1992, at the DNR Forestry Division office, 500 Lafayette Road, St. Paul, MN 55155-4044. For more information, contact Jonathan Stiegler, DNR Forestry, (612) 297-3507.
