# Minnesota Rules: Amendments and Additions

## NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 75 state agencies have the authority to issue rules. Each agency is assigned specific *Minnesota Rule* chapter numbers. Every odd-numbered year the *Minnesota Rules* are published. This is a ten-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Proposed and adopted emergency rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

If an agency seeks outside opinion before issuing new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION in the *Official Notices* section of the *State Register*. When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues 1-13 inclusive; issues 14-25 inclusive; issue 26, cumulative for issues 1-26; issues 27-38 inclusive; issue 39, cumulative for 1-39; issues 40-51 inclusive; and issue 52, cumulative for 1-52. An annual subject matter index for rules appears in August. For copies of the *State Register*, a subscription, the annual index, the *Minnesota Rules* or the *Minnesota Guidebook to State Agency Services*, contact the Print Communications Division, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000 or toll-free in Minnesota 1-800-9747.

## Proposed Rules

Pursuant to Minn. Stat. §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the *State Register* and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

#### Notice of Intent to Adopt Rules Without a Public Hearing, Notice of Intent to Adopt Rules With a Public Hearing if 25 or More Persons Request a Hearing, and Notice of Intent to Cancel Hearing on the Proposed Rules if Fewer Than 25 Persons Request a Hearing

##### I.

##### EXPLANATION OF ALTERNATIVE NOTICES

The Minnesota Department of Health (hereinafter "Department") hereby proposes to adopt rules without a public hearing under the rulemaking procedure of *Minnesota Statutes*, sections 14.22 to 14.28. However, if 25 or more persons request a hearing on the proposed rules, one will be held according to *Minnesota Statutes*, section 14.25. To expedite the rulemaking process should that occur, the Department is at the same time giving notice of hearing on the proposed rules according to *Minnesota Statutes*, sections 14.131 to 14.20. The hearing on the proposed rules will be cancelled if 25 or more persons do not request that one be held. With the comment period closing at 4:30 p.m. on February 20, 1992, there will be twelve days before the scheduled hearing date. This twelve-day period will give interested persons time to contact the Department to find out whether the hearing will be cancelled.

##### II.

##### NOTICE OF INTENT TO ADOPT PROPOSED RULES WITHOUT A PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that the Minnesota Department of Health (hereinafter "Department") proposes to adopt the above-captioned rules without a public hearing unless 25 or more persons submit written requests for a public hearing with respect to the proposed rules. The Department has elected to follow the procedures set forth in *Minnesota Statutes*, sections 14.22 to 14.28.

Interested persons shall have 30 days from the date this notice is published in the *State Register* to submit comment in support of or in opposition to the proposed rules. The 30 days will expire at 4:30 p.m. on February 20, 1992. Comment is encouraged. Each comment should identify the portion of the proposed rules being addressed, the reason for the comment, and any change proposed to the rules by the commentator. The proposed rules may be modified if the modifications are supported by the data and views submitted to the Department and do not result in a substantial change in the proposed language.

In addition to submitting comments, interested persons may request, in writing, during the 30-day comment period that a hearing be held on the proposed rules. Any person requesting a hearing should state his or her name, address, and telephone number and is encouraged to identify the portions of the proposed rules addressed, the reason for the request, and any changes the commentator wants made to the proposed rules. If a person desires that a hearing be held on only a portion of the proposed rules, it is requested that the Department be informed of the specific portion of the rules on which a hearing is being requested at the time that the hearing request is made. This will enable the Department to limit the hearing, if one is held, to the specific issues of concern. A public hearing will be held only if 25 or more persons submit in writing requests for a hearing on the proposed amendments or a portion thereof by 4:30

**KEY: PROPOSED RULES SECTION** — Underlining indicates additions to existing rule language. ~~Strike outs~~ indicate deletions from existing rule language. Commissioner's Order No. 2435: Regulations for the Taking of Fish From the Minnesota-Wisconsin Boundary Waters and the Transporting of Such Fish in Minnesota by Holders of Wisconsin Licenses; Superseding Commissioner's Order No. 2372

PURSUANT TO AUTHORITY vested in me by *Minnesota Statutes* §§ 97A.045, 97C.395, 97C.401, and other applicable law, I, Rodney W. Sando, Commissioner of Natural Resources, hereby prescribe the following regulations for the taking of fish from the Minnesota-Wisconsin boundary waters hereinafter described, and the transporting of such fish in Minnesota by holders of Wisconsin licenses.

Section 1. DEFINITIONS.

For the purposes of this order, the terms defined in this section shall have the meanings ascribed to them.

(a) "Boundary waters" means all those portions of the Mississippi River and Lake Pepin extending from the mouth of the St. Croix River to the southern boundary of the State of Minnesota and lying between the Burlington Northern main railroad tracks on the Wisconsin side and the Chicago, Milwaukee, St. Paul and Pacific Railroad tracks on the Minnesota side, including all sloughs and backwaters, bays and newly extended water areas lying between said railroad tracks; all those portions of Lake St. Croix and the St. Croix River as far as the same lie along the boundary between the State of Minnesota and the State of Wisconsin; and all those portions of the St. Louis River, including St. Louis Bay and Superior Bay, as far as the same lie along the boundary between said states downstream to an imaginary line drawn between the northwest bank of the Nemadji River where it forms a junction with Superior Bay and the southwest bank of the Superior entry channel where it forms a junction with Superior Bay.

(b) "Rough fish" includes carp, dogfish, redhorse, sheepshead, suckers, eelpout, garfish, buffalo fish, quillback, mooneyes, goldeyes, shad, eels, bullheads, grass carp, and catfish, except that catfish 15 inches or more in length when taken under commercial license with commercial fishing gear downstream from the Taylors Falls Dam shall be considered rough fish.

(c) "Minnows" shall include all members of the minnow family (*Cyprinidae*) except carp and goldfish; shad, mud minnows, willow cat, and all members of the sucker family (*Catostomidae*) not over 12 inches in length; and bullheads, ciscoes, herring, whitefish, goldeyes, and mooneyes not over 7 inches in length.

(d) "Game fish" means all species and size categories not included as rough fish and minnows, and catfish taken by angling.

(e) "Commercial operator" means any person properly licensed to take fish in the Minnesota-Wisconsin boundary waters by means of a net, set line, or other legal equipment for the purpose of sale.

(f) "Minimum length" means the length of a fish measured in a straight line from the tip of the nose to the end of the tail fin. When measuring turtles, it means the length of the dorsal surface of the carapace (top shell) measured from side to side across the shell at midpoint.

Section 2. The taking and possession of fish of any species covered by this order from the Minnesota-Wisconsin boundary waters is prohibited except as herein permitted or as otherwise expressly authorized pursuant to law.

Section 3. SPORT FISHING.

(d) No person shall buy or sell or offer to buy or sell any fish taken by angling in the Minnesota-Wisconsin boundary waters, except that rough fish may be bought and sold at any time.

(e) No person shall fish from any point or from any boat within the area from the Taylors Falls (St. Croix Falls) dam on the St. Croix River to 50 feet downstream from the pier in the center of the river. Such closed areas shall be marked with suitable signs or buoys designating the closed areas.

(f) Buildings, tents, fish houses, or similar enclosures may be used on the ice for fishing purposes on the boundary waters. Portable shelters may be used after March 1 by persons actively engaged in fishing, but such shelters shall be removed daily when not in use. The door of any such enclosure or shelter shall be equipped with a latch which will permit the door to be readily opened from the outside at all times while the enclosure or shelter is occupied. Residents of Minnesota and Wisconsin may angle bank-to-bank from fish houses, shelters, or enclosures and shall comply with the law and regulations of their respective states relating to licensing and identification of fish houses. Residents of other states shall comply with the law and regulations of the state in which they hold nonresident licenses.

(g) No person shall use a spear, dip net, or bow and arrow in any manner at any time for the purpose of taking any game fish, or have in possession or under control any fish spear, spring gaff, or similar device in a fish house. No person shall have in possession on the water or immediate banks of the water any spear except during the open season for spearing.

(h) Any fish taken and not released freely into the water immediately after capture shall be considered to be in possession and part of the bag limit, and may not be released after such possession.

(i) Any person permitted by law to take fish by angling may take, possess, and transport turtles and tortoises for personal use in any manner except by explosives, drugs, poisons, lime, and other deleterious substances or by the use of traps, turtle hooks, and nets other than landing nets, except that snapping turtles of the species *Chelydra serpentina* may not be possessed in excess of a limit of 3 nor of a size where the width including the curvature measured from side to side across the shell at the midpoint is less than 10 inches.

(j) No person shall fish in the St. Louis River from Fond du Lac Dam downstream approximately one-half mile to the Minnesota-Wisconsin boundary cable at any time. No person shall fish in the St. Louis River from the Minnesota-Wisconsin boundary cable downstream to the Highway 23 bridge from March 1 through May 18 each year.

(k) Alewife, ruffe, and white perch may not be possessed or used for bait.

### Section 4. MINNOWS.

(a) Subject to all other applicable laws and regulations not inconsistent herewith, minnows may be taken in the Minnesota-Wisconsin boundary waters except the St. Louis River by seine, dip net, or trap, and may not be possessed in excess of 12 dozen, except that holders of a minnow dealer's license (*Minnesota Statutes* § 97A.475, subd. 26) may possess minnows without limit and holders of commercial set line licenses may possess dead minnows without limit for set line bait purposes. The taking of minnows for bait purposes is prohibited in the St. Louis River.

(b) No person shall take minnows with any seine exceeding 50 feet in length or 5 feet in depth, nor any seine which has mesh exceeding one-half inch, stretch measure.

(c) No person shall take minnows with any dip net which has a frame exceeding 6 feet in diameter or 6 feet on each side, or which has a net more than 4 feet deep.

All traps used in taking minnows shall have securely attached thereto a metal label or tag bearing in the English language the name and address of the operator thereof. All minnow traps shall be raised and the minnows removed therefrom at least once every 24 hours.

(e) Carp minnows may be transported for sale or for bait only by boat or other floating conveyance and only on the boundary waters where taken.

### Section 5. SET LINES.

(a) Subject to all other applicable laws and regulations not inconsistent herewith, rough fish may be taken from April 1 to October 31, both dates inclusive, in the Mississippi River and Lake Pepin by licensed commercial operators with the use of set lines of trot lines.

(b) No person shall set or operate more than 4 set lines (trot lines), with not to exceed 100 hooks attached to each line or 400 hooks in the aggregate, nor set lines in any manner which obstructs any type of boat travel in more than three-fourths the width of any bay, slough, or channel.

(c) No person using set lines (trot lines) shall use any frogs, game fish, or bullheads of any size, or parts thereof, for bait.

(d) All set lines (trot lines) shall have attached the metal identification tag provided with the license. #### **Section 7. GILL NETS.**

(a) Subject to all other applicable laws and regulations not inconsistent herewith, rough fish may be taken in the Mississippi River and Lake Pepin by commercial operators with the use of gill nets having a mesh measuring 3½ inches or larger, bar or square measure, measured while in use and inside the knots. No gill netting shall be used as a drag seine or drift net at any time.

(b) Every gill net shall be attached to an end stake, pole, or anchored buoy bearing a white flag, not less than 16 inches square, the upper end of which shall extend at least 2 feet above the water or ice at all times when the net is set or in operation, which shall be legibly numbered with figures at least 3 inches in height corresponding with the number of the license authorizing the use of such nets.

Commercial gear, unless otherwise specified, may not be used or operated in Pool 4 of the Mississippi River between Mile Post 780 and 797 from March 1 through May 31, both dates inclusive.

**Section 13.** The Director of the Division of Fish and Wildlife may authorize the use of such other nets under contract or permit as may be agreed upon between the States of Minnesota and Wisconsin.

**Section 14.** No net or set line shall be set, lifted, hauled, or operated in any manner between one-half hour after sunset and one hour before sunrise of the following morning, except for the purpose of completing a seine haul with the permission of the Commissioner of Natural Resources or an authorized agent.

(d) Traps shall be checked and serviced at intervals not exceeding 48 hours.

(e) No licensee may operate more than 40 traps.

No commercial operator shall operate in the bayous and sloughs beyond the banks of the Mississippi River, Lake Pepin, Lake St. Croix, or the St. Croix River, except in the state of residence.

(b) Where regulations differ between states, the exercise of the more liberal regulations is limited to persons licensed by the more liberal state and confined to the territorial waters of the more liberal state. The provisions of this subdivision do not apply to fish houses, which are subject to Sec. 3(f) of this order.
