[1931 c. 293 s. 6] (7352-16)

**331.02 LEGAL NEWSPAPER.** Subdivision 1. **Qualifications.** A newspaper, in order to be qualified as a medium of official and legal publications, shall:

(1) Be printed in the English language from its known office of publication within the city, village, or town from which it purports to be issued and in newspaper format and in column and sheet form equivalent in space to at least 450 running inches of single column, two inches wide;

(2) Be issued at least once each week and, if a daily, at least five days each week, from a known office established in such place for such publication and employing skilled workmen and the necessary material for preparing and printing the same; except in any week in which a legal holiday or Thanksgiving day is included, not more than four issues of a daily paper shall be necessary, which provision shall apply when the legal holiday falls upon Sunday; provided that the press work on that part of the newspaper devoted to local news of interest to the community which it purports to serve shall be done in its known office of publication;

(3) Have 25 per cent of its news columns devoted to local news of interest to the community which it purports to serve, and may also contain general news, comment, and miscellany, and must not wholly duplicate any other publication, and be not entirely made up of patents, plate matter, and advertisements;

(4) Be circulated in and near its place of publication to the extent of at least 240 copies regularly delivered to paying subscribers and have entry as second-class matter in its local post-office;

(5) Have complied with all the foregoing conditions for at least one year last past.

Subdivision 2. **Requisites.** Any publication which shall have been a duly qualified medium of legal publication or which shall have filed with the proper county auditor an affidavit purporting to set forth its qualifications as a legal publication, under the laws of this state, prior to the passage of this section, shall be a legal newspaper and a duly qualified medium of official and legal publication so long as the publication complies with subdivision 1, clause (4).

Subdivision 3. **Suspension of publication or change of date or place of publication.** Suspension of publication for a period of not more than three months within any year resulting from the destruction of its office by the elements or unforeseen accident to the equipment thereof shall not affect the qualification of such newspaper; nor shall the consolidation of one newspaper with another published in the same county, nor any change in the name or ownership thereof disqualify it or invalidate any publication continuously made therein, before and after the change, and any change of the day of publication, the frequency of

publication, or the change of office or place of publication from one place to another within the same county shall not deprive any such publication of its standing as a legal newspaper.

**Subdivision 4. Proof of legality.** Any person interested in the legality of any publication may request the auditor of the county in which such publication is published to furnish proof of the legal standing of the publication in which such legal publication is contained. The county auditor shall then demand of the publisher of such publication to furnish written proof of its qualifications, together with a list of the 240 paying subscribers, which shall then be filed by the auditor in his office as a public record. Failure of the publisher to comply with this demand within ten days after receipt of such request shall forfeit the legal standing of the publication and it shall not be a medium of legal publication until such written proof and list shall have been so furnished.

**Subdivision 5. Legal notices, how printed.** All legal notices shall be printed in the English language.

[1939 c. 128 s. 1] (10935-1)

**331.03 NEWSPAPERS TO REGISTER STATEMENT OF OWNERSHIP; EX-CEPTIONS.** Each newspaper printed or published within the state, excepting legally qualified newspapers, shall register in the office of the register of deeds a statement of the owners, printers, and publishers of the paper and the residence of each and, if the same shall be published by a corporation, the names and residences of the president, secretary, and editors thereof. The register of deeds shall provide a suitable book in which to register the names, as herein provided, and charge therefor a fee of 50 cents.

**331.04 SHALL PUBLISH NAMES.** No newspaper, except a legally qualified newspaper, shall be printed or published within the state without the names of the owners, publishers, and editors thereof stated and set forth therein.

[1931 c. 293 s. 3] (7352-13)

**331.05 COURT TO DETERMINE OWNERSHIP.** In the event of the publication of any newspaper within the state without the names of the owners and publishers thereof fully set forth therein, the court or the jury may determine such ownership and publisher on evidence of the general or local reputation of that fact. Opinion evidence may be offered and considered by the court or jury in any case arising in connection with the ownership, printing, or publishing of any such publication or of any article published therein, either in a criminal action for libel by reason of such publication or in any civil action based thereon.

[1931 c. 293 s. 5] (7352-15)

**331.06 AFFIDAVIT OF PUBLICATION.** No compensation shall be recoverable for publishing legal or official matter in any newspaper not so qualified, nor until there shall have been filed with the county auditor the affidavit of a person having knowledge of the facts, showing the name and location of the newspaper and the existence of conditions constituting its qualifications as a legal newspaper as required and set forth in section 331.02. If the matter published relates to proceedings in another county, a like affidavit must be filed with its auditor. Such affidavit, if it states the required facts, shall be prima facie evidence thereof and of such qualification. No compensation shall be recoverable for publishing legal or official matter in any newspaper unless the bill for same is accompanied by an affidavit of the publisher, or printer in charge, of such newspaper having knowledge of the facts, setting forth the fact that such newspaper has complied with all the requirements that constitute a legal newspaper, and such affidavit must contain a printed copy of the lower case alphabet from A to Z, both inclusive, which copy of the alphabet must be acknowledged in the affidavit by the publisher, or printer in charge, having knowledge of the facts, as being the size and kind of type used in the composition and publication of the legal or official matter published in such newspaper for which such compensation is claimed; and the affidavit must set forth the dates of the month and year and the day of the week upon which such legal or official matter was published in such newspaper.

[1921 c. 484 s. 4] (10936)

**Subdivision 2. Deductions.** In the measurement of type as set forth in these rules leads and slugs between lines, if any, are to be deducted and the deduction for over-spacing between words, if any, shall be made, but this rule must not be construed to preclude a reasonable amount of spacing for headings and sub-headings of a legal notice, which headings and sub-headings with the proper spacing are to be measured as being of the same type of the body of the notice published.

**Subdivision 3. Difference in size of type used.** In all instances where notices for publication are set in type that does not conform to the sizes herein set forth as the standard type for the basis of measurement for legal notices for publications in newspapers in this state, whatever difference there may be in size must be taken into consideration in determining the number of folios in the legal notice in order that the same shall be made to conform with the standard.

**Subdivision 4. Fractions of folios.** In the measurement of a legal notice a fraction over a full number of folios equal to one-half folio or less shall be computed as one-half folio; a fraction over one-half and less than one folio shall be computed as one folio.
