(4) Enclose "Ballot Envelope" in "Return Envelope," seal the letter, you must sign and have attesting witness sign certificate on back of "Return Envelope" and then deposit same in the United States Post-office in presence of, or by the attesting witness.

(5) The ballot may be marked and mailed at any time after you receive it from the county auditor; it should, however, be marked and mailed so as to arrive at your voting place on or before election day. If not there by that day it will not be counted.

All applications shall be preserved by the auditor and arranged by him according to districts and the initial letter of the surname of the applicant. At the time he delivers the state and county ballots to the town, village and city clerks within his county, he shall also deliver to the respective town, village, and city clerks the applications theretofore received by him and endorsed by him. Such town, village and city clerks shall in turn deliver said applications so endorsed to the respective judges of the several districts.

Ballots so deposited shall be counted, canvassed, and returned in the same manner and shall be given the same force and effect as the votes of other duly qualified voters who vote in person.

No person who voted by mail as herein provided shall be permitted to thereafter vote in person in the same election.

If the "Ballot Envelope" is marked with the word "Received," as herein provided, the judges in charge of the register shall make an appropriate notation on the register of voters indicating that the voter has voted by mail; this shall be done by placing the letters "V.M." in the appropriate column opposite the voter's name.
