Nonresident students shall pay an additional tuition fee to be determined by the board. Resident status shall be determined at the time of each registration according to the permanent residence of the student's parents or guardian for minor students and according to the permanent residence of the student if he is of legal voting age.

curricular offerings. The college activity fund shall encompass accounts for student activities, authorized college agencies, authorized auxiliary enterprises, and student loans, and in addition such other accounts as the board may prescribe.

**Subd. 4. The foregoing limitation on the amount of such fee is not intended to affect the obligation of the board under section 136.34 to establish fees and charges for student activities and student facilities sufficient at all times to meet bond principal and interest and reserve requirements. All student union fees shall be deposited in a student union subaccount of the capital expenditures account in the college board of the state of Minnesota revenue fund created by Minnesota Statutes, Section 136.35, and shall be used, with any private or public funds which are otherwise made available, solely for the payment of capital costs of a student union at the college where the fee is collected; except that if any part of the funds required for said purpose is provided from the proceeds of bonds issued by the board, then, from and after the issuance of such bonds, said fees shall be deposited in the maintenance and operation account of said revenue fund and applied, with revenues derived from the operation of the union and other facilities financed by bonds, to the payment of the costs of operation and maintenance of such facilities and the principal and interest on said bonds, in accordance with the board's resolutions authorizing such bonds. The state college board may accept gifts or donations made to any student union subaccount, and is authorized to comply with any terms and conditions upon which such gifts or donations are made. All moneys deposited in a student union subaccount pursuant to this subdivision are hereby appropriated to the board for the purposes for which received.
