Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the *State Register*

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 75 state agencies have the authority to issue rules. Each agency is assigned specific *Minnesota Rule* chapter numbers. Every odd-numbered year the *Minnesota Rules* are published. This is a ten-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Proposed and adopted emergency rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

If an agency seeks outside opinion before issuing new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION in the *Official Notices* section of the *State Register*. When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues 1-13 inclusive; issues 14-25 inclusive; issue 26, cumulative for issues 1-26; issues 27-38 inclusive; issue 39, cumulative for 1-39; issues 40-51 inclusive; and issue 52, cumulative for 1-52. An annual subject matter index for rules appears in August. For copies of the *State Register*, a subscription, the annual index, the *Minnesota Rules* or the *Minnesota Guidebook to State Agency Services*, contact the Print Communications Division, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000 or toll-free in Minnesota 1-800-657-3757.

* All page numbers with an asterisk represent pages that were incorrectly used in *State Register* Vol. 20 Issue 42 - 15 April 1996 and Vol. 20 Issue 43 - 22 April 1996. Pages were not numbered in correct sequential order resulting in page numbers 2241 - 2314 being used twice in Vol 20. Because rule cites include the month, day and year of the notice, these page numbers will be left as they are. Correct numbering was resumed with page 2441 of Vol. 20 #44 20 April, 1996.

Notice of Comment Period on the 1997 Citizen Participation Plan

The Minnesota Housing Finance Agency (MHFA), the Minnesota Department of Trade and Economic Development, and the Minnesota Department of Economic Security announce the availability of the Citizen Participation Plan for public comment from May 20, 1996, through June 3, 1996, at 5 PM.

The Citizen Participation Plan summarizes how the state intends to solicit public input on the 1997 Minnesota Consolidated Plan. The Citizen Participation Plan outlines the policies and procedures that the state will follow when asking for public input on the consolidated plan process. Before public input may begin on the consolidated plan, the public must have an opportunity to examine the means by which the state intends on soliciting public input.

The consolidated plan is a condition of funding for three U.S. Department of Housing and Urban Development grants: the Community Development Block Grant (CDBG), the Emergency Shelter Grant (ESG), and the HOME Investment Partnerships program (HOME). The 1997 Consolidated Plan will not be available for public comment until November 1996.

The Citizen Participation Plan will be available for public comment from May 20, 1996, through June 3, 1996, at 5 PM. Copies of the Citizen Participation Plan are available for examination at a series of public places. A full list of these public places appears at the end of this notification. Also, a reasonable number of copies will be available through MHFA and may be requested by calling 612/296-7608, 1/800/657-3769, or (TDD) 612/297-2361.

II. PROPOSED MODIFICATIONS TO CLARIFY OR MAKE TECHNICAL CHANGES - EFFECTIVE AUGUST 1, 1996

The Commission proposes to delete the following outdated comment:

~~H.B. 407. Under Laws of 1980, Chapter 580, sec. 16 (amends Minnesota Statutes § 260.161, subd. 1), juvenile courts are required to maintain juvenile records until the offender reaches the age of 23, and release those records to requesting adult courts. The adult courts are authorized to use juvenile information to determine a proper sentence.~~

Official Notices

The Commission proposes to clarify the language relating to enhancements:

6. When determining the criminal history score for a current offense that is a felony solely because the offender has previous convictions for similar or related offenses, the prior conviction(s) upon which the enhancement is based may be used in determining custody status, but cannot be used in calculating the remaining components of the offender's criminal history score.

The Commission proposes to simplify the language that explains how mandatory minimums are applied under the guidelines in Section II.E.

E. **Mandatory Sentences:** When an offender has been convicted of an offense with a mandatory minimum sentence of one year and one day or more, the presumptive disposition is commitment to the Commissioner of Corrections. ~~The presumptive duration of the prison sentence should be the mandatory minimum sentence according to statute one year and one day or the duration of prison sentence provided in the appropriate cell of the Sentencing Guidelines Grid, whichever is longer.~~

~~When an offender has been convicted of an offense with a mandatory minimum sentence of three years, the presumptive duration of the prison sentence should be 36 months or the duration provided in the appropriate cell of the Sentencing Guidelines Grid, whichever is longer.~~

~~When an offender has been convicted of an offense with a mandatory minimum sentence of five years, the presumptive duration of the prison sentence should be 60 months or the duration provided in the appropriate cell of the Sentencing Guidelines Grid, whichever is longer.~~ First degree murder, and certain sex offenders convicted under *Minnesota Statutes* § 609.346, subd. 2a, which have a mandatory life imprisonment sentence, are excluded from offenses covered by the sentencing guidelines.

The Commission proposes the following modifications to clarify the new consecutive language in Section II.F.:

Presumptive Consecutive Sentences

Consecutive sentences are presumptive in the following cases: . . .

2. When the conviction is for a crime committed by an inmate serving, or on escape status from, an executed prison sentence ~~at a state correctional facility, or while on escape status from such a facility.~~

Consecutive sentences are presumptive under the above criteria only when the presumptive disposition for the current offense(s) is commitment to the Commissioner of Corrections as determined under the procedures outlined in section II.C. . . .

Permissive Consecutive Sentences

. . . Consecutive sentences are permissive under the above criteria only when the presumptive disposition for the current offense(s) is commitment to the Commission of Corrections as determined under the procedures outlined in section II.C. . . .

II.F.01. . . . For felony convictions committed while an offender is serving, or on escape status for, an executed prison sentence ~~at any correctional facility or while on escape status from such a facility~~, it is presumptive to impose the sentence for the current offense consecutive to the sentence for which the inmate was confined at the time the new offense was committed. . . .

II.F.03. . . . Consecutive sentences are also presumptive for a crime committed by an inmate serving, or on escape status from, an executed prison sentence ~~at a state correctional facility or while on escape status from such a facility~~ if the presumptive disposition for the crime is commitment to the Commissioner of Corrections as determined under the procedures outlined in section II.C..

II.F.04. . . . If the presumptive disposition for an escape conviction from a nonexecuted prison sentence is commitment to the Commissioner of Corrections, it is permissive for the sentence to be consecutive ~~to any prior sentence~~ the offense for which the offender was confined regardless of whether the other sentences ~~are~~ is for a crimes against the person. . . .

*II.F.06. . . . If, for example, an offender were convicted of Aggravated Robbery in the First Degree with use of a gun and had a zero criminal history score, ~~the mandatory minimum sentence and the presumptive sentence for the offense would be 36 48 months;~~ if the offender were also convicted of *Minnesota Statutes* § 624.74, *Metal-Penetrating Bullets*, the Court could, at its discretion, add a maximum of 36 months, without departing from the guidelines.*

III. PROPOSED MODIFICATIONS - EFFECTIVE AUGUST 1, 1997, AFTER THE 1997 LEGISLATURE HAS REVIEWED THE ADOPTED MODIFICATIONS

The Commission proposes to place the following inadvertently unranked crime on the list of unranked crimes:

Refusal to assist - 6.53

The Commission proposes to place the following crime on the Misdemeanor and Gross Misdemeanor Offense List:

Malicious Punishment of a Child

609.377

The Commission proposes to clarify that the policy for calculating adult felony criminal history points when circumstances involve a single behavioral incident with multiple victims, also applies to the juvenile and misdemeanor point calculation.

II.B.307. In order to provide a uniform and equitable method of computing criminal history scores for all cases of multiple convictions arising from a single course of conduct when single victims are involved, consideration should be given to the most severe offense for purposes of computing criminal history. When there are multiple misdemeanor or gross misdemeanor sentences arising out of a single course of conduct in which there were multiple victims, consideration should be given only for the two most severe offenses for purposes of computing criminal history. These are the same policies that apply to felony convictions and juvenile findings.

II.B.407. In order to provide a uniform and equitable method of computing criminal history scores for all cases of multiple felony offenses with findings arising from a single course of conduct when single victims are involved, consideration should be given to the most severe offense with a finding for purposes of computing criminal history. When there are multiple felony offenses with findings arising out of a single course of conduct in which there were multiple victims, consideration should be given only for the two most severe felony offenses with findings for purposes of computing criminal history. These are the same policies that apply to felony, gross misdemeanor and misdemeanor convictions for adults.

The Commission proposes to clarify that Minnesota felony level offenses that can only be committed by juveniles should be included in calculating juvenile criminal history points.

4. The offender is assigned one point for every two offenses committed and prosecuted as a juvenile that ~~would have been felonies if committed by an adult~~ are felonies under Minnesota law, provided that:

II.B.402. First, only juvenile offenses that would have been felonies if committed by an adult are felonies under Minnesota law will be considered in computing the criminal history score. Status offenses, dependency and neglect proceedings, and misdemeanor or gross misdemeanor-type offenses will be excluded from consideration. . . .

The Commission proposes to clarify that Federal felony offenses that have no equivalent or similar offense in Minnesota should be included in the criminal history score.

II.B.503. It was concluded, therefore, that designation of out-of-state offenses as felonies or lesser offenses, for purposes of the computation of the criminal history index score, must properly be governed by Minnesota law. The exception to this would be Federal felony crimes for which there is no comparable Minnesota Felony offense. Sentences given for these crimes that are felony level sentences according to Minnesota law shall be given a weight of one point for purposes of calculating the criminal history score.
