Subdivision 1. **Rights of State.** Except as otherwise expressly provided, the jurisdiction of the United States over any land or other property within this state now owned or hereafter acquired for national purposes is concurrent with and subject

to the jurisdiction and right of the state to cause its civil and criminal process to be executed therein, to punish offenses against its laws committed therein, and to protect, regulate, control, and dispose of any property of the state therein.

Subd. 2. **Land exchange commission may concur.** In any case not otherwise provided for, the consent of the State of Minnesota to the acquisition by the United States of any land or right or interest therein, in this state desired for any authorized national purpose, with concurrent jurisdiction as defined in subdivision 1, may be given by concurrence of a majority of the members of the Land Exchange Commission created by the Constitution of the State of Minnesota, Article 8, Section 8, upon finding that such acquisition and the methods thereof and the exercise of such jurisdiction are consistent with the best interests of the state, provided application for such consent is made by an authorized officer of the United States, setting forth a description of the property, with a map when necessary for proper identification thereof, and the authority for, purpose of, and method used or to be used in acquiring the same. The commission may prescribe the use of any specified method of acquisition as a condition of such consent.

In case of acquisition by purchase or gift, such consent shall be obtained prior to the execution of any instrument conveying the lands involved or any interest therein to the United States. In case of condemnation, such consent shall be obtained prior to the commencement of any proceeding therefor.

[1943 c. 343 s. 1]

1.042 CONSENT OF STATE. Subdivision 1. Given for Certain Purposes. The consent of the State of Minnesota is hereby given in accordance with the Constitution of the United States, Article I, Section 8, Clause 17, to the acquisition by the United States in any manner of any land or right or interest therein in this state required for sites for customs houses, courthouses, hospitals, sanatoriums, post-offices, prisons, reformatories, jails, forestry depots, supply houses, or offices, aviation fields or stations, radio stations, military or naval camps, bases, stations, arsenals, depots, terminals, cantonments, storage places, target ranges, or any other military or naval purpose of the United States.

Subd. 2. **Jurisdiction ceded to United States.** So far as exclusive jurisdiction in or over any place in this state now owned or hereafter acquired by the United States for any purpose specified in subdivision 1 is required by or under the constitution or laws of the United States, such jurisdiction is hereby ceded to the United States, subject to the right of the state to cause its civil and criminal process to be executed on the premises, which right is hereby reserved to the state. When the premises abut upon the navigable waters of this state, such jurisdiction shall extend to and include the under-water lands adjacent thereto lying between the line of low-water mark and the bulkhead or pier-head line as now or hereafter established.

[1943 c. 343 s. 2]

1.043 JURISDICTION, WHEN TO VEST. The jurisdiction granted or ceded to the United States over any place in the state under section 1.041 or section 1.042 shall not vest until the United States has acquired the title to or right of possession of the premises affected, and shall continue only while the United States owns or occupies the same for the purpose or purposes to which such jurisdiction appertains as specified in those sections.

The certificate shall set forth a description of the property, the authority for, purpose of, and method used in acquiring the same, and the conditions of the jurisdiction of the state and the United States in and over the same, and shall declare the consent of the state thereto in accordance with the provisions of sections 1.041 to 1.048, as the case may require.
