Such limitation shall apply to actions by or in behalf of the state and the several political subdivisions thereof; provided that no occupant of a public way, levee, square, or other ground dedicated or appropriated to public use shall acquire, by reason of his occupancy, any title thereto.

[R. L. ss. 4071, 4072] (9185, 9186)

541.02 RECOVERY OF REAL ESTATE, 15 YEARS. No action for the recovery of real estate or the possession thereof shall be maintained unless it appears that the plaintiff, his ancestor, predecessor, or grantor, was seized or possessed of the premises in question within 15 years before the beginning of the action.

Such limitation shall not be a bar to an action for the recovery of real estate assessed as tracts or parcels separate from other real estate, unless it appears that the party claiming title by adverse possession or his ancestor, predecessor, or grantor, or all of them together, shall have paid taxes on the real estate in question at least five consecutive years of the time during which he claims these lands to have been occupied adversely.

The provisions of paragraph two shall not apply to actions relating to the boundary line of lands, which boundary lines are established by adverse possession, or to actions concerning lands included between the government or platted line and the line established by such adverse possession, or to lands not assessed for taxation.

[R. L. s. 4073; 1913 c. 239 s. 1] (9187)

541.023 LIMITATION OF ACTIONS AFFECTING TITLE TO REAL ESTATE. Subdivision 1. **Commencement.** As against a claim of title based upon a source of title, which source has then been of record at least 40 years, no action affecting the possession or title of any real estate shall be commenced by a person, partnership, corporation, state, or any political division thereof, after January 1, 1948, to enforce any right, claim, interest, incumbrance or lien founded upon any instrument, event or transaction which was executed or occurred more than 40 years prior to the commencement of such action, unless within 40 years after such execution or occurrence there has been recorded in the office of the register of deeds or filed in the office of the registrar of titles in the county in which the real estate affected is situated, a notice sworn to by the claimant or his agent or attorney setting forth the name of the claimant, a description of the real estate affected and of the instrument, event or transaction on which such claim is founded, and stating whether the right, claim, interest, incumbrance or lien is mature or immature. If such notice relates to vested or contingent rights claimed under a condition subsequent or restriction it shall affirmatively show why such condition or restriction is not, or has not become nominal so that it may be disregarded under the provisions of Minnesota Statutes 1945, Section 500.20(1).

Subd. 2. Application. This section shall apply to every right, claim, interest, incumbrance or lien founded upon any instrument, event or transaction 40 years old at the date hereof, or which will be 40 years old prior to January 1, 1948, except those under which the claimant thereunder shall file a notice as herein provided prior to January 1, 1948.

Subd. 3. Extent of act. This section does not extend the right to commence any action beyond the date at which such right would be extinguished by any other statute.

Subd. 4. Notices, filing or recording; fee. Registers of deeds and registrars of titles are hereby directed to accept for recording or filing notices conforming with the provisions hereof, and to charge therefor fees corresponding with the fees charged for filing notices of lis pendens of similar length. Such notices may be discharged in the same manner as notices of lis pendens, and, when so discharged, shall, together with all information included therein, cease to constitute either actual or constructive notice.

Subd. 5. Abandonment presumed. Any claimant under any instrument, event or transaction barred by the provisions of this section shall be conclusively presumed to have abandoned all right, claim, interest, incumbrance or lien based upon such instrument, event or transaction; and the title in the name of any adverse claimant to the real estate which would otherwise be affected thereby shall not be deemed unmarketable by reason of the existence of such instrument, event or transaction; it being hereby declared as the policy of the State of Minnesota that, except as herein provided, ancient records shall not fetter the marketability of real estate.

Subd. 6. Limitations; certain titles not affected. This section shall not affect any rights of the Federal government; nor increase the effect as notice, actual or constructive, of any instrument now of record; nor bar the rights of any person, partnership or corporation in possession of real estate. This section shall not impair the record title or record interest, or title obtained by or through any congressional or legislative grant, of any railroad corporation or other public service corporation or any trustee or receiver thereof or of any educational or religious corporation in any real estate by reason of any failure to file or record further evidence of such title or interest even though the record thereof is new or hereafter more than 40 years old; nor shall this section require the filing of any notice as provided for in this act as to any undischarged mortgage or deed of trust executed by any such corporation or any trustee or receiver thereof or to any claim or action founded upon any such undischarged mortgage or deed of trust. The exceptions of this subdivision shall not include (a) reservations or exceptions of land for right of way or other railroad purposes contained in deeds of conveyance made by a railroad company or by trustees or receivers thereof, unless said reserved or excepted land shall have been put to railroad use within 40 years after the date of said deeds of conveyance, (b) nor any rights under any conditions subsequent or restrictions contained in any such deeds of conveyance. This act shall not affect any action or proceeding which is now or on January 1, 1948, shall be pending, for the determination of validity of the title to real estate.

Subdivision 1. **Limitation.** No action or proceeding to foreclose a real estate mortgage, whether by action or advertisement or otherwise, shall be maintained unless commenced within 15 years from the maturity of the whole of the debt secured by the mortgage, and this limitation shall not be extended by the non-residence of any plaintiff or defendant or any party interested in the land upon which the mortgage is a lien in any action commenced to foreclose such mortgage, nor by reason of any payment made after such maturity, nor by reason of any extension of the time of payment of the mortgage or the debt or obligation thereby secured or any portion thereof, unless such extension shall be in writing and shall have been recorded in the same office in which the original mortgage is recorded, within the limitation period herein provided, or prior to the expiration of any previously recorded extension of such mortgage or debt, nor by reason of any disability of any party interested in the mortgage.

Subd. 2. When time begins to run; commencement of proceedings. The time within which any such action or proceeding may be commenced shall begin to run from the date of such mortgage, unless the time of the maturity of the
