#### CITIES FOURTH CLASS

**423.21 POLICE RETIREMENT FUND IN CERTAIN CITIES OF THE FOURTH CLASS.** Subdivision 1. **Established.** Any city of the fourth class now or hereafter having property, exclusive of money and credits, of an assessed valuation of more than \$4,000,000, may, at the discretion of the city council or other governing body, establish and provide by ordinance for the accumulation, administration, and distribution of a police pension fund, or for the payment direct from current funds of pensions, for the benefit of all police officers retired or honorably discharged at or after reaching the age of 65 years, the last preceding 25 years of which time has been or shall have been spent as a police officer in the service of such municipality. No such pension shall in any case exceed 40 percent of the salary of such officer at the time of retirement, nor in any case exceed \$600 per year, nor in any case be paid after the death of such officer to any dependent or other person whomsoever, nor be subject to garnishment, attachment, or other legal process.

Subd. 2. **Tax levy.** To provide funds for the payment of such pensions the city council or other proper authority may levy a tax of not more than one-fifth of one mill on all the taxable property of such municipality, and may provide for the use, for these purposes, of some portion of the fines and penalties collected by the municipality from time to time.

[1929 c. 278] (1828-16½)

**423.22 APPLICATION.** Sections 423.22 to 423.36 shall apply to every city of the fourth class having an assessed valuation of more than \$8,000,000, in which the council shall have or hereafter may have adopted, by majority vote, a resolution electing to come under the provisions thereof. In the event any city shall at any time come under the terms of sections 423.22 to 423.36 it shall continue thereunder notwithstanding any subsequent change in classification or valuation.

[1935 c. 170 s. 1] (1828-16¼)

**423.23 POLICE DEPARTMENT MAY INCORPORATE.** The police department in any city of the fourth class is hereby authorized to become incorporated pursuant to the provisions of any laws of the state and to adopt articles of incorporation and by-laws as a relief association. All members of the department at the time of the taking effect of Laws 1943, Chapter 170, and all persons subsequently becoming members of such department shall be members of the association, except municipal court officers and persons appointed for temporary service or for probationary periods. For the purpose of sections 423.22 to 423.26 no employment after six months shall be considered temporary or probationary. All such members of the department shall be assessed for entrance fee and dues of the association, as fixed by its by-laws, which with the assessment authorized by section 423.34, shall, when certified by the secretary of the association to the city clerk, be deducted from the pay of such member and paid into the proper fund of the association.

[1935 c. 170 s. 2; 1943 c. 116 s. 1] (1828-16¼a)

**423.24 TERMINATION OF MEMBERSHIP.** Every person shall cease to be a member of the association upon the termination, from any cause, of his employment

in the police department, except as he may be entitled to receive benefits under sections 423.22 to 423.36 or under the by-laws of the association subsequent to such termination.

[1935 c. 170 s. 3] (1828-16½b)

**423.25 RETIREMENT PENSION.** When any member of the association reaches the age of 50 years he may retire and shall thereupon be entitled to a pension as long as he lives at the following rates:

(1) \$100 per month when such member shall have served as a member of said police department for a period of 20 years or more, excluding temporary employment or probationary periods.

(2) An additional \$5 per month for each year of service over 20 that said person may have served as a member of such police department after the age of 50 years. The total amount of pension hereunder shall in no event exceed \$150 per month.

(3) In the event such member shall retire after reaching the age of 50 years, and after having been a member of said department for at least ten years but before having served 20 years in said department, the amount of pension which he shall receive shall be that proportion of \$100 per month which the years of service in said department prior to retirement bear to 20 years, major fractions of years of service to be treated as one year and minor fractions to be disregarded.

(4) In no event shall temporary employment or employment for probationary periods be considered in computing pension allowance hereunder.

(5) In the event any member shall terminate his employment with said police department after having served 20 years or more and before such member has reached the age of 50, he may continue as a member of said association, notwithstanding that he is no longer a member of said police department, and upon reaching the age of 50 years, shall be entitled to a pension at the rate of \$100 per month; provided that in such event such member shall contribute each month after said termination of employment, and until reaching the age of 50 years, to the pension fund of said relief association a sum of money equal to three and one half percent of the then average monthly pay of members in said department holding the rank held by said member at the time of the termination of employment. Such member shall within 60 days thereafter pay into said association for the pension fund the monthly instalments herein provided for the period between his termination of employment and the time of the first payments. Thereafter, in the event said member shall default in the payment of such monthly assessments and such default shall continue for a period of six months, all rights hereunder shall cease. In the event that any member of the police department and of the relief association, regardless of his age, becomes totally disabled from performing any kind of work, labor, or services after he has served as a member of the police department for at least ten years and shall have been discharged or shall have resigned from the police department by reason of disability, he shall be entitled to and paid a pension from the pension fund of the association, the amount of which shall be that proportion of \$150 per month which the years of service in the department prior to retirement bear to 25 years, major fractions of years to be treated as one year and minor fractions to be disregarded.

No such pension for disability shall commence until the association shall have been furnished with satisfactory proof as to the applicant's age, his years of service in the department, and of his disability and causes thereof. The applicant must submit himself to examination by the official physician of the association and to such other doctor as the association may direct and submit to such examination as often as requested by the association, the cost of which is to be paid by the association out of the pension fund. The applicant may submit reports as to his disability from other doctors at his own expense, to the association for consideration but the report of the official physician of the association is the basis upon which the association decides upon the allowance of the disability pension and computes the amounts thereunder. No such pension shall be paid to any person who is receiving compensation under the workmen's compensation act for injury causing such disability.

The association shall have the right to cancel or suspend any pension or reduce the amount thereof during such time as the person otherwise entitled thereto is receiving a pension in any form from any municipal or other subdivision of the

state or is regularly receiving income from a business or employment. No pension shall be reduced below the amount which, when added to the income from the other pension, business, or employment, equals the monthly pension to which the person would otherwise be entitled.

[1935 c 170 s 4; 1943 c 116 s 2; 1953 c 376 s 1] (1828-16%*c*)

**423.26 RETIREMENT AGE.** Retirement at the age of 50 years shall not be compulsory, but when such member shall have reached the age of 65 years the police civil service commission, if one exists in such city, or, if not, the board or commission charged with the administration of the department of police in the city shall have the right to insist upon the retirement of such member at the age of 65 years, regardless of the provisions of any civil service laws.

[1935 c 170 s 5; 1953 c 376 s 2] (1828-16%*d*)

**423.27 TAX LEVY FOR FUND.** For the support of the fund from which such pensions are paid the council or other governing body of such city shall each year, at the time the tax levies are made for the general revenues of the city, levy within the limits then permitted by law, a tax on all taxable property of such city in the sum of \$10,000 per annum, which levy shall be transmitted to the auditor of the county in which the city is located at the time the other tax levies are transmitted and shall be collected and the payment enforced in the same manner as other taxes of the city. In addition thereto, each member of the association shall be required to contribute to such fund each month one per cent of his monthly pay, such sum to be deducted at the time of the payment of his salary or wages by the city and transferred to such fund. In addition thereto, such relief association may transfer to such fund moneys raised from other sources and under the control of such association.

[1935 c. 170 s. 6] (1828-16%*e*)

**423.28 TAX LEVIES OMITTED, WHEN.** If at any time the balance on hand in such fund, together with interest or other earnings accrued therein, exceeds the sum of \$50,000 then as often as this shall occur the levy of taxes for the fund shall be omitted for that year, and if at any time the whole amount of \$10,000 from taxation is not needed for the maintenance of the fund at \$50,000 then the sum to be raised by taxation shall be proportionately reduced to such amount as will be sufficient to keep the fund at \$50,000 or more.

[1935 c. 170 s. 7] (1828-16%*f*)

**423.29 OFFICERS.** The articles of incorporation or bylaws of such relief association shall provide for a board of directors to consist of five members, from whom there shall be elected by the board officers to consist of president, vice-president, secretary, and treasurer. The mayor or principal executive officer of the city and the city treasurer shall, ex officio, be members of the board, in addition to the five members also provided for. Members of the board and the officers thereof shall hold office for such time as may be provided in the articles of incorporation or by-laws of the association.

[1935 c. 170 s. 8] (1828-16%*g*)

**423.30 POLICE PENSION FUND.** The city treasurer shall be the custodian of all funds of the relief association. All moneys raised by taxation as provided under sections 423.22 to 423.36 shall be paid and all other funds of the association shall be paid to the city treasurer and kept by him in a separate fund called the police pension fund. Upon the written direction of the board of directors of the association, the city treasurer shall invest these funds in such interest-bearing securities as are specified, from time to time, by the board of directors; provided, that the same shall be such securities as may be prescribed, from time to time, by the laws of Minnesota as permissible investments for trust funds of the State of Minnesota by the state board of investment, except that, in addition thereto, such funds may be invested in first mortgages upon improved real estate located in the city.

[1935 c. 170 s. 9] (1828-16%*h*)

**423.31 REPORT OF BOARD OF DIRECTORS.** The board of directors of the association shall file annually, on or before the first day of September, with the clerk of the city, a detailed report of the amount of money received, expended, and remaining on hand to the credit of the fund. The books and records of the board

shall be open to inspection and audit by any taxpayer of the city, or his duly authorized representative, and shall be audited with other books and records of the city at the time of the making of any general city audit.

[1935 c. 170 s. 10] (1828-16½i)

**423.32 EXPENSES.** Actual expenses in connection with the making of investments may be paid from the fund upon authorization by the board of directors, but no salaries or fees shall be paid to any officer or agent therefrom.

[1935 c. 170 s. 11] (1828-16½j)

**423.33 DEDUCTIONS FROM PAY WHEN REPAID.** When a member of the association shall cease to be a member of the department for any reason other than death or retirement, he shall be paid, on demand, the full amount of accumulated deductions from pay standing to his credit. When any member shall die without having received a pension or without having received in pension payments, an amount equal to the total amount of the accumulated deductions from his salary as provided for in sections 423.22 to 423.36, the full amount of those accumulated deductions, less such pension payments, if any, as have been paid to the member, shall be paid in one lump sum to the beneficiary designated by such member or, if none, to the legal representatives of such member. If no valid claim is established therefor, such accumulated dividends shall remain with and become the property of the association. No member shall be entitled to interest upon deductions under the provisions of this section.

[1935 c. 170 s. 12] (1828-16½k)

**423.34 HEALTH AND ACCIDENT BENEFITS.** In addition to the pension fund and pension payments provided under sections 423.22 to 423.36, the relief association may, by proper by-laws, provide for the payment of additional health or accident benefits to members of the association and to widows or dependents of deceased members thereof. For the payment of such additional benefits such relief association may assess all members of the police department an additional amount not to exceed two and one-half per cent of the monthly pay of such members. The plan and schedule of such benefits and the amount of such additional assessments upon members must be approved by a majority vote of the members of the department and may be changed by a majority vote of the members. Such additional payments shall be made from a fund to be known as the police relief fund, which shall be kept separate from all other funds of the city and separate from the police pension fund. Such police relief fund shall not be supported by taxation, but shall be supported by these additional assessments and in such other ways as the bylaws of the association may, from time to time, provide.

[1935 c. 170 s. 13] (1828-16½l)

**423.35 LIMITATIONS.** No pension payments shall be made under sections 423.22 to 423.36 to any person while he is in the employ of the city in any capacity or while he is an employee of the state, or while he is receiving a pension from any public funds; provided, if any such person is in the employ of the city or of the state, or is receiving pension from any public funds, and the amount of his monthly compensation or pension is not equal to the monthly pension to which he is entitled under sections 423.22 to 423.36 the difference shall be paid to him.

[1935 c. 170 s. 14] (1828-16½m)

**423.36 MEMBERSHIP.** Members of such relief association shall not be compelled to become members of the municipal employees retirement association established by section 422.46, and if already members of the association shall, upon the establishment of the relief association under sections 423.22 to 423.36, cease to be members thereof and shall be entitled to receive from such association the amount of accumulated deductions of pay contributed to the association in the same manner as they would be entitled thereto upon ceasing to be employees of the municipality.

[1935 c. 170 s. 15] (1828-16½n)

This association shall create, maintain, and administer a policemen's pension fund for the benefit of its members, the widows and children of its members, and

All such associations now existing as such corporations, or hereafter incorporated under the laws of this state, shall have perpetual existence. Upon the adoption of such a resolution, Laws 1947, Chapter 625, shall apply to all accepting associations as fully as though such associations had been formed hereunder, notwithstanding the provisions of any constitution, by-laws, charter provision, or ordinance.
