[1937 c. 287 s. 2] (1933-69)

471.28 MUNICIPAL PLANNING. Subdivision 1. **May lay out streets.** The governing body of any such municipality may provide for the future laying out of streets outside of platted territory and extending across unplatted territory within the corporate limits of such municipality. When it is thus desired to extend or reserve any lands for streets or other public use which are not yet dedicated to public use by platting or otherwise, or to provide for the future widening and improvement of an existing street or highway, the council shall direct the engineer of the municipality or other competent person to prepare a map of such platted or unplatted district indicating the proposed future extension or widening of existing streets of the municipality within such existing platted and developed territory or across such unplatted territory upon such map. After such map has been prepared and filed with the governing body of the municipality, it shall be adopted and published as the official map of that portion of the municipality. No such map shall be adopted or have any effect until approved by resolution duly adopted by the governing body of the municipality after a public hearing held at least ten days after a public notice thereof is given in a legal newspaper published in that municipality.

Subd. 2. Adoption of map. After such map has been filed with the register of deeds as provided in section 471.323, whenever any street or highway is widened or improved or any new street is opened, or lands for other public purpose are acquired by action of the municipality, it shall not be required in such proceedings to pay for any building or structure placed without a permit or in violation of conditions of a permit after the filing of such map within the limits of the mapped street or outside of any building line that may have been established upon the existing street or within any area thus reserved for public purposes. If a permit for a building in such location is denied, the board of zoning appeals or, if there is none, a special board of appeals which may be created for the purpose by the governing body, shall have the power, upon an appeal filed with it by the owner of any such land, to grant a permit for a building in such location in any case in which the board finds, upon the evidence and the arguments presented to it upon such appeal (a) that the entire property of the appellant, of which such reserved street location forms a part, can not yield a reasonable return to the owner unless such permit is granted, and (b) that, balancing the interest of the municipality in preserving the integrity of the official map and of the municipal plan and the interest of the owner of the property in the use of his property and in the benefits of the ownership thereof, the grant of such permit is required by considerations of reasonable justice and equity. Before taking any such action the board of appeals shall give a hearing at which the parties in interest shall have an opportunity to be heard. At least 15 days' notice of the time and place of such hearing shall be given to the appellant by mail at the address specified by the appellant in his appeal petition and shall be published in a legal newspaper published in the municipality. If the board of appeals grants a building permit in any such appeal, it shall specify the exact location, ground area, height, and other details as to the extent and character of the building for which the permit is granted. The adoption of the map shall not give the municipality any right or interest in such unplatted streets or other reserved areas except the right to secure the streets or lands indicated by the usual methods, but without the payment of compensation for any such improvement constructed without a permit or in violation of conditions of a permit upon the bed of the mapped street thereafter or outside of the established building line or within the reserved areas as herein provided.

Any city, village, or borough is also authorized by resolution to approve such plats of land located within two miles of its limits in any direction and not in a town which has elected to require the approval of plats under this act, provided that where two or more municipalities have contiguous territory or are situated with their boundaries less than four miles apart, each shall have control of the platting of land equidistant from its boundaries within this two-mile radius. After the adoption of platting regulations consistent with a city plan adopted pursuant to the provisions of sections 471.26 to 471.33, approval may be denied if the proposed plat fails to conform to the plan or with any reasonable regulation of the municipality applicable thereto. No plat shall be

filed or accepted for filing unless it is accompanied by a certified copy of the resolution approving it or accepting it as being in accord and conformity with any plans or regulations as herein specified. A copy of this resolution shall be supplied to the applicant.

Subd. 2. Description in conveyance. In any municipality in which such platting regulations are in force, no conveyance of land in which the land conveyed is described by metes and bounds or by reference to a plat made after such regulations become effective which is not approved as provided in subdivision 1 shall be made or recorded if the parcel described in the conveyance is less than two and one-half acres in area and 150 feet in width unless such parcel is a separate parcel of record at the time of the adoption of Laws 1945, Chapter 287, or of the adoption of platting regulations under Laws 1945, Chapter 287, whichever is the later, or unless an agreement to convey such smaller parcel has been entered into prior to such time and the instrument showing the agreement to convey is recorded in the office of the register of deeds within one year thereafter. In any case in which compliance with the foregoing provision will involve an unnecessary hardship and failure to comply does not interfere with the purpose of such platting regulations, the governing body may waive such compliance by adoption of a resolution to that effect with the consent of the planning commission, if there is one, and the conveyance may then be recorded. Any owner or agent of the owner of land who conveys a lot or parcel in violation of the foregoing provision shall forfeit and pay to the municipality a penalty of not less than \$100 for each lot or parcel so conveyed. A municipality may enjoin such conveyance by action for injunction or may recover such penalty by a civil action in any court of competent jurisdiction.

Subd. 3. Published notice. When a copy of any plat is filed with a municipality for approval, published notice shall be given of a public hearing to be held within 30 days thereafter, in a newspaper published in that municipality or in the county if there is no newspaper published in the municipality. At such hearing all persons interested therein may be heard and the council may thereafter approve or disapprove the plat. Such approval or disapproval shall be given not more than 60 days after the filing of any plat with a formal request for its approval. The grounds for any refusal to approve a plat shall be set forth in the proceedings of the council and reported to the person or persons applying for such approval. Plats after approval, may then be recorded as now provided by law.

In considering requirements for the location and width of streets, the municipality shall take into consideration the prospective character of the development and make any reasonable requirements therefor.

As a condition precedent to the approval of the plat of lands located within the corporate limits of the municipality, the governing body may prescribe requirements of the extent to which and the manner in which streets shall be graded and improved, and water, sewer, and other utility mains, piping, connections, or other facilities shall be installed. The governing body may provide that, in lieu of the completion of such work before the final approval of a plat, the governing body may accept a bond, in an amount and with such surety and conditions satisfactory to it, providing for the securing to the municipality the actual construction and installation of such improvements and utilities within a period specified by the governing body and expressed in the bond; and the municipality is hereby granted the power to enforce such bonds by all appropriate legal and equitable remedies.

In appropriate plots of subdivisions to be developed for residential uses the governing body of any municipality shall have the power to approve the same as herein provided, and may require that a portion of such land of sufficient size and character be set aside and dedicated to the public for public use as parks and playgrounds.

Subd. 2. Charter limitation on expenditures not to apply. This section shall not apply to any school district in a city of the first class which constitutes one single school district.

As soon as practicable after the beginning of each calendar year, the clerk or other recording officer of any municipality described in this section shall present to the governing body of his municipality a statement of tax collections and other income excluding gifts credited to each fund of his municipality during each of the three previous fiscal years and the yearly average thereof. [1957 c 773 s 1]

471.71 DEFINITIONS. Subdivision 1. **Terms.** For the purposes of sections 471.71 to 471.83 the terms defined in this section shall have the meanings ascribed to them unless the context otherwise requires.

Subd. 2. **Municipality.** "Municipality" includes cities, villages, towns, and school districts.

Subd. 3. **City, village, town, school district.** "City," "village," "town," or "school district," include only those of the class made subject to sections 471.71 to 471.83 by sections 471.72 and 471.73.

(1) In the case of a city, the charter or law under which it is organized provides for a fiscal year differing from the calendar year; in the case of a school district, the books of account are kept on the basis of a fiscal year differing from the calendar year;

(2) The governing body of such city or school district shall have adopted a resolution determining that its operation under sections 471.71 to 471.83 shall be on the basis of such fiscal year and giving the date of the beginning of that year.

[1943 c 526 s 1, subd (a); 1951 c 63 s 1]

471.72 APPLICATION; PURPOSE. Sections 471.71 to 471.83 apply to all cities, villages, towns, and school districts in which more than 50 percent of the assessed valuation of taxable real and personal property, excluding money and credits, consists of unmined iron ore. Their purpose is to secure sound fiscal policies in, and remedy the financial condition of, municipalities, a large proportion of the property of which consists of a diminishing natural resource in which the state has a substantial interest.

[1943 c 526 s 1, subd (c); 1951 c 63 s 2]

471.73 ACCEPTANCE OF PROVISIONS. In the case of any city within the class specified in 471.72 having an assessed valuation, as defined in section 471.72, in excess of \$9,000,000; and in the case of any village within such class having an assessed valuation, as defined in section 471.72, of less than \$1,100,000; and in the case of any village within such class which is governed by Laws 1933, Chapter 211, or Laws 1937, Chapter 356; and in the case of any village within such class which is governed by Laws 1929, Chapter 208, and has an assessed valuation of less than \$20,000,000; and in the case of any school district within such class having an assessed valuation, as defined in section 471.72, of more than \$13,000,000; and in the case of all towns within said class; sections 471.71 to 471.83 apply only if the governing body of the city or village, the board of the school district, or the town board of the town shall have adopted a resolution determining to issue bonds under the provisions of sections 471.71 to 471.83 or to go upon a cash basis in accordance with the provisions thereof.

[1943 c 526 s 1, subd (b); 1951 c 63 s 3]

471.74 BONDS TO RETIRE UNFUNDED INDEBTEDNESS. Subdivision 1. If any such municipality, prior to January 1, 1943, (or, in the case of municipalities

referred to in section 471.73, prior to January 1 of the year preceding the adoption of the resolution referred to in section 471.73) has incurred by proper authority a valid unfunded indebtedness in excess of its cash on hand not specifically set aside for the retirement of bonds and interest thereon, it may, for the purpose only of paying and discharging such indebtedness and interest thereon, issue its bonds in the manner now provided by law, except that such bonds may be issued by vote of the governing body without a vote of the electors. The purchasers of such bonds shall not be charged with notice of the invalidity of any indebtedness, and bonds issued under sections 471.71 to 471.83, in the total amount of such indebtedness as determined by resolution of the governing body, in the hands of any purchaser, shall be valid obligations of the municipality notwithstanding any claim of invalidity of any indebtedness funded thereby. If any money received from taxes payable, or local income received, in 1943 (or, in the case of municipalities referred to in section 471.73, in the year of the adoption of the resolution referred to in section 471.73) have been used prior to the issuance of bonds authorized by sections 471.71 to 471.83 for the retirement of indebtedness which could have been funded under sections 471.71 to 471.83, the bonds issued under such sections may include the amount of such payments for the purpose of reimbursing the funds from which such moneys were paid.

Subd. 2. The governing body of any municipality issuing bonds under sections 471.71 to 471.83 shall, at the time of the issuance thereof, by resolution, provide for a levy of taxes for the payment thereof, such levy to be in accordance with the provisions of Minnesota Statutes, Chapter 475. Levies for the payment of these bonds shall be within the limitations upon tax levies for the payment of funding bonds in the particular municipality issuing the bonds. Such levies shall be subject to the provisions of Minnesota Statutes, Sections 275.10, 275.11, 275.12, 275.13, 275.31, and 275.35, to the extent that these sections are applicable to the municipality issuing such bonds. In all cases the levies for these bonds shall be spread by the county auditor in full and the levy of the municipality for other purposes shall be reduced, if necessary, so that the total amount levied for the municipality does not exceed said limitations.

Subd. 3. Such bonds may be issued and sold to the State of Minnesota pursuant to existing laws at the time of the issuance thereof, except as herein modified, or to private purchasers, or to both.

[1943 c 526 s 2; 1951 c 63 s 4]

471.741 BONDS, CERTAIN SCHOOL DISTRICTS. Any school district in which more than 50 percent of the assessed valuation of taxable real and personal property consists of iron ore and which is not now subject to the provisions of Minnesota Statutes 1953, Sections 471.71 to 471.83, inclusive, shall be subject to the provisions thereof as of January 1, 1958. If any such district has incurred prior to January 1, 1957, a valid unfunded indebtedness in excess of its cash on hand not specifically set aside for the retirement of bonds and interest thereon and not representing the unobligated portion of the proceeds of the sale of bonds issued for building purposes, it may issue its bonds or certificates of indebtedness for the purpose only of paying and discharging such indebtedness and interest thereon, in the manner now provided by law, except that such bonds or certificates of indebtedness may be issued by vote of the governing body without a vote of the electors. Taxes may be levied for the payment of such bonds or certificates of indebtedness and interest thereon in excess of the limitations of Section 275.12 as amended, and shall be disregarded in computing the limitations of said section. In the event that between the dates January 1, 1957, and December 31, 1957, the amount of such valid unfunded indebtedness in excess of cash on hand not specifically set aside for the retirement of bonds and interest thereon and not being the unobligated portion of the proceeds of the sale of bonds issued for building purposes, shall have increased over the amount thereof as of December 31, 1956, bonds or certificates of indebtedness may be issued in the same manner as bonds or certificates of indebtedness are authorized for such unfunded indebtedness incurred prior to January 1, 1957, except that tax levies for the payment thereof and interest thereon shall be within the limitations of Section 275.12, as amended.

[1957 c 731 s 1]

471.75 ORDERS, SUFFICIENT FUNDS; CERTIFICATES OF INDEBTEDNESS. Subdivision 1. From and after January 1, 1944 (or in the case of municipalities referred to in section 471.73, from and after January 1 of the year follow-

ing the adoption of the resolution referred to in section 471.73) no municipality subject to sections 471.71 to 471.83 shall draw or issue any order or warrant on any fund (except as authorized by subdivision 6) until there is sufficient money in the fund to pay the same, together with all warrants and orders previously issued against the fund.

Subd. 2. Whenever, from and after the date provided by subdivision 1, the expenses and obligations incurred chargeable to any particular fund of a municipality subject to sections 471.71 to 471.83 in any year are sufficient to absorb such available cash as may remain in the fund from prior years or may have been received from other sources, plus (in the case of school districts) such amounts as have been certified by the State Department of Education as due for state aids of any kind, or income tax distributions for said district for such year, plus the percentage of the entire amount of the tax levy for such fund payable in that year indicated in subdivision 3, neither the governing body nor any officer, board, or employee of such taxing district shall have power, and no power shall exist, to create any additional indebtedness (save as the remainder of such tax levy is collected or available money is received from other sources) which shall be a charge against that particular fund or shall be in any manner a valid claim against such municipality; but such additional indebtedness attempted to be created shall be a personal claim against the officer or member of the governing body voting for or attempting to create the same. Whenever the county auditor shall have certified to the municipality the portion of the remainder of the tax levy which has been collected by the county treasurer, such portion shall be deemed to have been collected within the meaning of this section.

Subd. 3. The percentage of the entire amount of the tax levy which may be expended or against which obligations may be incurred under subdivision 2 shall be 95 percent in the case of any municipality in which the average tax delinquency in the three preceding years shall not exceed 5 percent, and shall be 90 percent in the case of any municipality in which the average tax delinquency in the three preceding years shall exceed five but shall not exceed 10 percent, and shall be 85 percent in the case of any municipality in which the average tax delinquency in the three preceding years shall exceed 10 percent. Taxes involved in litigation as to the amount thereof shall not be considered delinquent within the meaning of this section.

Subd. 4. At any time after the first day of the year following the making of an annual tax levy, the governing body of any municipality may, for the purpose of meeting the obligations of the current year, by resolution, with or without advertisement for bids, issue and sell as many certificates of indebtedness as may be needed in anticipation of the collection of taxes so levied for any fund named in the tax levy, for the purpose of raising money for such fund. All certificates of indebtedness issued under the provisions of sections 471.71 to 471.83 shall be negotiable and shall be payable to the order of the payee and shall have a definite due date, but may be made payable on or before such date. No certificate shall be issued to become due and payable later than the last day of the year of issuance. Such certificates shall not be sold for less than par and accrued interest and shall not bear a greater rate of interest than six percent per annum, which interest shall be payable at maturity or at such earlier times as the governing body may determine. Each certificate shall state upon its face for which funds the proceeds of the certificate shall be used, the total amount of the certificates so issued against such fund, and the total amount embraced in said tax levy for that fund. They shall be numbered consecutively and be in denominations of \$25 or any multiple thereof and shall otherwise be in such form and be made payable at such place as will best aid in their negotiation.

Subd. 5. The total amount of certificates of indebtedness issued against any fund for any year, with interest thereon to maturity, shall not exceed in any municipality that percent of the tax levy for the fund for such year which is prescribed by subdivisions 2 and 3 as the maximum percentage of the tax levy against which obligations may be incurred in the municipality, and the aggregate of outstanding certificates against any fund at no time shall exceed the uncollected portion of such percentage of the tax levy for the fund, and prior to the beginning of the seventh month of the year shall not exceed 50 percent of the uncollected portion of such percentage of the levy. Any such municipality may renew any outstanding certificates of indebtedness from any prior year or issue new certificates, notwithstanding the fact that prior certificates may be unpaid, whenever inability to pay

such outstanding prior certificates is due solely to failure to collect sufficient moneys upon the tax levy against which they were issued to discharge such certificates; in the event such certificates are renewed, the municipality may pay accrued interest thereon at the time of renewal. Except as authorized in this subdivision, no certificate for any year shall be issued until all certificates for prior years have been paid, nor shall any certificate be extended.

Subd. 6. If any such municipality is unable to sell certificates of indebtedness in the manner prescribed hereby, it may issue such certificates, within the limitations herein provided, to the treasurer of the municipality, or his order, and deposit the same with him. Certificates so issued shall be held by the treasurer until they may be sold and shall bear interest at not to exceed six percent per annum. The municipality may thereupon, as long as such certificates are on deposit with the treasurer, issue warrants on funds against which such certificates were issued, the principal amount of such warrants not to exceed the total principal amount of the certificates so held by the treasurer. Such warrants shall bear interest at the rate specified by the governing body but not to exceed six percent per annum from and after the day they are presented to the treasurer and stamped "Not paid for want of funds, but protected by certificates of indebtedness now held by me." Such certificates may be sold by the governing body of the municipality for not less than par and accrued interest, and the proceeds of such sale shall be used to take up such warrants in the order of which they were presented to the treasurer, registered by him, and stamped as aforesaid. Interest upon such warrants shall stop upon the date they are called by the treasurer for payment. Such certificates of indebtedness so held by the treasurer shall be paid at the same time and the same manner as if they had been issued to a purchaser thereof. All warrants attempted to be issued and all obligations of indebtedness attempted to be incurred under authority of this subdivision in excess of the principal amount of the certificates of indebtedness so held by such treasurer shall be void.

Subd. 7. The proceeds of the taxes assessed as aforesaid on account of said fund and the faith and credit of the municipality shall be irrevocably pledged for the redemption of the certificates issued hereunder in the order of issuance against each respective fund.

Subd. 8. From and after the date specified in subdivision 1, any such municipality shall be deemed for all purposes to be on a cash basis. All taxes shall be levied as now provided by law, but shall be considered as tax revenues for the year in which such taxes are payable. Any balance remaining in any fund at the end of any such year may be used in later years in addition to the taxes levied for such year or years.

Subd. 9. During the first month of each year the governing body of each municipality subject to this section, on the basis of the tax levy made, with allowance for probable delinquencies, if any, and on the basis of probable receipts from other sources, shall determine the moneys which will be available for each fund and department during each quarter of the ensuing year, and, by resolution, shall fix the maximum amount of money which shall be expended by each department and from each fund in each quarter of said year. When it appears that money budgeted for any fund is not needed therefor, the governing body, by resolution, may transfer the excess to any other fund unless such transfer is prohibited by any law governing such municipality. If under the law the governing body has no control over the expenditures of a particular department or board, such resolution shall, as to such department or board, set forth the amount of tax moneys or other funds, if any, which will be made available for such department or board by action of the governing body.

[1943 c 526 s 3; 1951 c 63 s 5]

471.76 EXPENDITURES, OBLIGATIONS; CLERK'S STATEMENT. The clerk or recording officer of each municipality subject to sections 471.71 to 471.83 shall prepare and present to the governing body, at its first meeting in each month, a statement showing expenditures made and estimated obligations or indebtedness incurred for the preceding month and for the preceding portion of the year; the amount allotted by the resolution referred to in section 471.75, for such month and quarter and the preceding quarters of the year; the amount allotted by such resolution and the probable expenditures for the remaining quarters of the year. If at any time it appears from such statement or from other evidence that the municipality is incurring obligations at a rate or upon a scale which would make it probable, if

such rate or scale of expenditures be continued, that the total attempted expenditures for that year would exceed the available revenues, after allowance for probable tax delinquencies, the district court, in an action by any taxpayer, may enjoin expenditures during the remainder of the year in excess of probable available revenues.

[1943 c 526 s 4; 1951 c 63 s 6]

471.77 INDEBTEDNESS CONTRACTED IN EXCESS OF REVENUE.

Whenever any department, board, or commission of such municipality has power under the law to expend money, such department, board, or commission shall not contract any indebtedness or incur any obligations which, when added to other indebtedness, obligations, or liabilities, previously incurred during the year, would be in excess of the sum that may be allotted to the department, board, or commission for that year by the governing body of the municipality, plus available actual receipts from such other sources as are under its control.

[1943 c 526 s 5; 1951 c 63 s 7]

471.78 INDEBTEDNESS IN EXCESS OF REVENUE, CONTRACTS VOID.

Each contract attempted to be entered into or indebtedness or pecuniary liability attempted to be incurred in violation of the provisions of sections 471.71 to 471.83 shall be null and void in regard to any obligation thereby sought to be imposed upon the municipality or any department thereof, and no claim therefor shall be allowed by the governing body or any officer, board, or commission; nor shall the clerk or any other officer issue or execute, nor shall the treasurer or other disbursing officer thereof pay, any check, warrant, or certificate of indebtedness issued on account thereof. Each member of the governing body, board, or commission, and each other officer of the municipality participating in or authorizing any violation of sections 471.71 to 471.83 shall be individually liable to the municipality for any damage that is caused thereby, and shall be liable to any person furnishing any labor, services, or materials on any contract entered into or obligations assumed in violation thereof. Each member of the governing body or of a board or commission who is present at any meeting thereof when any action is taken with reference to paying money or incurring indebtedness or entering into any contract in violation of the provisions of this section shall be deemed to have participated in and to have authorized the same unless he shall have caused his dissent there-

from to be entered upon the minutes of the meeting.

[1943 c 526 s 6; 1951 c 63 s 8]

471.79 ENFORCEMENT. The district court may, at the suit of any taxpayer, enforce the performance by any governing body, board, commission, officer, or agent of any municipality of any action which he is directed to perform by sections 471.71 to 471.83, to the full extent necessary to carry out the purpose thereof.

[1943 c 526 s 7; 1951 c 63 s 9]

471.80 APPLICATION. Sections 471.71 to 471.83 shall supersede inconsistent home rule charter provisions, but shall not supersede or repeal home rule charter provisions not inconsistent therewith which impose other and additional restrictions on the incurring of obligations or expenditures of moneys.

[1943 c 526 s 8; 1951 c 63 s 10]

471.81 CONSTRUCTION. Nothing in sections 471.71 to 471.83 shall be construed as restricting the power of a municipality to issue bonds for any purpose when authorized by any other law.

[1943 c 526 s 9; 1951 c 63 s 11]

471.82 REPEALER, EXCEPTIONS. Laws 1929, Chapter 303; Laws 1931, Chapter 342; Laws 1933, Chapters 210, 275, and 415; and Laws 1935, Chapter 261, are hereby repealed, except that the provisions thereof regulating the making and allocating of levies for the payment of bonds issued thereunder and interest thereon, and any other provisions relating to tax levies, shall remain in force.

[1943 c 526 s 10; 1951 c 63 s 12]

471.83 SEVERABLE, EFFECT. The provisions of sections 471.71 to 471.83 are severable, and the unconstitutionality of any provision or the unconstitutionality of these sections as applied to any municipality shall not invalidate other provisions or prevent the application of these sections to other municipalities; provided, that if for any reason these sections be held to be inapplicable to any municipality which is now governed by any of the laws specifically repealed by section 471.82, such law shall not be repealed as to such municipality.

471.84 CEMETERIES; APPROPRIATION BY CERTAIN SUBDIVISIONS. The governing body of any city of the fourth class or village or town may, in its discretion, appropriate a sum not to exceed \$2,500 per annum to any public or privately owned cemetery located within or without its boundaries if the cemetery is used for the burial of the dead of any city of the fourth class or village or town without restriction.

[1951 c 121 s 1; 1953 c 281 s 1; 1957 c 452 s 1]

471.85 PROPERTY TRANSFER; PUBLIC CORPORATIONS. Any county, city, village, borough, town, or school district may transfer its personal property for a nominal or without consideration to another public corporation for public use when duly authorized by its governing body.

[1951 c 176 s 1]
