~~1 C 650 N 21-22~~ Subd. 2. Upon the death of a member before retirement who has had at least 20 years of credited allowable service, his surviving spouse shall be paid a deferred annuity in an amount equal to 75 percent of the members annuity computed on the basis provided in sections 353.29 and 353.30 not to exceed \$150 per month. This annuity shall be paid when such surviving spouse reaches the age of 62 and shall terminate upon remarriage. The surviving spouse has the option, if qualified, to receive the benefits provided in subdivisions 1 or 2 but not both.

~~1 C 650 N 23-24~~ Subd. 3. Where an annuitant dies after his retirement or after he has qualified for disability benefits, there shall be paid to his beneficiary or legal representative as the case may be, an amount equal to the annuity for the entire month in which death occurs plus a lump sum of \$250, if no optional or reversionary annuity was designated by the member.

member or former member does not apply for refundment within five years from the date of death of the member or former member, the accumulated deductions to his credit at the time of death shall be credited to and become a part of the retirement fund.

Subd. 3. If a member or former member dies without having designated a beneficiary, or if the beneficiary should die before making application for refundment of the sum to the credit of such deceased member or former member, and the amount of the refundment is \$500 or less, the retirement board may 90 days after the date of death of the member or former member in the absence of probate proceedings make payment to the surviving spouse of the deceased member or former member, or, if none, to the next of kin under the laws of descent of the state of Minnesota and such payment shall be a bar to recovery by any other person or persons. Any retirement allowance or annuity which shall have accrued at the time of death of an annuitant may be paid in like manner.

Subd. 4. 5/15/50 223 | 353.33 PERMANENT DISABILITY BENEFITS. Subdivision 1. Where any member becomes totally and permanently disabled after 10 years of credited allowable service or after age 50 whichever is sooner he shall be entitled to a disability benefit in an amount provided in subdivision 2. If such disabled person's public service has terminated at any time, at least five of the required ten years of credited allowable service must have been rendered after last becoming a member. If a disabled person receives disability benefits under the provisions of the federal Social Security Act, his benefits computed under subdivision 2 shall be reduced by the amount of disability benefits paid under the federal act. A total and permanent disability for the purposes of this section is one which results from some impairment of mind or body that substantially precludes a person from performing with reasonable regularity the substantial and material parts of any gainful work or occupation that he would be competent to perform were it not for that impairment, whose impairment is founded upon conditions which render it reasonably certain that it will continue indefinitely.

Subd. 2. If written application for disability benefit has not been filed with the board within 90 days from the commencement of disability, the annuity shall begin to accrue as of the day 30 days prior to the receipt of such application. If salary is being received for either annual or sick leave during said 30-day period, payments shall accrue from the date salary ceases. This benefit shall begin to accrue upon the expiration of 90 days following the commencement of disability unless the member is receiving salary for either annual or sick leave for a period of more than 90 days in which event payment shall accrue from the date salary ceased. This disability benefit is an amount equal to the normal annuity based on his age when disabled provided in sections 353.29 and 353.30 plus a supplementary monthly annuity computed in accordance with the following table:

Age when Disabled	Supplementary Annuity
Under 56	\$50
56	45
57	40
58	35
59	30
60	25
61	20

Subd. 3. A member shall be considered totally and permanently disabled after the board has received written certification by at least two licensed physicians selected by the board, that the member is totally and likely to be permanently disabled for the further performance of the duties of any assigned position in the service of the employer, and upon consideration of the report of such physicians and such other evidence as shall have been presented to it by the member or others interested therein, the board finds the member to be totally and permanently dis-

abled, it shall grant him a disability allowance upon written certification from the employer that the member has been separated from the service of the employer because of total disability of such nature as to reasonably prevent further service for the employer, and as a consequence is not entitled to compensation from the employer. The fact an employee is placed on leave of absence without compensation because of disability shall not bar him from receiving a disability allowance. Any person receiving a disability benefit shall not be required to undergo a medical examination after reaching the age of 65.

Subd. 4. The disability benefit shall be reduced by any amounts received or receivable by a member from the employer under applicable workmen's laws.

Subd. 5. At least once each year during the first five years following the allowance of a disability annuity to any member, and at least once in every three-year period thereafter, the board shall require the disability annuitant to undergo a medical examination to be made at the place of residence of the annuitant, or at any other place mutually agreed upon, by a physician or physicians engaged by the board. If any examination indicates that he is no longer physically or mentally incapacitated for service, or that he is engaged or is able to engage in a gainful occupation, payments of the disability benefit by the fund shall be discontinued as soon as he is reinstated to the payroll following sick leave, but in no case shall payment be made for more than 60 days after physicians engaged by the board find the annuitant is no longer incapacitated for service.

Subd. 6. Should such disabled annuitant resume a gainful occupation and his earnings are less than his salary at the date of disability or the salary currently paid for similar positions, the board shall continue the disability benefit in an amount which when added to such earnings does not exceed his salary at the date of disability or the salary currently paid for similar positions whichever is lower.

Subd. 7. Should any such disabled annuitant refuse to submit to a medical examination as herein provided, payments by the fund shall be discontinued, and all rights of the member in any disability annuity shall be revoked by the board.

Subd. 8. Any disabled annuitant who is restored to active service shall have deductions taken for the retirement fund and upon subsequent retirement have his retirement allowance based upon all allowable service including that upon which the disability allowance was based. No person shall be entitled to receive disability benefits and retirement benefits at the same time.

~~450 29~~ 353.34 TERMINATION OF PUBLIC SERVICE. Subdivision 1. Any member who ceases to be a public employee by reason of termination of public service, shall be entitled to a refundment provided in subdivision 2, or a deferred retirement annuity as provided in subdivision 3. Application for refundment may be made no sooner than 90 days after the termination of public service if the applicant has not again become a public employee.

~~4630 47~~ Subd. 2. Except as provided in subdivision 1, any person who ceases to be a public employee shall receive a refundment in an amount equal to his accumulated deduction without interest.

~~4650 48~~ Subd. 3. Any person with more than ten years of credited allowable service when such termination occurs may at his option leave his accumulated deductions in the fund and thereby be entitled to a deferred retirement annuity commencing at age 65. This annuity shall be computed in the manner provided in section 353.29 on the basis of allowable service prior to termination of service. Application for the accumulated deduction left on deposit with the fund may be made at any time after 90 days following the date of his termination of service.

~~4750 49~~ Subd. 4. Former members who hold numbered certificates of deferred annuity and who again become members of the retirement association shall surrender such certificates and shall be entitled to full credit for the service covered by the surrendered certificates. Former members who hold numbered certificates of deferred annuity may surrender them at any time prior to receiving an annuity and receive a refundment of their accumulated deductions upon application. Membership in the retirement association of any person shall terminate upon his ceasing to be a "public employee" whether by resignation, dismissal or termination of temporary or provisional appointment.

~~353.35~~ **353.35 RESTORATION OF RIGHT AND BENEFITS.** When any member accepts a refundment provided in section 353.34, all existing service credits and all rights and benefits to which the member was entitled prior to the acceptance of such refundment shall terminate and shall not again be restored until the former member acquires not less than five years allowable service credit subsequent to taking his last refundment. In that event he may repay all refundment taken plus interest at four percent per annum compounded annually. If more than one refundment has been taken, all refundments must be repaid with interest at four percent per annum compounded annually.

~~353.36~~ **353.36 PAYMENTS IN LIEU OF SALARY DEDUCTIONS.** Subdivision 1. After June 30, 1958, no member shall be entitled to make payments in lieu of salary deductions to the retirement board to receive credit for any period of service prior to that date for which employee contributions were not deducted from his salary. Prior to that date credit for such service may be received in the manner provided in this section. After that date credit can only be received for services rendered for which employee contributions are made as a deduction from salary, except as provided in section 353.40.

Subd. 2. From July 1, 1957 until June 30, 1958, any member may make payments to receive credit in any case where these payments were authorized by Minnesota Statutes 1953, Chapter 353, as amended by Laws 1955, Chapter 815. The amount of these payments however, shall be six percent of the average salary for each year for which credit is sought. The member shall pay in addition interest at the rate of four percent per annum compounded annually from the year of service purchased to the date payment is made. The retirement board may make any agreement with the member it deems proper, providing for installment payments if the member cannot pay the amount due before the cut-off date. The employing governmental subdivision shall match all payments made pursuant to this subdivision. Any governmental subdivision which desires to make the employer contribution herein provided, is hereby authorized to appropriate money for such purpose. These installment payments shall be paid in full within five years.

Subd. 3. Before July 1, 1957, any member may make payments to the retirement board to receive credit in any case where the payments were authorized by Minnesota Statutes 1953, Chapter 353, as amended by Laws 1955, Chapter 815. The retirement board may make any agreement with the member it deems proper, providing for installment payments if the member cannot pay the amount due before the cut-off date. The amount of payment and interest rate charged to the member shall be as provided in Minnesota Statutes, Chapter 353, as amended by Laws 1955, Chapter 815.

~~353.37~~ **353.37 LIMITATIONS ON ELIGIBILITY FOR RETIREMENT BENEFITS.** A person otherwise eligible for retirement benefits under this chapter may not receive or be paid an annuity if he (a) re-enters public service as an officer or employee of a political subdivision, or becomes a state employee as defined in Chapter 352 if such service exceeds 60 days in any 12 consecutive months, or (b) he is receiving any other retirement benefit or pension authorized by law for public employees or state employees, if contributions therefor had been required from that person and if any period of public service required for benefits under this chapter was requisite in establishing eligibility for this other retirement benefit or pension. The monthly annuity payment is suspended during ineligibility of any person by reason of this subdivision. Payment for a full month is suspended for any portion of a month in which this ineligibility exists. Upon proper showing by an annuitant that this ineligibility no longer exists the retirement board shall order that the monthly annuity payments be resumed. Public service performed by any annuitant subsequent to his application for a retirement annuity under this chapter does not increase or decrease any benefit when payments thereof are resumed. The annuitant is not required to make any further contributions to the retirement fund by reason

Such member shall obtain such credit by paying into the fund an employee contribution based upon his salary at the date of return from military service. The amount of this contribution shall be six percent of his salary not to exceed \$4,800 in any fiscal year plus interest at four percent per annum compounded annually. In such cases the matching employer contribution and additional contribution provided in section 353.27 shall be paid by the department employing such member upon his return to public service and the governmental subdivision involved is hereby authorized to appropriate money therefor and such contributions shall be made at the time and in the manner provided in section 353.27.

353.40 ANNUAL LEAVE. Any person whose service with any governmental subdivision has terminated and who has been paid for any unused portion of his annual leave allowance, the unused portion of his annual leave for which he was so paid shall be deemed allowable service if no refundment is taken. If application for refundment is made, the last working day is deemed the date public service terminates and credit for such service ceases on that date.

[1957 c 935 s 20]

~~C650~~ ~~353.41~~ **YEAR OF ALLOWABLE SERVICE.** Year of allowable service is deemed any 12 calendar months not necessarily consecutive in which a member received compensation from the governmental subdivision or was eligible to credit for service. In the event the former member should return to public service the amount so credited to the retirement fund shall be restored to his individual account.

353.44 UNCLAIMED ANNUITIES RETURNED TO FUND. Subdivision 1. Any retirement allowance or annuity which is payable after the death of an annuitant shall be paid to the beneficiary whom the annuitant had last designated. If no beneficiary has been so designated, or, if the designated beneficiary should die before making claim for payment of such retirement allowance or annuity, and if there is no surviving spouse, and if the legal representative of such annuitant does not make such claim within five years, the amount of the retirement allowance or annuity payable to him at the time of his death shall be credited to and become a part of the retirement fund.

Any retirement allowance or annuity payable at the time of death of an annuitant, which is payable to a beneficiary who is a minor, may be paid in the same manner and such payment shall be a bar to recovery by any other person or persons.

353.53. **RETIREMENT BENEFITS.** Subdivision 1. The retirement annuity hereunder shall be computed in accordance with the applicable provisions of the formula stated in subdivision 2 hereof on the basis of each member's average salary for the period of his allowable service.

(a) For years prior to July 1, 1957, average salary for the purpose of determining a member's retirement annuity means the amount equivalent to the average of his highest salary upon which deductions are based for any five consecutive years prior to that date.

(b) For each year subsequent to June 30, 1957, "average salary" of a member for the purpose of determining his retirement annuity means his salary not exceeding in any one year \$4,800 and for which he had made contribution to the retirement fund by payroll deductions.

Subd. 2. The average salary, as defined in subdivision 2(a) and (b), of any member multiplied by the applicable percentages indicated below shall determine the amount of the annuity to which the member qualifying therefor is entitled:

Years of Allowable Service:	Percentages at the Rate of:
(a) First ten years	5/8 of 1 percent per year of service.
(b) Second ten years of completed months of service less than such period	5/8 of 1 percent per year of service.
(c) Third ten years of completed months of service less than such period	1.66 percent per year of service.
(d) Subsequent years of completed months of service less than such period	1.75 percent per year of service.

Subd. 3. When any person retires who, on July 1, 1957, had ten or more years of allowable service as a member and who does not qualify for old age and survivors primary benefits, he shall have the option to receive the annuity provided in subdivisions 1 and 2 or the annuity provided in Minnesota Statutes 1953, Chapter 353 as amended by Laws 1955.

Subd. 4. When any person retires who, on July 1, 1957, has ten or more years of allowable service as a member, he shall receive in addition to the annuity provided in subdivisions 1 and 2, an amount which when added to his old age survivors insurance primary benefit equals the annuity he would have received under Minnesota Statutes 1953, Chapter 353, as amended by Laws 1955.

[Ex1957 c 20 s 3]

353.54 **OPTIONAL RETIREMENT ANNUITIES.** The retirement board shall establish optional annuities at retirement which shall take the form of an annuity payable for a period certain and for life thereafter; or as a joint and survivor annuity. Such optional forms shall be actuarially equivalent to the normal forms. [Ex1957 c 20 s 4]

353.55 **RETIREMENT BEFORE BECOMING ELIGIBLE FOR SOCIAL SECURITY.** Any member who retires before he is eligible for social security retirement benefits may elect to receive retirement benefits from the association in an amount greater than his annuity computed on the basis of his age when he retires, provided in section 353.53. He shall exercise this option by making application to the board on a form provided by the board. This greater amount shall be the actuarial equivalent of the member's retirement annuity computed on the basis of his age when he retires. This greater amount shall be paid until the member reaches the age of 65, at which time the payment from the association shall be reduced. These annuities provided in this section shall be computed by an approved actuary.
