Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific **Minnesota Rule** chapter numbers. Every odd-numbered year the **Minnesota Rules** are published. The current 1999 set is a 13-volume bound collection of all adopted rules in effect at the time. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules and withdrawn proposed rules are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety in the *State Register*, only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted. For a more detailed description of the rulemaking process, see the most current edition of the *Minnesota Guidebook to State Agency Services*.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive; issue #26 cumulative for issues #1-26; issues #27-38 inclusive; issue #39, cumulative for issues #1-39; issues #40-51 inclusive; and issues #1-52 (or 53 in some years), cumulative for issues #1-52 (or 53). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota's Bookstore, 117 University Avenue, St. Paul, MN 55155 (612) 297-3000, or toll-free 1-800-657-3757.

Adopted Rules

A rule becomes effective after the requirements of *Minnesota Statutes* §§ 14.05-14.28 have been met and five working days after the rule is published in the *State Register*, unless a later date is required by statutes or specified in the rule. If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous *State Register* publication will be printed. If an adopted rule differs from its proposed form, language which has been deleted will be printed with strikeouts and new language will be underlined. The rule's previous *State Register* publication will be cited.

Department of Agriculture

Adopted Permanent Rules Relating to Agricultural Chemical Responses

The rules proposed and published at *State Register*, Volume 28, Number 36, pages 1073-1074, March 8, 2004 (28 SR 1073), are adopted with the following modifications:

1512.0900 APPLICATION PROCESS.

[For text of subps 1 to 3, see M.R.]

Subp. 4. Subsequent application.

A. An eligible person who has already obtained partial reimbursement or payment from the board and who has incurred additional or continuing costs due to the same incident may reapply if:

(1) the amount of the person's original reimbursement or payment was less than the maximum allowed under *Minnesota Statutes*, section 18E.04;

(2) the eligible person offers adequate evidence that all payments have been properly applied towards costs of corrective action approved by the commissioner of agriculture;

(3) the eligible costs submitted on a subsequent application are not related to any new incidents at the site; and

(4) the total reimbursement and payments to all eligible persons for an incident must not exceed the maximum allowed under *Minnesota Statutes*, section 18E.04.

B. ~~An eligible person may request reimbursement or payment of additional costs at the times indicated in subitems (1) to (3):~~

~~(1) Requests for reimbursement may be considered by the board no more than once every 12 months if the additional costs incurred are \$5,000 or less.~~

~~(2) Requests for reimbursement of additional costs incurred of \$5,000 or more may be considered by the board at every other regular board meeting. The board or the board's staff shall notify an eligible person requesting additional payments when the next regular board meeting is to be held at which requests will be considered.~~

~~(3) Request for direct payment may be made at every other board meeting.~~

[For text of subps 5 to 7, see M.R.]

Expedited Emergency Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited emergency rules when conditions exist that do not allow the Commissioner to comply with the requirements for emergency rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the emergency conditions. Expedited emergency rules are effective upon publication in the *State Register*, and may be effective up to seven days before publication under certain emergency conditions.

Expedited emergency rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited emergency rules detail the agency's rulemaking authority.

Department of Natural Resources

Adopted Expedited Emergency Game and Fish Rules: Deer Hunting

NOTICE IS HEREBY GIVEN that the above entitled rules have been adopted through the process prescribed by *Minnesota Statutes*, section 84.027, subdivision 13 (b). The statutory authority for the contents of the rule is *Minnesota Statutes*, sections 97B.111, 97B.301, 97B.305, and 97B.311.

The emergency conditions that do not allow compliance with *Minnesota Statutes*, sections 97A.0451 to 97A.0459, are that population data needed to establish quotas and classify permit areas are not available until June. The deer permit area system has been redesigned to facilitate higher antlerless deer harvest and to reduce unnecessary paperwork and restrictions for hunters. Data needed

KEY: Proposed Rules Section - Underlining indicates additions to existing rule language. **Strikeouts** indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules Section - Underlining** indicates additions to proposed rule language. **Strikeout** indicates deletions from proposed rule language.

Expedited Emergency Rules

to classify the permit areas by type and to set quotas for lottery areas were not available until deer population modeling was completed in June. Special hunt areas open or closed to hunting are not established until harvest and population data are evaluated in May and June. Changes in registration block boundaries are to improve deer harvest and population management by better aligning land-use and land cover type to provide for more uniform harvest. Changes to zone boundary descriptions are to accommodate changes in local road numbering systems and to replace a municipal boundary with a road. Many of these changes that are not subject to potential annual change are in the process of being incorporated into a permanent rule (RD3327) that is nearly ready for publication in the State Register, but that will not be in effect before the 2004 seasons.

Commissioner of Natural Resources

6232.0200 DEFINITIONS.

[For text of subs 1 to 4, see M.R.]

Subp. 4a. Deer permit area. “Deer permit area” means an area of the state consisting of one or more deer registration blocks. Deer permit areas open for taking legal bucks and antlerless deer during the regular firearms deer season are defined as follows:

A. “intensive deer permit area” means a deer permit area where taking deer of either sex is authorized by a regular firearms license, except a multizone buck license, and where multiple bonus permits are authorized;

B. “managed deer permit area” means a deer permit area where taking deer of either sex is authorized by a regular firearms license, except a multizone buck license, and where one bonus permit is authorized; and

C. “lottery deer permit area” means a deer permit area where taking legal bucks is authorized by a regular firearms license and taking antlerless deer is authorized by an eithersex permit.

Subp. 5. Deer management Bonus permit. “Deer management Bonus permit” means a license to take and tag a second deer by archery or firearms, in addition to deer authorized to be taken under regular archery or firearms licenses. It is available for one-half the cost of a regular resident or nonresident license, except that the license is free to qualifying owners and tenants of ten acres or more of agricultural land and is valid immediately upon issuance, as long as the purchaser has a valid regular license. Deer taken and tagged with a bonus permit must be antlerless unless otherwise prescribed by the commissioner.

Subp. 5a. **See repealer.**

[For text of subs 6 to 8, see M.R.]

Subp. 9. Regular licenses. “Regular firearms license” means a license valid for taking a deer by firearms in the regular firearms or muzzleloader season, except bonus permits. “Regular archery license” means a license valid for taking a deer by archery in the archery season, except bonus permits.

6232.0300 GENERAL RESTRICTIONS FOR TAKING DEER.

Subpart 1. Zone and date options. A firearm deer hunter may purchase a firearm license valid for the regular firearms deer season or muzzleloader season, a multizone buck license to take antlered deer in more than one zone, an allseason deer license, or a resident youth license. A hunter purchasing a resident youth license or a regular firearm license, including a hunter choosing a muzzleloader option, must select only one of the zone and date options listed on the license. For the regular firearm season, this choice will be indicated by a punched hole printed on the license at the time of purchase. A person may only hunt deer by firearms within the zone and date options indicated on the person’s regular firearm license.

[For text of subp 2, see M.R.]

Subp. 3. Party hunting. A party is a group of two or more licensed deer hunters who are afield hunting together and are all using firearms or all using archery equipment. A member of a party may kill a deer for another member of the party who has an unused tag valid for that deer, except as provided by *Minnesota Statutes*, section 97B.301. A mixed-weapons group is considered two separate parties. Multizone buck licensees may party hunt with regular firearms licensees. Persons issued permits under *Minnesota Statutes*, section 97B.055, subdivision 3, who are hunting in a lottery deer permit area and do not have an antlerless either-sex permit may not tag antlerless deer for another member of the party.

[For text of subp 4, see M.R.]

Subp. 5. Tagging. The seal or the tag of the license valid for the taking of the deer must be affixed around the tendon or bone of a hind leg, around the base of an antler, or through a slit cut in either ear so that the seal tag cannot be readily removed.

Subp. 6. License purchase and validation.

A. A deer management permit or an intensive harvest bonus permit may be purchased any time throughout the open deer seasons. Deer management permits or intensive harvest Bonus permits are valid immediately upon purchase, as long as the purchaser has a valid regular license. When a regular license is purchased after the start of the season for that license, a management or intensive harvest bonus permit is not valid until the waiting period has expired for the regular license.

B. At the time a deer is tagged at the site of kill, the license of the person whose tag is affixed to the deer must be validated. Validation consists of using a knife or similar sharp object to cut out or a pen to indelibly mark the appropriate notch notches on the license tag

6232.1800 ANTLERLESS EITHER-SEX PERMITS AND PREFERENCE DRAWINGS.

Subpart 1. **Procedures for applying for an antlerless either-sex permit.** Residents and nonresidents are eligible for antlerless either-sex permits. A person may not apply for an antlerless either-sex deer permit without first purchasing a firearms or all-season deer license and obtaining a permit application issued with the license. The application may be made for only one of the deer permit areas described in this part, and must be for the zone and dates on the applicant's deer license. A person may not submit more than one application for an antlerless either-sex permit. A person may apply for an antlerless either-sex permit or a special hunt permit, but not both.

After the application has been completed, it must be either mailed or delivered to the license bureau. The application deadline is the first Thursday following Labor Day.

Subp. 2. **Preference drawings for antlerless either-sex permits in lottery deer permit areas and special hunt area permits.** If the number of applications for either-sex permits in an antlerless permit a lottery deer permit area or for permits in a special hunt area exceeds the quota set forth in the annual hunting regulations, a preference drawing will be used to select permit holders. Persons 12 years of age or older may enter the preference drawing by supplying their driver's license number, official state of Minnesota Identification Number, or 13-digit Firearms Safety Identification Number on the application, except that resident hunters under age 16 18 on the Saturday nearest November 6 may not apply for antlerless either-sex permits. All applicants who have reached their 18th birthday by the first Thursday following Labor Day must provide one of these three numbers to qualify. Applicants under 18 years of age who do not submit one of these numbers will be assigned a number and will be entered into the preference drawing. Applicants establish a preference rating based upon the number of times they have applied in previous years and have not obtained an antlerless either-sex or special hunt area permit. The preference rating will increase each year the applicant applies unsuccessfully for either an antlerless either-sex or special hunt area permit. Persons applying for the first time have no preference. Applicants receiving either antlerless either-sex or special hunt area permits lose their accrued preference.

Minnesota Rules, part 6232.2050, expires December 31, 2004.

Revenue Notices

The Department of Revenue began issuing Revenue Notices in July of 1991. Revenue Notices are statements of policy made by the department that provide interpretation, detail, or supplementary information concerning a particular statute, rule, or departmental practice. The authority to issue Revenue Notices is found in *Minnesota Statutes*, Section 270.0604.

Department of Revenue

Modification of Revenue Notice # 02-13

Revenue Notice # 02-13: Sales and Use Tax – Game Farms, Shooting Preserves and Hunting Clubs – Game Release Charges

Background

Minnesota Statutes, section 297A.61, subdivision 3(g)(1), includes within the definition of a taxable sale charges for admission to places of amusement and recreational areas. A taxable sale also includes, under *Minnesota Statutes*, section 297A.61, subdivision 3(g)(4), memberships in an organization when a membership is required to use the organization's sports facilities. Consequently, all admission or membership fees charged by game farms, shooting preserves and hunting clubs for the privilege of entering onto the premises for recreational hunting are subject to the Minnesota sales and use tax.

Game farms, shooting preserves and hunting clubs may also impose game release charges. Game release charges include, but are not limited to, (1) charges to have a certain number of birds or animals available to hunt, (2) charges to have birds or animals released prior to hunting, or (3) charges for birds or animals taken over the limit allowed in the base charge for admission or membership.

Issue

Are ~~separately stated~~ game release charges considered part of the admission or membership fee that is subject to the Minnesota sales and use tax?

Department Position

All gross receipts, including ~~separately stated~~ game release charges, are taxable as part of the admission or membership fees. Accordingly, the entire charge for the privilege of hunting at game farms, shooting preserves or hunting clubs is subject to the Minnesota sales and use tax including per bird or animal, additional bird or animal, or released bird or animal charges. The department takes the position that game release charges are part of the fees paid for admission to an amusement or recreational area but that up to 75 percent of the amount billed as game release charges may be exempt from sales tax as the sale of an exempt food item if the birds or animals are intended for human consumption. To be exempt from sales tax, the portion of the charge allocated to the sale of food must be stated separately from game release charges on the invoice to the customer. If the charge for the sale of the exempt food item is not separately stated, the entire game release charge to the customer is taxable.

Game farms, shooting preserves and hunting clubs are required to pay sales tax on their purchases of items that are used or consumed in the process of providing taxable services under *Minnesota Statutes*, section 297A.61, subdivision 4(h), ~~including but~~ purchases of live birds or animals are exempt. Purchases of feeds, medicines and drugs, and other consumable materials and supplies used in raising and maintaining the live birds or animals would also be exempt. However, retail sales of slaughtered, dressed and wrapped birds or animals by game farms, shooting preserves or hunting clubs ~~that are not sold as part of an admission or membership fee~~ are not subject to the Minnesota sales and use tax.

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Department of Employee Relations

Public Employees Insurance Program (PEIP)

Notice of Request for Proposals (RFP) for Administrative Services (Enrollment, Billing, Sales, and Marketing)

The Minnesota Department of Employee Relations (DOER) is requesting proposals from qualified vendors to provide enrollment/billing and sales/marketing services for the Minnesota Public Employees Insurance Program (PEIP). The vendor must be able to perform both the sales/marketing and enrollment/billing administrative functions.

Managed by DOER's Employee Insurance Division, PEIP consists of a self-insured health coverage program (with dental and life insurance options under an insured arrangement) serving active employees of Minnesota's local government units. PEIP also provides an insured health program for retired public employees. PEIP is operated as a statewide insurance pool established to help public employee groups representing the state's counties, townships, school districts and other public jurisdictions to purchase affordable group coverage without regard to employer size or location. PEIP coverage is provided through participating private-sector insurance plans, but the program competes with private-sector insurance products for sales to public employers and individual public retirees.

Any contract awarded as a result of this RFP will be effective January 1, 2005.

A copy of the Request for Proposals will be available by mail from this office through Wednesday, September 15, 2004. **A written request (by direct mail or fax) is required to receive the Request for Proposal.** After September 15, 2004, the Request for Proposals must be picked up in person.

Notice of Potential Availability of Contracting Opportunities for a Variety of Highway Related Technical Activities (the "Consultant Pre-Qualification Program")

This document is available in alternative formats for persons with disabilities by calling Robin Valento at (651) 284-3622 for persons who are hearing or speech impaired by calling the Minnesota Relay Service at (800) 627-3529.

Mn/DOT, working in conjunction with the Consultant Reform Committee, the Minnesota Consulting Engineers Council, and the Department of Administration, has developed the Consultant Pre-qualification Program as a new method of consultant selection. The ultimate goal of the Pre-Qualification Program is to streamline the process of contracting for highway related professional/technical services. Mn/DOT anticipates that most consultant contracts for highway-related technical activities will be awarded using this method, however, Mn/DOT also reserves the right to use RFP or other selection processes for particular projects. Nothing in this solicitation requires Mn/DOT to complete or use the Consultant Pre-qualification Program.

Mn/DOT is currently requesting applications from consultants. Refer to Mn/DOT's Consultant Services web site, indicated below, to see which highway related professional/technical services are available at this time. Following the advertisement of particular category of services, applications will be accepted on a continual basis.

All expenses incurred in responding to this notice will be borne by the responder. Response to this notice becomes public information under the Minnesota Government Data Practices.

Consultant Pre-Qualification Program information, application requirements and application forms are available on Mn/DOT's web site at: <http://www.dot.state.mn.us/consult>

Notice Concerning Professional/Technical Contract Opportunities

NOTICE TO ALL: The Minnesota Department of Transportation (Mn/DOT) is now placing additional public notices for professional/technical contract opportunities on Mn/DOT's Consultant Services website at: www.dot.state.mn.us/consult.

New public notices may be added to the website on a daily basis and be available for the time period as indicated within the public notice.

Non-State Contracts & Grants

The *State Register* also serves as a central marketplace for contracts let out on bid by the public sector. The *State Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector. It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from the date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as \$1,000. Contact editor for further details.
