## Get the Earliest Delivery of the State Register

A subscription to the **STATE REGISTER** gets you the **EARLIEST DELIVERY**. Instead of waiting until Monday at 8:00 a.m. when the magazine is posted on our website, we'll SEND you the magazine on Friday at close of business with the State, 4:30 pm: 2-1/2 days early.

Yes, that's right -- 2-1/2 days ahead of normal publication schedule -- to get to know what's coming in the next week; to prepare your plans for your submissions to grant and loan programs and RFPs, RFIs and other contracts and bids.

Subscriptions for an entire year cost \$180. The magazine is **SENT TO YOU**, as well as ONE OTHER PERSON YOU DESIGNATE, in case of vacations, or illnesses, or other absences in your office . . . and you won't have to access our website or click, click, click to find us.

Subscriptions include the most up-to-date information, including a growing index to issues in each volume, issue by issue, including the current volume, which others do not have access to until the end of the volume year.

And a subscription gets you our Current Listing of All OPEN bids, contracts, grants, loans, and RFPs that are still open for bid, so you don't have to hunt through each back issue to find something.

# Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive (issue #26 cumulative for issues #1-26); issues #27-38 inclusive (issue #39, cumulative for issues #1-39); issues #40-52 inclusive, with final index (#1-52, or 53 in some years). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the State Register, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. TTY relay service phone number: (800) 627-3529.

# Adopted Rules

A rule becomes effective after the requirements of *Minnesota Statutes* §§ 14.05-14.28 have been met and five working days after the rule is published in the *State Register*, unless a later date is required by statutes or specified in the rule. If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous *State Register* publication will be printed. If an adopted rule differs from its proposed form, language which has been deleted will be printed with strikeouts and new language will be underlined. The rule's previous *State Register* publication will be cited.

**KEY: Proposed Rules** - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

### Notice of Adopted Permanent Rules Adopting the International Fire Code

The rules proposed and published at State Register, Volume 40, Number 37, pages 747-749, January 04, 2016 (40 SR 747), are adopted with the following modifications:

#### 7511.0202 SECTION 202, GENERAL DEFINITIONS.

IFC section 202 is amended by adding or amending definitions to read:

**ADULT DAY CARE CENTER.** A facility, licensed by the Department of Human Services under Minnesota Rules, parts 9555.9600 to 9555.9730, that provides a program of adult day care services to functionally impaired adults for periods of less than 24 hours per day in a setting other than a participant's home or the residence of the facility's operator. **AERIAL LUMINARIES.** Aerial luminaries, sky lanterns, and similar devices are an unmanned type of balloon made from lightweight materials, which require a flame, candle, fuel cell, or other open flame to develop lift and propel them. When released, there is no way to control the flight path, altitude, or landing area. **AMBULATORY CARE FACILITY.** Buildings or portions of buildings used to provide medical, surgical, psychiatric, nursing, or similar care on a less than 24-hour basis to individuals who are rendered incapable of self-preservation by the services provided. For the purposes of this chapter, federally certified end-stage renal disease facilities (kidney dialysis facilities) located on the level of exit discharge shall not be considered ambulatory care facilities.  **AISLE.** That portion of an exit that connects an aisle accessway to an exit access doorway, corridor, or an exit. **APPROVED.** "Approved" means approval by the fire code official, pursuant to the Minnesota State Fire Code, by reason of: A. Inspection, investigation, or testing; B. Accepted principles; C. Computer simulations; D. Research reports; or E. Testing performed by either a licensed engineer or by a locally or nationally recognized testing laboratory. **AUTHORITY HAVING JURISDICTION.** Any municipal fire code official serving within their appointed jurisdiction or the state fire marshal or any of their authorized representatives. **BUILDING CODE.** The Minnesota State Building Code adopted pursuant to Minnesota Statutes, section 326B.106, subdivision 1. **CARE FACILITY.** Occupancies used as care facilities shall be classified into the occupancy group category identified in the following table.

## 7511.0903 SECTION 903, AUTOMATIC SPRINKLER SYSTEMS.

Subp. 2a. **IFC section 903.3.1.** IFC section 903.3.1 is amended as follows: 903.3.1 Standards. Sprinkler systems shall be designed and installed in accordance with Section 903.3.1.1, unless otherwise permitted by Sections 903.3.1.2 and 903.3.1.3 and other chapters of this code, as applicable. Automatic sprinkler systems installed in state-licensed or state-registered facilities shall be installed in accordance with this code and by the appropriate applicable licensing or registration provisions of Minnesota.

## 7511.1101 SECTION 1101, GENERAL.

IFC section 1101 is amended and sections added to read:

1101.1 Scope. The provisions of IFC Chapter 11, as amended, shall apply to existing buildings constructed prior to the adoption of this code. 1101.2 Intent. The intent of IFC Chapter 11, as amended, is to provide a minimum degree of fire and life safety to persons occupying existing buildings by providing minimum construction requirements. 1101.3 Permits. Permits shall be required as set forth in Sections 105.6 and 105.7. 1101.4 Owner notification. When a building is found to be in noncompliance with IFC Chapter 11, as amended, the code official shall duly notify the owner of the building. Upon receipt of such notice, the owner shall, subject to the following time limits, take necessary actions to comply with the provisions of this chapter. 1101.4.1 Construction documents. Construction documents necessary to comply with IFC Chapter 11, as amended, shall be completed and submitted within a time schedule approved by the code official. 1101.4.2 Completion of work. Work necessary to comply with IFC Chapter 11, as amended, shall be completed within a time schedule approved by the code official. 1101.4.3 Extension of time. The code official is authorized to grant necessary extensions of time when it can be shown that the specified time periods are not physically practical or pose an undue hardship. The granting of an extension of time for compliance shall be based on the showing of good cause and subject to the filing of an acceptable systematic plan of correction with the code official. 1101.5 Compliance option. Existing buildings that meet the requirements of NFPA 101 (Life Safety Code) or chapter 1309, the Minnesota Residential Code, or chapter 1305, the Minnesota Building Code, when applicable, shall be deemed as evidence of compliance with IFC Chapter 11, as amended. 1101.6 Previous codes. Protection features in existing buildings that comply with previous editions of the Fire Code or Building Code shall be considered as complying with IFC Chapter 11, as amended, if, in the opinion of the fire code official, such conditions do not constitute a distinct hazard to life unless the fire code official issues a written determination listing the conditions that constitute a distinct hazard to life.

# Expedited Emergency Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited emergency rules when conditions exist that do not allow the Commissioner to comply with the requirements for emergency rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the emergency conditions. Expedited emergency rules are effective upon publication in the *State Register*, and may be effective up to seven days before publication under certain emergency conditions.

Expedited emergency rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited emergency rules detail the agency's rulemaking authority.

**KEY: Proposed Rules** - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

## Department of Natural Resources

### Adopted Expedited Emergency Game and Fish Rules: 2016 Bear Season

Notice is hereby given that the above entitled rules have been adopted through the process prescribed by *Minnesota Statutes*, section 84.027, subdivision 13 (b). The statutory authority for the contents of the rule is *Minnesota Statutes*, sections 97B.405, 97B.411, and 97B.431.

The conditions that do not allow compliance with *Minnesota Statutes*, sections 97A.0451 to 97A.0459, are that population and harvest data needed prior to setting quotas are not available until February. Quotas are necessary so that harvests and populations can be managed at sustainable levels. Additional changes are necessary to adjust permit area boundaries, clarify requirements for signs and registration on bait stations.

## Department of Natural Resources

### Notice of Infested Waters List

NOTICE IS HEREBY GIVEN by the Minnesota Department of Natural Resources that until further notice, the following waters in the state have been identified and listed as infested waters pursuant to the provisions of Minnesota Statutes, including but not limited to section 84D.03, subdivision 1.

The DNR will add a lake, river, pond or wetland to the infested waters list if it contains certain aquatic invasive species that could spread to other waters. The DNR may also list a lake, river, pond or wetland as infested if it is connected to a body of water where an aquatic invasive species is present.

The table below contains the following information about infested waters:

**Water body name:** The name of the listed water body, if known. Lake names are listed without the word “lake”. Water bodies that are “unnamed” are followed by additional location information. Where applicable, listings for the Mississippi River, St. Croix River, and St. Louis River include all waters defined as Minnesota-Wisconsin boundary waters in Minnesota Rules 6266.0500.

**County or counties:** The county or counties in which the water body occurs. A lake in more than one county may be listed only under the county corresponding to its DOW number, but the entire lake is considered infested. Lake Superior and portions of rivers that flow through more than one county are listed in “Multiple” counties.

**Listed for aquatic invasive species:** The aquatic invasive species with which the water body is listed as infested.

**DOW number:** An identifying number for lakes. DOW stands for the former DNR Division of Waters. Ponds and wetlands that are not on the public waters inventory are listed with “none” in the number column. Most rivers and streams on the public waters inventory are listed without a number in the number column; some river pools are identified with a DOW number. The infested waters list is updated during the year. The most up-to-date version of the infested waters list is posted on the DNR website at [www.mndnr.gov/invasives/ais/infested.htm](http://www.mndnr.gov/invasives/ais/infested.htm).

# State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the State Register, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

# State Contracts

**Informal Solicitations:** Informal solicitations for professional/technical (consultant) contracts valued at over \$5,000 through \$50,000, may either be published in the *State Register* or posted on the Department of Administration, Materials Management Division's (MMD) Web site. Interested vendors are encouraged to monitor the P/T Contract Section of the MMD Website at [www.mmd.admin.state.mn.us](http://www.mmd.admin.state.mn.us) for informal solicitation announcements.

**Formal Solicitations:** Department of Administration procedures require that formal solicitations (announcements for contracts with an estimated value over \$50,000) for professional/technical contracts must be published in the *State Register*. Certain quasi-state agency and Minnesota State College and University institutions are exempt from these requirements.

**Requirements:** There are no statutes or rules requiring contracts to be advertised for any specific length of time, but the Materials Management Division strongly recommends meeting the following requirements: \$0 - \$5000 does not need to be advertised. Contact the Materials Management Division: (651) 296-2600 \$5,000 - \$25,000 should be advertised in the *State Register* for a period of at least seven calendar days; \$25,000 - \$50,000 should be advertised in the *State Register* for a period of at least 14 calendar days; and anything above \$50,000 should be advertised in the *State Register* for a minimum of at least 21 calendar days.

### State Court Administrator's Office

#### Request for Services to Provide Method for Claiming Direct Personnel Costs for Court Administration Processing Tasks Associated with IV-D Child Support Cases

The State of Minnesota, State Court Administrator's Office, Court Services Division is using a competitive selection process to select a vendor to provide a streamlined method for claiming direct personnel costs for court administration case processing tasks associated with IV-D child support cases for ten judicial districts and indirect costs for one central office. This methodology and calculation will result in a statewide IV-D reimbursement report(s) that identifies the reimbursement amount in compliance with Title IV-D of the Social Security Act (including 2 CFR Part 225 (OMB Circular A-87)) and all other applicable federal and state law. This is not a bid but a request for proposals that could become the basis for negotiations leading to a contract with a vendor. The State of Minnesota Judicial Branch has been completing and submitting a IV-D Cost Allocation Plan annually since 2009.

The request for proposals does not obligate the Minnesota Judicial Branch to award a contract or complete the project and the Minnesota Judicial Branch reserves the right to cancel the solicitation if it is considered to be in its best interest.

Interested vendors should visit the Judicial Branch website/Get Connected/Public Notices at <http://www.mncourts.gov/About-The-Courts/NewsAndAnnouncements.aspx?t=notice> for detailed information.

## Minnesota State Colleges and Universities (MnSCU)

### Request For Proposal (Rfp) For Master Contract For Web Conferencing Services

Minnesota State Colleges and Universities is the fifth-largest system of higher education in the United States. It is comprised of 31 two-year and four-year state colleges and universities with 54 campuses located in 47 Minnesota communities. The system serves approximately 430,000 students each year. The Minnesota State Colleges and Universities is an independent state entity that is governed by a 15 member Board of Trustees.

The System Office is requesting proposals to assist in developing master contract(s) for web conferencing services. The solution can be a vendor-hosted solution but will consider on-premise/hosted solutions. The System Office intends not to manage the solution with central billing, but requests for use and invoicing will be at the institution level. This RFP is undertaken by System Office pursuant to the authority contained in provisions of Minnesota Statutes § 136F.581 and other applicable laws.

#### Notice of Potential Availability of Contracting Opportunities for a Variety of Highway Related Technical Activities ("Consultant Pre-Qualification Program")

This document is available in alternative formats for persons with disabilities by calling Kelly Arneson at (651) 366-4774; for persons who are hearing or speech impaired by calling Minnesota Relay Service at (800) 627-3529.

Mn/DOT, worked in conjunction with the Consultant Reform Committee, the American Council of Engineering Companies of Minnesota (ACEC/MN), and the Department of Administration, to develop the Consultant Pre-Qualification Program as a new method of consultant selection. The ultimate goal of the Pre-Qualification Program is to streamline the process of contracting for highway related professional/technical services. Mn/DOT awards most of its consultant contracts for highway-related technical activities using this method, however, Mn/DOT also reserves the right to use Request for Proposal (RFP) or other selection processes for particular projects.

Nothing in this solicitation requires Mn/DOT to use the Consultant Pre-Qualification Program.

Mn/DOT is currently requesting applications from consultants. Refer to Mn/DOT's Consultant Services web site, indicated below, to expenses are incurred in responding to this notice will be borne by the responder. Response to this notice becomes public information under the Minnesota Government Data Practices.

Consultant Pre-Qualification Program information, application requirements and applications forms are available on Mn/DOT's Consultant Services web site at: *<http://www.dot.state.mn.us/consult>*.

### Notice Concerning Professional/Technical Contract Opportunities and Taxpayers' Transportation Accountability Act Notices

**NOTICE TO ALL:** The Minnesota Department of Transportation (Mn/DOT) is now placing additional public notices for professional/technical contract opportunities on Mn/DOT's Consultant Services **website** at: [www.dot.state.mn.us/consult](http://www.dot.state.mn.us/consult)

New Public notices may be added to the website on a daily basis and be available for the time period as indicated within the public notice. Mn/DOT is also posting notices as required by the Taxpayers' Transportation Accountability Act on the above referenced website.

## Non-State Public Bids, Contracts & Grants

The State Register also serves as a central marketplace for contracts let out on bid by the public sector. The *State Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector. It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from the date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as \$1,000. Contact editor for further details.

Besides the following listing, readers are advised to check: <http://www.mmd.admin.state.mn.us/solicitations.htm> as well as the Office of Grants Management (OGM) at: <http://www.grants.state.mn.us/public/>.
