NOTICE

How to Follow State Agency Rulemaking Action in the State Register

State agencies must publish notice of their rulemaking action in the State Register. If an agency seeks outside opinion before promulgating new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION. Such notices are published in the OFFICIAL NOTICES section. Proposed rules and adopted rules are published in separate sections of the magazine.

The PROPOSED RULES section contains:

- Calendar of Public Hearings on Proposed Rules.
• Proposed new rules (including Notice of Hearing and/or Notice of Intent to Adopt Rules without A Hearing).
• Proposed amendments to rules already in existence in the Minnesota Code of Agency Rules (MCAR).
• Proposed temporary rules.

The ADOPTED RULES section contains:

- Notice of adoption of new rules and rule amendments (those which were adopted without change from the proposed version previously published).
• Adopted amendments to new rules or rule amendments (changes made since the proposed version was published).
• Notice of adoption of temporary rules.
• Adopted amendments to temporary rules (changes made since the proposed version was published).

All ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES published in the State Register will be published in the Minnesota Code of Agency Rules (MCAR). Proposed and adopted TEMPORARY RULES appear in the State Register but are not published in the MCAR due to the short-term nature of their legal effectiveness.

The State Register publishes partial and cumulative listings of rule action in the MCAR AMENDMENTS AND ADDITIONS list on the following schedule:

Table with 2 columns: Issue range and Issue number. Includes: Issues 1-13, inclusive; Issues 14-25, inclusive; Issue 26, cumulative for 1-26; Issue 27-38, inclusive; Issue 39, cumulative for 1-39; Issues 40-51, inclusive; Issue 52, cumulative for 1-52.

# PROPOSED RULES

---

---

Pursuant to Minn. Laws of 1980, § 15.0412, subd. 4h, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
  2. that no public hearing will be held unless seven or more persons make a written request for a hearing within the 30-day comment period;
  3. of the manner in which persons shall request a hearing on the proposed rules;
- and
4. that the rule may be modified if modifications are supported by the data and views submitted.

If, during the 30-day comment period, seven or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of § 15.0412, subs. 4 through 4g, which state that if an agency decides to hold a public hearing, it must publish in the *State Register* a notice of its intent to do so. This notice must appear at least 30 days prior to the date set for the hearing, along with the full text of the proposed rules. (If the agency has followed the provisions of subd. 4h and has already published the proposed rules, a citation to the prior publication may be substituted for republication.)

Pursuant to Minn. Stat. § 15.0412, subd. 5, when a statute, federal law or court order to adopt, suspend or repeal a rule does not allow time for the usual rulemaking process, temporary rules may be proposed. Proposed temporary rules are published in the *State Register*, and for at least 20 days thereafter, interested persons may submit data and views in writing to the proposing agency.

In the event a public hearing is required, the agency will proceed according to the provisions of Minnesota Statutes section 15.0412, subdivisions 4-4f.

D. Donaldson, Executive Director, Cable Communications Board, 500 Rice Street, Saint Paul, Minnesota 55103, upon request.

Upon adoption of the final rules without a public hearing, the proposed rules, this notice, the statement of need and reasonableness, all written comments received, and the final rules as adopted will be delivered to the Attorney General for review as to form and legality, including the issue of substantial change. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the final rules as proposed for adoption, should submit a written statement of such request to W. ### Notice of Intent to Amend Rules without a Public Hearing

Notice is hereby given that the Minnesota Pollution Control Agency (agency) intends to adopt without a public hearing amendments to MPCA 1-4 and 6-13, the procedural rules of the agency. The agency has determined that the proposed adoption of these rules will be noncontroversial in nature and has elected to follow the procedures set forth in Minn. Stat. § 15.0412, subd. 4h (1980).

The proposed amendments are authorized by Minn. Stat. § 116.07, subd. 3 (1980). The proposed amendments if adopted would: 1) update the agency's procedural rules in accordance with legislative changes which have occurred since the adoption of the original rules in 1973; 2) in certain instances, conform the rules to actual agency practice; and 3) make stylistic and clarifying changes. The rules as amended will be codified as 6 MCAR §§ 4.3001-4.3016.

The agency has prepared a statement of need and reasonableness that describes the need for and reasonableness of each provision of the proposed amendments and identifies the data and information relied upon by the agency to support the proposed amendments. Copies of the statement of need and reasonableness and of the proposed amendments are available and may be obtained by contacting:

David Christopherson  
Minnesota Pollution Control Agency  
1935 West County Road B-2  
Roseville, Minnesota 55113  
Telephone: (612) 296-7711

Interested persons have 30 days, specifically until October 13, 1982, to submit comments on the proposed amendments. The proposed amendments may be modified if the data and views submitted to the agency warrant modification and the modification does not result in a substantial change in the proposed amendments.

Unless seven or more persons submit written requests for a public hearing on the proposed amendments within the 30-day comment period, a public hearing will not be held. In the event that a public hearing is required, the agency will proceed according to the provisions of Minn. Stat. § 15.0412, subd. 4-4f (1980).

Persons who wish to submit comments or a written request for a public hearing should submit such comments or request to David Christopherson, at the address and telephone number previously stated, no later than October 13, 1982. If a person desires to request a public hearing, the agency requests that the person identify the particular provisions objected to, the suggested modifications to the proposed language, and the reasons and data relied on to support the suggested modifications.

Upon adoption of the amendments by the agency board, the rules as proposed, this notice, the statement of need and reasonableness, all written comments received, and the final rule as adopted will be sent to the Attorney General for review as to form and legality, including the issue of substantial change. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the final amendments as adopted, should submit a written statement of such request to David Christopherson at the address previously stated.

Please be advised that Minn. Stat. ch. 10A requires each lobbyist to register with the State Ethical Practices Board within five days after he or she commences lobbying. A lobbyist is defined in Minn. Stat. § 10A.01, subd. 11 (1980) as an individual:

# SUPREME COURT

## Decisions Filed Tuesday, August 31, 1982

### Compiled by John McCarthy, Clerk

81-481 *State of Minnesota v. Jerry P. Chase, Appellant. Olmsted County.*

Evidence of defendant's guilt of theft of over \$2,500 was sufficient. Affirmed. Amdahl, C. J.

81-421 *Barbara Bailey, a minor, by her father and natural guardian, James E. Bailey, Appellant, v. Robert Morris, et al. Hennepin County.*

The existence of provocation for a dog bite is an issue of fact which is properly submitted to the jury in an action brought pursuant to Minn. Stat. § 347.22 (1980).

A special interrogatory on the question of provocation which did not specifically ask whether it was the plaintiff who had provoked the dog was not prejudicial error.

Affirmed. Otis, J. Dissenting, Todd, Yetka, Scott, and Wahl, JJ.

81-1138 *William J. Hoben v. City of Minneapolis, Appellant. Hennepin County.*

Minn. Stat. § 65B.48, subd. 4 (1980) requires that municipalities provide reparation security for economic loss benefits arising out of the use of municipally owned motor vehicles. Under such circumstances municipalities do not enjoy immunity conferred by Minn. Stat. § 466.03 (1980).

Under Minn. Stat. § 65B.54, subd. 1 (1980), it was the intent of the legislature to deal prospectively with future payments of all basic economic loss benefits, regardless of when the incident giving rise to the claim occurred.

Affirmed in part, reversed in part. Otis, J.

81-1315 *Edward J. Petschl, Jr. v. Britton Motor Service, et al., Relators Workers' Compensation Court of Appeals.*

A partially disabled employee who lived 60 miles from the Twin Cities but was employed in the Twin Cities when he sustained a work-related injury is not entitled to workers' compensation benefits if he refuses to seek work in the metropolitan area when, in spite of his disability, he is physically capable of commuting in the same manner as before his injury.

Reversed and remanded. Otis, J. Dissenting, Wahl, J., Todd, J., Yetka, and Scott, J.

81-674 *State of Minnesota, v. William Dean Scott, Appellant. Washington County.*

Evidence identifying defendant as participant in robbery was sufficient, and trial court did not prejudicially err in requiring defendant to wear leg restraints during trial or in admitting evidence of defendant's prior participation in a similar robbery.

Affirmed. Peterson, J.

81-897 *State of Minnesota v. James E. Wrightington, Appellant. Hennepin County.*

Evidence was sufficient to sustain defendant's convictions for criminal sexual conduct in the first degree.

Trial court did not err in admitting evidence of contents of statements by minor victim of sex crime to her brother, mother, uncle, school counselor, police and others.

Affirmed. Scott, J.

82-61 *Walter Schopf v. Red Owl Stores, Inc., and Commercial Union Assurance Companies, Employer-Insurer, Red Owl Stores, Inc., and Hartford Insurance Group, Relators, and Minneapolis Retail Meat Cutters and Food Handlers Health and Welfare Fund. Workers' Compensation Court of Appeals.*

Employee's testimony concerning the nature of his work and the medical opinion credited by the Workers' Compensation Court of Appeals sustain employee's burden of proving by a preponderance of the evidence that a lipoma in his right hand was work-related.

Affirmed. Wahl, J. Dissenting, Otis, J., and Amdahl, C. J.

81-495 *Mae M. Cambern, Appellant, v. Sioux Tools, Inc., defendant and third-party plaintiff, v. Bayliner Boats, third-party defendant. Dakota County.*

On these facts the trial court's failure to notify counsel and make a proper record of its refusal to accede to the jury's request for additional instructions was not prejudicial error.

In this products liability case the trial court correctly refused to aggregate the merely concurrent fault of the defendant manufacturer and the third-party defendant employer to compare with the plaintiff's fault.

Affirmed. Simonett, J. Dissenting, Todd and Yetka, JJ.

**81-686 State of Minnesota v. Edward John Tiessen, Appellant. St. Louis County.**

Evidence was sufficient to support defendant's conviction of assault in the second degree, and there is no merit to defendant's contention that prosecutor's closing argument, to which defense counsel did not object, was prejudicially improper.

Affirmed. Simonett, J.

**81-73 State of Minnesota v. Curtis Baugh, Appellant. Hennepin County.**

Postconviction court properly refused to grant new trial based on petitioner's claim of newly discovered evidence.

Affirmed. Kelley, J.

**81-670 Clark Albert Bailey, petitioner, Appellant, v. Arthur E. Noot, etc. Hennepin County.**

The Commissioner of Public Welfare may not transfer a patient who has been committed to him by a court as a psychopathic personality, following conviction of a crime, from the Minnesota Security Hospital under his jurisdiction to the Commissioner of Corrections.

When the Commissioner of Public Welfare, pursuant to Minn. Stat. § 253A *et seq.*, determines that a patient committed to him as a psychopathic personality, following conviction of a crime, is unamenable to treatment in the Minnesota Security Hospital, the Commissioner of Public Welfare should petition the sentencing court for an order revoking the order staying execution of sentence.

A convicted criminal who has been committed to the Commissioner of Public Welfare as a psychopathic personality is premature in attempting to raise the issue of his alleged "right to treatment" until he has, in fact, been deprived of the alleged "right" after being incarcerated in a state penal institution.

Reversed and remanded. Kelley, J.

**81-875, 81-881 Steven A. Bartel, Appellant (81-875), v. New Haven Township, Appellant (81-881). Olmsted County.**

Medical payments received by a driver from his no-fault insurer are deductible under Minn. Stat. § 65B.51, subd. 1 (1980) from a tort recovery against a township which negligently placed traffic control signs.

A defendant who voluntarily pays to a plaintiff the amount of the verdict receives a satisfaction and files the satisfaction with the court without reserving appeal rights is thereafter barred from appealing the judgment on the issue of liability.

Affirmed. Kelley, J. Dissenting, Simonett, J., and Todd, J.

**81-1218 State of Minnesota v. Melvin E. Gilbertson, petitioner, Appellant. St. Louis County.**

Defendant committed act of reckless driving in order to avoid being apprehended by police on charge of driving under suspension, and therefore under Minn. Stat. § 609.035 (1980) the trial court was free to sentence defendant for only one of the offenses.

Remanded for vacation of one sentence. Kelley, J.

**82-172 Jay C. Paine v. Beek's Pizza, et al., Relators. Workers' Compensation Court of Appeals.**

When an employee voluntarily leaves an area where exists employment opportunities within his physical restrictions to move to an area where few, if any, employment opportunities exist, such move is considered a withdrawal by him from the labor market thereby precluding him from total disability compensation as provided in Minn. Stat. § 176.101, subd. 2 (1980).

Reversed. Kelley, J. Dissenting, Todd, J., Yetka, J. and Scott, J.

## **Decision Filed Tuesday, August 24, 1982**

**82-611 State of Minnesota, Appellant, v. William Edward Marhoun. Chisago County.**

District court in criminal case erred in granting pretrial motions by defendant to suppress (a) statement by defendant to police obtained during interrogation of defendant, (b) evidence seized in warranted search of defendant's automobile, and (c) identification testimony by restaurant employee who saw defendant and the victim together shortly before the crime is believed to have been committed.

District court properly denied motion to dismiss indictment on ground of insufficiency of evidence.

Affirmed in part; reversed in part; remanded for trial. Todd, J.

## Decision Filed Wednesday, August 25, 1982

82-709 State of Minnesota, Plaintiff, v. Dale Lawrence Astleford, abd WCCO Television and Donald Shelby, Intervenors. Hennepin County.

Remanded for trial. Simonett, J.

## **Minnesota Waste Management Board**

### **Request for Submission of Qualifications for Development of Preliminary Designs for Hazardous Waste Land Disposal Facilities**

The State of Minnesota Waste Management Board (WMB) hereby requests the submission of qualifications for the development of preliminary designs and operating specifications for hazardous waste land disposal facilities.

It is anticipated that this work may be performed in stages and will require preliminary designs for facilities at approximately six candidate sites. These sites are expected to be selected by the WMB on or about November 30, 1982. However, stage I of this work may begin in October, 1982 by developing prototype designs suitable for consideration at two or more candidate sites. Stage I envisions site-specific application of such designs based on existing geo-technical and site data.

Prospective contractors are advised that the WMB reserves the option to negotiate a contract for one or more stages of the work with the initial contractor. Such stages may include, but may not be limited to, refinement of site-specific preliminary designs and development of operating specs for alternative facilities at the final candidate sites. Existing geotechnical data, consisting of well logs and/or soils analyses and general water-table information obtained from approximately five 100'-depth borings at each of the currently inventoried candidate areas, will be provided to the contractor. Additional geotechnical data collection will be obtained, commencing under a separate contract, as soon as the final candidate sites are selected.

Submitted qualifications by prospective contractors shall be evaluated on the basis of:

- demonstrated technical knowledge, skills and abilities; relating to various geologic environments and facilities most suited to each.
- verifiable experience in designing facilities and operating specs for hazardous waste land disposal facilities for private waste management firms and/or other major clients.
- thorough knowledge of all pertinent rules and regulations of the U.S. Environmental Protection Agency.
- availability of specifically identified key professionals for a specified time period, tentatively through mid-1983.
- availability of a specifically identified project manager possessing a verifiable record of accomplishment in producing results in harmony with clients.
- ready accessibility to WMB staff and its existing data base, preferably including an existing office in Minnesota, and desirably, in the Twin Cities.
- avoidance of existing or potential conflict of interest.

While the level of detail and staging of this work is not yet definite, prospective contractors will, however, be evaluated at this time on their capability to design detailed construction plans for the following elements:

1. Grading materials, soils selection, and borrow sources;
2. Cell design and construction sequencing;
3. Uncontaminated surface water handling and diversion;
4. Liner systems;
5. Leachate collection systems;
6. Monitoring systems;
7. Wastewater handling and/or treatment;
8. Major equipment;
9. Buildings (administration, storage and garaging);
10. On-site transportation and storage;
11. Buffer areas;
12. Security systems;
13. Cell closure and site post-closure.

Because of the relationship between land disposal and hazardous waste processing, expertise in various processing facilities will also be given consideration.

Proposals for carrying out this work cannot and *should not* be submitted at this time. Subsequently, the most qualified contractors will be invited to submit proposals.

---

---

## STATE CONTRACTS

An approximate estimate of cost for Stage I is \$80,000. Subsequent stages, should such additional work be contracted for, would equal or exceed this estimate.

Memos Katsoulis, P. E., will serve as project manager for the WMB.

The deadline for submission of qualifications is either postmarked (U.S. Mail) September 27, 1982, or delivered to WMB offices at 7323 58th Avenue North, 123 Thorson Center, Crystal, Minnesota 55428, by 4:30 p.m., September 28, 1982.

## OFFICIAL NOTICES

Pursuant to the provisions of Minn. Stat. § 15.0412, subd. 6, an agency, in preparing proposed rules, may seek information or opinion from sources outside the agency. Notices of intent to solicit outside opinion must be published in the *State Register* and all interested persons afforded the opportunity to submit data or views on the subject, either orally or in writing.
