NOTICE

How to Follow State Agency Rulemaking Action in the State Register

State agencies must publish notice of their rulemaking action in the State Register. If an agency seeks outside opinion before promulgating new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION. Such notices are published in the OFFICIAL NOTICES section. Proposed rules and adopted rules are published in separate sections of the magazine.

The PROPOSED RULES section contains:

- Calendar of Public Hearings on Proposed Rules.
• Proposed new rules (including Notice of Hearing and/or Notice of Intent to Adopt Rules without A Hearing).
• Proposed amendments to rules already in existence in the Minnesota Code of Agency Rules (MCAR).
• Proposed temporary rules.

The ADOPTED RULES section contains:

- Notice of adoption of new rules and rule amendments (those which were adopted without change from the proposed version previously published).
• Adopted amendments to new rules or rule amendments (changes made since the proposed version was published).
• Notice of adoption of temporary rules.
• Adopted amendments to temporary rules (changes made since the proposed version was published).

All ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES published in the State Register will be published in the Minnesota Code of Agency Rules (MCAR). Proposed and adopted TEMPORARY RULES appear in the State Register but are not published in the MCAR due to the short-term nature of their legal effectiveness.

The State Register publishes partial and cumulative listings of rule action in the MCAR AMENDMENTS AND ADDITIONS list on the following schedule:

Table with 2 columns: Issue/Section and Cumulative/Inclusive range. Includes: Issues 1-13, inclusive; Issues 14-25, inclusive; Issue 26, cumulative for 1-26; Issue 27-38, inclusive; Issue 39, cumulative for 1-39; Issues 40-51, inclusive; Issue 52, cumulative for 1-52.

The listings are arranged in the same order as the table of contents of the MCAR.

PROPOSED RULES

Pursuant to Minn. Laws of 1980, § 15.0412, subd. 4h, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
 2. that no public hearing will be held unless seven or more persons make a written request for a hearing within the 30-day comment period;
 3. of the manner in which persons shall request a hearing on the proposed rules;
- and
4. that the rule may be modified if modifications are supported by the data and views submitted.

If, during the 30-day comment period, seven or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of § 15.0412, subds. 4 through 4g, which state that if an agency decides to hold a public hearing, it must publish in the *State Register* a notice of its intent to do so. This notice must appear at least 30 days prior to the date set for the hearing, along with the full text of the proposed rules. (If the agency has followed the provisions of subd. 4h and has already published the proposed rules, a citation to the prior publication may be substituted for republication.)

Pursuant to Minn. Stat. § 15.0412, subd. 5, when a statute, federal law or court order to adopt, suspend or repeal a rule does not allow time for the usual rulemaking process, temporary rules may be proposed. Proposed temporary rules are published in the *State Register*, and for at least 20 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Twin Cities' Area Metropolitan Transit Commission

Proposed Repeal of Rules Governing Operations of Transit Carriers, Transit Carrier Tariff, Accounting and Insurance Rules, and Rules of Practice (MTC 1-48, Chapters 1-3, 14 MCAR § 2)

Notice of Intent to Repeal Rules without a Hearing

Notice is hereby given that the Twin Cities Area Metropolitan Transit Commission is proposing to repeal the above-entitled rules without a public hearing. The Twin Cities Area Metropolitan Transit Commission has determined that the proposed repeal of these rules will be noncontroversial in nature and has elected to follow the procedures set forth in Minn. Stat. § 15.0412, subd. 4h.

Persons interested in these rules shall have 30 days to submit comments on the proposed repeal. The proposed repeal may be reconsidered prior to final adoption if reconsideration is supported by the data and views submitted to the Twin Cities Area Metropolitan Transit Commission.

Unless seven or more persons submit written requests for a public hearing on the proposed repeal of these rules within the 30-day comment period, a public hearing will not be held. A written request must specify the rule(s) whose repeal is sought to be made the subject of a hearing. Such request should specify the particular objection made and the reasons or data relied upon to support the objection to repeal. In the event a public hearing is required, the commission will proceed according to the provisions of Minn. Stat. § 15.0412, subdivisions 4-4f.

Persons who wish to submit written comments or a written request for a public hearing should submit their correspondence to the address below and include a reference to these rules: Robert S. Shiff, Metropolitan Transit Commission, 801 American Center Building, St. Paul, Minnesota 55101.

The Twin Cities' Area Metropolitan Transit Commission's authority to repeal the aforementioned rules is contained in Minn. Stat. § 15.0412, subdivision 4h (1980), by reference in Minn. Stat. § 473.405, subdivision 3 (1980). A statement of need and reasonableness that describes the need for and reasonableness of the repeal of these rules and identifies the data and information relied upon to support the proposed repeal has been prepared and is available from the Twin Cities Area Metropolitan Transit Commission upon request.

Upon the repeal of the rules without a public hearing, this notice, the statement of need and reasonableness, and all written comments received will be delivered to the Attorney General for review as to form and legality. Persons who wish to be advised of the submission of this material to the Attorney General should submit a written request to the above address.

Please be advised that Minn. Stat. 1980, Chapter 10A requires each lobbyist to register with the State Ethical Practices Board within five days after he or she commences lobbying. Minn. Stat. § 10A.01, subd. 11, defines a lobbyist as any individual:

(a) Engaged for pay or other consideration, or authorized by another individual or association to spend money, who spends more than five hours in any month or more than \$250, not including his own travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials; or

(b) Who spends more than \$250, not including his own travel expenses and membership dues, in any year for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials.

The statute provides certain exceptions. Questions as to lobbying requirements should be directed to the Ethical Practices Board, 41 State Office Building, St. Paul, Minnesota 55155, telephone: (612) 296-5615.

The commission estimates that there will be no cost to local public bodies in the state to implement the repeal of these rules for the two years immediately following their repeal, within the meaning of Minn. Stat. § 15.0412, subdivision 7 (1980).

Because of substantial modifications made to the proposed rules, they are withdrawn. The modified rules will be repropose for adoption and will be published within the next few weeks.

ADOPTED RULES

The adoption of a rule becomes effective after the requirements of Minn. Stat. § 15.0412, subd. 4, have been met and five working days after the rule is published in the *State Register*, unless a later date is required by statutes or specified in the rule.

If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous *State Register* publication will be printed.

If an adopted rule differs from its proposed form, language which has been deleted will be printed with strike outs and new language will be underlined, and the rule's previous *State Register* publication will be cited.

A temporary rule becomes effective upon the approval of the Attorney General as specified in Minn. Stat. § 15.0412, subd. 5. Notice of his decision will be published as soon as practicable, and the adopted temporary rule will be published in the manner provided for adopted rules under subd. 4.

Comments on these applications must be received by December 15, 1982.

Department of Transportation

Petition of the City of St. Louis Park for a Variance from State Aid Standards for Parking

Notice is hereby given that the City Council of the City of St. Louis Park has made a written request to the Commissioner of Transportation for a variance from minimum design standards for parking along Virginia Avenue South between CSAH 16 (Cedar Lake Road) and Burd Place.

The request is for a variance from 14 MCAR § 1.5032 H.1.C., Rules for State Aid Operations under Minnesota Statutes, Chapters 161 and 162 (1978) as amended, so as to permit a minimum roadway width of 32 feet with parking permitted on one side from 7 p.m. to 7 a.m., Monday through Friday, and 24 hours per day on weekends instead of a minimum roadway width of 32 feet with no parking.

Any person may file a written objection to the variance request with the Commissioner of Transportation, Transportation Building, St. Paul, Minnesota 55155.

If a written objection is received within 20 days from the date of this notice in the *State Register*, the variance can be granted only after a contested case hearing has been held on the request.

Dated this 19th day of November, 1982.

State Designer Selection Board

Request for Proposals

To Architects and Engineers Registered in Minnesota:

The State Designer Selection Board has been requested to select a designer for the design of a new National Guard Armory Facility at Brooklyn Park, Minnesota. Design firms who wish to be considered for these projects should submit proposals on or before 4:00 p.m., December 28, 1982, to George Iwan, Executive Secretary, State Designer Selection Board, Room G-10, Administration Building, St. Paul, Minnesota 55155-1495.

The proposal must conform to the following:

1. Six copies of the proposal will be required.
2. All data must be on 8½" × 11" sheets, soft bound.
3. The cover sheet of the proposal must be clearly labeled with the project number, as listed in number 7 below, together with the designer's firm name, address, telephone number and the name of the contact person.
4. The proposal should consist of the following information in the order indicated below:
 - a) Number and name of project.
 - b) Identity of firm and an indication of its legal status, i.e. corporation, partnership, etc.
 - c) Names of the persons who would be directly responsible for the major elements of the work, including consultants, together with brief descriptions of their qualifications. If the applicant chooses to list projects which are relevant in type, scale, or character to the project at hand, the person's role in the project must be identified.
 - d) A commitment to enter the work promptly and to assign the people listed in "C" above and to supply other necessary staff.
 - e) A list of design projects in process or completed in the three (3) years prior to the date of this request for agencies or institutions of the State of Minnesota, including the University of Minnesota, by the firm(s) listed in "B" together with the approximate fees associated with each project.
 - f) A section of not more than fourteen (14) faces containing graphic material (photos, plans, drawings, etc.) as evidence of the firm's qualifications for the work. The graphic material must be identified. It must be work in which the personnel listed in "c" have had significant participation and their roles must be clearly described.

The proposal shall consist of no more than twenty (20) faces. Proposals not conforming to the parameters set forth in this request will be disqualified and discarded without further examination.

5. In accordance with the provisions of Minnesota Statutes, 1981 Supplement, Section 363.073; for all contracts estimated to be in excess of \$50,000, all responders having more than 20 full-time employees at any time during the previous 12 months must have an affirmative action plan approved by the Commissioner of Human Rights before a proposal may be accepted. Your proposal will not be accepted unless it includes one of the following:

- a) A copy of your firm's current certificate of compliance issued by the Commissioner of Human Rights; or
- b) A statement certifying that your firm has a current certificate of compliance issued by the Commissioner of Human Rights; or
- c) A statement certifying that your firm has not had more than 20 full-time employees in Minnesota at any time during the previous 12 months.

6. Design firms wishing to have their proposals returned after the board's review must follow one of the following procedures:

- a) Enclose a self-address stamped postal card with the proposals. Design firms will be notified when material is ready to be picked up. Design firms will have two (2) weeks to pick up their proposals, after which time the proposals will be discarded.
- b) Enclose a self-addressed stamped mailing envelope with the proposals. When the board has completed its review, proposals will be returned using this envelope.

In accordance with existing statute, the board will retain one copy of each proposal submitted.

Any questions concerning the board's procedures or their schedule for the project herein described may be referred to George Iwan at (612) 296-4656.

STATE CONTRACTS

7. PROJECT 6-82

New National Guard Armory Facility
Brooklyn Park, Minnesota
Estimate Cost \$1,507,600.00

a) Description of the Project

1) General: The proposed National Guard Armory Facility consists of a 26,765 square foot armory building (all on one floor), 10,278 square yards of bituminous surfaced vehicle parking area and access roads, 748 linear feet of security fencing, a vehicle wash platform, sidewalks security lighting and flagpole.

2) Site Size and Location: The site, of approximately five acres, is located northeast of the intersection of Zane Avenue North and 85th Avenue. The armory is planned to be constructed adjacent to the proposed Brooklyn Park Community Activity Center.

3) Building Construction: Single story; slab-on-grade floors; masonry (concrete block) walls faced with brick on the building exterior; interior wall surfaces exposed block, painted; Drill Hall roof system, wood roof deck supported by laminated wood purlins supported by laminated wood beams; balance of roof system, steel system, steel deck supported by steel joists; metal doors and door frames; both wood and metal windows (depending on type and location); ceilings, exposed wood deck (Drill Hall) with balance of ceilings fire rated, suspended; hot water heat utilizing No. 2 oil-fired boilers. Construction to be in accordance with State of Minnesota Building and Energy Codes plus all other applicable codes and Standards. This building is similar to typical school construction. Basic room areas include a Drill Hall, offices, classrooms, storage areas, arms vaults, kitchen, firing range, locker rooms, washrooms, mechanical and custodial areas. Sanitary sewer, water and electrical services are present adjacent to the site.

4) Topographic Survey: Owner will provide.

5) Soil Tests: Architects will arrange for. Owner will pay costs of soil tests.

6) Estimated Project Cost: \$1,507,600.00

b) Work to be Performed by the Designer: The work basically includes the design of the complete facility, the preparation of required drawings, specifications and allied documents to include bidding documents for same; the bid opening; the handling of contract documents; the general supervision of the construction work for the Owner; preparation of change orders; review acceptance of the work.

c) Designer's Fee for the Work: Government established at 5.1% of the construction cost of the work. In fulfilling this contract, the Designer will be carrying out basic plan designs furnished by the Owner. Preliminary work by the Designer will be minimal insofar as trail designs and presentations are concerned. The preliminary drawings for the work will be basically the final working drawings, partially completed. The work does not involve the Corps of Engineers in any way. The specification format will be Designer's normal for commercial work, tailored to the project. We have experienced no difficulty in the past in engaging the Designers for this type of work under this fee schedule.

The Designer for the work will work directly with the Department of Military Affairs, Facilities Management Officer, Major Wayne A. Johnson, Camp Ripley, Little Falls, Minnesota 56345 (telephone (612) 632-6631, Extension 315). All questions relative to this project should be referred directly to him.

SUPREME COURT

Decisions Filed Friday, November 19, 1982

Compiled by John McCarthy, Clerk

82-146 Alfred Lucas, Relator, v. Grain Belt Brewing Company, *et al.* Workers' Compensation Court of Appeals.

Minn. Stat. § 176.133 (Supp. 1981) cannot be applied retroactively to authorize an award of attorney fees from an award for supplementary benefits payable for a period prior to July 1, 1981, the effective date of this provision. The clear legislative intent that this statute take effect on that date prohibits its retroactive application.

Affirmed. Amdahl, C. J.
