79.03 EXPENSES; QUORUM; OFFICE; SESSIONS AND INVESTIGATIONS. The members of the board, other than the person appointed by the governor, shall serve without compensation other than that received in their regular position, except that they shall be paid from any moneys appropriated to the use of the board their expenses actually and necessarily incurred in performing their duties under sections 79.01 to 79.23. The majority of the board shall constitute a quorum for the transaction of business and the performance of the duties of the board. The board shall maintain an office at the state capitol, but it may hold sessions or conduct investigations at any place in the state other than the capitol when deemed necessary to facilitate the discharge of its duties.

Subpoenas or other process issued by the board shall be served as a summons in the district court. In case any witness shall fail to obey summons to appear before the board, or refuse to testify or answer any material question, or to produce records, books, papers, or documents when required so to do, such failure or refusal shall be reported to the attorney general, who shall thereupon institute proceedings in the proper district court to compel obedience to any summons or order of the board, or to punish witnesses for any such neglect or refusal.

79.07 INSURANCE RATES. To provide for the solvency of insurers writing workmen's compensation insurance in this state and to secure reasonable rates, the board shall approve a minimum, adequate, fair, and reasonable rate for each classification under which such business is written. In approving these rates, the board shall make findings in support thereof and make use of the experience which from time to time may be available and of such other helpful information as may be obtainable. For the purpose of uniformity and equality, the board, after consultation with insurers, shall approve a system of merit and experience rating for use in writing such business in this state. No other system of merit or experience rating shall be used in this state. Every insurer referred to in section 79.20 who issues participating policies shall file with the board a true copy or summary as the board shall direct of its participating dividend rates as to policy holders. If it appears at any time that reasonable doubt on the part of the board as to the proper classification or rate for any risk exists, such risk may be bound for insurance subject to rate and classification to be established therefor.

Not less than ten days notice of this review before the board shall be given to the parties interested in its findings or orders shall be made after a hearing before it and is subject to a review by a writ of certiorari brought in the supreme court. The board shall, upon not less than five days' notice to each member of the bureau, hold a hearing upon any such petition at which all members are entitled to be present and be heard. The board shall determine the matter and mail a copy of its decision to each member of the bureau. The decision of the board shall be final and binding upon all members of the bureau.
