# Minnesota Rules: Amendments and Additions

## NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific **Minnesota Rule** chapter numbers. Every odd-numbered year the **Minnesota Rules** are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive (issue #26 cumulative for issues #1-26); issues #27-38 inclusive (issue #39, cumulative for issues #1-39); issues #40-52 inclusive, with final index (#1-52, or 53 in some years). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. ## Proposed Rules

**Comments on Planned Rules or Rule Amendments.** An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

**Rules to be Adopted After a Hearing.** After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

**Rules to be Adopted Without a Hearing.** Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

**KEY: Proposed Rules** - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

**Subject of Rules and Statutory Authority.** The Department is updating the Minnesota Mechanical Code and the Minnesota Fuel Gas Code by incorporating by reference, with amendments, the 2012 editions of the International Mechanical Code (“IMC”) and the International Fuel Gas Code (“IFGC”). Specifically, the proposed mechanical code rules incorporate chapters 2 to 15 of the IMC into the Minnesota Mechanical Code; make corrections and updates reflected in the 2012 IMC; adds or amends some definitions; and amends various IMC sections including some garage provisions, some duct provisions and some hood provisions.

The statutory authority to adopt the rules is in *Minnesota Statutes*, sections 326B.02, subdivision 5, 326B.13, subdivision 8, 326B.101, and 326B.106, subdivision 1. A copy of the proposed rules is published on the Department’s web site at:

<http://www.dli.mn.gov/PDF/docket/1346docket.pdf>.

A free paper copy of the rules is available upon request from the agency contact person listed above.

**Comments.** You have until 4:30 p.m. on Thursday, June 26, 2014, to submit written comment in support of or in opposition to the proposed rules or any part or subpart of the rules. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comments should identify the portion of the proposed rules addressed, the reason for the comment, and any change proposed. You are encouraged to propose any change that you desire. Any comments that you have about the legality of the proposed rules must also be made during this comment period.

**Request for a Hearing.** In addition to submitting comments, you may also request that the Department hold a hearing on the rules. You must make your request for a public hearing in writing, which the agency contact person must receive by 4:30 p.m. on Thursday, June 26, 2014. You must include your name and address in your written request. In addition, you must identify the portion of the proposed rules that you object to or state that you oppose the entire set of rules. Any request that does not comply with these requirements is not valid and the agency cannot count it when determining whether a public hearing must be held. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

**Withdrawal of Requests.** If 25 or more persons submit a valid written request for a hearing, the Department will hold a public hearing unless a sufficient number of persons withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 25, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, sections 14.131 to 14.20.

**Alternative Format/Accommodation.** Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request or if you need an accommodation to make this hearing accessible, please contact the agency contact person at the address or telephone number listed above.

**Modifications.** The Department might modify the proposed rules, either as a result of public comment or as a result of the rule hearing process. It must support modifications by data and views submitted to the agency or presented at the hearing. The adopted rules may not be substantially different than these proposed rules unless the Department follows the procedure under *Minnesota Rules*, part 1400.2110. If the proposed rules affect you in any way, the Department encourages you to participate in the rulemaking process.

**Cancellation of Hearing.** The Department will cancel the hearing scheduled for July 23, 2014, if the agency does not receive requests for a hearing from 25 or more persons. If you requested a public hearing, the agency will notify you before the scheduled hearing whether

You may also submit written material to the Administrative Law Judge to be recorded in the hearing record for five working days after the public hearing ends. At the hearing the Administrative Law Judge may order that this five-day comment period is extended for a longer period but not more than 20 calendar days. Following the comment period, there is a five-working-day rebuttal period when the agency and any interested person may respond in writing to any new information submitted. No one may submit additional evidence during the five-day rebuttal period. The Office of Administrative Hearings must receive all comments and responses submitted to the Administrative Law Judge no later than 4:30 p.m. on the due date. All comments or responses received will be available for review at the Office of Administrative Hearings. This rule hearing procedure is governed by *Minnesota Rules*, parts 1400.2000 to 1400.2240, and *Minnesota Statutes*, sections 14.131 to 14.20. You may direct questions about the procedure to the Administrative Law Judge.

The agency requests that any person submitting written views or data to the Administrative Law Judge before the hearing or during the comment or rebuttal period also submit a copy of the written views or data to the agency contact person at the address stated above.

**Adoption Procedure if No Hearing.** If no hearing is required, the agency may adopt the rules after the end of the comment period. The Department will submit the rules and supporting documents to the Office of Administrative Hearings for a legal review. You may ask to be notified of the date the rules are submitted to the office. If you want either to receive notice of this, to receive a copy of the adopted rules, or to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.

**Adoption Procedure After a Hearing.** If a hearing is held, after the close of the hearing record, the Administrative Law Judge will issue a report on the proposed rules. You may ask to be notified of the date that the Administrative Law Judge's report will become available, and can make this request at the hearing or in writing to the Administrative Law Judge. You may also ask to be notified of the date that the agency adopts the rules and the rules are filed with the Secretary of State by requesting this at the hearing or by writing to the agency contact person stated above.

**Minnesota Department of Natural Resources (DNR)****Division of Parks and Trails****REQUEST FOR COMMENTS on Possible Amendments to Rules Governing Use of State Parks, State Recreation Areas, State Waysides, State Trails, and Recreational Use of Forest Lands, *Minnesota Rules*, Parts 6100.0100 to 6100.4300; Revisor's ID Number 03941**

**Subject of Rules.** The Minnesota Department of Natural Resources requests comments on the subject matter of amendments to rules governing use of state parks, state recreation areas, state waysides, state trails, and forest lands.

The department is considering amendments to *Minnesota Rules*, parts 6100.0100 to 6100.4300 in order to:

- 1) address emerging recreational activities, technologies, and federal requirements;
- 2) update and correct obsolete provisions;
- 3) integrate the rules governing state trails (parts 6100.3000 to 6100.4300) with the rules governing state parks, forest lands, and state recreation areas (parts 6100.0100 to 6100.2400);
- 4) provide common definitions and provisions for state trails, state parks, forest lands, and state recreation areas;
- 5) provide for different management for each type of unit, consistent with the purposes described in the Outdoor Recreation Act of 1975, as amended (Chapter 86A). The current rules have identical provisions for state parks and state recreation areas; and
- 6) address additional issues and topics within the scope of parts 6100.0100 to 6100.4300 that arise during the rulemaking process.

The department will combine two on-going rulemaking efforts. The department published a request for comments on amendments to parts 6100.3000 to 6100.4300 in 2006, and a request for comments on amendments to parts 6100.0100 to 6100.2400 in 2009. The department has not initiated rule adoption proceedings for either rule. The department believes the combined rulemaking will be more efficient, and easier for the affected public to understand.

Rule amendments may affect special events, organized public activities, noise restrictions, alcoholic beverage restrictions, hours of operation, registration and campsite use provisions, seasonal leases, mobility devices, collecting, target shooting, dog field trialing, hunting and hunting stands, wildlife feeding, animal-drawn contrivances, pet-related provisions, and motor vehicle use. The rulemaking may address additional issues and topics within the scope of parts 6100.0100 to 6100.4300 that arise during the rulemaking process.

**Persons Affected.** Rule amendments would likely affect individuals and groups of people that use state parks, state trails, state recreation areas and waysides, and forest lands for recreational purposes including trail users, campers, hunters, anglers, and others. Individuals and organizations that use these lands for special events and commercial purposes may be affected, including timber harvesters, outfitters, recreation providers, media, and educational institutions.

**Statutory Authority.** *Minnesota Statutes*, section 86A.06 authorizes the department to adopt rules relating to the units of the outdoor recreation system within its jurisdiction to provide for administration of the units as specified in section 86A.05 and the laws relating to each type of unit. Additional relevant authority is found in sections 16A.1283, 84.03, 84.029, 84.083, 84.0835, 84.15, 84.86, 84.773, 85.012, 85.013, 85.015, 85.04, 85.052, 85.053, 85.054, 85.20, 86A.05, 86A.07, 86A.09, 89.031, 89.19, 89.20, 89.21, 89.22, and 89.71.

**Public Comment.** Interested parties may submit comments or information on the scope and content of the rule amendments in writing until 4:30 p.m. on July 25, 2014. The department does not contemplate appointing an advisory committee to provide advice on the possible rules.

**How to Submit Comments and Contact the DNR about the Rulemaking.** Comments, questions, requests to receive a copy of the draft rule when proposed, and requests for more information on the rulemaking should be directed to: Rebecca Wooden at Department of Natural Resources, Division of Parks and Trails, 500 Lafayette Road, St. Paul, Minnesota 55155-4039, **phone:** (651) 259-5584, **fax:** (651) 297-1157, and **e-mail:** [recreationrules.dnr@state.mn.us](mailto:recreationrules.dnr@state.mn.us).

**Rules Drafts.** The department has not yet prepared a draft of the possible rules amendments, but summary information is available on

the department website at: <http://www.dnr.state.mn.us/input/rules/rulemaking.html>.

**Alternative Format.** Upon request, this Request for Comments can be made available in an alternative format, such as large print, Braille, or cassette tape. To make such a request, please contact the agency contact person at the address or telephone number listed above.

**NOTE:** Comments received in response to this notice will not necessarily be included in the formal rulemaking record submitted to the Administrative Law Judge if and when a proceeding to adopt rules is started. The agency is required to submit to the judge only those written comments received in response to the rules after they are proposed. If you submit comments during the development of the rules and you want to ensure that the Administrative Law Judge reviews the comments, you should resubmit the comments after the rules are formally proposed.
