All the rights, powers, and duties which, prior to the enactment of Laws 1925, Chapter 426, were vested in and imposed by law upon the commissioner of agriculture and all duties imposed by law upon the commissioner of dairy and food are hereby transferred to and vested in the commissioner of agriculture, dairy, and food, subject to the provisions and limitations of Laws 1925, Chapter 426.

[1925 c 426 art 7 s 1; 1929 c 387] (53-26, 53-27½)

17.03 POWERS AND DUTIES. Subdivision 1. **Development of agricultural industries.** The commissioner shall encourage and promote the development of agricultural industries, investigate marketing conditions affecting the marketing

of farm products, and assist farmers, producers, and consumers in the organization and management of cooperative enterprises and the cooperative marketing of farm products; advise and assist in the location and establishment of local markets when he determines that the public necessity or the welfare of the community requires such markets, provided he be satisfied that such markets will be successfully operated by a cooperative company or municipality. It shall be the duty of the department of agriculture, dairy, and food and the department of agriculture of the University of Minnesota to cooperate in all ways that may be beneficial to the agricultural interests of the state. It is intended that police and organizational powers in reference to agriculture shall be exercised by the state department of agriculture and that the department of agriculture of the University of Minnesota shall retain its present powers and duties relating to obtaining and disseminating agricultural information and conducting agricultural research, and shall retain custody of scientific collections.

Subd. 2. Statistics and information. The commissioner shall collect, compile, and supply statistics and information in regard to the agricultural products of the state and agricultural industries and, to attain this result, he shall cause to be made a complete farm census at least once in two years, and may do so annually if deemed advisable. He is authorized to have made and supplied to the auditors of the several counties suitable blanks to be used by the assessor in each precinct upon which to make the returns required by the commissioner; and, in cases where a county assessor is employed, these blanks may be supplied to such assessor, and the county and local assessors are hereby required, as a part of their duties, to fill out such blanks according to instructions. When these blanks, so filled out, are returned to the county assessor or to the county auditor they shall then be forwarded to the commissioner to be used by him to compile for distribution in suitable form to persons engaged in agriculture.

Subd. 3. Cooperation with federal agencies. The commissioner shall cooperate with the government of the United States, with financial agencies created to assist in the development of the agricultural resources of this state, and so far as practicable may use the facilities provided by the existing state departments and the various state and local organizations. This subdivision is intended to relate to every function and duty which devolves upon the commissioner.

17.11-17.13 [Repealed, 1955 c 92 s 3]

17.14 DEFINITIONS. Subdivision 1. **Terms.** Unless the language or context clearly indicates that a different meaning is intended, the terms defined in subdivisions 2, 3, and 4 shall, for the purposes of sections 17.15 to 17.19, and 17.24, be given the meanings subjoined to them.

Subd. 2. **Person.** "Person" means an individual, firm, copartnership, corporation, or association.

Subd. 3. **Farm products.** The term "farm products" means and includes butter, milk, cream, butterfat, cheese, other dairy products, honey, eggs, poultry, and all livestock and products of livestock such as wool, mohair, hides, and meats.

Subd. 4. **Bona fide competitor.** The term "bona fide competitor" means a duly licensed dealer in farm products maintaining a place of business in the same trade territory.

[1927 c. 252 s. 2; 1935 c. 100 s. 1; 1937 c. 420 s. 1] (6248-2, 10522-4)

17.15 DISCRIMINATION. Any person engaged in the business of buying any farm products for manufacture or sale thereof, who shall discriminate between different sections, localities, communities, cities, or villages, or between persons in the same community, in this state, by purchasing any farm products at a higher price or rate in one locality or from one person than is paid for farm products of the same kind, quality, and grade by such person in another section, locality, community, city, or village, or than is paid to another person of the same community, after making due allowance for the difference, if any, in the reasonable cost of transportation from the locality of purchase to the locality of manufacture or sale, or who shall fail to deduct reasonable transportation costs from the purchase price paid, or who shall fail to deduct the reasonable costs of hauling when such products are gathered by wagon or truck, or who shall pay or offer to pay in trade or in exchange for goods, wares or merchandise a higher price for such farm products than the cash price paid or offered to be paid for such farm products, shall be deemed guilty of unfair discrimination, which is hereby prohibited and declared to be unlawful: Wherever the transportation costs actually charged for hauling cream shall be two cents or more per pound for butterfat therein contained, and 15 cents per 100 pounds for transportation of whole milk, such charge shall be deemed a compliance with the terms of sections 17.14 to 17.19. It shall not be unfair discrimination for any person to pay, in any section, locality, community, city, or village, a price equal to that actually paid on the same day by any bona fide competitor in such place for farm products of the same kind and grade, provided such price is paid in good faith effort to meet such competition, and the burden of proving such facts shall be upon the defendant.

[1927 c 252 s 3; 1937 c 420 s 2; 1945 c 122 s 1] (6248-3)

17.16 PRIMA FACIE EVIDENCE OF DISCRIMINATION. Proof that any person has paid a higher price for any such farm products in one section, locality,

community, village, or city than in another, after due allowance for the cost of transportation has been made, shall be prima facie evidence of a violation of sections 17.14 to 17.19.

[1927 c. 252 s. 4] (6248-4)

17.17 COMPLAINTS; INVESTIGATIONS; PROSECUTIONS; FORFEITURES; INJUNCTIONS. If complaint be made to the commissioner that any person is guilty of unfair discrimination defined by section 17.15, he shall investigate such complaint and he may, upon his own initiative, investigate whether or not section 17.15 has been violated; and, in either event, for that purpose, he may subpoena witnesses, administer oaths, take testimony, and if, in his opinion, sufficient ground exists therefor, he may prosecute an action, in the name of the state, in the proper court, to annul the act of incorporation or the existence of a corporation engaged in such business practice. If any corporation is adjudged by any court guilty of unfair discrimination as defined by section 17.15, such court may vacate the charter or revoke the authority of such corporation to do business in this state and may permanently enjoin it from transacting business in this state.

[1927 c. 252 s. 6] (6248-6)

17.18 PROSECUTIONS INSTITUTED BY OTHERS. The authority hereby extended to the commissioner shall be considered as duties only and shall not be construed to preclude any prosecuting officer or any party interested from instituting proceedings, civil or criminal, for the enforcement of any of the provisions of sections 17.14 to 17.19.

[1927 c. 252 s. 8] (6248-8)

17.19 CONSTRUCTION. Nothing in sections 17.14 to 17.19 shall be construed as repealing any other act or part of any other act, unless inconsistent herewith, but the remedies therein provided shall be cumulative to all other remedies provided by law.

[1927 c. 252 s. 9; 1937 c. 420 s. 3] (6248-9)

(b) Payment of the inspection fee levied by paragraph (a) shall be made on the basis of semiannual tonnage reports subscribed and sworn to before a notary, or witnessed by a duly authorized agent of the department of agriculture, dairy, and food, and filed with the commissioner by the person to whom fertilizer registration is issued. The tonnage reports shall cover the semiannual periods ending June 30th and December 31st of each year and shall be filed with the commissioner not later than 30 days (which may be extended on valid reason therefor an additional 30 days, on written request to the commissioner) after the close of each semiannual period. Remittance to cover the inspection fee at the rate prescribed in (a) of this section shall accompany each tonnage report; provided also that each tonnage report shall grant to the commissioner or his authorized agent permission to verify the records upon which such statement of tonnage is based.

17.208 PHOSPHORIC ACID, SOLUBLE POTASH. No superphosphate containing less than 18 percent available phosphoric acid nor any mixed fertilizer in which the sum of the guarantees for the nitrogen, available phosphoric acid, and soluble potash totals less than 27 percent shall be offered for sale, sold or distributed in this state except for complete fertilizers containing one-fourth or more of their nitrogen in water-insoluble form of plant or animal origin, in which case the total nitrogen, available phosphoric acid, and soluble potash need not total more than 24 percent. If an acute fertilizer shortage should occur the commissioner shall have the authority to reduce the minimum requirement for mixed fertilizers for the duration of such shortage; provided that the provisions of this section shall not apply to specialty fertilizer which is clearly labeled for noncommercial use.

[1949 c 559 s 8]

17.209 HEARINGS. The commissioner may, in his discretion, hold a public hearing open to all interested parties, and with the cooperation of the director of the agricultural experiment station, prior to June 30th of each year or as nearly as practicable thereafter, promulgate a list of grades of mixed and specialty fertilizers adequate to meet the agricultural needs of the state. After this list of grades has been established, the commissioner may, with or without a public hearing, authorize the registration of additional grades.

sold by him in this state. Said statement shall include all sales for the periods of July 1st to and including December 31st and of January 1st to and including June 30th of each year. The commissioner may, in his discretion, cancel the registration of any person failing to comply with this section if above statement is not made within 30 days from date of the close of each period. The commissioner, however, in his discretion, may grant a reasonable extension of time. No information furnished under this section shall be disclosed in such a way as to divulge the operations of any person.

[1949 c 559 s 11]

(b) The commissioner may make and publish regulations governing the labeling and distribution of soil conditioners and of such liming materials as are sold for agricultural purposes, including: limestones (carbonates), slags (silicates), burned lime (oxides), and hydrated lime (hydroxides). Such products are not to be deemed fertilizers subject to the registration and tonnage fees stated in sections 17.201 to 17.209 and 17.211 to 17.218.

(c) The commissioner is further authorized to require the registration by manufacturers or jobbers of soil inoculants or products which are sold or distributed for such purposes. Any lot of commercial fertilizer not in compliance with the provisions of sections 17.202 to 17.209, and 17.211 to 17.218, shall be subject to seizure on complaint of the commissioner to a court of competent jurisdiction in the area in which said commercial fertilizer is located. In the event the court finds the said commercial fertilizer to be in violation of these sections and orders the condemnation of said commercial fertilizer, it shall be disposed of in any manner consistent with the character of the commercial fertilizer and the laws of this state. In no instance shall the disposition of said commercial fertilizer be ordered by the court without first giving the claimant an opportunity to apply

to the court for release of said commercial fertilizer or for permission to process or relabel said commercial fertilizer under supervision of the commissioner to bring it into compliance with these sections.

[1949 c 559 s 16]

17.218 EXCHANGES. Nothing in sections 17.202 to 17.209, and 17.211 to 17.218 shall be construed to restrict or avoid sales or exchanges of commercial fertilizers to each other by importers, manufacturers, or manipulators who mix fertilizer materials for sale or as preventing the free and unrestricted shipments of commercial fertilizers to manufacturers or manipulators who have registered their brands as required by the provisions of these sections.
