THE ACT AGAINST UNFAIR DISCRIMINATION AND COMPETITION

325.02 APPLICATION. Section 325.03 shall apply only to the manufacture, production, or distribution of any commodity, article, goods, wares, or merchandise in general use or consumption. Sections 325.04 to 325.06 shall apply only to the selling, offering, or advertising for sale, giving away or offering or advertising the intent to give away of any commodity, article, goods, wares, or merchandise, in wholesale or retail trade.

[1937 c. 116 pt. 1 s. 1; 1937 c. 116 pt. 2 s. 1] (3976-37, 3976-40)

325.03 DISCRIMINATION UNLAWFUL. Any person, partnership, firm, or corporation, foreign or domestic, doing business in the state and engaged in the production, manufacture, or distribution of any printed or mimeograph matter, commodity, article, goods, wares, or merchandise in general use or consumption, who for the purpose or with the effect of injuring a competitor or destroying competition, shall discriminate between different sections, communities, or cities of this state by selling or furnishing such commodity, article, goods, wares or merchandise at a lower price, or rate in one section, community, or city, or any portion thereof, than such person, firm, or corporation, foreign or domestic, charges for such commodity, article, goods, wares, or merchandise in another section, community, or city, or any portion thereof, after making allowance for difference, if any, in the grade, quality, or quantity after equalizing the distance from the point of production, manufacture, or distribution and freight rates therefrom, shall be guilty of unfair discrimination; provided, that sections 325.01 to 325.07 shall not

prevent any person, firm, or corporation from, in good faith, meeting local competition within any one section, community, village, or city. The inhibition hereof against locality discrimination shall embrace any scheme of special rebates, collateral contracts, or any device of any nature whereby such discrimination is, in substance or fact, effected in violation of the spirit and intent of sections 325.01 to 325.07.

[1937 c 116 pt 1 s 2; 1957 c 822 s 1] (3976-38)

325.04 SELLING BELOW COST FORBIDDEN. Any retailer, wholesaler, sub-jobber or vending machines operator engaged in business within this state, who sells, offers for sale or advertises for sale, any commodity, article, goods, wares, or merchandise at less than the cost thereof to such vendor, or gives, offers to give or advertises the intent to give away any commodity, article, goods, wares, or merchandise for the purpose or with the effect of injuring a competitor or destroying competition, shall be guilty of unfair discrimination; and, upon conviction, subject to the penalty therefor provided in section 325.48, subdivision 2.

Any retailer, wholesaler, sub-jobber or vending machines operator who sells goods in any part of this state at prices lower than those exacted by the person elsewhere in the state for like qualities and grades and where the effect of such lower prices may be substantially to lessen competition or tend to create a monopoly in any line of business, or to injure, destroy, or prevent competition with the person selling at such lower prices, shall be guilty of unfair competition and subject to the penalties of section 325.48, subdivision 2; provided, that nothing shall prevent differentials in prices in different localities which make only due allowances for differences in "cost of doing business" or "overhead expense" and in costs of delivery for such goods to different localities; nor differences in prices in an endeavor made in good faith to meet the legal prices of a competitor selling the same commodity, articles, goods, wares or merchandise in the same locality or trade area.

The inhibition against sales below cost or locality discrimination shall embrace any scheme of special rebates, collateral contracts, or any device of any nature whereby such discrimination is, in substance or fact, effected in violation of the spirit and intent of sections 325.01 to 325.07.

[1937 c 116 pt 2 s 2; 1939 c 403 s 1; 1941 c 326 s 1; 1957 c 822 s 2] (3976-41)

NOTE: See section 325.48.

325.05 BANKRUPT SALES NOT TO BE CONSIDERED IN FIXING COSTS. In establishing the cost of a given article, goods, wares, or merchandise to the vendor, the invoice cost of the article, goods, wares, or merchandise purchased at a forced, bankrupt, close-out, or other sale outside of the ordinary channels of trade may not be used as a basis for justifying a price lower than one based upon the replacement cost as of date of the sale of the article, goods, wares, or merchandise replaced through the ordinary channels of trade, unless the article, goods, wares, or merchandise is kept separate from goods purchased in the ordinary channels of trade and unless the article, goods, wares, or merchandise is advertised and sold as merchandise purchased at a forced, bankrupt, or close-out sale, or by means other than through the ordinary channels of trade, and the advertising shall state the conditions under which the goods were so purchased and the quantity of such merchandise to be sold or offered for sale.

[1937 c. 116 pt. 2 s. 4] (3976-43)

325.06 INAPPLICABLE SALES. The provisions of section 325.01, subdivisions 2 to 6, and sections 325.04 and 325.05 shall not apply to any sale made:

(1) In closing out in good faith the owner's stock, or any part thereof, for the purpose of discontinuing his trade in any such stock or commodity, and in case of the sale of seasonal goods or merchandise where style is the paramount feature or to the bona fide sale of perishable goods to prevent loss to the vendor by spoilage or depreciation, provided notice is given to the public thereof;

(2) When the goods are damaged or deteriorated in quality, and notice is given to the public thereof;

(3) By an officer acting under the orders of any court;

(4) In an endeavor made in good faith to meet the legal prices of a competitor selling the same commodity, articles, goods, wares, or merchandise in the same locality or trade area.

The price of a retail competitor which is less than eight percent above the manufacturer's published list price less his published trade discounts where the

manufacturer publishes a list price, or in the absence of such a list price less than eight percent above the actual current delivered invoice or replacement cost without deducting customary cash discounts plus the amount of any excise or sales tax shall be prima facie evidence that it is not a legal price, within the meaning of this section.

The price of a wholesale or sub-jobbing competitor to a retailer, which is less than two percent above the manufacturer's published list price less his published trade discounts where the manufacturer publishes a list price, or in the absence of such a list price less than two percent above the actual current delivered invoice or replacement cost without deducting customary cash discounts plus the amount of any excise or sales tax shall be prima facie evidence that it is not a legal price, within the meaning of this section.

Any retailer, wholesaler, sub-jobber or vending machines operator may request the commissioner of the department of business development to ascertain and disclose to him, the current manufacturer's published list price less published trade discounts on any commodity, article, goods, wares, or merchandise, and it shall then be the duty of the commissioner of the department of business development, within 48 hours of such request, to ascertain and disclose to the person making such request, the current manufacturer's published list price less published trade discounts.

Failure to make such request by any person before reducing his price on any commodity, article, goods, wares, or merchandise below his cost shall be prima facie evidence of not acting in good faith within the meaning of this paragraph.

[1937 c 116 pt 2 s 6; 1939 c 403 s 3; 1941 c 326 s 3; 1957 c 322 s 3] (3976-45)

No prosecution shall be had nor any action at law for damages or injunctive relief shall lie where the vendor sells at a price not less than 15 percent above the manufacturer's published list price, less his published trade discounts, where the manufacturer publishes a list price; or, in the absence of such a list price, at not less than 15 percent above the current delivered invoice or replacement cost, without deducting customary cash discounts, plus, in either case, the amount of any excise or sales tax imposed on such merchandise subsequent to the purchase thereof and prior to the resale thereof.

Any sale made by a wholesale vendor, or a sub-jobber to a retailer at less than two percent above the manufacturer's published list price, less his published trade discounts, where the manufacturer publishes a list price; or, in the absence of such a list price, at less than two percent above the actual current delivered invoice or replacement cost, without deducting customary cash discounts, plus, in either case, the amount of any excise or sales tax imposed on such merchandise subsequent to the purchase thereof and prior to the resale thereof, for the purpose or with the effect of injuring a competitor or destroying competition, shall be prima facie evidence of the violation of sections 325.02 to 325.07.

Any sale made by a wholesaler to another wholesaler, sub-jobber or vending machines operator at less than the manufacturer's published list price less his published trade discounts, where the manufacturer publishes a list price; or, in the absence of such a list price, at less than the actual current delivered invoice or replacement cost, without deducting customary cash discounts, plus, in either case, the amount of any excise or sales tax imposed on such merchandise subsequent to the purchase thereof and prior to the resale thereof, for the purpose or with the effect of injuring a competitor or destroying competition, shall be prima facie evidence of the violation of sections 325.02 to 325.07.

THE UNLAWFUL TRADE PRACTICES ACT

325.141 UNLAWFUL TRADE PRACTICES. The Legislature of the State of Minnesota hereby finds: that the trade practices defined and prohibited by Laws 1943, Chapter 144, are detrimental to labor, destructive to employment, and injurious to the best interests of workmen; that they mislead the consumer into believing that he is buying merchandise at prices substantially below regular retail prices, when in fact he is not; that they mislead the consumer as to the quality, ingredients and origin of merchandise purchased by him; that they deprive the consumer of various customer services offered by regularly established and bona fide retail outlets without compensating advantage to the consumer; and that they constitute unfair and fraudulent competition and unsound and uneconomic methods of distribution. The Legislature, acting in the exercise of the police power of the state, declares that the public policy of the state requires, and that the general welfare of the state will be benefited by, the suppression of the trade practices hereinafter defined.

THE MINNESOTA UNFAIR CIGARETTE SALES ACT

325.64 MINNESOTA UNFAIR CIGARETTE SALES ACT; FINDINGS AND POLICY. The legislature finds that unfair, dishonest and fraudulent business practices exist in transactions involving the sale of, or offer to sell, cigarettes in the wholesale and retail trades in this state and are demoralizing and disorganizing the said trades.

Offering for sale, or sale of cigarettes below cost in the wholesale and retail trade is declared by the legislature to have the intent or effect of injuring a competitor, destroying or lessening competition, and is deemed an unfair and deceptive business practice and an unfair method of competition.

Such practices affect collection of taxes and license fees imposed on distributors, wholesalers, retailers, and persons engaged in the sale of cigarettes.

It is hereby declared to be the policy of the state of Minnesota and the purpose of sections 325.64 to 325.76 to protect the public by prohibiting such sales.
