270.06 POWERS AND DUTIES. It shall be the duty of the commissioner of taxation and he shall have power and authority:

(1) To have and exercise general supervision over the administration of the assessment and taxation laws of the state, over assessors, town, county, and city boards of review and equalization, and all other assessing officers in the performance of their duties, to the end that all assessments of property be made relatively just and equal in compliance with the laws of the state;

(2) To confer with, advise and give the necessary instructions and directions to local assessors and local boards of review throughout the state as to their duties under the laws of the state, and to that end call meetings of local assessors of each county, to be held at the county-seat of such county, for the purpose of receiving necessary instructions from the commissioner as to the laws governing the assessment and taxation of all classes of property, which meetings at least one member of each local board of review shall attend.

(3) To direct proceedings, actions, and prosecutions to be instituted to enforce the laws relating to the liability and punishment of public officers and officers and agents of corporations for failure or negligence to comply with the provisions of the laws of this state governing returns of assessment and taxation of property, and to cause complaints to be made against local assessors, members of boards of equalization, members of boards of review, or any other assessing or taxing officer, to the proper authority, for their removal from office for misconduct or negligence of duty.

(4) To require county attorneys to assist in the commencement of prosecutions in actions or proceedings for removal, forfeiture and punishment for violation of the laws of this state in respect to the assessment and taxation of property in their respective districts or counties;

(5) To require town, city, village, county, and other public officers to report information as to the assessment of property, collection of taxes received from licenses and other sources, and such other information as may be needful in the work of the department of taxation, in such form and upon such blanks as he may prescribe;

270.07 ADDITIONAL POWERS. Subdivision 1. The commissioner of taxation shall prescribe the form of all blanks and books required under this chapter. He shall hear and determine all matters of grievance relating to taxation. Except as otherwise provided by law, he shall have power to grant such reduction or abatement of assessed valuations or taxes and of any costs, penalties or interest thereon as he may deem just and equitable, and to order the refundment, in whole or in part, of any taxes, costs, penalties or interest thereon which have been erroneously or unjustly paid. Application therefor shall be submitted with a statement of facts in the case and the favorable recommendation of the county board or of the board of abatement of any city where any such board exists, and the county auditor of the county wherein such tax was levied or paid. In the case of gross earnings taxes the application may be made directly to the commissioner without the favorable action of the county board and county auditor, and the commissioner shall direct that any gross earnings taxes which may have been erroneously or unjustly paid shall be applied against unpaid taxes due from the applicant for such refundment. No reduction, abatement, or refundment of any special assessments made or levied by any municipality for local improvements shall be made unless it is also approved by the board of review or similar taxing authority of such municipality. The commissioner may refer any question that may arise in reference to the true construction of this chapter to the attorney general, and his decision thereon shall be in force and effect until annulled by the judgment of a court of competent jurisdiction. The commissioner shall forward to the county auditor a copy of the order by him made in all cases in which the approval of the county board is required. The commissioner may by written order abate, reduce, or refund any penalty imposed by any law relating to taxation, if in his opinion the enforcement of such a penalty would be unjust and inequitable. Such order shall, in the case of real and personal property taxes, be made only on application and approval as provided in this section; in the case of all other taxes, such order shall be made on application of the taxpayer to the commissioner and shall be valid only if approved in writing by the attorney general.

Subd. 2. The commissioner of taxation, on application of the county auditor with the approval of the county board, may order the correction of any administrative and clerical errors in the assessment, levy and extension of ad valorem taxes other than valuation.

Subd. 3. Notwithstanding any other provision of law the commissioner of taxation may,

(a) based upon the administrative costs of processing, determine minimum standards for the determination of additional tax for which an order shall be issued, and

(b) based upon collection costs as compared to the amount of tax involved, determine minimum standards of collection, and

(c) based upon the administrative costs of processing, determine the minimum amount of refunds for which an order shall be issued and refund made where no claim therefor has been filed, and

(d) may cancel any amounts below these minimum standards determined under (a) and (b) hereof.

Subd. 4. If the commissioner of taxation receives a remittance erroneously made payable to him and he had knowledge that the proper payee is a state or local official of this state, he may endorse such remittance to the proper state or local official. The commissioner of taxation is also authorized to return a remittance if the records indicate that it has been erroneously submitted.

[*1945 c. 418 ss. 2, 3, 7, 10*]

270.073 EXAMINATIONS AND INVESTIGATIONS. Subdivision 1. For the purpose of determining the correctness of any statement, the commissioner shall have the power to examine or cause to be examined any books, papers, records, or memoranda relevant to the determination of the assessed valuation of flight property as herein provided, including the airline company's retained copy of any return or statement made to the United States of America or any state for any year, whether such books, papers, records, or memoranda are the property of or in the possession of the airline company or any other person. The commissioner shall have the right to inspect the originals of such reports with or without obtaining copies from the company. The commissioner shall have further power to require the attendance of any airline company or other person having knowledge or information in the premises, to compel the production of books, papers, records, or memoranda by persons so required to attend, to take testimony on matters material to such determination and to administer oaths or affirmations.

Subd. 2. For the purpose of making such examinations, the commissioner may appoint such persons as he may deem necessary. Such persons shall have the rights and powers with reference to the examining of books, papers, records, or memoranda, and with reference to the subpoenaing of witnesses, administering of oaths and affirmations, and taking of testimony, which are conferred upon the commissioner hereby. The clerk of any court of record, upon demand of any such person, shall issue a subpoena for the attendance of any witness or the production of any books, papers, records, or memoranda before such person. The commissioner may also issue subpoenas for the appearance of witnesses before him or before such persons. Disobedience of subpoenas so issued shall be punished by the district court of the district in which the subpoena is issued as for a contempt of the district court.

Subd. 3. If any airline company shall refuse or neglect to make the statement required by this section to the commissioner, or shall refuse or neglect to permit an inspection and examination of its property, its records, books, accounts or other papers when requested by the commissioner, or shall refuse or neglect to appear before the commissioner or a person appointed under subdivision 2 when required so to do, the commissioner shall assess the tax provided for by sections 270.071 to 270.079 against the airline company according to his best judgment on available information, and such airline company shall be estopped to question or impeach the action or determination of the commissioner, except upon proof of fraud on the part of the commissioner; and the commissioner may add to the assessment a penalty not exceeding ten percent of the assessment.

[1945 c. 418 s. 4]

270.074 VALUATION OF FLIGHT PROPERTY; METHODS OF APPORTIONMENT; RATIO OF TAX. Subdivision 1. The commissioner shall determine the full and true valuation of all flight property operated or used by every airline company in air commerce in this state. The valuation apportioned to this state of such flight property shall be the proportion of the total valuation thereof determined on the basis of the total of the following percentages:

(1) 33½ percent of the percentage which the total tonnage of passengers, express and freight first received by the airline company in this state during the preceding calendar year plus the total tonnage of passengers, express and freight finally discharged by it within this state during the preceding calendar year is of the total of such tonnage first received by the airline company or finally discharged by it, within and without this state during the preceding calendar year.

(2) 33½ percent of the percentage which, in equated plane hours, the total time of all aircraft of the airline company in flight in this state during the preceding calendar year, is of the total of such time in flight within and without this state during the preceding calendar year.

(3) 33½ percent of the percentage which the number of revenue ton miles of passengers, mail, express and freight flown by the airline company within this state during the preceding calendar year is of the total number of such miles flown by it within and without this state during the preceding calendar year.

Subd. 2. The method prescribed by subdivision 1 shall be presumed to determine fairly and correctly the value of the flight property of an airline allocable to this state. Any airline aggrieved by the valuation of the flight property or the application to its case of the apportionment methods prescribed by subdivision 1, may petition the commissioner for determination of the valuation or the apportionment thereof to this state by the use of some other method. Thereupon, if the commissioner finds that the application of the methods prescribed by subdivision 1 will be unjust to the airline, he may allow the use of the methods so petitioned for by the airline, or may determine the valuation or apportionment thereof by other methods if satisfied that such other methods will fairly reflect such valuation or apportionment thereof.

Subd. 3. The flight property of every airline company shall be assessed at 33½ percent of the full and true value thereof apportioned to this state under subdivision 1.

[1945 c 418 s 5; 1953 c 672 s 2, 3]

270.075 TAX LEVY. Subdivision 1. The commissioner shall determine the rate of tax to be levied and collected against the assessed valuation as determined pursuant to section 270.074, subdivision 2, which shall be the average rate of taxes,

general, municipal, and local, levied throughout the state for the preceding year. The levy shall be completed on or before the first Monday in October of each year.

Subd. 2. As soon as practicable and not later than November 1 next following the levy of the tax, the commissioner shall give actual notice to the airline company of the assessed valuation and of the tax. The taxes imposed under sections 270.071 to 270.079 shall become due and payable on January 1 following the levy thereof and if not paid to the commissioner on or before February 1 next following shall become delinquent. The delinquent tax shall carry interest at the rate of one per cent per month from January 1 for the first year of delinquency and thereafter at the rate of one-half of one per cent for each month or fraction thereof until paid. Such interest shall be a part of the tax. Failure to send or receive the notice herein provided for or error in such notice shall not excuse the payment of the tax as required by sections 270.071 to 270.079.

Subd. 3. If the taxes remain unpaid on the following 1st day of July, the commissioner shall certify the amount thereof to the attorney general, who shall bring an action to recover the amount of such taxes. The statement shall give the name and address of the airline company owing such tax, the amount thereof, the date of delinquency, and such other information as may be required by the attorney general.

Subd. 4. The commissioner's certified statement to the attorney general of delinquent taxes shall for all purposes and in all courts be prima facie evidence of the facts therein stated and that the amount shown therein is due from the airline company named in the statement.

[1945 c. 418 s. 6]

270.076 APPEAL. Subdivision 1. Any airline company against which a tax has been imposed under sections 270.071 to 270.079 shall have the right to appeal within 30 days from the date of notice of the levy of the tax to the tax court in the manner provided by law.

Subd. 2. In case of appeal from the assessment and levy of the tax, the airline company shall currently pay when due that portion of the tax which is admitted to be due. If the final determination of the litigation should result in sustaining the assessment and levy or in the finding that the amount paid by the airline company is insufficient, the difference between the amount paid and the amount which should have been paid shall be decreed delinquent taxes subject to interest, as hereinabove provided. If the tax court or the supreme court should decide that the appeal was reasonable or justifiable, it may remit all or any part of the interest. If the final determination of the tax court or the supreme court shall result in increasing any assessment above that which was made final by the order of the commissioner from which the appeal is taken, then the taxes on such increased assessment shall be delinquent 30 days after notice of the amount of the increased tax shall have been given to the airline company by the commissioner.

[1945 c 418 s 8; 1965 c 698 s 3]

270.077 STATE AIRPORTS FUND CREATED. There is hereby created in the state treasury a fund to be known as the state Airports Fund to which shall be credited, the proceeds of all taxes levied under sections 270.071 to 270.079 and all other moneys which may be deposited to the credit thereof pursuant to any other provision of law. All moneys in the state airports fund are hereby appropriated to the commissioner of aeronautics for the purpose of acquiring, constructing, improving, maintaining, and operating airports and other air navigation facilities for the state, and to assist municipalities within the state in the acquisition, construction, improvement, and maintenance of airports and other air navigation facilities.

[1945 c. 418 s. 9]

270.078 NOT TO CONFLICT WITH FEDERAL LAW. Subdivision 1. If any provision of sections 270.071 to 270.079 is contrary to any provision of any law of the United States of America, hereinafter enacted, providing for or relating to the ad valorem taxation by a state of aircraft or flying equipment of an airline company, such provision shall be of no effect and the commissioner is authorized and directed to prescribe by regulation such provisions as may be necessary to make sections 270.071 to 270.079 conform to the federal act and to effectuate the purposes of sections 270.071 to 270.079, provided such regulations do not prescribe a rate of taxation higher than that provided in section 270.075 or an assessed valuation based on a percentage higher than that provided in section 270.074, subdivision 2.

Subd. 2. No provision of any law of the United States of America providing for or relating to the ad valorem taxation by a state of aircraft or flying equipment of an airline company shall be effective for the purposes of subdivision 1 until the attorney general of Minnesota shall have certified to the commissioner that in his opinion such federal act is a valid exercise of federal authority under the Constitution of the United States.

Subd. 3. The provisions of this section shall not affect the validity of any tax imposed under sections 270.071 to 270.079 prior to the effective date of such federal law.

[1945 c. 418 s. 11]

270.079 RECIPROCAL ARRANGEMENT WITH OTHER STATES. The commissioner may enter into an agreement with the commissioner or other tax officials of another state for the interpretation and administration of the acts of their several states providing for the taxation of flight property of airline companies for the purpose of promoting uniformity of taxation of such companies thereunder.

[1945 c. 418 s. 12]

270.08 SUPERVISE INHERITANCE AND GIFT TAXES. All the powers and duties now vested in or imposed upon the attorney general under the provisions of any laws relating to inheritance taxes or gift taxes, except those prescribed by Mason's Minnesota Statutes of 1927, Sections 2317 and 2318, are hereby transferred to, vested in, and imposed upon the commissioner of taxation, who shall have charge of the administration of such laws.

[1939 c. 431 art. 6 s. 6] (2362-6)

270.083 COMMISSIONER OF TAXATION TO EXAMINE; ATTORNEY GENERAL TO INSTITUTE ACTIONS. The commissioner of taxation, at least once a year, so far as practicable, shall visit all railroad and other corporations and companies which are required by law to pay taxes to the state upon a gross earnings basis, examine their books of account and all other records and papers bearing upon or evidencing their gross earnings upon which, under the law, taxes should be paid in this state; and in case he shall discover errors and omissions in their gross earnings, as reported by such companies, he shall certify the amount of such omitted earnings, together with the additional taxes and penalties due for collection as provided by law. All evasions and violations of the law in respect to such gross earnings taxes which he may discover he shall report to the governor and the attorney general. The commissioner of taxation and the attorney general shall institute such proceedings as the law and the public interest require.

[1913 c. 555 s. 9; 1945 c. 348 s. 1] (3282)

270.084 TRANSFERS. Subdivision 1. **Transfer of duties.** All the powers and duties and functions conferred by law upon the public examiner in respect to auditing railroads and other corporations for determining gross earnings tax liability, at the time of passage of Laws 1945, Chapter 348, shall hereafter be exercised, performed, and administered by the commissioner of taxation.

Subd. 2. **Transfer of records.** The public examiner shall transfer and deliver to the commissioner of taxation all contracts, books, maps, plans, papers, records, and property of every description within his jurisdiction or control, and shall also transfer thereto any or all employees engaged in the exercise of such functions, powers or duties pertaining to the auditing of railroads and other corporations paying gross earnings taxes. The commissioner of taxation is hereby authorized to take possession of said property, and shall take charge of said employees and shall employ them in the exercise of their respective functions, powers and duties transferred as aforesaid, without reduction of compensation, subject to change or termination of employment or compensation as may be otherwise provided by law.

[1945 c. 348 ss. 2, 3]

270.09 OPINION OF ATTORNEY GENERAL; EFFECT. The commissioner of taxation may in writing request the opinion of the attorney general upon any matter within the scope of the functions of the department of taxation as now or hereafter prescribed by law. Any written opinion of the attorney general upon any such matter rendered in response to such request shall have the force and effect of law unless and until overruled by a decision of the tax court or a court of competent jurisdiction.

[1939 c. 431 art 6 s 8; 1965 c 698 s 3] (2362-8)

270.10 ORDERS, DECISIONS, REPORTS. Subdivision 1. **In writing; approval by attorney general.** All orders and decisions of the commissioner of taxation, or any of his subordinates, respecting any tax, assessment, or other obligation, shall be in writing, filed in the offices of the department. No order or decision increasing or decreasing any tax, assessment, or other obligation by a sum exceeding \$100 on real or personal property, or the assessed valuation thereof, or other obligation relating thereto, the result of which is to increase or decrease the total amount payable including penalties and interest, by a sum exceeding \$300, and no order or decision increasing or decreasing any other tax by a sum exceeding \$100 exclusive of penalties and interest, shall be made without the written approval of the commissioner or his deputy in each case. The attorney general shall forthwith examine such order, and if he deems the same proper and legal he shall approve the same in writing, and may waive the right of appeal therefrom in behalf of the state; otherwise he shall take an appeal from the order in behalf of the state as herein provided; but written approval of the commissioner or his deputy and written notice to the attorney general, shall not be required with respect to the following orders: (1) orders reducing assessed valuation of property by reason of its classification as a homestead; (2) orders involving property of the Department of Rural Credits; (3) orders not involving refunds which have the effect only of correcting income and franchise tax assessments to conform to the amounts shown on final returns filed as provided by section 290.42, clause (5); (4) original orders for the refundment of gasoline and special fuel taxes.

Subd. 2. Only official actions of county board or other agency acted upon. The commissioner shall maintain as a public record in the department a statement of all abatements, reductions, and refundments of assessments, taxes, or other obligations granted by the department during the biennium, which require the written approval of the commissioner or his deputy, and of which written notice to the attorney general is required, under the provisions of subdivision 1; and, all reductions of assessed valuation of more than \$50,000 and all reductions, refundments, or abatements of real estate tax of more than \$1,000 shall be separately shown in such statement. Such statement shall show the names of all taxpayers or other persons concerned, the original amount of each assessment, tax, or other obligation, the amount of abatement, reduction, or refundment allowed in each case, and the totals of the respective items, notwithstanding any provisions of law requiring secrecy to the contrary. The commissioner shall include in such statement the amount of all increases of taxes or assessments made by the department, classified in such manner as he may deem proper, but not showing the names of taxpayers or other persons concerned or the amounts in individual cases.

270.11 POWERS; MEETINGS. Subdivision 1. **To act as state board of equalization.** The commissioner of taxation shall have and exercise all the rights, powers and authority by law vested in the state board of equalization, which board of equalization is hereby continued, with full power and authority to review, modify, and revise all of the acts and proceedings of the commissioner in so far as they relate to the equalization and valuation of property assessed for taxation, as prescribed by section 270.12, which state board of equalization shall meet on the second Tuesday in September of each year during its existence.

Subd. 2. County auditor's reports of assessments filed with commissioner. The commissioner of taxation shall require the auditor of each county in the state to file with him, on or before the fourth Monday in August, each year, complete abstracts of all real and personal property in the county, as equalized by the county board of equalization, and itemized by assessment districts, accompanied by a printed or typewritten copy of the proceedings of the county board of equalization, and it shall be the duty of the county auditor to so report to the commissioner of taxation.

Subd. 3. Special assessors, deputies; reassessments. The commissioner of taxation shall appoint a special assessor and deputies under him and cause to be made, in any year, a reassessment of all or any real and personal property, or either, in any assessment district, when in his judgment such reassessment is desirable or necessary, to the end that any and all property in such district shall be assessed equitably as compared with like property in the county wherein such district is situated.

Subd. 4. Omitted property. The commissioner of taxation shall require the county auditor to carefully place upon the assessment rolls omitted property which may be discovered to have escaped assessment and taxation in previous years.

Subd. 5. Examination of complaints; proceedings. The commissioner of taxation shall receive complaints and carefully examine into all cases where it is alleged that property subject to taxation has not been assessed or has been fraudulently or for any reason improperly or unequally assessed, or the law in any manner evaded or violated, and cause to be instituted such proceedings as will remedy improper or negligent administration of the taxing of the state.

Subd. 6. Change of assessed valuations. The commissioner of taxation shall raise or lower the assessed valuation of any real or personal property, including the power to raise or lower the assessed valuation of the real or personal property of any individual, copartnership, company, association, or corporation; provided, that before any such assessment against the property of any individual, copartnership, company, association, or corporation is so raised, notice of his intention to raise such assessed valuation and of the time and place at which a hearing thereon will be held shall be given to such person, by mail, addressed to him at his place of residence as the same appears upon the assessment book, at least five days before the day of such hearing.

[1907 c. 408 s. 12; 1909 c. 294 ss. 1, 5] (2365)

270.12 STATE BOARD OF EQUALIZATION; DUTIES. The commissioner of taxation shall constitute the state board of equalization. The board may adjourn from day to day and employ necessary clerical assistance. The board shall meet annually on the first Tuesday of September at the office of the commissioner of taxation and examine and compare the returns of the assessment of the property in the several counties, and equalize the same so that all the taxable property in the state shall be assessed at its true and full value, subject to the following rules:

(1) The board shall add to the aggregate valuation of the real property of every county, which the board believes to be valued below its true and full value in money, such percent as will bring the same to its true and full value in money;

(2) The board shall deduct from the aggregate valuation of the real property of every county, which the board believes to be valued above its true and full value in money, such percent as will reduce the same to its true and full value in money;

(3) If the board believes the valuation of the real property of any town or district in any county, or the valuation of the real property of any county not in towns, villages, or cities, should be raised or reduced, without raising or reducing the other real property of such county, or without raising or reducing it in the same ratio, the board may add to, or take from, the valuation of any one or more of such towns, villages, or cities, or of the property not in towns, villages, or cities, such per cent as the board believes will raise or reduce the same to its true and full value in money;

(4) The board shall add to the aggregate valuation of any class of personal property of any county, town, village, or city, which the board believes to be valued below the true and full value thereof, such percent as will raise the same to its true and full value in money;

(5) The board shall take from the aggregate valuation of any class of personal property in any county, town, village, or city, which the board believes to be valued

above the true and full value thereof, such percent as will reduce the same to its true and full value in money;

(6) The board shall not reduce the aggregate valuation of all the property of the state, as returned by the several county auditors, more than one per cent on the whole valuation thereof; and

(7) When it would be of assistance in equalizing values the board may require any county auditor to furnish statements showing assessments of real and personal property of any individuals, firms, or corporations within the county. The board shall consider and equalize such assessments and may increase the assessment of individuals, firms, or corporations above the amount returned by the county board of equalization when it shall appear to be undervalued, first giving notice to such persons of the intention of the board so to do, which notice shall fix a time and place of hearing. The board shall not decrease any such assessment below the valuation placed by the county board of equalization.

[R. L. s. 863] (2366)

270.13 RECORD OF PROCEEDINGS CHANGING ASSESSED VALUATION; DUTIES OF COUNTY AUDITOR. A record of all proceedings of the commissioner of taxation affecting any change in the assessed valuation of any property, as revised by the state board of equalization, shall be kept by the commissioner of taxation and a copy thereof, duly certified, shall be mailed to the auditor of each county wherein such property is situated, on or before November fifteenth each year. This record shall specify the amounts or amount, or both, added to or deducted from the valuation of the real property of each of the several towns, villages, and cities, and of the real property not in towns, villages, or cities, also the percent or amount of both, added to or deducted from the several classes of personal property in each of the towns, villages, and cities, and also the amount added to or deducted from the assessments of individuals, copartnerships, associations, or corporations. The county auditor shall add to or deduct from such tract or lot, or portion thereof, of any real property in his county the required percent or amount, or both, on the valuation thereof as it stood after equalized by the county board, adding in each case a fractional sum of 50 cents or more, and deducting in each case any fractional sum of less than 50 cents, so that no valuation of any separate tract or lot shall contain any fraction of a dollar; and add to, or deduct from, the several classes of personal property in his county the required percent or amount, or both, on the valuation thereof as it stood after equalized by the county board, adding or deducting in manner aforesaid any fractional sum so that no valuation of any separate class of personal property shall contain a fraction of a dollar, and add to or deduct from assessments of individuals, copartnerships, associations, or corporations, as they stood after equalization by the county board, the required amounts to agree with the assessments as returned by the commissioner of taxation.

[1907 c 408 s 13; 1949 c 543 s 6] (2367)

270.14 COUNTY AUDITOR TO CALCULATE TAX RATE. The county auditor shall calculate the rate percent necessary to raise the required amount of the various taxes on the assessed valuation of all property as returned by the commissioner of taxation.

[1907 c. 408 s. 14] (2368)

270.15 WITNESSES, HOW SWORN; FAILURE TO TESTIFY OR PRODUCE. Oaths to witnesses in any matter under the investigation or consideration of the commissioner of taxation may be administered by his secretary. In case any witness shall fail to obey any summons or appear before the commissioner of taxation or refuse to testify or answer any material questions or to produce records, books, papers, or documents when required so to do, such failure or refusal shall be reported to the attorney general, who shall thereupon proceed in the proper court to compel obedience to any summons or order of the commissioner of taxation, or to punish witnesses for any such neglect or refusal.

[1907 c. 408 s. 15] (2369)

270.16 PROPERTY OMITTED OR UNDERVALUED; REASSESSMENT. When it shall be made to appear to the commissioner of taxation, by complaint or by the finding of a court or of the legislature, or either body of the legislature, or any committee of the legislature, or any city or village council or county board, that any considerable amount of property has been improperly omitted from the tax list or assessment roll of any district or county for any year, or, if assessed, that the same has been undervalued or overvalued, as compared with like prop-

erty in the same county or in the state so that the assessment for such year in such district or county is grossly unfair and inequitable, whether or not the same has been equalized by the county board of equalization or the commissioner of taxation, the commissioner of taxation shall examine into the facts in the matter and, if satisfied therefrom that it would be for the best interests of the state that a reassessment of such property be made, he shall appoint a special assessor and such deputy assessors as may be necessary and cause a reassessment to be made of all or any of the real and personal property, or either, in any such district or county as he may deem best, to the end that all property in such district or county shall be assessed equitably as compared with like property in such district or county.

[1907 c 408 s 16; 1909 c 294 s 2; 1965 c 185 s 1] (2370)

270.17 QUALIFICATION OF ASSESSORS; REASSESSMENT, HOW MADE.

Such special assessors and deputies shall be citizens of the state but need not be residents of the county or district wherein such reassessment is so made. Every special assessor and deputy appointed under the provisions of section 270.16 shall subscribe and file with the commissioner of taxation his oath to faithfully and fairly perform the duties of his office. Such special assessor, assisted by his deputies, shall thereupon proceed to carefully examine and reassess the property so to be reassessed and prepare duplicate lists of such reassessment in such form as the commissioner of taxation may prescribe, showing the property or person so reassessed, the amount of the original assessment thereof made in such year, and opposite the same the reassessment so made by such special assessor. He shall file both copies of such list with the commissioner of taxation; and the commissioner of taxation shall thereupon examine, equalize, and correct such reassessment so as to substantially conform with the assessment of like property throughout the state and transmit to the auditor of the county wherein such reassessment was so made one copy of such reassessment by him so corrected and equalized. Such list shall for all purposes supersede and be in place of the original assessment made for such year upon such property and the county auditor, upon receipt thereof, shall extend and levy against such property so reassessed the taxes thereon for such year according to such reassessment in the same manner as though such list was the original assessment list of such property. Any person feeling himself aggrieved by an assessment so made against him, or upon any property at that time owned by him, may appeal therefrom to the district court of the county in which such assessment is made. To render the appeal effective for any purpose, the appellant shall file a notice of the appeal with the auditor of such county within 30 days after the making of the assessment, which notice shall specify the ground upon which the appeal was taken, and no other or different service shall be required to perfect it. Upon the filing of the notice the county auditor shall make and file in the office of the clerk of the district court a certified copy of the notice and of the particular assessment appealed from and notify the county attorney of such county of the pendency of the appeal. Thereupon the district court shall be deemed to have acquired jurisdiction of the matter and proceed to hear and determine it in like manner as other tax matters are tried and determined in the district courts of this state. The county attorney of such county shall appear for and defend the interests of the state in such matter.

[1909 c. 294 s. 3] (2371)

270.18 REASSESSMENT FUND; COMPENSATION. Subdivision 1. There is hereby created a permanent reassessment revolving fund. Such fund shall consist of the sum of \$500,000. There is hereby appropriated from the general revenue fund sufficient moneys to increase said fund to \$500,000.

Subd. 2. The compensation of each special assessor and of his deputies, appointed under the provisions of section 270.11, subdivision 3, and 270.16, and his expenses as such, shall be fixed by the commissioner of taxation and by him certified to the state auditor and paid out of the fund provided for in subdivision 1 hereof. The respective counties shall reimburse the state therefor two years after the same are incurred. The state auditor shall notify the auditor of such county of the amount thereof, whereupon the county auditor shall levy a tax upon the taxable property in the assessment district or districts wherein such reassessment was made sufficient to pay the same and when collected the proceeds thereof shall be forthwith paid into the fund described in subdivision 1 hereof.

[1909 c 294 s 4; 1963 c 714 s 1; 1965 c 743 s 1] (2372)

270.19 MUNICIPALITIES TO BE PARTY TO TAX HEARINGS. Any city, town, village, borough, school district, or county (all of which governmental subdivisions shall be embraced in the word "municipality" as used hereinafter) may appear at and become a party to any proceedings before the commissioner of taxation held for the purpose of equalizing or assessing any real or personal property in such municipality, or reducing the assessed valuation of any such property. For that purpose any such municipality may employ counsel and disburse money for other expenses in connection with such proceedings, on duly itemized, verified claims, which shall be audited and allowed as now provided by law for the allowance of claims against a municipality. It shall be the duty of the commissioner of taxation, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing. Before granting any reduction in assessed valuation exceeding \$30,000, it shall be the duty of the commissioner of taxation, when any taxpayer or property owner has applied for a reduction of the assessed valuation of any real or personal property in an amount exceeding \$30,000, to give written notice to the officials of the municipality wherein such property is located and to permit such municipality to have reasonable opportunity to be heard at any proceedings concerning such reduction.

[1931 c 304 s 1; 1965 c 642 s 1] (2372-1)

270.20 HEARINGS, REQUEST FOR, NOTICE OF, PREPARATION FOR. Any such municipality may, at any time within ten days after the final adjournment of the county board of equalization of the county in which such municipality is located or within ten days after the filing with the auditor of such county of any order of the commissioner of taxation reducing the assessed valuation of any property in such municipality, file a written request with the commissioner of taxation for a hearing upon the equalization or assessment of any property within such municipality, specifying the property and the name and address of the owner thereof, as they appear from the assessment books. The commissioner of taxation shall thereupon order a hearing thereon and mail a notice stating the time and place of such hearing to the municipality and to the owner of such property. It shall be the duty of the commissioner of taxation, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing.

[1931 c. 304 s. 2] (2372-2)

270.21 WITNESSES SUMMONED. Upon any such hearing the commissioner of taxation shall, upon the request of such municipality or any party to such proceedings, issue subpoenas and summon witnesses to appear and give testimony, and to produce books, records, papers, and documents. For the purpose of preparing for and participating in such hearing the municipality shall have access to, and use of, all the data, records, and files of the commissioner of taxation pertaining to the property in question. Upon demand of any party a record shall be kept by the commissioner of taxation of all evidence offered or received upon such hearing, the cost thereof to be paid by the party making such demand.

[1931 c. 304 s. 3] (2372-3)

270.22 FINDINGS OF FACT. The commissioner of taxation shall determine the controversy upon the evidence produced at such hearing and shall make and file written findings of fact and his order determining the controversy. In the equalization and determination of valuations, the findings and values as given by the assessor of the local assessment district shall be considered as prima facie correct. Copies of such order and findings shall be mailed to all parties appearing at such hearing, and to the auditor of the county in which the property is located. Any municipality which has appeared in such proceedings, and which is aggrieved by the order of the commissioner of taxation reducing the assessed valuation of any such property, or failing to increase such assessed valuation, may have the order of the commissioner of taxation reviewed by appeal to the supreme court, on either of the following grounds: (a) that the determination of the commissioner of taxation was not in accordance with the laws relating to the assessment of property, or that the commissioner of taxation committed any other error of law; (b) that the findings of fact and determination of value were unwarranted by or were contrary to the weight of the evidence.

Any owner of property who has appeared in such proceedings and who is aggrieved by the order of the commissioner of taxation raising the assessed valua-

tion of any such property, or failing to reduce such assessed valuation, may have the order of the commissioner of taxation reviewed on appeal to the supreme court in like manner and upon the same grounds as hereinabove provided for review on the appeal of any municipality, as hereinafter provided.

[1931 c. 304 s. 4] (2372-4)

270.23 NOTICE OF APPEAL. To secure such review, the municipality shall, within 30 days after mailing of notice of such determination by the commissioner of taxation, serve upon the commissioner of taxation a notice of appeal to the supreme court from the order of the commissioner of taxation and file the original thereof, with proof of service, with the clerk of the supreme court, paying the filing fee provided by law for appeals in civil actions. The filing of such notice of appeal shall vest the supreme court with jurisdiction thereof and such appeal shall be heard and disposed of as in the case of appeals from civil actions from the district court. Records and briefs shall be served and filed as provided by law or rule of court in such appeals.

The supreme court shall reverse or affirm the order of the commissioner of taxation or remand the cause to the commissioner of taxation for a new hearing or further proceedings or for other disposition thereof, with such directions as the court may deem proper.

[1931 c. 304 ss. 5, 6] (2372-5, 2372-6)

270.24 APPEAL NOT TO STAY COLLECTION. The institution of any such appeal from the order of the commissioner of taxation shall not operate to stay in any way proceedings for the assessment or collection of taxes against the property involved therein. Notwithstanding such appeal, the commissioner of taxation shall file with the auditor of the county in which such property is situated his order confirming, increasing, decreasing, or determining the assessed value thereof, and the county auditor shall extend and levy against such property, or the owner thereof, the taxes thereupon for such year according to such assessment, and all subsequent proceedings for the determination of the taxes and the collection thereof shall be taken as if no appeal from such order were pending. When the matter is finally determined on review a properly authenticated copy of the findings, order, or judgment shall be filed with the auditor of the county in which the land or property referred to in the proceedings is situated. If such order or judgment lowers the taxable valuation of the land or property referred to in the proceedings, the commissioner of taxation, upon petition of the owner, approved by the county board, shall abate so much of the taxes against such property as is attributable to the excessive valuation thereof. If such tax has been paid, the county auditor, upon petition of the owner, approved by the county board and the commissioner of taxation, shall refund so much of such payment as is attributable to such excess valuation. Upon such refund being made the county auditor shall charge the same to the state and the various governmental subdivisions thereof that participated in such excessive payment, in proportion to their respective shares therein, and deduct the same in the next tax apportionment.

[1931 c. 304 s. 7] (2372-7)

270.25 SHALL BE EXTENDED AS ADDITIONAL TAXES. If such final order and judgment result in raising the valuation of the property affected by the proceedings, the county officers shall, for the next ensuing year, in addition to the regular taxes levied for such ensuing year, levy, extend, and spread against such property, if real property, or against the owner thereof, if personal property, a tax equal to the difference between the taxes actually levied and extended against such property, or owner, for the year in question and the taxes which should have been levied or extended against such property, or owner, at the increased valuation as finally determined.

[1931 c. 304 s. 8] (2372-8)

270.26 PROCEEDINGS TO DETERMINE ASSESSED VALUATION. The proceedings provided hereby are for the purpose of determining the assessed valuation upon the basis of which taxes are spread against property, or the owner thereof, in the first instance. The order of the commissioner of taxation, or the final order for judgment of the supreme court thereon, shall not be a bar to any defense against such taxes interposed at the time of the proceedings for judgment thereon, and all defenses which may be set up against the proceedings for judgment upon such taxes under existing laws may be asserted notwithstanding the determination

of the commissioner of taxation or the supreme court hereunder. In the event that taxes are levied or extended pending review of the order of the commissioner of taxation by the supreme court, as hereinbefore provided, a judgment entered upon such taxes in the tax delinquency proceedings shall not be a bar to the spreading of further taxes against such property for such year, in the event the assessed valuation of such property is raised as herein provided. In the proceedings for the collection of any taxes which include an additional levy because of the raising of the assessed valuation of any property hereunder the owner may answer separately to the proceedings to obtain judgment for such excess levy.

MINNESOTA TREE GROWTH TAX LAW

270.31 CITATION. Sections 270.31 to 270.39 may be cited as the "Minnesota tree growth tax law."

[1957 c 639 s 1]

270.32 PUBLIC POLICY. The present general system of ad valorem taxes in the state of Minnesota as applied to forest lands does not provide an equitable basis of taxation and has resulted in inadequate taxes on some lands and excessive tax forfeiture on other lands.

Therefore it is the declared public policy of this state that the public interest would be best served by encouraging private forest landowners to retain and improve their holdings of forest lands upon the tax rolls of the state and to promote better forest management of such lands by appropriate tax measures, therefore, sections 270.31 to 270.39 are enacted for the purpose of permitting privately owned lands generally suitable for the planting, culture and growth of continuous forest products to be taxed on the basis of the annual increase in value in accordance with the following provisions.

[1957 c 639 s 2]

270.33 DEFINITIONS. Subdivision 1. Unless the language or context clearly indicates that a different meaning is intended, the following words, terms and phrases for the purposes of sections 270.31 to 270.39 shall be given meanings as follows:

Subd. 2. Forest type means a stand of trees characterized by the predominance of one or more key species, which make up 50 percent or more of the sawlog volume in sawlog stands; of cordwood in pole-timber stands; or of the number of trees in seedling and sapling stands.

Subd. 3. Spruce fir type means a mixed hardwood and coniferous stand of trees with white spruce and balsam-fir the most common species.

Subd. 4. Swamp spruce type means a stand of trees in which swamp conifers predominate with black spruce the most common.

Subd. 5. Other swamp conifers type means a stand of trees in which conifers predominate with tamarack or cedar the most common.

Subd. 6. Jack pine type means a stand of trees in which pine species predominate with jack pine the most common.

Subd. 7. White and Norway pine type means a stand of trees in which pine species predominate with white or Norway pine the most common.

Subd. 8. Aspen-Birch type means a stand of trees in which a mixture of trembling or large-tooth aspen and paper birch predominates.

Subd. 9. Upland hardwood type means a stand of trees in which northern hardwood species (sugar and red maple, yellow birch, basswood and oak) predominate.

Subd. 10. Lowland hardwood type means a stand of trees on poorly drained land in which the bottomland hardwood, such as ash, elm and Balm of Gilead predominate.

Subd. 11. Stagnant spruce swamp type means a stand in which spruce predominates, but which will not produce standard pulpwood in 100 years, although it will produce Christmas trees of commercial value.

Subd. 12. Commercial forest type means any forest type which has three cords or more of standard pulpwood or sawlogs per acre or 500 stems or more of commercial tree species per acre.

Subd. 13. Temporarily non-productive type means land capable of producing a commercial forest type but does not at present meet the standards of subdivision 11.

Subd. 14. Permanently non-productive type means land such as muskeg, marsh and rock outcrops, which is unsuitable for growing a commercial forest type.

Subd. 15. Average annual growth rate means the estimated average amount of commercial forest product one acre of land will grow in one year.

Subd. 16. Stumpage value means the monetary value placed on standing timber before it is cut expressed in terms of dollars per cord or dollars per thousand board feet. Conversion from board feet to cords for the purposes of sections 270.31 to 270.39 shall be two and one-fourth per thousand board feet.

Subd. 17. Value of the annual growth means the average annual growth rate per acre for a type multiplied by the weighted average of the stumpage values of all species in the type. The proportions of the various species making up the type to be used in computing the weighted average of the stumpage values of all species in the type shall be determined with reference to the most recent official forest survey report for the county in which the land is located.

Subd. 18. Governmental subdivision shall mean a government lot or a sixteenth of a section commonly known as a forty.

[1957 c 639 s 3; 1959 c 441 s 1]

270.34 AVERAGE ANNUAL GROWTH RATES, DETERMINATION. The average annual growth rates to be used in determining taxes applicable to property in each county under sections 270.31 to 270.39 shall be established by the county board of each county desiring to use the provisions of sections 270.31 to 270.39. The rates shall be established with due regard for the studies of average annual growth rates made by the division of forestry for the state of Minnesota and the lake states forest experiment station of the United States department of agriculture. The rates may be determined by each participating county after the passage of sections 270.31 to 270.39 and when determined and certified by the county board to the county auditor, shall remain in effect in each county without change until the calendar year 1966. In the calendar year 1966 and at the end of each ten-year period thereafter, the county board shall review and set such rates for the following ten-year period in the same manner, provided, however, that any mathematical or clerical errors in such rates may be corrected by the county board as soon as such error is discovered. Rates shall be certified by the county board to the county auditor and shall take effect with the calendar year following that in which the error is corrected. Any person aggrieved by a change of rate determination of the county board hereunder may appeal to the county board for readjustment. In the event of disagreement, the aggrieved person may test the correctness of the new rate or rates by applying directly to the commissioner of taxation within one year of such change in accordance with the provisions of Minnesota Statutes, Section 270.07 and the commissioner shall have the power to grant the changes of any rate or rates as he may deem just and equitable and to order the refund in whole or in part of any taxes, costs, penalties or interest thereon which have been erroneously or unjustly paid since the changed rate. In the event of any change in rates on appeal from the determination by the county board, the rate as so changed shall remain in effect until the next revision period.

[1957 c 639 s 4; 1959 c 441 s 2]

270.35 STUMPAGE VALUE, USE IN COMPUTING TAX. The stumpage value for each species to be used in computing the tax in any county shall be computed in each even numbered year and shall be the average sale price received by the county upon all of its sales of sound standing timber of the species during the previous two calendar years. In the event there have been no sales of the species or products within the county within the previous two calendar years, or less than 500 cords of the various products have been sold which is insufficient to estimate a fair and equitable stumpage price for the various products grown, the county board, with the approval of the commissioner of conservation, shall set a stumpage price for such species, with the right of appeal by any aggrieved persons to the commissioner of taxation as set forth in section 270.34 in the event any such person deems himself to be aggrieved by such determination.

[1957 c 639 s 5; 1963 c 448 s 3]

270.36 COMPUTATION OF TAX. Subdivision 1. After the county board has determined the average annual growth rates in accordance with section 270.34, they shall make an order and cause a resolution regarding such order to be published in the minutes of the county board meeting. The county board shall file the order with the register of deeds. Thereafter the county auditor shall compute the values of the

annual growth of the types of timber growing in the county as defined in section 270.33, subdivision 17, and shall post a tabulation of the values in his office and prepare copies of the same for dissemination to all persons who may request them.

Subd. 2. The forest lands made subject to taxation under sections 270.31 to 270.39 shall be taxed at the following rates:

1. Lands growing commercial forest type shall be taxed each year in the amount of 30 percent of the value of the estimated average annual growth as determined in accordance with sections 270.31 to 270.39.

2. Temporarily non-productive forest type shall be taxed five cents per acre per year, providing the owner complies with his agreement for reforestation within the time specified in the agreement. In the event of non-compliance, the land shall thereafter be subject to a 15 cents per acre per year tax.

3. Permanently non-productive lands shall be subject to a five cents per acre tax per year.

4. Lands described in this section and used for administrative or management purposes, such as roads, logging camps or worksites, and other harvest of timber, or for free public recreation shall be classified the same as adjoining lands under the tree growth tax law.

5. Camp buildings or any temporary buildings shall be taxed as personal property and taxed and classed for the purpose of taxation as class 3.

[1957 c 639 s 6; 1963 c 418 s 4]

270.37 TAX CREDIT. Subdivision 1. For each acre of land which shall have been planted and maintained with a minimum of 500 trees of commercial species, the owner may be allowed a credit against his taxes on other lands within the same governmental subdivision on which the planting is made in the amount of 50 cents per acre per year. An application for such credit must accompany the annual report to the county board required by section 270.38, subdivision 3, and shall be handled in the same manner as other reclassification provided in said subdivision. The credit shall in no event exceed the amount of the tax due upon the land in such governmental subdivision. When the plantation is ten years old, the plantation shall be classified as a commercial forest type and taxed as such and the credit against tax set forth above shall cease.

Subd. 2. This section shall not apply to lands devoted to growing trees for ornamental purposes. In the event any such trees are severed, all credits received shall be repaid plus triple the tax as would otherwise have applied.

270.38 APPLICATION TO COME UNDER TREE GROWTH TAX LAW. Subdivision 1. Any owner of forest lands desiring to place any governmental subdivision or portion thereof containing not less than five acres of forest land owned by him under the provisions of sections 270.31 to 270.39, shall make application in triplicate to the county board of the county in which the land is located upon a form prescribed by the commissioner of taxation specifying the legal description or list of descriptions of the land desired to be taxed under sections 270.31 to 270.39 and listing the number of acres of each forest type and the dominant species of each type in each such governmental subdivision or portion thereof. The application shall contain the statement signed and sworn to by the applicant that "while the land is under the tree growth tax law it will be used exclusively for the growing of continuous forest crops in accordance with sustained yield practice and will be open to use by the public for hunting and fishing except within one fourth mile of a permanent dwelling or during periods of high fire hazard as determined by the commissioner of conservation." The application shall be accompanied by a forest type map and a statement concerning the owner's intentions with regard to reforestation of any temporarily non-productive land. If a tract under the tree growth tax law has any acreage devoted to administrative or management purposes, such as roads, logging camps, free public recreational areas, as shown on the map accompanying the application, the lands so used shall be classified the same as adjoining lands under this law.

Subd. 2. Within 90 days after the filing of any application the county board shall make an order approving or disapproving the application and file the order with the county auditor. The county board may appoint and set the salary of a qualified investigator to examine and review the applications and report his findings for their guidance. The application together with the county board's order approving the ap-

plication or applications shall constitute the agreement herein referred to. The agreement shall be deemed a covenant running with the land and shall be recorded in the office of the register of deeds by the county auditor within ten days after the approval thereof. The expense of such recording shall be paid by the owner. In the event an application is approved, the land shall be deemed subject to sections 270.31 to 270.39 beginning with the calendar year next succeeding the one in which the agreement is recorded with the register of deeds. If no action is taken by the county board within 90 days after the filing of the application, the applicant may submit the application to the commissioner of taxation, who shall act on the application with all the powers of the county board relative to such application. An agreement may be amended or cancelled without formal hearing by mutual agreement between the land owner and the county board or by the following procedures in the absence of mutual agreement. In the event the county board wishes to amend or cancel an agreement, it may do so after a hearing held by the county board, notice of which shall have been sent by registered mail to the last owner of record at least 30 days prior to the hearing. Failure of the owner to object to such amendment or cancellation shall be deemed to be agreement in the proposed amendment or cancellation. In the event the owner wishes to amend or cancel an agreement, he shall file an application with the county board. Within 90 days after the filing of an application for amendment or cancellation the county board shall make an order approving or disapproving such application and file the order with the county auditor. If no action is taken by the county board within 90 days of filing, the applicant may submit the application for amendment or cancellation to the commissioner of taxation who shall act on the application with all the powers of the county board relative to such application. Amendments or cancellations ordered by the county board over objections from the owner may be subject to review by the district court. Rejection by the county board of an application for amendment or cancellation may be subject to review by the district court. Amendments and cancellations of agreements shall be recorded in the office of the register of deeds by the county auditor within ten days after action thereon by the county board, with the filing fee to be paid by the party originating the action, and changes shall become effective with the beginning of the calendar year next succeeding said recording.

Subd. 3. On or before January 2 of each year any owner having forest property subject to sections 270.31 to 270.39 shall report to the county board, upon a form prescribed by it, any changes which took place during the previous year affecting the status of any such property in each governmental subdivision under sections 270.31 to 270.39 including the following:

1. The species and volume of all forest products harvested from any such property.
2. The acreage, species and number of trees planted on any such property.
3. The changes in forest types due to fires, insects or disease affecting any such property.

In the event of any substantial change in the classification by reason of the above causes or other causes, the owner may apply to the county board for a reclassification of the property or area affected. The procedure for such reclassification shall be the same as set forth in subdivision 2 of this section.

Subd. 4. During the sixth year of each calendar decade in which any property is being taxed under sections 270.31 to 270.39, such lands so subject to taxation hereunder may be classified by the county board upon application of the owner with a proper showing of the reasons justifying such reclassification, or upon the initiative of the county board in cases where facts justifying such reclassification come to the attention of the county board.

Subd. 5. The owner of any timber lands made subject to sections 270.31 to 270.39 may at any time apply to withdraw any governmental subdivisions from taxation under sections 270.31 to 270.39. Such application made in writing and giving the reasons for withdrawal may be approved by the county board subject to the payment of all back taxes and penalties on the basis of ad valorem taxes in the area giving due credit for taxes paid under sections 270.31 to 270.39; provided that after an agreement has been in effect for more than six years, no penalties as above specified shall be assessed and the owner shall not be required to pay such penalties. If approved, the lands shall be deemed to be withdrawn from taxation under sections 270.31 to 270.39 and shall be returned to taxation under the general real

property tax law beginning with the calendar year next immediately following the date upon which the withdrawal was approved by the county board.

Subd. 6. The county assessor or supervisor of assessments or his duly authorized representative may enter and examine the forest lands brought under sections 270.31 to 270.39 for tax purposes and may examine into any information submitted by the owner in connection with any application to enter any governmental subdivision for purposes of taxation under sections 270.31 to 270.39 whereby the county board has been deceived, and in the event any wilful misrepresentation of facts is made in any such application under sections 270.31 to 270.39, the county shall be entitled to triple the amount of tree growth taxes which should have been paid for all previous years as well as the current year in which such misrepresentation is discovered. In the event that such examination indicates that any such lands should be reclassified, the county board shall reclassify such lands and make such reclassification effective with the year in which the agreement containing such misrepresentation became effective. If any owner shall fail to comply with the requirements of sections 270.31 to 270.39, the county board may withdraw the land of such owner from taxation under sections 270.31 to 270.39 after a hearing held by the county board, notice of which shall have been sent by registered mail to the last owner of record 30 days prior to the hearing, but such action may be subject to review by the district court. Any lands so withdrawn from under sections 270.31 to 270.39 shall be withdrawn from such taxes at the end of the calendar year in which the actual withdrawal is made and in the succeeding calendar year shall be returned to taxation under the general provisions of the Minnesota Statutes relating to the taxation of lands.

Subd. 7. If at any time the county board deems the lands entered under sections 270.31 to 270.39 more valuable for other purposes than the production of timber crops such lands may be removed from the provisions of sections 270.31 to 270.39 by joint agreement of the county board and the taxpayer. In the event of disagreement, such lands may be removed from under sections 270.31 to 270.39 by the county board upon the recommendation of a three member committee, one member each appointed by the county board, the taxpayer and the commissioner of taxation.

Subd. 8. All taxes imposed by sections 270.31 to 270.39 shall be a lien upon the land and all forest products growing thereon and severed therefrom until the tax is paid. The tax shall be annually extended by the county auditor and shall be collected and distributed in the manner provided by law for the collection and distribution of ad valorem taxes.

Subd. 9. In determining the assessed value of property within any taxing district the value of the surface of lands subject to the provisions of sections 270.31 to 270.39 therein, as determined by the county board under provisions of Minnesota Statutes, section 88.48, subdivision 3, shall, for all purposes except the levying of taxes on such lands, be deemed the full and true value thereof.
