# Minnesota Rules: Amendments and Additions

## NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. The current 1995 set is a 13-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit **Comments on Planned Rules or Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the most current edition of the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive; issue #26 cumulative for issues #1-26; issues #27-38 inclusive; issue #39, cumulative for issues #1-39; issues #40-51 inclusive; and issues #1-52 (or 53 in some years), cumulative for issues #1-52 (or 53). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota's Bookstore, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000, or toll-free 1-800-657-3757.

## Proposed Rules

### Comments on Planned Rules or Rule Amendments

An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

### Rules to be Adopted After a Hearing

After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

### Rules to be Adopted Without a Hearing

Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

## Board of Dentistry

### Proposed Permanent Rules Relating to Limited Registration

#### Notice of Intent to Adopt Rules Without a Public Hearing

Proposed Amendment to Rules Governing Limited Registration, *Minnesota Rules*, 3100.2000, subparts 1 and 2; 3100.4100, subparts 2 and 2a; and 3100.8500, subparts 3 and 4.

**Introduction:** The Minnesota Board of Dentistry intends to adopt rules without a public hearing following the procedures set forth in the Administrative Procedure Act, *Minnesota Statutes*, sections 14.22 to 14.28, and rules of the Office of Administrative Hearings, *Minnesota Rules*, parts 1400.2300 to 1400.2310. You have 30 days to submit written comments on the proposed rules and may also submit a written request that a hearing be held on the rules.

**Agency Contact Person.** Comments or questions on the rules and written requests for a public hearing on the rules must be submitted to the agency contact person. The agency contact person is: Patricia H. Glasrud, Minnesota Board of Dentistry, 2829 University Avenue SE, Suite 450, Minneapolis, Minnesota 55414. Telephone (612) 617-2250. TTY users may call the MN Relay Service for Hearing/Speech Impaired at (800) 627-3529.

**Subject of Rules and Statutory Authority.** The proposed rules provide for a limited dental radiographic registration allowing allied health professionals credentialed by other health licensing boards, but who are employed in dental offices, to take extra-oral radiographs upon successful completion of established educational requirements. The statutory authority to adopt the rules is *Minnesota Statutes*, section 150A.04, subdivision 5; section 150A.06, subdivision 2a; section 150A.10, subdivision 2; section 214.06, subdivision 1; section 214.06, subdivision 2; section 214.12, subdivision 1; and section 214.12, subdivision 2. A copy of the proposed rules is published in the *State Register* and attached to this notice as mailed.

**Comments.** You have until 4:30 p.m. on January 10, 1997, to submit written comment in support of or in opposition to the proposed rules and any part or subpart of the rules. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comment should identify the portion of the proposed rules addressed and the reason for the comment. You are encouraged to propose any change desired. Any comments that you would like to make on the legality of the proposed rules must also be made during this comment period.

**Request for a Hearing.** In addition to submitting comments, you may also request that a hearing be held on the rules. Your request for a public hearing must be in writing and must be received by the agency contact person by 4:30 p.m. on January 10, 1997. Your written request for a public hearing must include your name and address. You must identify the portion of the proposed rules to which you object or state that you oppose the entire set of rules. Any request that does not comply with these requirements is not valid and cannot be counted by the agency for determining whether a public hearing must be held. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

**Withdrawal of Requests.** If 25 or more persons submit a written request for a hearing, a public hearing will be held unless a sufficient number withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 25, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, section 14.131 to 14.20.

**Alternative Format.** Upon request, this Notice can be made available in an alternative format, such as large print, Braille, or cassette tape. To make such a request, please contact the agency contact person at the address or telephone number listed above.

**Modifications.** The proposed rules may be modified as a result of public comment. The modifications must be supported by comments and information submitted to the agency, and the adopted rules may not be substantially different than these proposed rules. If the proposed rules affect you in any way, you are encouraged to participate in the rulemaking process.

**Statement of Need and Reasonableness.** A statement of need and reasonableness is now available from Karen L. Ramsey, Minnesota Board of Dentistry, 2829 University Avenue SE, Suite 450, Minneapolis, Minnesota 55414 or by calling (612) 617-2253. TTY users may call the MN Relay Service for Hearing/Speech Impaired at (800) 627-3529. This statement contains a summary of the justification for the proposed rules, including a description of who will be affected by the proposed rules and an estimate of the probable cost of the proposed rules. Copies of the statement may be obtained at the cost of reproduction from the agency.

**Adoption and Review of Rules.** If no hearing is required, the agency may adopt the rules after the end of the comment period. The rules and supporting documents will then be submitted to the Office of Administrative Hearings for review for legality. You may ask to be notified of the date the rules are submitted to the office. If you want to be so notified, or want to receive a copy of the adopted rules, or want to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.

## Department of Human Services

### Request for Comments on Planned Revision of Rules Governing Chemical Dependency Treatment Programs

**Subject of Rule Revision.** The Department of Human Services requests comments on its plans to restructure chemical dependency program licensing rules governing detoxification facilities and programs, residential primary care, extended care and halfway houses, and outpatient care. All programs and facilities except outpatient care are currently governed by *Minnesota Rules*, parts 9530.4100 to 9530.4450 (informally known as Rule 35). Outpatient care is governed by *Minnesota Rules*, parts 9530.5000 to 9530 (informally known as Rule 43). The planned restructuring will repeal rules 35 and 43 and replace them with two new rules. One of the new rules will focus on outpatient and residential treatment programs; the other will focus on behavioral crisis units.

The planned rule governing behavioral crisis units will include licensing standards for both detoxification services and mental health crisis services and will also include health, safety, and building code requirements currently governed by the Supervised Living Facility regulations of the Minnesota Department of Health. Incorporating standards governing detoxification, mental health crisis, and health and safety requirements into a single rule reduces the number of rules governing existing behavioral crisis units from three to one and facilitates more flexible use of these expensive facilities.

**Persons Affected.** The rules revision would affect such individuals and groups as programs governed by the rules and program participants; counties; health plan and health insurance companies, and law enforcement personnel.

The department has convened an advisory task force to assist in developing the revised rules. The task force represents counties, professional associations related to the chemical dependency treatment field, service provider associations, programs for racial and

ethnic minorities, regional treatment centers, programs currently providing both detoxification and mental health crisis services in the same facility, and the Office of the Ombudsman for Mental Health and Mental Retardation.

**Statutory Authority.** *Minnesota Statutes*, section 256E.05, subdivision 1a permits the commissioner to review requirements of social services rules and adopt amendments that would simplify or streamline administering the rules. *Minnesota Statutes*, section 245A.09 directs the commissioner to adopt rules governing licensure of programs subject to licensure under sections 245A.01 to 245A.16.

**Public Comment.** Interested persons or groups may submit comments or information on this planned amendment in writing or orally until further notice is published in the *State Register* that the department intends to adopt or to withdraw the rules. The department has not yet completed a draft of either of the planned rules, but anticipates that drafts will be available by the end of January, 1997. Written or oral comments, questions, requests to receive a free copy of the draft planned rules, and requests for more information on this planned amendment should be addressed to:

# State Grants and Loans

---

---

In addition to requests by state agencies for technical/professional services (published in the State Contracts section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself.

Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.
