163.01 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.01 DEFINITIONS. For the purposes of this chapter the terms defined in section 160.02 shall have the same meaning.

[1959 c 500 art 4 s 1]

163.02 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.02 GENERAL POWERS OF COUNTY BOARD. Subdivision 1. **Establishment and supervision.** County highways shall be established, located, relocated, constructed, reconstructed, improved, maintained, revoked, or vacated by the several counties. The several county boards shall have general supervision over county highways, including those highways other than cartways within their respective counties established by judicial authority, and they may appropriate and expend sums of money from their respective county road and bridge funds as they deem necessary for the establishment, location, construction, reconstruction, improvement and maintenance, or vacation of such highways.

Subd. 2. **Acquisition.** They may acquire by purchase, gift, or eminent domain proceedings as provided by law, all necessary right of way for such highways, purchase all necessary road material, machinery, tools, and supplies needed therefor; and may construct buildings or rent, or acquire by purchase, gift, or eminent domain proceedings, grounds and buildings necessary for the storing and housing of such material, machinery, tools, and supplies.

Subd. 3. **Load restrictions.** The county board, or the county engineer if so authorized by the board, may impose weight and load restrictions on any highway under its jurisdiction.

[1959 c 500 art 4 s 2]

163.03 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.03 COUNTY ROAD AND BRIDGE FUND. The county board shall provide and set apart a fund to be known as the county road and bridge fund. Any money remaining in the county-aid road fund of any county may be transferred by the county board to the county road and bridge fund. All warrants for the establishment, location, vacation, construction, reconstruction, improvement, and maintenance of county state-aid highways and county highways and bridges shall be drawn on the county road and bridge fund.

[1959 c 500 art 4 s 3]

163.04 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.04 EXPENDITURES. Subdivision 1. **General.** The county board may appropriate and expend sums of money from the county road and bridge fund as it deems necessary for establishing, locating, constructing, improving, and maintaining any county highway or county state-aid highway, including those within the corporate limits of any city, village, or borough in the county.

Subd. 2. **Local roads or streets.** The county board of any county may appropriate from its road and bridge fund to any town, village, borough, or city of the second, third, or fourth class in its county, such sums of money as are available and which it deems advisable to aid such towns, villages, boroughs, or cities of

the second, third, or fourth class in the construction and maintenance of roads, streets, or bridges therein, and the appropriations may be directly expended by the county board, upon the roads, streets, or bridges as shall be designated by the governing bodies of the towns, villages, boroughs, or cities of the second, third, and fourth classes. In counties having a population of 400,000 or over, the county aid may be expended in accordance with the provisions of Laws 1905, Chapter 164, as amended. No village, borough, or city of the second, third, or fourth class shall receive, except as otherwise authorized by law, an appropriation hereunder exceeding 20 percent of the annual county tax levy for road and bridge purposes paid by the village, borough, or city of second, third, or fourth class.

Subd. 3. Expenditures on bridges within certain cities, villages, and boroughs. When the council of any village, borough, or city of the third or fourth class may determine that it is necessary to build or improve any bridge or bridges, including approaches thereto, and any dam or retaining works connected therewith, upon or forming a part of streets or highways either wholly or partly within its limits, the county board shall appropriate one-half of the money as may be necessary therefor from the county road and bridge fund, not exceeding during any year one-half the amount of taxes paid into the county road and bridge fund during the preceding year, on property within the corporate limits of the village, borough, or city. The appropriation shall be made upon the petition of the council, which petition shall be filed by the council with the county board prior to the fixing by the board of the annual county tax levy. The county board shall determine the plans and specifications, shall let all necessary contracts, shall have charge of construction, and upon its request, warrants in payment thereof shall be issued by the county auditor, from time to time, as the construction work proceeds. Any unpaid balance may be paid or advanced by the village, borough, or city. On petition of the council, the appropriations of the county board, during not to exceed three successive years, may be made to apply on the construction of the same items and to repay any money advanced by the village, borough, or city in the construction thereof. None of the provisions of this section shall be construed to be mandatory as applied to any village, borough, or city whose assessed valuation exceeds \$500 per capita of its population.

[1959 c 500 art 4 s 4]

163.05 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.05 TAXATION. Subdivision 1. **Levy.** The county board at its July meeting may include in its annual tax levy an amount for the county road and bridge fund which shall not exceed the amount provided under the following classification of counties.

Subd. 2. Counties having population of more than 300,000. In counties having a population of more than 300,000 the amount to be levied for the road and bridge fund shall not exceed ten mills on the dollar of the taxable valuation of the county.

Subd. 3. Counties having population of more than 100,000 and not more than 300,000. In counties having a population of more than 100,000 and not more than 300,000 the amount to be levied for the county road and bridge fund shall not exceed 12 mills on the dollar of the taxable valuation of the county.

Subd. 4. All other counties. Except as provided in subdivision 5, in all other counties the amount to be levied for the county road and bridge fund shall not exceed 20 mills on the dollar of the taxable valuation of the county.

Subd. 5. Special laws to remain in effect. Those counties authorized to levy an amount in excess of 20 mills for their county road and bridge fund by specific legislative enactment may levy the amount provided in such specific legislative enactments.

Subd. 6. Road and bridge taxes to be additional. The taxes provided herein may be additional to the amount permitted by law to be levied for other county purposes.

[1959 c 500 art 4 s 5]

163.06 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.06 TAXATION IN UNORGANIZED TOWNSHIPS. Subdivision 1. **Limitation, exception.** The county board of any county in which there are unorganized townships may levy a tax for road and bridge purposes not exceeding 21 mills on the dollar of the taxable valuation of all the real and personal property in such unorganized townships, exclusive of money and credits taxed under the provisions of chapter 285; provided that in any county having an assessed valuation of over

\$10,000,000 and less than \$14,000,000 exclusive of money and credits, having a population of over 23,000 and less than 25,000 according to the 1950 federal census, and having over 25 and less than 40 full and fractional congressional townships, the tax levy may exceed 21 mills but shall not exceed 31 mills.

Subd. 2. **Tax to be in addition.** The tax, if levied, is additional to the tax which the counties may levy for the county road and bridge funds and is additional to the amount permitted by law to be levied for other county purposes. The tax may be levied on any or all unorganized townships within a county, provided that no such tax shall be levied on only a part of an unorganized township within a county.

Subd. 3. **Extending the tax levy.** If any county deems it desirable to levy such a tax, it may at the time it levies the county taxes, by resolution reciting such fact, determine the amount so to be levied in each unorganized township for the current year. It shall be the duty of the county auditor to extend the tax so levied upon the tax books of the county, at the same time and in the same manner as other taxes for county purposes are extended as to property in such unorganized townships, and the tax shall be collected and payment thereof enforced at the same time and in the same manner as other county taxes on such property and with like penalties for nonpayment at the time prescribed by law.

Subd. 4. **Separate fund.** The tax collected from each unorganized township shall be set apart in a separate fund in the county treasury, and each shall be designated as the road and bridge fund of the unorganized township from which the tax was collected.

Subd. 5. **Expenditure of fund.** Except as hereinafter provided, each fund shall be expended under the direction of the county board for the construction, improvement, and maintenance of roads and bridges in the unorganized township for which the fund was designated. If so requested by petition signed by a majority of the resident taxpayers of any unorganized township, the county board may expend all or part of the road and bridge fund of the unorganized township upon roads or bridges in an adjoining organized or unorganized township.

Subd. 6. **Expenditure in certain counties.** In any county having not less than 95 nor more than 105 full and fractional townships, and having an assessed valuation of not less than \$3,000,000 nor more than \$5,000,000, exclusive of money and credits, the county board, by resolution, may expend the funds provided in subdivision 4 in any organized or unorganized township or portion thereof in such county.

[1959 c 500 art 4 s 6]

163.07 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.07 **COUNTY HIGHWAY ENGINEER.** Subdivision 1. **Appointment.** The county board of each county shall appoint and employ, as hereinafter provided, a county highway engineer who shall have charge of the highway work of the county and the forces employed thereon, and who shall make and prepare all surveys, estimates, plans, and specifications which are required of him. The county highway engineer may be removed by the county board during the term of office for which he is appointed only for incompetency or misconduct shown after a hearing upon due notice and upon stated charges. The burden of proving incompetency or misconduct shall rest upon the party alleging the same.

Subd. 2. **Qualifications, salary and term.** The county highway engineer shall be a registered highway or civil engineer, registered under the laws of the state of Minnesota. He may be selected from a list of eligible registered highway engineers prepared by the commissioner of highways. The list shall be submitted by the commissioner of highways to any county board requesting same. The county board may appoint a new county engineer for a term of only one year. All reappointments shall be for a term of four years, and shall be made in May of the year in which the term expires. The county highway engineer shall be a citizen and resident of this state. His salary shall be fixed by the county board and shall be payable the same as other county officers are paid. His salary shall not be reduced during his term of office.

Subd. 3. **Leave of absence from state service.** Any engineer employed by the state when properly certified by the commissioner of highways may be employed as county highway engineer, and during the period of such employment and for the purposes of such employment he may be granted leave of absence from the state service, notwithstanding any limitation on leaves of absence contained in the civil service act.

Subd. 4. **Civil service classification.** The director of civil service shall allocate

a state civil service classification to any city, village, or county highway engineer as may be from time to time requested by the commissioner of highways. The allocation shall be made on the same basis and subject to the same provisions of law as pertain to engineering and similar positions in the state classified service. The director shall give consideration to the education, professional attainments and experience of the city, village, or county highway engineer for purposes of transfer to the state service. All city, village, or county highway engineers who have not less than two years service prior to the transfer may be transferred to the state classification so allocated without examination, but subject to a six months probationary period, in the state classified service. The director of civil service shall establish procedure for the transfer.

Subd. 5. Promotional examination. The commissioner of highways may certify any city, village, or county highway engineer that he may deem qualified to the director of civil service as eligible to take any specific promotional examination held for civil engineer or civil engineering aid as classified by the state civil service commission. The service rating of such engineer shall include past service with the state and as city, village, or county highway engineer, if he had prior service with the state highway department as a supervisory engineer.

Subd. 6. Duties. The county highway engineer shall devote his entire time to his official duties and, before entering upon the duties of his office, give bond to the state in the penal sum of \$25,000, to be approved and filed in the same manner as are the bonds of the other county officers. All premiums for the bond shall be paid by the county. The state, the several governmental subdivisions thereof, or any person damaged by any wrongful act or omission of the county highway engineer in the performance of his official duties may maintain an action on his bond for the recovery of the damages so sustained.

Subd. 7. Reports. The county highway engineer shall prepare and submit to the county board annually a full and complete report covering all county highway work, and he shall prepare and submit such other reports relating to the county highway system as the county board directs.

Subd. 8. Bridge inspections. The county highway engineer shall each year so far as time and conditions permit cause an inspection to be made of all bridges exceeding ten feet in length on all public roads and streets within the county other than trunk highways and other than streets or highways within a municipality employing a registered professional engineer, in which latter case the inspection shall be made by the municipal engineer. The engineer making the inspection shall file a copy of the report of the examination and recommendations with the auditor of the county or the governing body of the municipality in which the bridge is situated if the structure is found to be under strength or unsafe.

[1959 c 500 art 4 s 7]

163.08 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.08. CONSULTING ENGINEER. Upon request of the county highway engineer the county board of any county is authorized to employ and engage the services of registered professional engineers to act as consultants in connection with, and to prepare plans and specifications themselves or by their organization and employees for the construction of roads and bridges on county and county state aid highways, and the county board is authorized to negotiate for and agree upon the terms and compensation for such employment and service.

[1959 c 500 art 4 s 8]

163.09 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.09 PAYMENTS. Subdivision 1. **Application.** The county board of any county may adopt a payroll system for the payment of claims for labor, whether skilled or unskilled, employed by the county in any capacity in connection with the construction or maintenance of highways within the county and for the payment of claims of persons who have furnished tractors, trucks, teams, wagons, plows, scrapers, or any other equipment for the performance of work on the highways. The payroll shall be in such forms and supported by such records as the public examiner prescribes. It shall contain the name and rate of pay of each claimant together with the total amount of each claim.

Subd. 2. Method. The payroll shall be prepared by the county engineer either monthly or semi-monthly as directed by the county board. It shall be certified by the county highway engineer as being true and correct and shall be presented by him to the county auditor for payment. It shall thereupon be lawful for the county

auditor and county treasurer to pay the claims as set forth in the payroll without allowance therefor by the county board. Upon presentation to the county auditor of the payroll, he shall forthwith issue to the several claimants whose names appear therein his warrant in payment of their respective claims.

[1959 c 500 art 4 s 9]

163.10 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.10 PAYMENT; HENNEPIN COUNTY. Subdivision 1. **Application.** In any county of this state now or hereafter having a population of 400,000 or over, the county board may provide that all claims for labor, whether skilled or unskilled, employed by such county in any capacity in connection with the construction or maintenance of roads therein, and the claims of persons who have furnished tractors, trucks, teams, wagons, plows, scrapers, or any other equipment for the performance of the work, may be paid in the manner hereinafter provided.

Subd. 2. **Method.** The foreman in charge of each crew shall transmit daily to the county auditor a report showing the name of each person working under his supervision, the number of hours, and character or kind of work performed by each, together with the rate of pay of each. From these cards the county auditor shall make a payroll for each crew in such form as may be approved by the public examiner. The payroll shall be verified by the foreman from whose daily reports the same shall have been compiled. These payrolls shall then be presented to the county board for allowance or disallowance. On the allowance of a payroll by the county board, the county auditor shall forthwith issue to the several claimants whose names appear therein, his warrants in payment of their respective claims.

[1959 c 500 art 4 s 10]

163.11 M.S. 1957 [Renumbered 441.265]

163.11 ESTABLISHMENT, ALTERATION, VACATION, REVOCATION. Subdivision 1. **Resolution.** County highways may be established, altered, vacated, or revoked by resolution of the county board. Any public highway within the county, other than a trunk highway, municipal state-aid street, or county state-aid highway, may be taken over as a county highway by resolution of the county board.

Subd. 2. **Contents of resolution.** The resolution shall contain a description of the highway. In the case of a newly established highway or the alteration of a highway, the resolution shall also contain a description of the several tracts of land through which the highway passes, the names of all persons known by the board to be the owners and occupants of each tract, and a description of the right of way, if any, needed therefor from each tract and the interest or estate therein to be acquired.

Subd. 3. **Lands or properties may be acquired under provisions of chapter 117.** All lands or properties needed for the establishment or alteration of a county highway may be acquired by purchase, gift, or eminent domain proceedings as provided in chapter 117 and acts amendatory thereto.

Subd. 4. **Vacation.** When a newly established, relocated, or altered county highway is opened for travel which takes the place of and serves the same purpose as any portion of another county highway, the county board may vacate any such portion of the other highway by resolution. The board shall cause personal service of the resolution to be made upon each occupant of land through which the vacated portions passed and shall also post notice of the resolution for at least ten days. A copy of the resolution together with proof of service and affidavit of posting shall be filed in the county auditor's office. Within 30 days after the service, any person claiming to be damaged by the vacation may appeal to the district court of the county for a determination of his damages by serving notice of the appeal upon the county board and filing same with proof of service in the office of the clerk of the district court. The appeal shall state the nature and the amount of damages claimed. It shall be tried in the same manner as an appeal from an award in eminent domain proceedings.

Subd. 5. **Revocation and reversion.** The county board, by resolution, may revoke any county highway. The highway shall thereupon revert to the town in which it is located; provided that any such revoked highway or portion thereof lying within the corporate limits of any city, village, or borough shall become a street of such city, village, or borough. Roads or streets or any portion thereof so revoked and turned over to the town, city, village, or borough may be vacated by the town, city, village, or borough in the same manner as other town roads or city, village, or borough streets are vacated. If the vacation occurs within one year

after the revocation by the county, damages occasioned by the vacation shall be paid by the county out of its road and bridge fund. No award of damages shall be made by the town, city, village, or borough for such vacation without the concurrence of the county board, and no action brought to recover damages for the vacation shall be settled or otherwise disposed of without the consent of the county board. The county board may defend any action brought to recover damages for the vacation in the same manner and to the same extent as in a proceeding to vacate a county highway.

Subd. 6. **Prior acts confirmed.** Any prior action taken by any county board revoking any county highway and turning over such highway to any township as a town road is hereby recognized and confirmed.

[1959 c 500 art 4 s 11]

163.12 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.12 ALTERNATIVE PROCEDURE FOR ACQUISITION. Subdivision 1. **County board may elect.** If the county board so elects, it may adopt the procedure hereinafter set forth for the acquisition of lands or properties needed for the acquisition or alteration of a county highway and county state-aid highways.

Subd. 2. **Time and place for hearing.** Upon passage of the resolution specified in section 163.11, subdivision 2, the board shall fix the time and place it will meet. Notice of the meeting, together with a copy of the resolution, shall be served upon each occupant of each tract of land through which the highway passes at least ten days before the meeting. Ten days posted notice of the meeting shall also be given. Proof of service and affidavit of posting shall be filed with the county auditor.

Subd. 3. **Hearing.** The county board shall meet at the time and place designated and shall proceed to view the premises affected. It shall hear all interested parties regarding damages occasioned by the establishment or alteration of the highway.

Subd. 4. **Damages may be determined by written agreement.** The damages may be determined by written agreement. Every such agreement shall be filed with the county auditor and shall be final as to the matters therein contained.

Subd. 5. **County board's determination of damages.** The county board shall determine the damages of those with whom no agreement can be reached or who are unknown. In making the determination the board shall deduct from the damages sustained by each tract the money value of the benefits, if any, accruing thereto, and award the difference as damages.

Subd. 6. **Awards to be filed; notification.** The award of damages shall be filed with the county auditor. Within seven days after filing the county auditor shall notify, in writing, each known owner and occupant of each tract of the filing of the awards. The notification shall set forth the date of the filing, the amount of the award of damages and any terms or conditions of the award.

Subd. 7. **Appeal from award.** Within 40 days after the filing of the award of damages, any owner or occupant may appeal from the award by filing a notice of the appeal with the clerk of the district court of the county where the lands lie. The notice of appeal shall be accompanied by a bond of not less than \$250, with sufficient surety approved by the judge or by the county auditor, conditioned to pay all costs arising from the appeal in case the award is sustained. A copy of the notice together with a copy of the bond shall be served upon the county auditor. The notice of appeal shall specify the award or failure to award appealed from, the land to which it relates, the nature and amount of the claim of appellant, and the grounds of the appeal.

Subd. 8. **Right to jury trial.** The appeal shall be entered upon the calendar for trial at the next general term of court occurring more than 20 days after the appeal is perfected. It shall be tried in the same manner as an appeal in eminent domain proceedings under chapter 117. The prevailing party shall recover costs and disbursements to be fixed and allowed as in other civil cases and judgment shall be entered upon the verdict.

Subd. 9. **Payment.** Upon stipulation in lieu of judgment or upon final judgment, the county board shall promptly pay the amount so stipulated or the amount of the judgment. If no appeal is taken from an award, the county board shall pay the award within 20 days after the time for appeal has expired. The duty of the county board to pay the award or final judgment shall be held and construed to be just compensation or the securing of just compensation within the meaning of the constitution.

Subd. 10. **Appeal not to delay prosecution of improvement.** After the award of damages has been filed, the board may proceed to open, construct, alter, or change the highway. An appeal from the award of damages shall not delay the prosecution of the proposed improvement, and the county board may proceed as if no appeal had been taken.

[1959 c 500 art 4 s 12]

163.13 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.13 **PETITION FOR HIGHWAYS OR PORTAGES.** Subdivision 1. **Contents of petition.** Any person who owns real estate in a county may petition the county board to establish, alter, or vacate a county highway or portage. The petition shall set forth the beginning, course, and termination of the highway or portage with reasonable definiteness. It shall be filed with the county auditor and shall be considered at the next regular county board meeting. The board shall hear all interested persons at that meeting or at such continued meetings as the board deems necessary.

Subd. 2. **Resolution of county board, procedure.** After investigating the matters contained in the petition, and after hearing all interested persons, the board, by resolution, shall make its determination. If it determines to grant the petition it shall proceed as provided in section 163.11 or as provided in section 163.12.

Subd. 3. **Appeal.** If the board denies the petition, any person aggrieved thereby, within 30 days after the denial, may appeal to the district court of the county by filing a notice of appeal with the clerk of the district court, together with a bond of not less than \$250, with sufficient surety approved by the judge or by the county auditor, conditioned to pay all costs arising from the appeal in case the determination of the board is sustained. A copy of the notice of appeal shall be served on the county auditor.

Subd. 4. **Trial.** The appeal shall be entered upon the calendar for trial at the next general term of the court occurring more than 20 days after the appeal is perfected. The determination of the board shall not be reversed except upon a showing of arbitrary, capricious or fraudulent action. The prevailing party shall be entitled to costs and disbursements to be fixed and allowed as in other civil cases.

Subd. 5. **Board procedure on reversal.** If the determination of the board is reversed, it shall proceed in accordance with the decision of the court.

[1959 c 500 art 4 s 13]

163.131 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

161.132 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.14 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.14 **HIGHWAYS RUNNING INTO OR THROUGH TWO OR MORE COUNTIES OR ON OR ALONG THE BOUNDARY LINE BETWEEN SUCH COUNTIES.** Subdivision 1. **Joint resolutions.** The county boards of two or more counties by joint resolution, may establish, alter, improve, or vacate a county highway running into or through such counties or running on or along the line between such counties.

Subd. 2. **Agreements for division of costs.** Such county boards, in behalf of their respective counties, may enter into agreements with each other providing for an equitable division of the costs to be borne by each for the right of way, construction, improvement, or vacation of the highway. If the agreement provides for the establishment or alteration of a highway, the agreement may provide for the letting of a joint construction contract covering all or part of the work to be performed on the highway.

Subd. 3. **Procedure.** The joint resolution shall contain the same matters required in section 163.11, subdivision 2. Upon passage of the joint resolution the boards shall thereafter proceed in the manner and subject to the same review provided in section 163.11 or as provided in section 163.12.

Subd. 4. **Maintenance.** Each county shall maintain the portion of the highway lying within its boundaries. If the highway runs along the line between the counties, the county boards may enter into an agreement providing for the maintenance by each county of specified portions of the highway. The highway shall thereafter be maintained in accordance with the agreement.

[1959 c 500 art 4 s 14]

163.15 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.15 **BRIDGES ACROSS DIVERSION CHANNELS.** Whenever any county has been authorized by the commissioner of conservation to divert the channel of a navigable stream for the purpose of improving a county road and the board of

commissioners of such county has by resolution ordered diversion of the navigable stream across private property so that the stream and the channel thereof when so diverted deprives the owner of the private property of access to the county road, the owner of the private property may grant to the county a perpetual easement for road purposes across his private property commencing at a point 50 feet distant from the relocated or diversion channel, thence crossing the relocated or diversion channel and intersecting the county road so to be improved; and the road easement shall extend for a distance of two rods on each side of the center line thereof and be and remain a public road. The county shall forthwith establish and construct a highway upon the strip of land pursuant to law, build a suitable bridge, including approaches thereto, across the channel, and at public expense thenceforth maintain the road and bridge so established in a safe condition so as to afford the owner of the private property access to the improved county road.

[1959 c 500 art 4 s 15]

163.16 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.16 IMPASSABLE ROADS. Subdivision 1. **Complaint.** When a written complaint, signed by five or more freeholders of any town is presented to the county board stating that a described town road in or on the line of the town has not been opened and constructed or is not properly maintained, and because of such neglect is not reasonably passable, the county board by resolution, shall fix a time and place for hearing the complaint. The county auditor shall mail a copy of the complaint, together with notice of the time and place of hearing on the complaint, to the town clerk. All persons signing the complaint shall also be notified of the time and place of the hearing by the county auditor.

Subd. 2. **Hearing on complaint.** At the designated time and place the county board shall consider the complaint and hear and consider such testimony as may be offered by the officers of the town and the complainants relative to the matters set forth in the complaint. The chairman of the county board, or the presiding officer thereof, may administer oaths to witnesses and require them to testify under oath. The county board may drive over the road and make such further investigations as it deems necessary.

Subd. 3. **Determination, statement of costs, payment to be made by town.** If upon the hearing and investigation the county board shall be of the opinion that the complaint is well founded, it shall by resolution direct the town board to do such work or to make such improvements as it shall deem necessary to put the road in a passable condition. The resolution shall specify generally the work which is deemed necessary. The county auditor shall cause a copy of the resolution to be mailed to the clerk of the town. If the town for a period of 30 days after the mailing of the notice, fails or neglects to do the work or make the improvements set forth in the resolution, the county board may cause the work to be done or the improvements made, and the cost thereof shall be paid from the county road and bridge fund; provided that no such work shall be performed by the county when the cost thereof exceeds \$3,000 per mile.

Subd. 4. **Statement of cost; tax levy.** When any county board shall have performed any work or made any improvement on any such road, it shall cause to be prepared in duplicate an itemized statement of the cost of the work or improvement. The statement shall be filed with the county auditor and a copy thereof shall be mailed by the county auditor to the clerk of the town. The town clerk shall forthwith notify the several members of the town board that such a statement has been filed and that a meeting of the town board to act thereon will be held at a time to be specified in the notice, not later than ten days after the receipt of the notice from the county auditor. The town board shall meet at the time and place specified in the notice so given by the clerk and levy a special tax upon all the taxable property in the town in an amount sufficient to pay the amount expended by the county in performing the work or making the improvement. The tax so levied shall be certified to the county auditor on or before October 15 next succeeding, and the county auditor shall extend the same with other town taxes upon the tax list of the town. If the town board shall for any reason fail to act as herein provided, the county auditor is hereby authorized and directed to levy the tax and extend the same with other town taxes upon the tax list of the town. The tax shall be collected and the payment thereof enforced in the same manner and subject to the same penalties and interest as other town taxes. When collected

the tax shall be paid into the county treasury and credited to the county road and bridge fund.

163.17 M.S. 1957 [Repealed, 1959 c 500 art 6 s 13]

163.17 DRAINAGE SYSTEMS AFFECTING HIGHWAYS; ALTERATIONS.

Upon the filing of a resolution by the county board of any county with the county auditor, in the case of a public ditch system lying wholly within a county, or with the clerk of the district court having jurisdiction over said ditch in the case of a ditch system affecting two or more counties, therein setting forth that it would be advantageous or desirable in the construction or maintenance of a highway under the jurisdiction of the county to make a minor alteration or change in a public ditch system directly affecting the highway, and that the alteration or change will not affect the functioning or efficiency of the ditch system, it shall be the duty of the auditor, or the clerk with the approval of the judge, to fix a time and place for hearing thereon and to give notice of hearing by publication as defined by Minnesota Statutes, Section 106.011, Subdivision 2. Upon the filing of the resolution, the board shall also cause to be filed a plan showing in detail the alteration or change therein described. If upon the hearing it shall appear to the county board or district court that the alteration or change in the public ditch system will not affect or impair the efficiency of the ditch system, the board or court shall make its order authorizing the county to cause the alteration or change to be made. Upon the making of the order by the county board or the court, the county board may proceed at the sole cost and expense of the county to make the alterations or changes as may be in the order allowed; damages, if any, occasioned thereby being first duly paid or secured by the county. Upon completion of the alteration or change, the county board shall cause to be filed with the auditor or clerk, a map and profile drawn to scale showing thereon the change or alteration made. If the map and profile be filed with the clerk, duplicates thereof shall also be filed with the auditor of each county affected. Upon the completion of the alteration or change herein provided for, the ditch shall thereafter include the alteration or change as part thereof with the same force and effect as though it had been originally so constructed and established.
