## 168.01 [Repealed, 1949 c 694 s 5]

168.011 **DEFINITIONS.** Subdivision 1. Words, terms, and phrases. Unless the language or context clearly indicates that a different meaning is intended, the following words, terms and phrases, for the purposes of this chapter, shall be given the meanings subjoined to them.

- Subd. 2. Application for registration; listing for taxation. "Application for registration" shall have the same meaning as "listing for taxation," and when a motor vehicle is registered it is also listed.
- Subd. 3. Highway. A "highway" is any public thoroughfare for vehicles, including streets in cities, villages, and boroughs.
- Subd. 4. Motor vehicle. "Motor vehicle" means any self-propelled vehicle not operated exclusively upon railroad tracks and any vehicle propelled or drawn by a self-propelled vehicle and includes vehicles known as trackless trolleys which are propelled by electric power obtained from overhead trolley wires but not operated upon rails, except snowmobiles.
  - Subd. 5. Owner. "Owner" means any person, firm, association, or corporation

owning or renting a motor vehicle, or having the exclusive use thereof, under a lease or otherwise, for a period of greater than 30 days.

- Subd. 6. Tax, fee. "Tax" or "fee" means the annual tax imposed on motor vehicles in lieu of all other taxes thereon, except wheelage taxes, so-called, which may be imposed by any borough, city or village, and except gross earnings taxes paid by companies subject or made subject thereto. Such annual tax shall be deemed both a property tax and a highway use tax and shall be on the basis of the calendar year.
- Subd. 7. **Passenger automobile.** "Passenger automobile" means any motor vehicle designed and used for the carrying of not more than eight persons but excluding motorcycles, motor scooters, and station wagons.
- Subd. 8. **House trailer; mobile home.** (a) "House trailer" means any trailer or semi-trailer designed and used for human living quarters, and meeting all of the following qualifications:
  - (1) Is not used as the residence of the owner or occupant;
- (2) Is used for temporary living quarters by the owner or occupant while engaged in recreational or vacation activities;
- (3) Is towed on the public streets or highways incidental to such recreational or vacation activities.

The term "house trailer" shall not include bunk-houses, so-called, temporarily mounted on trailers, and mobile homes. Such bunk-houses, exclusive of the trailer and mobile homes, shall be listed and taxed as personal property as provided by law.

- (b) "Mobile home" means any trailer or semi-trailer which is designed, constructed, and equipped for use as a human dwelling place, living abode, or living quarters except house trailers.
- Subd. 9. **Bus; Intercity bus.** (a) "Bus" means any motor vehicle designed and used for the carrying of more than eight persons.
- (b) "Intercity bus" means any bus operating as a common passenger carrier over regular routes and between fixed termini, but excluding all buses operating wholly within the limits of one city, village or borough, or wholly within two or more contiguous cities, villages and boroughs, or between contiguous cities and villages or boroughs and a terminus outside the corporate limits of such cities, villages or boroughs and not more than 20 miles distant measured along the fixed route from such corporate limits.
- Subd. 10. Truck. "Truck" means any motor vehicle designed and used for carrying things other than passengers.
- Subd. 11. Tractor. "Tractor" means any motor vehicle designed or used for drawing other vehicles but having no provision for carrying loads independently.
- Subd. 12. **Truck-tractor.** "Truck-tractor" means any motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.
- Subd. 13. **Trailer.** "Trailer" means any vehicle designed for carrying property or passenger on its own structure and for being drawn by a motor vehicle.
- Subd. 14. Semi-trailer. "Semi-trailer" means a vehicle of the trailer type so designed and used in conjunction with a truck-tractor that a considerable part of its own weight or that of its load rests upon and is carried by the truck-tractor.
- Subd. 15. Unloaded weight. "Unloaded weight" means the actual weight of the vehicle fully equipped without a load.
- Subd. 16. Gross weight. "Gross weight" means the actual unloaded weight of the vehicle, either a truck or tractor, or the actual unloaded combined weight of a truck-tractor and semitrailer, fully equipped for service, plus the weight of the maximum load which the applicant has elected to carry on such vehicle or combined vehicles. The term gross weight applied to a truck occasionally used for towing a trailer means the unloaded weight of the truck, fully equipped for service, plus the weight of the maximum load which the applicant has elected to carry on such truck, but not including the weight of such part of the trailer and its load as may rest upon the truck. The term gross weight applied to school buses means the weight of the vehicle fully equipped with all fuel tanks full of fuel, plus the weight of the passengers and their baggage computed at the rate of 100 pounds per passenger seating capacity, including that for the driver.

#### 168.011 MOTOR VEHICLES; REGISTRATION; TAXATION

The term gross weight applied to other buses means the weight of the vehicle fully equipped with all fuel tanks full of fuel, plus the weight of passengers and their baggage computed at the rate of 150 pounds per passenger seating capacity, including that for the driver. For bus seats designed for more than one passenger, but which are not divided so as to allot individual seats for the passengers that occupy them, allow two feet of its length per passenger to determine seating capacity. The term gross weight applied to a truck-tractor used exclusively by the owner thereof for towing an equipment dolly shall be the actual weight of the truck-tractor alone, and the equipment dolly shall be separately licensed and taxed as a trailer, as provided in section 168.013, subdivision 1, paragraph 7. The term "equipment dolly" as used in this subdivision means a heavy semitrailer used solely by the owner thereof to transport his construction machinery, equipment, implements and other objects used on a construction project, but not to be incorporated in or to become a part of a completed project. The term gross weight applied to a truck-tractor or a truck used as a trucktractor transporting unfinished forest products or used by the owner thereof to transport agricultural, horticultural, dairy, and other farm products, including livestock, produced or finished by the owner of the truck, and any other personal property owned by the farmer to whom the license for such truck is issued, from the farm to market, and to transport property and supplies to the farm of the owner, as described in section 168.011, subdivision 17, shall be the unloaded weight of the truck-tractor or converted truck plus the weight of the maximum load which the applicant has elected to carry on the truck, but in no case shall this be less than 21,000 pounds, whether hauling a semitrailer or not, and the semitrailer used for such hauling in conjunction with such truck-tractor or converted truck shall be registered and taxed separately as provided by section 168.013, subdivision 1, paragraph 7.

Subd. 17. Farm truck. "Farm truck" means all single unit trucks, tractors, and trailers used by the owner thereof to transport agricultural, horticultural, dairy, and other farm products, including livestock, produced or finished by the owner of the truck, and any other personal property owned by the farmer to whom the license for such truck is issued, from the farm to market, and to transport property and supplies to the farm of the owner. Trucks, tractors and trailers registered as "farm trucks" may be used by the owner thereof to occasionally transport unprocessed and raw farm products, not produced by the owner of the truck, from the place of production to market when such transportation constitutes the first haul of such products, and may be used by the owner thereof, either farmer or logger who harvests and hauls forest products only, to transport logs, pulpwood, lumber, railroad ties and other raw and unfinished forest products from the place of production to an assembly yard or railhead when such transportation constitutes the first haul thereof, provided that the owner and operator of such vehicle transporting planed lumber shall have in his immediate possession a statement signed by the producer of such lumber designating the governmental subdivision, section and township where such lumber was produced and that this haul, indicating the date, is the first haul thereof.

"Farm trucks" shall also include only single unit trucks, which, because of their construction, cannot be used for any other purpose and are used exclusively to transport milk and cream enroute from farm to an assembly point or place for final manufacture, and for transporting milk and cream from an assembly point to a place for final processing or manufacture. This section shall not be construed to mean that the owner or operator of any such truck cannot carry on his usual accommodation services for his patrons on regular return trips, such as butter, cream, cheese, and other dairy supplies.

- Subd. 18. Registrar. "Registrar" means the registrar of motor vehicles designated in this chapter.
- Subd. 19. Sworn statement. "Sworn statement" means any statement required by or made pursuant to the provisions of this chapter, made under oath administered by an officer authorized to administer oaths.

- Subd. 21. Dealer. "Dealer" means any person, firm, or corporation regularly engaged in the business of manufacturing, or selling, purchasing, and generally

dealing in new and unused motor vehicles having an established place of business for the sale, trade, and display of new and unused motor vehicles and having in its, his, or their possession new and unused motor vehicles for the purposes of sale or trade. "Dealer" also includes any person, firm or corporation regularly engaged in the business of manufacturing or selling, purchasing, and generally dealing in new and unused motor vehicle bodies, chassis mounted or not, and having an established place of business for the sale, trade and display of such new and unused motor vehicle bodies, and having in its, his or their possession new and unused motor vehicle bodies for the purposes of sale or trade.

Subd. 22. Special mobile equipment. "Special mobile equipment" means every vehicle not designed or used primarily for the transportation of persons or property and only incidentally operated or moved over a highway, including but not limited to: ditch digging apparatus, moving dollies and other machinery such as asphalt spreaders, bituminous mixers, bucket loaders, tractors other than truck-tractors, ditchers, leveling graders, finishing machines, motor graders, road rollers, scarifiers, earth moving carry-alls, scrapers, power shovels, drag lines, self-propelled cranes and earth moving equipment. The term does not include house trailers, dump trucks, truck mounted transit mixers, truck mounted feed grinders or other motor vehicles designed for the transportation of persons or property to which machinery has been attached.

Subd. 23. Station wagon. "Station wagon" means a dual purpose vehicle designed for the transportation of persons and also designed in such a manner that the seats may be removed or folded out of the way for the purpose of increasing the property carrying space within the vehicle. The term includes, but is not limited to, types of vehicles which carry the trade names of station wagon, estate wagon, ranch wagon, town and country wagon, country sedan, suburban, travelall, and carryall.

Subd. 24. Motor scooter. "Motor scooter" means a two or three wheeled motor vehicle of not more than five brake horsepower which has a saddle for the use of the rider. The presence or absence of a bar, or gas tanks, or both, between the handle bars and the saddle does not alter or change this definition of a motor scooter.

In the case of vehicles used in general police work the passenger vehicle classification license number plates shall be displayed and furnished by the registrar at cost; but the exemption herein provided shall not apply to any vehicles, except such vehicles used in general police work, and busses owned and used by the state hospitals and institutions for the mentally ill and mentally retarded or epileptic, unless the name of the state department or political subdivision owning such vehicle shall be plainly printed on both sides thereof in letters not less than 2½ inches high, one inch wide and of a % inch stroke. Such printing shall be in a color giving a marked contrast with that of the part of the vehicle on which it is placed and shall be done with a good quality of paint that will endure throughout the term of the registration. The printing must be on a part of the vehicle itself and not on a removable plate or placard of any kind and shall be kept clean and visible at all times. - Subd. 3. Special mobile equipment and snowmobiles shall not be taxed as motor vehicles using the public streets and highways, and shall be exempt from the provisions of this chapter.
- Subd. 4. Bunkhouses, supply cars, shop cars, and other similar camp equipment mounted on trailers and used by highway construction contractors exclusively at construction camp sites shall not be taxed as motor vehicles using the public streets and highways and shall be exempt from the provisions of this chapter. - Subd. 6. All motor vehicle fire apparatus and ambulances operated without profit while owned by a farmers' cooperative association, a body of farmers, a volunteer fire department or association, or a group of citizens, and used solely for the extinguishment of fire in the community in which it is so owned and employed or, in the case of an ambulance used only for the benefit of the community in which it is owned or employed, shall be exempt from taxation.
- Subd. 7. Motor vehicles which during any calendar year are not operated on a public highway shall be exempt from the provisions of this chapter requiring registration, payment of tax and penalties for nonpayment thereof, provided that the owner of any such vehicle shall first file his verified written application with the registrar, correctly describing the vehicle and certifying that it has not been and will not be operated upon a public highway. - Subd. 9. (a) Mobile homes shall not be taxed as motor vehicles using the public streets and highways and shall be exempt from the motor vehicle tax provisions of this chapter. The \$1 charge to record a change of ownership shall be deposited in the state treasury and credited to the transfer of ownership revolving fund. Any licensed dealer holding mobile homes for resale may have the option of paying a registration fee of \$15 for each such mobile home which shall exempt such mobile home from any other taxation or registration fee as long as said mobile home remains in the hands of the dealer for resale provided such \$15 fee is paid within 14 days after the date it became subject to registration in the name of the dealer.

- (c) A listing for taxation and application for registration shall be made to the secretary of state on a form to be provided by said officer and the applicant shall state under oath his name, address, location of mobile home, manufacturer's name or make of trailer, model, serial number, width, length, weight, and shall also furnish the name and number of the school district, the municipality, and the county in which the mobile home is parked or occupied, or where such mobile home will be parked when occupied. Such listing for taxation and application for registration need not be sworn to when the applicant is listing the same vehicle for taxation and registration for the second or any succeeding time.
- (d) The tax required to be paid under this act upon a mobile home for each calendar year becomes due when the mobile home is purchased or first moved into the state and upon January 1 thereafter each year. receipts derived from such use equal or exceed 60 percent of the owner's total gross receipts from the operation of such vehicle during the 12-month period immediately preceding the date set by law for the reregistration of such vehicle. The owner shall furnish such information as the registrar may require, including sworn statements of fact, and the registrar shall thereupon determine whether such owner comes within the provisions of this paragraph.

If an owner has not used such vehicle for the transportation of livestock or unprocessed and raw farm products so as to be able to report gross receipts for the 12-month period as herein set forth, he may, nevertheless, apply for registration hereunder and pay the reduced tax and the registrar shall, after consideration of the established facts, determine whether such owner is entitled to have such registration approved.

If an owner fails to operate under the conditions and limitations herein set forth, he shall immediately notify the reigstrar of such fact and pay the difference between the scheduled gross weight tax less depreciation allowance and the reduced tax proportionate to the number of months remaining in the year,  $\frac{1}{12}$  of the difference for each month or fraction thereof, beginning with the month in which such operations were discontinued or changed.

If an owner first uses such vehicle for the transportation of livestock and unprocessed and raw farm products after the tax becomes due without reduction, no adjustment or refund of tax shall be made during that calendar year for reasons of transporting livestock and unprocessed and raw farm products.

- (e) All truck-tractors except those herein defined as urban trucks shall be taxed in accord with the foregoing gross weight tax schedule on the basis of the combined gross weight of such truck-tractor and any semi-trailer which the applicant proposes to combine with the truck-tractor. In addition to such gross weight tax imposed on the truck-tractor, each semi-trailer, except those herein defined as urban trucks, shall be taxed an annual flat fee of \$10.
- (f) Urban trucks include only all trucks and all truck-tractors and semi-trailers used exclusively in transporting property within the corporate limits of any city, village or borough or contiguous cities and villages. For the purposes of this clause a land area ceded to the United States of America under General Laws 1889, Chapter 57, is a village. The name of the city, village or borough in which the vehicle is licensed and the net unloaded weight, fully equipped, of the truck or combination shall be stenciled in a conspicuous place on each side of the cab of the truck-tractor so licensed and the vehicle shall not be operated outside the corporate limits of such city, village, or borough or contiguous cities and villages; except that the registrar may, by special permit, authorize the permanent removal of such vehicle from a city, village or borough to another. The license plates issued therefor shall be plainly marked "URBAN." Such urban trucks and combinations shall be taxed on the basis of the net unloaded weight, fully equipped, of the truck or combination during each of the first three years of vehicle life at the rate of 80 cents per hundred weight, computed by the registrar in increments of 200 pounds, but in no event less than \$25. During each of the fourth, fifth and sixth years of vehicle life, the tax shall be 80 percent of the foregoing scheduled tax but in no event less than \$20 per vehicle. During each of the seventh, eighth and ninth years of vehicle life, the tax shall be 60 percent of the foregoing scheduled tax but in no event less than \$16 per vehicle. During the tenth and succeeding years of vehicle life, the tax shall be 40 percent of the foregoing scheduled tax but in no event less than \$12 per vehicle. The registrar may require that each applicant for registration of an urban truck or combination file with the application a scale ticket certified by the weighmaster of any public scale, or, if no public scale be available, certified by the proprietor of any scale tested and sealed under state authority, showing the unloaded weight of the vehicle, fully equipped. Such tax shall be the full tax for the truck-tractor and semi-trailer and additional semi-trailers shall be taxed an annual flat fee of \$10.
- 6. On all intercity buses, the tax during each the first two years of vehicle life shall be based on the gross weight of the vehicle and graduated according to the following schedule:

On all intracity buses operated by an auto transportation company in the business of transporting persons for compensation as a common carrier and operating principally within the limits of cities having populations in excess of 200,000 inhabitants, the tax during each year of the vehicle life of each such bus shall be \$40; on all of such intracity buses operated principally in cities, villages or boroughs, having a population of less than 200,000 and more than 70,000 inhabitants, the tax during each year of vehicle life of each bus shall be \$10; and on all of such intracity buses operating principally in cities, villages or boroughs having a population of less than 70,000 inhabitants, the tax during each year of vehicle life of each bus shall be \$2.

On all other buses the tax during each of the first three years of the vehicle life shall be based on the gross weight of the vehicle and graduated according to the following schedule: Where the gross weight of the vehicle is 6,000 pounds or less, \$25. Where the gross weight of the vehicle is more than 6,000 pounds, and not more than 8,000 pounds, the tax shall be \$25 plus an additional tax of \$5 per ton for the ton or major portion in excess of 6,000 pounds. Where the gross weight of the vehicle is more than 8,000 pounds and not more than 20,000 pounds, the tax shall be \$30 plus an additional tax of \$10 per ton for each ton or major portion in excess of 8,000 pounds. Where the gross weight of the vehicle is more than 20,000 pounds and not more than 24,000 pounds, the tax shall be \$90 plus an additional tax of \$15 per ton for each ton or major portion in excess of 20,000 pounds. Where the gross weight of the vehicle is more than 28,000 pounds, the tax shall be \$170 plus an additional tax of \$30 per ton for each ton or major portion in excess of 28,000 pounds.

During each of the fourth, fifth and sixth years of vehicle life, the tax shall be 80 percent of the foregoing scheduled tax but in no event less than \$20 per vehicle.

During each of the seventh, eighth and ninth years of vehicle life, the tax shall be 60 percent of the foregoing scheduled tax but in no event less than \$16 per vehicle.

During the tenth and succeeding years of vehicle life, the tax shall be 40 percent of the foregoing scheduled tax but in no event less than \$12 per vehicle.

7. Except farm trailers described in paragraph 4b, two-wheel trailers described in paragraph 2, and semi-trailers described in paragraph 7a, trailers shall be taxed on the basis of \$4 per ton or fraction thereof of the carrying capacity of such trailer, but in any event not less than \$4 per vehicle. The maximum load at any time carried on any trailer shall be deemed prima facie the carrying capacity thereof.

#### 168.013 MOTOR VEHICLES: REGISTRATION: TAXATION

(a) A semi-trailer used to transport raw and unfinished forest products shall be taxed at the rate of \$4 per ton or fraction thereof of the difference in weight between the total gross weight of the combination and the selected registered gross weight of the truck-tractor or converted truck, but in no case for less than nine tons for a single axle semi-trailer and in no case for less than 14 tons for a tandem axle semi-trailer.

8. Motor vehicles specially equipped for operation over snow and used exclusively for such purposes . . . \$3 if weighing one ton or less, and an additional

\$2 for each additional ton or fraction thereof.

Subd. 1a. Eagan township, urban trucks. Notwithstanding the provisions of subdivision 1, clause 5(f) of this section, a truck, truck-trailer or semi-trailer bearing valid urban license plates may be operated within the town of Eagan when the purpose of such operation is (1) the repair of such vehicle within the confines of the town of Eagan, or (2) the sole purpose of such operation is to pass through the town of Eagan in transit while transporting property from or to a city or village contiguous to the town of Eagan.

NOTE: Laws 1967, Chapter 332, Section 2-referring to subd. 1a reads: "Sec. 2. This act shall become effective upon its approval by a majority of the town board of the town of Eagan, and upon compliance with Minnesota Statutes 645.021."

Subd. 2. Prorated fees. When a motor vehicle first becomes subject to taxation during the calendar year for which the tax is paid, the tax shall be for the remainder of the year prorated on a monthly basis, one twelfth of the annual tax for each calendar month or fraction thereof; provided, however, that for a vehicle, other than a trailer taxed as provided in subdivision 1(2) of this section, having an annual tax of \$5 or less there shall be no reduction until on and after July 1 when such annual tax shall be reduced one half.

Subd. 3. Application; cancelation; excessive gross weights forbidden. The applicant for a non-farm truck or truck-tractor semi-trailer license shall state in writing upon oath, among other things, the unloaded weight of such vehicle or combination and the maximum load which the applicant proposes to carry thereon, the sum of which shall constitute the gross weight of no vehicle or combination of vehicles shall exceed the gross weight upon which the license tax shall be paid and the gross weight upon which the license tax has been paid by more than 1,000 pounds. The gross weight of the vehicle for which such license tax is paid shall be stenciled in a conspicuous place on each side of the vehicle by the owner thereof in letters not less than 2½ inches high and a % inch stroke and shall be in a color giving a marked contrast with that of the part of the vehicle on which it is placed and shall be done with a good quality paint that will endure throughout the term of the registration. The stenciling must be on a part of the vehicle itself and not on a removable plate or placard of any kind and shall be kept clean and visible at all times.

The owner or driver of a vehicle upon conviction for transporting a gross weight in excess of the gross weight for which it was registered or for operating a vehicle with an axle weight exceeding the maximum lawful axle load weight shall be guilty of a misdemeanor and be subject to fine according to the following schedule:

1. If the gross weight exceeds the selected gross weight for which the vehicle is registered by more than 1,000 pounds, but less than 2,000 pounds, the fine shall be not less than \$25 for each such offense.

2. If the gross weight exceeds the selected gross weight for which the vehicle is registered by 2,000 pounds or more, the fine shall be not less than \$50 for each such offense, and in addition to paying the fine the owner or driver shall apply to the registrar to increase the authorized gross weight to be carried on the vehicle to a weight equal to or greater than the gross weight of which the owner or driver was convicted of carrying. If the additional registration tax computed upon that weight, plus the tax already paid, amounts to more than the regular tax for the maximum gross weight permitted for such a vehicle under section 169.83, that additional amount shall nevertheless be paid into the highway fund, but the additional tax thus paid shall not be deemed to permit the vehicle to be operated with a gross weight in excess of the maximum legal weight as provided by section 169.83. Unless the owner within 30 days after such a conviction shall apply to increase the authorized weight and pay the additional tax as herein provided, the registrar shall revoke the registration on the vehicle and demand the return of the registration card and plates issued by him on that registration.

3. If the axle load exceeds the lawful axle load as provided by section 169.83, by more than 2,500 pounds the fine shall be not less than \$75; if the axle load exceeds the lawful axle load by more than 3,500 pounds the fine shall be not less than \$95; and if the axle loads exceeds the lawful axle load by more than 5,000 pounds, or if the load on any group of consecutive axles spaced less than six feet apart exceeds the lawful axle load by more than 8,000 pounds, the fine shall be not less than \$95, and the registrar shall cancel the reciprocity privileges on the vehicle involved if the same is being operated under reciprocity, or if the vehicle is not being operated under reciprocity, he shall cancel the certificate of registration on the vehicle so operated and demand the return of the registration certificate and registration plates.

4. When the registration on a motor vehicle has been revoked by the registrar according to the provisions of this section, such vehicle shall not be again operated on the highways of the state until it is registered or re-registered, as the case may be, and new plates issued, and the registration fee therefor shall be computed for the balance of the calendar year on the basis of the gross weight of the vehicle at the time of violation ½ of the annual tax for each month remaining in the calendar year beginning with the first day of the

month in which the violation occurred.

Subd. 4. Gross earnings tax system. Motor vehicles using the public streets and highways of this state, and owned by companies paying taxes under gross earnings system of taxation, shall be registered and taxed as provided for the registration and taxation of motor vehicles by this chapter, notwithstanding the fact that earnings from such vehicles may be included in the earnings of such companies upon which such gross earnings taxes are computed, and all provisions of this chapter are hereby made applicable to the enforcement and collection of the tax herein provided for.

Subd. 5. Certain vehicles subject to personal property tax. Motor vehicles not subject to taxation as provided in section 168.012, but subject to taxation as personal property within the state, shall be assessed and valued at 33% percent of the true and full value thereof, provided, that if the person against whom any tax has been levied on the ad valorem basis because of any motor vehicle shall, during the calendar year for which such tax is levied, be also taxed under the provisions of this chapter, then and in that event, upon proper showing, the commissioner of taxation shall grant to the person against whom said ad valorem tax was levied, such reduction or abatement of assessed valuation of taxes as was occasioned by the so-called ad valorem tax imposed, and provided further that, if said ad valorem tax upon any motor vehicle has been assessed against a dealer in new and unused motor vehicles, and the tax imposed by this chapter for the required period is thereafter paid by the owner, then and in that event, upon proper showing, the commissioner of taxation, upon the application of said dealer, shall grant to such dealer against whom said ad valorem tax was levied such reduction or abatement of assessed valuation or taxes as was occasioned by the so-called ad valorem tax imposed. If such motor vehicle be registered and taxed under this chapter for a fractional part of the calendar year only, then such ad valorem tax shall be reduced in the percentage which such fractional part of the years bears to a full year.

Subd. 6. **Listing by dealers.** The owner of every motor vehicle not exempted by section 168.012 or by section 168.28, shall, so long as it is subject to taxation within the state, list and register the same and pay the tax herein provided annually; provided, however, that any dealer in motor vehicles, to whom dealer's plates have been issued as provided in this chapter, coming into the possession of any such motor vehicle to be held solely for the purpose of sale or demonstration or both, shall be entitled to withhold the tax becoming due on such vehicle for the following year if the vehicle is received before the current year registration expires and the transfer is filed with the registrar on or before such expiration date. When, thereafter, such vehicle is otherwise used or is sold, leased, or rented to another person, firm, corporation, or association, the whole tax for the year shall become payable immediately with all arrears.

Subd. 7. Agents. Any act required herein of an owner may be performed in his behalf by a duly authorized agent. Any person having a lien upon, or claim to, any motor vehicle may pay any tax due thereon to prevent the penalty for delayed registration from accruing, but the registration certificate and number plates shall not be issued until legal ownership is definitely determined.

Subd. 8. Proceeds to highway user tax distribution fund. The proceeds of the

#### 168.013 MOTOR VEHICLES: REGISTRATION: TAXATION

tax imposed on motor vehicles under this chapter shall be collected by the registrar of motor vehicles and paid into the state treasury and credited to the highway user tax distribution fund.

Subd. 9. Municipalities not to impose tax; exceptions. No borough, village, or city shall impose any tax or license fee or bond of any kind for the operation of any motor vehicle on its streets if the person or company owning or operating such vehicle holds a certificate or permit to operate such vehicle issued in accordance with the provisions of Minnesota Statutes 1945, Chapter 221, provided, that this section shall not apply to vehicles transporting persons for hire which are operated exclusively within any borough, village or city or contiguous cities, villages, or boroughs.

Subd. 10. [Obsolete]

Subd. 12. Gross weight, additional tax for excessive. Whenever an owner has registered a vehicle and paid the tax as provided in section 168.013, subdivision 1, on the basis of a selected gross weight of the vehicle or the actual unloaded weight of the vehicle and thereafter such owner desires to operate such vehicle with a greater gross weight or a greater unloaded weight than that for which the tax has been paid, such owner shall be permitted to re-register such vehicle in the same class for which it was originally registered and pay the additional tax due thereon for the remainder of the calendar year for which such vehicle has been re-registered, the additional tax computed pro rata by the month, one-twelfth of the annual tax due for each month of the year remaining in the calendar year, beginning with the first day of the month in which such owner desires to operate the vehicle with the greater weight. In computing the additional tax as aforesaid, the owner shall be given credit for the unused portion of the tax previously paid computed pro rata by the month, one-twelfth of the annual tax paid for each month of the year remaining in the calendar year beginning with the first day of the month in which such owner desires to operate the vehicle with the greater weight.

Subd. 13. Reduction of registered gross weight. Whenever a motor vehicle registered in the gross weight class is sold during the calendar year for which the tax has been paid, the registrar may upon application of the seller reduce the registered gross weight of such motor vehicle to a lower gross weight provided such application is also accompanied by an application of the buyer to register or transfer the registration of such motor vehicle. The seller making such application shall be entitled to a refund of the difference in tax between the higher and lower gross weights. However, the gross weight on such a vehicle shall not be reduced to a weight less than the unloaded weight of such vehicle. The refund given to the seller applying for reduced gross weight provided herein shall be computed pro rata by the month 1/12 of the annual tax paid for each month remaining in the year beginning with the month following the month such application for reduced gross weight was made less the tax due for the lower gross weight computed pro rata by the month 1/12 of the annual tax due for each month remaining in the year beginning with the month following the month such application for reduced gross weight was made. The buyer of a vehicle for which the seller has applied to reduce the gross weight shall immediately apply to register or transfer the vehicle to his name on the basis of his selected gross weight and shall pay such additional tax as may be due thereon for the remainder of the year prorated by the month 1/12 of the annual tax due for each month remaining in the calendar year beginning with the month following the month of such application with credit given for tax previously paid by the seller on the basis of the lower gross weight to which the registration was reduced. Whenever a vehicle registered in the gross weight class has been dismantled and scrapped in such manner that the same cannot again be used on the public streets and highways the requirement for transfer of ownership shall be waived and the owner may apply for reduced gross weight and shall be entitled to a refund of a portion of the registration tax theretofore paid on such vehicle and may make application to the registrar therefor in such form as the registrar may require, including evidence that said vehicle has been so dismantled and scrapped and surrender the license plates and certificate of registration to said registrar. Upon approving such application the registrar shall issue a refund to the owner to be computed as follows: the registrar shall subtract and retain from the current gross weight tax theretofore paid on such vehicle a sum equal to the unloaded weight tax applicable to such vehicle for that current year and refund to such owner a sum equal to 1/12 of the balance for each month

of said current tax year beginning with the first month next following the receipt of such license plates and registration certificate. Nothing herein shall be construed to vary the terms or conditions of Minnesota Statutes, Section 168.013, Subdivision 3

Subd. 14. Increase of 5 percent. Beginning in and for the first calendar year following the issuance and sale of bonds of the state of Minnesota under the provisions of the Constitution of the State of Minnesota, Article XVI, Section 4, and after July 1, 1957, under the provisions of the Constitution of the State of Minnesota, Article XVI, Section 12, the proceeds of the sale of which are to be used in the construction of bridges and approaches thereto forming a part of the trunk highway system, all motor vehicle taxes imposed by Minnesota Statutes, Section 168.013, Subdivision 1 shall be increased by 5 percent; such increased rate of tax shall remain in effect until and including the calendar year following the year in which all principal and interest on all of any such bonds shall be paid in full. Immediately upon the payment in full of all interest and principal on all of any such bonds, the state auditor shall certify that fact to the registrar of motor vehicles and the registrar shall, for the second calendar year and thereafter following his receipt of such certification, cease to collect motor vehicle taxes at the increased rate prescribed by this subdivision.

Subd. 15. Adjustment of tax. Whenever the tax on any vehicle as computed under the provisions of this section is found to be indivisible by five, the registrar is authorized to adjust such tax to the nearest figure divisible by five.

Subd. 16. Repair and servicing permit. Upon the written application of the owner of a motor vehicle registered and taxed as an urban truck, a truck tractor, a semi-trailer, or any combination thereof in accordance with Minnesota Statutes, Section 168.013, the registrar may grant permission in writing to such owner to operate such vehicle to and from a repair shop or service station outside of its licensed zone of operation for the limited purpose of repair or servicing. The application and any permit issued under this subdivision shall state the location of the repair or servicing facility, together with such other information and subject to such conditions as the registrar may specify. Any motor vehicle operated under such a permit shall carry no load.

Subd. 17. Station wagons. The annual tax on a station wagon as defined in section 168.011, subdivision 23 shall be as provided for passenger automobiles in subdivision 1 (1) of this section unless the owner elects to register such station wagon as a truck. If the owner elects to register such station wagon as a truck, the annual tax shall be either the tax imposed for passenger automobiles in subdivision 1 (1) of this section or the tax imposed for trucks on the basis of gross weight in subdivision 1 (5) of this section whichever is higher.

- Subd. 4. **Disposition of fees.** All fees collected from the sale of emblems under this section shall be deposited in the state treasury to the credit of the highway user tax distribution fund.
- Subd. 5. **Definitions.** For the purposes of this section, a "physically handicapped person" is hereby defined as a person who has suffered the loss of one or both lower extremities or has suffered the loss or use thereof. "Loss of use" shall mean a functional disability of 50 percent or more of one or both lower extremities.
- Subd. 6. Drivers license law not affected. Nothing in this section shall be construed to revoke, limit, or amend any of the terms of the drivers license law.

168.041 IMPOUNDING REGISTRATION PLATES AND CERTIFICATES. Subdivision 1. When any person is convicted of driving a motor vehicle after the suspension or revocation of the drivers license or driving privileges of such person, the court shall require the registration plates and registration certificates of any motor vehicle involved in such violation owned by such person or registered in his name to be surrendered to the court. Upon surrender thereof the court shall issue a receipt therefor.

If the violator is not the owner of such motor vehicle, the court shall require the registration plates and the registration certificate of any motor vehicle used by the violator, with the permission of the owner who had knowledge of the fact that the violator's drivers license had been revoked or suspended prior to the commission of the offense, to be surrendered to the court.

- Subd. 2. If any person is convicted of violating any law or municipal ordinance, except parking laws or ordinances, regulating the operation of motor vehicles on the streets or highways, and the record of such person so convicted shows a previous conviction for driving after suspension or revocation of his driver's license or driving privileges, the court may direct the commissioner of highways to suspend the driver's license of such person for not exceeding one year. The court may also require the registration plates and registration certificates of any motor vehicles owned by the violator or registered in his name to be surrendered to the court.
- Subd. 3. If a person is convicted of any offense which makes mandatory the revocation of the drivers license of such person, or is convicted of driving a motor vehicle without having a valid driver's license in force, the court may require the registration plates and registration certificates of any motor vehicle owned by such person or any motor vehicles registered in his name to be surrendered to the court.

Subd. 4. Except as provided in subdivision 6 or subdivision 7, the court shall retain custody of the surrendered plates and certificates until such time as the drivers license of the violator has been reissued or reinstated.

Subd. 5. At the time of ordering the surrender of the registration plates and registration certificates of a violator or owner, the court shall notify the registrar of motor vehicles of that fact. Except as provided in subdivision 6 or subdivision 7, no new or duplicate registration plates or new registration certificates shall be issued to such violator or owner until his plates and certificates are returned to him by the court.

Subd. 6. Any such violator or owner may apply to the registrar of motor vehicles for new registration plates which shall bear a special series number which may be readily identified by traffic law enforcement officers. A fee of \$3 shall accompany the application. The registrar of motor vehicles shall forthwith notify the court of such application. The court may return the registration certificate of such violator or owner to the registrar of motor vehicles, together with its consent to the issuance of such registration plates to such violator or owner. Thereupon the registrar of motor vehicles shall issue such new registration plates. Until the drivers license of such violator is reinstated, any new registration plates issued to him or to an owner whose plates have been impounded shall bear a special series number.

Subd. 7. If an owner wishes to sell a motor vehicle during the time its registration plates and registration certificate are impounded or during the time its registration plates bear a special series number, he may apply to the court which impounded such plates and certificate, for consent to transfer title to the motor vehicle. If the court is satisfied that the proposed sale is in good faith and for a valid consideration, that the owner will thereby be deprived of the custody and control of the motor vehicle, and that the sale is not for the purpose of circumventing the provisions of this section, it may certify its consent to the registrar of motor vehicles and return the impounded registration plates and certificates. If during the time the registration plates and certificate of registration are impounded the title to said motor vehicle is transferred by the foreclosure of a chattel mortgage, the cancelation of a conditional sales contract, a sale upon execution, or by decree or order of a court of competent jurisdiction, the court shall order the license plates and registration certificate surrendered to the new owner and notify the registrar of motor vehicles of such action. The registrar of motor vehicles shall then transfer the registration plates and registration certificates to the new owner.

Subd. 8. Nothing contained in this section is intended to change or modify any provision of Minnesota Statutes, Chapter 168, with respect to the taxation of motor vehicles or the time within which the taxes thereon shall be paid.

Subd. 9. Any person who fails to surrender any impounded registration plates or registration certificates to the court upon demand or who operates any motor vehicle on a street or highway at a time when a court has ordered the surrender of its registration plates and registration certificate is guilty of a misdemeanor.

168.10 MOTOR VEHICLES; REGISTRATION; CLASSIC CARS. Subdivision 1. Application. (1) Except as provided in clause (2) and clause (3) of this subdivision, every owner of any motor vehicle in this state, not exempted by section 168.012 or section 168.26, shall as soon as he shall become the owner thereof and annually thereafter during the period November 15 to March 1 following, both dates inclusive, file with the registrar on a blank provided by him a listing for taxation and application for the registration of such vehicle, stating the name and address of the owner, the name and address of the person from whom purchased, make of motor vehicle, year and number of the model, manufacturer's identification number and serial number, type of body, the weight of the vehicle in pounds, for trailers only, its rated load carrying capacity and for buses only, its seating capacity, and such other information as the registrar may require. The owner shall make an oath or affirmation before some officer authorized by law to administer oaths or affirmations that the statements made are correct and true; and any false statement wilfully and knowingly made in regard thereto shall be deemed perjury and punished accordingly. Such listing for taxation and application for registration need not be sworn to when the applicant is listing the same vehicle for taxation and registration for the second or any succeeding time, unless he elects to pay registration tax thereon for a different gross weight or carrying capacity than for the previous registration. The listing and application for registration by dealers or manufacturers' agents within the state, of motor vehicles received for sale or use within the state shall be accepted as compliance with the requirements of this chapter, imposed upon the manufacturer.

Registration shall be refused a motor vehicle if the original identification or serial number has been destroyed, removed, altered, covered or defaced. However, if the registrar is satisfied on the sworn statements of the owner or such other persons as he may deem advisable that the applicant is the legal owner, a special identification number in the form prescribed by the registrar shall be assigned such motor vehicle. When it has been determined that the number has been affixed to such vehicle in a manner prescribed by the registrar, the vehicle may thereafter be registered in the same manner as other motor vehicles. In the case of a new or rebuilt motor vehicle manufactured or assembled without an identification or serial number, the registrar may assign an identification number to such motor vehicle in the same manner as prescribed heretofore.

(2) Any motor vehicle manufactured prior to 1936 and owned and operated solely as a collector's item shall be listed for taxation and registration as follows: An affidavit shall be executed stating the name and address of the owner, the name and address of the person from whom purchased, the make of the motor vehicle, year and number of the model, the manufacturer's identification number and that the vehicle is owned and operated solely as a collector's item and not for general transportaion purposes. If the registrar is satisfied that the affidavit is true and correct and the owner pays a \$6 tax, the registrar shall list such vehicle for taxation and registration and shall issue number plates.

The number plates so issued shall bear the inscription "Pioneer," "Minnesota" and the registration number but no date. The number plates are valid without renewal as long as the vehicle is in existence and shall be issued for the applicant's use only for such vehicle. The registrar has the power to revoke said plates for failure to comply with this subdivision.

In the event of the defacement, loss or destruction of such number plates,

the registrar, upon receiving and filing a sworn statement of the vehicle owner, setting forth the circumstances, together with any defaced plates and the payment of a \$1 fee, shall issue duplicate plates specially designed for that purpose. The registrar shall then note on his records the issue of such new number plates and shall proceed in such manner as he may deem advisable to cancel and call in the original plates.

(3) Any motor vehicle manufactured between and including the years 1925 and 1948, and designated by the registrar of motor vehicles as a classic car because of its fine design, high engineering standards, and superior workmanship, and owned and operated solely as a collector's item shall be listed for taxation and registration as follows: An affidavit shall be executed stating the name and address of the owner, the name and address of the person from whom purchased, the make of the motor vehicle, year and number of the model, the manufacturer's identification number and that the vehicle is owned and operated solely as a collector's item and not for general transportation purposes. If the registrar is satisfied that the affidavit is true and correct and that the motor vehicle qualifies to be classified as a classic car, and the owner pays a \$6 tax, the registrar shall list such vehicle for taxation and registration and shall issue number plates.

The number plates so issued shall bear the inscription "Classic Car," "Minnesota," and the registration number but no date. The number plates are valid without renewal as long as the vehicle is in existence and shall be issued for the applicant's use only for such vehicle. The registrar has the power to revoke said plates for failure to comply with this subdivision.

In the event of the defacement, loss or destruction of such number plates, the registrar, upon receiving and filing a sworn statement of the vehicle owner, setting forth the circumstances, together with any defaced plates and the payment of a \$1 fee, shall issue duplicate plates specially designed for that purpose. The registrar shall then note on his records the issue of such new number plates and shall proceed in such manner as he may deem advisable to cancel and call in the original plates.

168.11 REGISTRATION CERTIFICATE. Subdivision 1. The registrar shall file such application and, upon approval thereof and upon payment of the motor vehicle tax, as herein provided, together with all arrears and penalties, if any, and upon the delivery to him of the duly endorsed registration certificate of the former owner, as hereinafter provided, or proof of loss provided in lieu thereof, shall assign to it a distinctive number and issue to the owner a registration certificate, which shall contain the name, place of residence, with street and number, if in a city, and post-office address of the owner, a specific description of the vehicle, and the number assigned, together with a place on the face of the certificate in which the owner shall, immediately upon receipt thereof, place his signature and, on the reverse side thereof, an assignment and notice of sale or termination of ownership, with places for the signatures of both seller and purchaser, and a place for assignment of his credit for the tax. The registration certificate shall be retained by the owner until expiration or surrender, as herein provided. When in administering this chapter convenience or necessity requires, the registration certificate may also be called or referred to as the registration card.

168.12 LICENSE PLATES. Subdivision 1. Number plates; visibility, periods of issuance. The registrar, upon such approval and payment, issues to the

applicant the number plates required by law, bearing an abbreviation of the state name and the number assigned. The number assigned may be a combination of a letter or sign with figures. The color of the plates and the color of the abbreviation of the state name and the number assigned shall be in marked contrast. The plates shall be lettered, spaced, or distinguished to suitably indicate the classification of the vehicle according to the regulations of the registrar. These number plates shall be so treated as to be at least 100 times brighter than the conventional painted number plates. When properly mounted on an unlighted vehicle, these number plates, when viewed from a vehicle equipped with standard headlights, shall be visible for a distance of not less than 1,500 feet and readable for a distance of not less than 110 feet. At the end of the registration periods in effect immediately before April 2, 1965, and for subsequent registration periods, the registrar shall issue these number plates for the following periods:

- (1) Number plates issued under Minnesota Statutes 1961, Sections 168.012, Subdivision 9, 168.053, 168.27, and 168.62, Subdivision 2, shall be issued for a one year period:
- (2) Number plates issued for passenger automobiles shall be issued for a three year period; and
- (3) Number plates issued for any vehicle other than those specified in (1) and (2) above shall be issued for a two year period.

In any year during which these number plates are not issued the registrar shall issue for each annual registration a reflectorized year plate, tab, or sticker to designate the year of registration. This plate, tab, or sticker shall show the calendar year for which issued, and is valid only for that year. Unless the motor vehicle for which a number plate, number, tab, or sticker is issued, is permanently lost, is destroyed, or is removed from the state, no number plate, number, tab, or sticker may be transferred to another motor vehicle during the calendar year in which issued.

Subd. 2. Amateur radio station licensee, special license plates. Any applicant who is an owner or joint owner of a motor vehicle and a resident of this state, and who holds an official amateur radio station license, in good standing, issued by the Federal Communications Commission shall upon compliance with all laws of this state relating to registration and the licensing of motor vehicles and drivers, be furnished with license plates for such motor vehicle, as prescribed by law for passenger cars, upon which, in lieu of the numbers required for identification under subdivision 1, shall be inscribed the official amateur call letters of such applicant, as assigned by the Federal Communications Commission. The applicant shall pay in addition to the registration tax required by law, the sum of \$2.50 for such special license plates, and at the time of delivery of such special license plates the applicant shall surrender to the registrar the current license plates issued for such motor vehicle. This provision for the issue of special license plates shall apply only if the applicant's passenger automobile is already registered in Minnesota so that the applicant has valid regular Minnesota plates issued for that passenger automobile under which to operate it during the time that it will take to have the necessary special license plates made. If the applicant owns or jointly owns more than one motor vehicle he may apply for special plates for each of not more than two vehicles, and, if each application complies with this subdivision, the registrar shall furnish the applicant with such special plates, inscribed with the official amateur call letters and such other distinguishing information as the registrar considers necessary, for each of the two vehicles. And the registrar may make such reasonable regulations governing the use of such special license plates as will assure the full compliance by the owner and holder of such special plates, with all existing laws governing the registration of motor vehicles, the transfer and the use thereof. When the ownership of a motor vehicle for which such special license plates have been furnished by the registrar, changes from one person to another, the special license plates herein authorized shall be promptly removed from the motor vehicle by the seller and returned to the registrar, at which time the seller or the buyer of such motor vehicle shall be entitled to receive license plates for such motor vehicle as provided in section 168.15.

Subd. 3. Increase of fees and taxes. All fees and taxes imposed upon any motor vehicle, any licensed dealer of motor vehicles, or any licensed drive away contractors by sections 168.011 to 168.65, the payment of which is required as a condition to the issuance of any pair of number plates are hereby increased in

the sum of 50 cents. If a single number plate is issued, the tax or fee imposed is hereby increased in the sum of 25 cents.

Subd. 4. **Fee increase; tax exempt plates.** All fees imposed by sections 168.011 to 168.65 for the issuance of tax-exempt number plates or duplicate number plates are hereby increased in the sum of 50 cents. If a single number plate or a single duplicate number plate is issued the tax or fee is increased in the sum of 25 cents.

168.13 PROOF OF OWNERSHIP. The registrar shall approve no application and issue no number plates for any motor vehicle, except such as may have come direct from the manufacturer, or from another state, unless and until the registration certificate theretofore issued or proof of loss thereof by sworn statement shall be delivered to the registrar, and he shall satisfy himself from his records that all taxes and fees due hereunder shall have been paid, and endorsements upon the certificate or sworn proof of loss, in writing, signed by the seller and purchaser, shall furnish proof that the applicant for registration is paying or receiving credit for the tax upon the vehicle of which he is the rightful possessor; or, in case such certificate or proof is not available, the registrar, or his deputy, shall satisfy himself of such fact by personal view of the motor vehicle serial and motor numbers and by proof of the claim of ownership thereof.

Motor vehicles brought into Minnesota from other states shall not be registered or have number plates issued therefor until such registration certificate or other evidence of title as may reasonably be required from the registrant within that state be surrendered to the registrar in the same manner as certificates of this state, or in lieu thereof, such view and evidence of the chain of ownership be had as will assure the payment of the proper tax so long as the motor vehicle shall be in the state.

168.15 RIGHTS AS TO REGISTRATION CERTIFICATES AND NUMBER PLATES. Upon the transfer of ownership, destruction, theft, dismantling as such, or the permanent removal by the owner thereof from this state of any motor vehicle registered in accordance with the provisions of this chapter, the right of the owner of such vehicle to use the registration certificate and number plates assigned such vehicle shall expire, and such certificate and any existing plates shall be, by such owner, forthwith returned, with transportation prepaid, to the registrar with a signed notice of the date and manner of termination of ownership, giving the name and post-office address, with street and number, if in a city, of the person to whom transferred. When the ownership of a motor vehicle shall be transferred to another who shall forthwith register the same in his name, the registrar may permit the manual delivery of such plates to the new owner of such vehicle. When any person seeks to become the owner by gift, trade, or purchase of any vehicle for which a registration certificate has been theretofore issued under the provisions of this chapter, he shall join with the registered owner in transmitting with his application the registration certificate, with the assignment and notice of sale duly executed upon the reverse side thereof, or, in case of loss of such certificate, with such proof of loss by sworn statement, in writing, as shall be satisfactory to the registrar. Upon the transfer of any motor vehicle by a manufacturer or dealer, for use within the state, whether by sale, lease, or otherwise, such manufacturer or dealer shall, within seven days after such transfer, file with the registrar a notice or report containing the date of such transfer, a description of such motor vehicles, and the name, street and number of residence, if in a city, and the post-office address of the transferee, and shall transmit therewith the transferee's application for registration thereof.

Upon the transfer of any automobile engine or motor, except a new engine or motor, transferred with intent that the same be installed in a new automobile, and whether such transfer be made by a manufacturer or dealer, or otherwise, and whether by sale, lease or otherwise, the transferor shall, within two days after such transfer, file with the registrar a notice or report containing the date of such transfer and a description, together with the maker's number of the engine or motor, and the name and post-office address of the purchaser, lessee, or other transferee.

168.16 REFUNDS; APPROPRIATION. After the tax upon any motor vehicle shall have been paid for any year, refund shall be made for errors made in computing the tax or fees and for the error on the part of an owner who may in error have registered a motor vehicle that was not before, nor at the time of such registration, nor at any time thereafter during the current past year, subject to such tax in this state, provided that after more than two years after such tax was paid no refund shall be made for any tax paid on any vehicle exempted from taxation by reasons of nonuse as provided by section 168.012. Such refundment shall be made from any fund in possession of the registrar and shall be deducted from his monthly report to the state auditor. A detailed report of such refundment shall accompany the report. The former owner of a transferred vehicle by an assignment in writing endorsed upon his registration certificate and delivered to the registrar within the time provided herein may sell and assign to the new owner thereof the right to have the tax paid by him accredited to such owner who duly registers such vehicle. Any owner at the time of such occurrence, whose vehicle shall be permanently destroyed, permanently removed from the state, or sold to the federal government, the state, or political subdivision thereof, shall upon filing a verified claim be entitled to a refund of the unused portion of the tax paid upon the vehicle, computed pro rata by the month, one twelfth of the annual tax paid for each month of the year remaining after the month in which the plates and certificate were returned to the registrar; provided, however, that in the case of a vehicle permanently removed from the state and the registrar is satisfied that the registration plates and certificate have been surrendered to and canceled by the motor vehicle department of another state or country, he may compute the refund in the same manner as if such plates and certificate were returned to him as of the date of such surrender and cancellation.

There is hereby appropriated to the persons entitled to such refund, from the fund or account in the state treasury to which the money was credited, an amount sufficient to make the refund and payment.

168.165 REGISTRATION, CHANGING CLASS. Upon application by the owner, the registrar of motor vehicles may convert the registration of any truck, truck-tractor, trailer or semi-trailer, or bus, from one class of registration to any other class of registration, provided:

(a) The application for conversion is accompanied by a conversion fee of \$2, the amount of which shall be deposited to the credit of the trunk highway fund;

- (b) If the annual tax in the new class of registration is higher than the annual tax in the class for which the vehicle has been registered, the owner pays the difference between the unused portion of the annual tax previously paid and the tax for the remainder of the year in the new class of registration. The tax in the new class and the unused portion of the tax previously paid shall be computed for the remainder of the year prorated on a monthly basis, one-twelfth of the annual tax for each calendar month or fraction thereof beginning with the month in which the application for conversion is made;
- (c) If the annual tax in the new class of registration is lower than the annual tax in the class for which the vehicle has been registered, the state refunds the difference between the unused portion of the annual tax previously paid and the tax for the remainder of the year in the new class of registration. To determine the amount of refund, the tax in the new class and the unused portion of the tax previously paid shall be computed for the remainder of the year prorated on a monthly basis, one-twelfth of the annual tax for each calendar month beginning with the month following the month in which the application for conversion is made. However, except where there has been a bona fide transfer of ownership of a motor vehicle, the registration of a vehicle shall not be converted to a lower rate registration class until it has been registered in the higher rate registration class without conversion for a period of at least three months;
- (d) The owner shall surrender the plates and the registration certificate previously issued to him.

In any case where the proper registration of a motor vehicle is dependent upon procuring information entailing such delay as to unreasonably deprive the owner of the use of his motor vehicle, the registrar may issue a tax receipt and plates conditionally. In any case when the registrar for cause has revoked a registration, he shall have authority to demand the return of the number plates and registration certificates, and, if necessary, to seize the number plates issued for such registration.

168.181 NONRESIDENT OWNERS, RECIPROCITY AGREEMENTS OR ARRANGEMENTS; CONDITIONS AND LIMITATIONS. Subdivision 1. Notwithstanding any provision of law to the contrary or inconsistent herewith the registrar of motor vehicles with the approval of the attorney general is hereby empowered to make agreements with the duly authorized representatives of the other states, District of Columbia, territories and possessions of the United States or arrangements with foreign countries or provinces exempting the residents of such other states, districts, territories and possessions and foreign countries or provinces using the public streets and highways of this state from the payment of any or all motor vehicle taxes or fees imposed by Minnesota Statutes, Chapter 168, subject to the following conditions and limitations:

(1) Upon condition that the exemption provided herein shall be operative as to a motor vehicle owned by a nonresident only to the extent that under the laws of the state, district, territory or possession or foreign country or province of his residence like exemptions are granted to motor vehicles registered

under the laws and owned by residents of Minnesota.

(2) Upon condition that any such motor vehicle so operated in this state by any such nonresident shall at all times carry and display all license number plates or like insignia required by the laws of the state, district, territory or possession or foreign country or province of his residence.

- (3) Upon condition that the exemptions provided herein shall not apply to a passenger automobile or house trailer owned by a resident of any state, district, territory or possession or foreign country or province temporarily residing in this state while gainfully employed on the same job for a period of six months or

In the event a state, district, territory or possession or foreign country or province is not fully reciprocal as to taxes or fees on commercial vehicles or buses operated in interstate commerce, then in that event such owners of foreign commercial vehicles or buses shall be required to pay a tax in an amount

similar to the tax of whatever character assessed by such other state, district, territory or possession or foreign country or province against vehicles registered in Minnesota and operated in interstate commerce in that state, district, territory or possession or foreign country or province. It is further provided that such owners of foreign commercial vehicles and buses subject to registration under the provisions of this paragraph shall make application for a permit in which shall be set forth the conditions for operation of such vehicles in this state

Greater privileges shall not be granted to such dealer or manufacturer than permitted by the laws of the jurisdiction of his residence. Nothing contained herein shall be construed to apply to or vary the terms and conditions of Minnesota Statutes, Sections 168.053 through 168.057.

The registrar in his discretion may authorize the use of a building or lot for display purposes not adjacent to but in close proximity to the building wherein the business is conducted if such use is made in good faith and not for the purpose of evading the requirements of this section.

Subd. 2. Premises for display of motor vehicles. If a license is granted, the licensee may be permitted to use unimproved lots and premises for sale, storage, and display of motor vehicles. Such unimproved lots and premises must be located

within the county of the established place of business of the applicant.

If the applicant desires to set up an established place of business in more than one county in this state, he shall secure separate license for each county. No license for such additional county shall be issued until the registrar shall have been furnished with proof that the applicant has an established place of business in such additional county and has otherwise complied with the requirements of this section for securing of license in the initial county.

If the licensee desires to remove from the established place of business occupied when the license is granted, to a new location, he shall first secure from the registrar permission to do so. He shall be required to furnish proof satisfactory to the registrar that the premises to which he proposes to remove conform to the requirements of subdivision 1.

- Subd. 3. Licenses, when granted. The registrar shall grant or deny the application for such license within 60 days after the filing of the application. If the application is granted, the registrar shall license the applicant as a motor vehicle dealer for the remainder of the calendar year, and issue a certificate of license therefor as the registrar may provide upon which shall be placed a distinguishing number of identification of such dealer. Each application for such license, and application for the renewal thereof, shall be accompanied by the sum of \$35, which shall be paid into the state treasury and credited to the general revenue fund. Such license, unless sooner revoked, as hereinafter provided, shall, upon the furnishing of proof as in the initial application herein provided for, satisfactory to the registrar, be renewed by the registrar annually upon application by the dealer and upon the making of all listings, registrations, notices, and reports required by the registrar, and upon the payment of all taxes, fees, and arrears due from such dealer.
- Subd. 4. Licenses; revocation. Such license may be revoked by the registrar of motor vehicles upon proof satisfactory to him of either of the following:

(1) Violations of any of the provisions of this chapter;

- (2) Violation of or refusal to comply with the requests and order of the registrar;
- (3) Failure to make or provide to the registrar all listings, notices, and reports required by him;
- (4) Failure to pay to the registrar all taxes, fees, and arrears due from and by such dealer:

(5) Failure to duly apply for renewal of license provided for herein;

(6) Revocation of previous license, of which the records of the registrar relating thereto shall be prima facie evidence of such previous revocation;

(7) Failure of continued occupancy of an established place of business;

- (8) Sale of a new and unused current model motor vehicle other than the make of motor vehicle described in the franchise or contract filed with the original application or renewal thereof, without permission from the registrar;
- (9) Sale of a new and unused current model motor vehicle to anyone except for consumer use or to a dealer duly licensed to sell the same make of motor vehicle; or
- (10) Material misstatement or misrepresentation in application for license or renewal thereof.

Subd. 5. M.S. 1961 [Repealed, 1965 c 681 s 4]

Subd. 5. Plates; distinguishing numbers. (a) The registrar shall issue to every motor vehicle dealer, upon a request from such motor vehicle dealer licensed as provided in subdivision 1, one or more pair of number plates displaying a general distinguishing number upon the payment of \$10 to the registrar. Motor vehicles, new or used, owned by such motor vehicle dealer and bearing such number plates, except vehicles leased to the user, held for hire, or customarily used by the dealer as a tow truck, service truck, or pickup truck, may be driven upon the streets and highways of this state by such motor vehicle dealer, or any employee of such motor vehicle dealer or by any member of the immediate family of such dealer or employee for either private or business purposes; or may

#### 168.27 MOTOR VEHICLES; REGISTRATION: TAXATION

be driven upon the streets and highways for demonstration purposes by any prospective buyer thereof for a period of 48 hours or in the case of a truck, truck-tractor, or semi-trailer, for a period of seven days.

- A new motor vehicle sold by such motor vehicle dealer and bearing the motor vehicle dealer's number plates may be driven upon the public streets and highways for a period of 72 hours by the buyer for either of the following purposes: (1) Removing the vehicle from this state for registration in another state, or (2) permitting the buyer to use the motor vehicle before he receives number plates pursuant to his own registration. Use of a new motor vehicle by the buyer under the provisions of clause (2) of the preceding sentence before he receives number plates pursuant to his own registration constitutes a use of the public streets or highways for the purpose of the time requirements for registration of motor vehicles. Upon the delivery of such new motor vehicle to the buyer or upon the delivery of such vehicle or motor truck, truck-tractor, or semi-trailer, new or used, to the prospective buyer for demonstration purposes, the motor vehicle dealer shall deliver to the buyer or prospective buyer, as the case may be, a card or certificate giving the name and address of the motor vehicle dealer, the name and address of such buyer or prospective buyer, and the date and hour of such delivery. Such card or certificate shall be in such form as the registrar may provide to the motor vehicle dealer for such purpose, and shall be carried by such buyer or prospective buyer while driving the motor vehicle or truck, truck-tractor, or semi-trailer.
- Subd. 6. Application. Every licensed dealer in motor vehicles may make application upon a blank provided by the registrar for that purpose for a general distinguishing number for use upon all new motor vehicles being transported from the dealer's source of supply, or other place of storage, to his place of business, or to another place of storage, or from one dealer to another. A general distinguishing number shall be assigned by the registrar to such dealer for such purpose, and the registrar shall then issue to the dealer such number of pairs of such plates as the dealer may request, upon the payment by the dealer to the registrar of the sum of \$2 per pair. Such plates shall be known as "in transit" plates. The registrar may issue such "in transit" plates, upon the payment of the sum of \$2 to the registrar, to dealers duly licensed in other states or provinces upon information furnished him in such manner as he may prescribe, and which satisfies him that persons or companies applying therefor are duly licensed dealers under the laws of such states or provinces.
- Subd. 7. Revocation; hearing. The registrar of motor vehicles, upon his own motion or upon the complaint of another, shall prepare and cause to be served upon the licensee complained of, a written notice or complaint setting forth, in substance, the violations charged, and shall require the licensee to appear at the time and place fixed therein before the registrar or authorized deputy, and show cause why his license should not be revoked.

The registrar shall, at the time and place fixed in the notice, proceed to hear and determine the matter on its merits. If the registrar shall find the existence of any of the causes for revocation as set forth in subdivision 4 and determine that the licensee's license should be revoked, he shall make a written order to that effect, and a copy of such order shall be served upon such licensee in the manner provided by law for the service of summons in a civil action. Upon such revocation, if it be a motor vehicle dealer, he shall immediately return to the registrar all number plates, including any "in transit" plates, in his possession.

Subd. 8. Appeal to district court. Any party or person aggrieved by such order of revocation may appeal therefrom to any district court of the state within 15 days after the service of a copy of such order upon the dealer complained of by the service of a written notice of appeal upon the registrar. The person serving such notice of appeal shall, within five days after the service thereof, file the same, with proof of service thereof, with the clerk of the court to which such appeal is taken, and thereupon the district court shall have jurisdiction over the appeal and the same shall be entered upon the records of the district court and be tried therein according to the rules relating to the trial of civil actions in so far as the same are applicable. The complainant before the registrar, if there was one, otherwise the registrar shall be designated as the complainant, and the dealer complained of shall be designated as the defendant. No further pleadings than those filed before the registrar shall be necessary. The findings of fact of the regis-

trar shall be prima facie evidence of the matters therein stated, and the order shall be prima facie reasonable, and the burden of proof upon all issues raised by the appeal shall be on the appellant. If the court shall determine that the order appealed from is lawful and reasonable, it shall be affirmed and the order enforced as provided by law. If it shall be determined that the order is unlawful or unreasonable it shall be vacated and set aside. Such appeal shall not stay or supersede the order appealed from unless the court, upon an examination of the order and the return made on the appeal, and after giving defendant notice and opportunity to be heard, shall so direct. When no appeal is taken from such order, the parties affected thereby shall be deemed to have waived the rights to have the merits of such controversy reviewed by a court, and there shall thereafter be no trial of the merits or reexamination of the facts by any district court to which application may be made from a writ to enforce the same.

- Subd. 9. Appeal to supreme court. Any party to an appeal or other proceeding in the district court under the provisions of this section may appeal from the final judgment, or from any final order therein, to the supreme court in the same cases and manner as in civil actions.
- Subd. 10. **Enforcement.** The registrar is hereby authorized to enforce this section and he may also appoint under his hand a sufficient number of persons amongst his several employees, the additional employees not to exceed three in number, to act as inspectors and investigators and who when so appointed, shall have full authority to enforce this section. Before entering upon their official duties, the oath of appointment of each of the additional employees shall be filed in the office of the secretary of state. The registrar, his inspectors or investigators, when traveling or otherwise pursuing their duties outside the office of the registrar, shall be paid for their actual expenses incurred out of the same funds as other employees of the registrar of motor vehicles.
- Subd. 11. Testimonial powers. The registrar shall have, and is hereby granted full authority to issue subpoenas requiring the attendance of witnesses before him, production of books, papers, and other documents, articles, or instruments, and compel the disclosure by such witnesses of all facts known to them relative to the matter under investigation, and shall have full authority to administer oaths and to take testimony. All parties disobeying the orders of subpoenas of the registrar shall be guilty of contempt, as in proceedings in district courts of the state and may be punished in like manner.
- Subd. 12. **Violations.** Any person, copartnership, or corporation, domestic or foreign, and any officer, or director, or employee of a corporation, domestic or foreign, who shall violate or neglect, fail or refuse to comply with any of the provisions of this section shall be guilty of a misdemeanor.
- Subd. 13. Application of section. This section shall not apply to any person, copartnership, or corporation engaged in the business of selling vehicles designed to operate exclusively over snow, motorized bicycles, motor scooters, motorized wheel chairs, boat trailers, utility trailers, farm wagons, farm trailers, farm tractors or other farm implements whether self-propelled or not, even though such wagons, trailers, tractors or implements may be equipped with a trailer hitch, unless such person, copartnership or corporation shall also be engaged in the business of selling other motor vehicles within the provisions of this section. 168.31 TAX, WHEN DUE AND PAYABLE. Subdivision 1. Time payable. The tax required under this chapter to be paid upon a motor vehicle for each calendar year becomes due when the vehicle first uses the public streets or highways in the state, and upon January 1 each year thereafter. Taxes due upon January 1 become payable upon November 15 preceding the calendar year for which they are assessed except those upon motor vehicles which shall first use the public streets and highways of this state between November 15 and the next following December 31. The tax that becomes due January 1 next following upon such motor vehicles becomes payable at the time the tax for the current year becomes payable. Taxes due upon January 1 become delinquent after January 10 unless paid. Taxes due when the vehicle first uses the public streets or highways in the state shall become delinquent upon the expiration of seven days after the same became due unless paid.

Subd. 2. Failure to make timely payment. Every owner or person charged with the duty to re-register a motor vehicle and pay any taxes hereunder who fails to re-register the same and pay such taxes as herein provided before January 11, shall, before he shall be entitled to complete his re-registration as herein provided, pay a penalty to the registrar according to the following schedule:
On January 11 the sum of \$1
On January 21 an additional sum of \$1

On February 1 an additional sum of 50 cents

provided that if any owner or person does not file his application for re-registration until after March 31 and establishes by verified statements satisfactory to the registrar that such vehicle has not been operated during the calendar year to the date of application, the registrar shall waive the penalty assessed hereunder for failure to re-register before January 11.

Every owner or person charged with the duty to register a motor vehicle first using the public streets or highways in the state and pay any taxes hereunder who fails to register the same and pay such taxes as herein provided before the tax becomes delinquent, shall, before he shall be entitled to complete his registration as herein provided, pay to the registrar a fee of 25 cents a day for each of the first two days that he delays, and if the delay continues so that there is a total delay in excess of 30 days, he shall pay to the registrar for the delay in excess of 30 days an additional fee of 50 cents per month or fraction thereof for not exceeding two

Subd. 4. Installments. If the tax for a vehicle assessed under section 168.013 amounts to more than \$300, the owner may pay such tax by installments. The owner shall tender with his application for registration one-third of the annual tax due or \$300, whichever is greater, plus any penalties or arrears. The remainder of the tax due shall be paid in two equal installments; the due date of the first installment shall be May 1 of the year for which the tax is assessed and the second installment shall be due on September 1 of the year for which the tax is assessed. The registrar shall issue no registration certificate until the full amount of the tax has been paid. In lieu of such registration certificate, the registrar shall issue to the owner a receipt for installments paid, which receipt shall be displayed upon the windshield of the vehicle as evidence that under the provisions of this section the vehicle may be operated on the streets and highways of this state. If an owner of a vehicle fails to pay an installment within seven days after the due date thereof, the vehicle shall not use the public streets or highways in this state until the installment or installments of the tax remaining due on such vehicle shall have been paid in full for the licensed year together with penalties as hereinafter provided. If the balance of the tax due on the vehicle is not paid within seven days after the due date thereof, the owner, in addition to the balance of the tax, shall pay a penalty at the rate of fifty cents per day for the remainder of the month in which the balance of the tax becomes due and \$2 a month for each

succeeding month or fraction thereof in which the balance of the tax remains unpaid. Upon the payment of the balance of the tax and the penalties, the registrar shall issue a registration certificate to the owner of the vehicle in the manner provided by law. The registrar shall deny installment payment privileges provided in this subdivision in the subsequent year to any owner on any or all vehicles of such owner who during the current year fails to pay any installment due within one month after the due date.

Subd. 5. **Refunds.** For the annual tax paid on any vehicle before the calendar year for which that tax was assessed, the owner of the vehicle who paid the tax shall be entitled to full refund if such vehicle is permanently destroyed or removed from the state before the calendar year for which the tax was paid or if it is not used at all during the calendar year for which the tax was paid, and the owner makes affidivat concerning the non-use as provided by section 168.012.

Subd. 6. Tax a personal obligation. All taxes imposed under the provisions of this chapter shall be deemed the personal obligation of the registered owner and the amount of such tax, including added penalties for the non-payment thereof, shall be a first lien upon the vehicle taxed, paramount and superior to all other liens thereon whether previously or subsequently accruing thereon; and, in addition to any other remedy herein prescribed, the state shall have a right of action against the owner for the recovery of the amount of any delinquent tax thereon, including the penalties accruing because of the non-payment thereof, or for the enforcement of the tax lien thereon hereby declared, or both, in any court of competent jurisdiction. 168.321 MANUFACTURERS TO FILE STATEMENT. The registrar may refuse to register any new vehicle unless the manufacturer thereof has filed the sworn statement herein provided for the model of the motor vehicle offered for registration. The registrar shall have authority to determine the weight of any vehicle on which the record of the manufacturer's shipping weight is not available in his office.

Every manufacturer of a motor vehicle sold or offered for sale within this state shall each year file with the registrar a sworn statement showing the various models manufactured, the manufacturer's shipping weights including the weight of automatic transmissions where such equipment is offered as optional equipment and not included in the shipping weight, the beginning serial or identification number of each model or series if manufactured on a yearly model basis, or if not manufactured on a yearly model basis, the formula or method used to determine the year of model, and such other information as the registrar deems necessary. Upon the introduction of any new models during the year, the manufacturer shall in like manner file a new statement setting forth the required information for each new model.

The information furnished in the manufacturer's statement may be considered by the registrar as prima facie evidence of the facts contained therein.

[1961 c 120 s 1]

168.33 SECRETARY OF STATE TO BE REGISTRAR. Subdivision 1. Duties. The secretary of state shall be the registrar of motor vehicles of the state of Minnesota, and it shall be his duty to exercise all the powers granted to and perform all the duties imposed upon him by this chapter. The secretary of state, in his discretion, may employ not to exceed eight persons as inspectors, to obtain information and report to the registrar regarding motor vehicles subject to taxation under this chapter upon which the tax has not been paid, and to present suitable complaints to courts of competent jurisdiction.

Subd. 2. **Powers.** The registrar shall have the power to appoint, hire and discharge and fix the compensation of the necessary employees, as may be required to enable him to properly carry out the duties imposed upon him by the provisions of this chapter. Before entering upon the discharge of his duties, each deputy and each employee having the charge of handling any money or number of plates shall give bond to the state in the sum of at least \$2,000, or in such larger amount as the

### 168.33 MOTOR VEHICLES; REGISTRATION; TAXATION

registrar may fix, conditioned upon the faithful discharge of his duties. Premiums on such bonds shall be paid by the state from money provided for the maintenance of the registrar's office.

The registrar shall have the power to appoint, and at pleasure remove, a deputy registrar for each city of the first class, and for such other cities and villages as public interest and convenience may require. Each such deputy, before entering upon the discharge of his duties, shall qualify with the requirements imposed for the qualifying of registrar, except that the amount of the bond required to be given by the deputy shall be \$10,000, or such larger sum as the registrar, from time to time, shall require. Each deputy registrar appointed hereunder shall keep and maintain, in a convenient public place within the city for which he is appointed, a registration and motor vehicle tax collection bureau, to be approved by the registrar, for the registration of motor vehicles and the collection of motor vehicle taxes thereon. He shall keep such records and make such reports to the registrar as that officer, from time to time, may require. He shall charge and receive for each application presented a filing fee of 50 cents, and shall report daily to the registrar all registrations made and taxes and fees collected by him. The filing fee of 50 cents he shall retain as his compensation unless otherwise designated by the registrar in his order of appointment, but the registration tax and any additional fees for delayed registration he has collected he shall deposit each day in an approved state depository to the credit of the state through the state treasurer. The registrar, in the order of appointment of each deputy hereunder, shall designate the amount to be paid annually to each such deputy as compensation for his services, the services of his employees and the expense of the bureau maintenance, which amount shall be fixed and determined or have the approval of the executive council endorsed thereon. If the amount designated to be paid annually to such deputy as compensation for his services, the services of his employees, and expense of the bureau maintenance is less than the total of the filing fees he collects, the amount so provided for shall be paid semi-monthly by the registrar from the amount of the filing fees collected and deposited by such deputy, as herein provided with respect to registration taxes he collects; but the amount so paid shall not in any case exceed the total amount of filing fees so collected and remitted. The amount received by the registrar under the provisions hereof shall be paid by him into the state treasury daily, weekly, or at such other intervals as may be determined by the order of the executive council. Supplies, accounting machines and office space required to enable the registrar to properly carry out the duties imposed upon him by the provisions of this chapter may be rented or purchased, as provided by existing law.

- Subd. 3. Record. Whenever the state reformatory for men certifies to the commissioner of administration that expenses have been incurred for materials, labor, and equipment which may have been purchased for the manufacture of number plates the commissioner of administration may, even though a number plate order has not been completed, approve the certification and direct the state auditor and state treasurer to pay such expenses, or to reimburse the state reformatory for men therefor from moneys appropriated by law to the secretary of state for license plates. If the commissioner of administration incurs expenses for materials or for any additional equipment which may have been purchased for the manufacture of number plates he may, in a like manner, direct the auditor and treasurer to pay such expenses.

This section contemplates that moneys to be appropriated to the secretary of state in order to carry out the terms and provisions of this section will be appropriated by the legislature from the highway user tax distribution fund.

- 168.44 LICENSES, REVOCATION, LIMITED LICENSES. For sufficient cause upon complaint and after hearing, or upon report of conviction by any court in this state of violation of any provision of the Highway Traffic Regulation Act, or a municipal traffic ordinance, or upon report of conviction of any offense in any other state or in any Province of the Dominion of Canada, which, if committed in this state, would be cause for revocation, the secretary of state may revoke the license of any chauffeur who, in the judgment of the secretary of state, should not be permitted to continue as a licensed chauffeur. If a licensed chauffeur is convicted in this state of a major offense, revocation by the secretary of state of his chauffeur's license shall be mandatory. For the purposes of this section, the term "major offense" shall be used to refer to any of the following offenses:
  - (a) Manslaughter resulting from the operation of a motor vehicle;
- (b) Driving a motor vehicle, the operation of which requires a chauffeur's license, while under the influence of intoxicating liquor or narcotic drug;
- (c) Any crime punishable as a felony under the motor vehicle laws of this state or any other felony in the commission of which a motor vehicle is used;
- (d) Forfeiture of bail upon three charges of reckless driving all within the preceding 12 months;
- (e) Failure of a driver of a motor vehicle involved in an accident to stop and disclose his identity at the scene of an accident resulting in the death or injury of a person.

Whenever a person is brought before any court charged with a "major offense," whether the charge be under state law or municipal ordinance, the court shall, before accepting a plea of guilty or entertaining a judgment of conviction pursuant thereto, inform the defendant that upon conviction not only will he be liable to a penalty, but the chauffeur's license that he may have must be revoked. Whenever in any court a licensed chauffeur is convicted of any violation of the Highway Traffic Regulation Act, or a municipal traffic ordinance, the court shall promptly report such conviction to the secretary of state together with any recommendations that the court may wish to make with reference to the chauffeur's license. Whenever the offense of which the licensed chauffeur is convicted is a "major offense" the court shall, as a part of the penalty, order the convicted chauffeur to return his chauffeur's license promptly to the secretary of state. Failure on the part of a chauffeur to return the license promptly to the secretary of state as ordered by the court shall constitute "contempt of court." The revocation of a chauffeur's license upon his conviction of a "major offense" shall be for a period of one, three, six, nine, or twelve months, the length of the period to be in each particular case as recommended by the court on the basis of the seriousness of the offense and the interest of public safety and welfare.

When at least one month of a period for which a chauffeur's license has been revoked has elapsed, and if the chauffeur's livelihood depends upon his employment as a licensed chauffeur, the secretary of state may, upon recommendation by the court in which the chauffeur was convicted, issue a limited license to such chauffeur on condition that proof of financial responsibility covering the vehicle or vehicles to be operated shall be filed in accordance with the provisions of the Financial Responsibility Act. The secretary of state in issuing such limited license may impose such condition and limitation as in his judgment are necessary in the interest of public safety and welfare, including re-examination as to the chauffeur's qualifications. Such license may be limited to the operation of particular vehicles, to particular classes of operation, and to particular conditions of traffic.

The limited license issued by the secretary of state shall clearly indicate the limitations imposed and the chauffeur operating under such limited license shall have such license in his immediate possession at all times when operating as a chauffeur. Such a limited chauffeur's license may also be issued by the secretary of state when in his judgment the privileges of a chauffeur should be limited in

that manner because of convictions of other than major offenses against the traffic laws or ordinances or other conditions pertaining to the chauffeur's qualifications. [1929 c 433 s 6; 1939 426 c 6; 1941 c 427 s 2; 1943 c 331 s 1; 1953 c 331 s 2; 1955 c 281 s 4; 1957 c 636 s 1] (2712-6)

**168.54 MOTOR VEHICLES, TRANSFER OF OWNERSHIP.** Subdivision 1. The secretary of state shall establish a transfer of ownership division in his office to become effective July 1, 1955, to perform the duties relating to the transfer of ownership in motor vehicles as provided in Minnesota Statutes, Chapter 168.

Subd. 2. There is hereby created in the state treasury the transfer of ownership revolving fund to be used to employ personnel and pay other operating expenses of this division.

Subd. 3. There is hereby appropriated \$20,000 out of the general revenue fund of the state treasury to said transfer of ownership revolving fund to be used as herein provided. Notwithstanding any other provisions of this section or of any other law, the appropriations made in this subdivision shall be available for allotment, encumbrance and expenditure upon the passage of this section.

Subd. 4. On and after July 1, 1955, there is hereby imposed a fee of \$1 upon every transfer of ownership by the secretary of state of any motor vehicle for which a registration certificate has heretofore been issued under this chapter, except vehicles sold for the purposes of salvage or dismantling or permanent removal from the state.

To facilitate the collection of the fee imposed by this section, the registrar shall provide a "Transfer Filing Fee" stamp to any person upon payment of the required fee of \$1. Such stamp shall be affixed to each application for transfer of ownership before such application shall be accepted for recording. The stamps, in a design to be determined by the registrar, shall bear the words "Transfer Filing Fee, \$1" and shall be numbered serially. Stamps may be sold in advance in such quantities as the registrar may deem proper provided that payment in full of \$1 for each stamp sold is received at the time of the sale. Refund may be made upon return of any unused stamps or any used stamps where such use was not required by law. When a stamp has been returned for refund, such stamp shall be canceled and preserved. The registrar shall maintain records, inventories and controls necessary to account for and safeguard the sale, refund and use of all stamps.

Subd. 5. The proceeds of the fee imposed under the provisions of this section shall be collected by the secretary of state and paid into said revolving fund.

Subd. 6. The unobligated balances in excess of \$4,000 in said revolving fund as of June 30 of each fiscal year shall be cancelled into the general revenue fund. [Ex1955 c 5 s 1-6; 1957 c 159 s 1]

168.61 INTERCITY BUSES. Subdivision 1. The term "intercity bus" as used in sections 168.61 to 168.65 means a motor bus as defined in Minnesota Statutes, section 168.011, subdivision 9, which is owned or operated by either a resident or nonresident of Minnesota in interstate commerce under authority of the Interstate Commerce Commission or in combined interstate and intrastate commerce under authority of the Interstate Commerce Commission and the Railroad and

# 168.62 MOTOR VEHICLES; REGISTRATION; TAXATION

Warehouse Commission of Minnesota, as a result of which operation such bus operates both within and without the territorial limits of the state of Minnesota.

Subd. 2. For the calendar year 1958 and during each year thereafter intercity buses shall be subject to registration and taxation as motor vehicles on an apportionment basis.

[1957 c 80 s 1]

168.62 **REGISTRATION.** Subdivision 1. An owner or operator of more than one intercity bus shall register a percentage of his intercity buses in Minnesota. The percentage of the intercity buses so registered shall be determined by dividing the total number of miles traveled by such intercity buses within the state of Minnesota by the total number of miles traveled by such intercity buses both within and without the state of Minnesota. Such percentage figure so arrived at is the percentage of intercity motor buses which the owner or operator thereof shall register in Minnesota. A fractional intercity bus shall be registered as one intercity bus. The number of intercity buses so registered in the state of Minnesota are deemed to be domiciled in Minnesota and subject to motor vehicle taxation in this state.

Subd. 2. When the number of intercity buses to be registered in Minnesota is determined as herein provided, the owner or operator thereof shall select the particular intercity buses to be so registered. The motor vehicle tax to be paid thereon for each calendar year shall be determined by the registrar of motor vehicles. He shall compute the amount of motor vehicle tax on each intercity bus of the owner or operator thereof as though all of such intercity buses were required to be registered in Minnesota. The amount so arrived at shall then be divided by the total number of intercity buses of such owner or operator to obtain the average motor vehicle tax due on an intercity bus registered in Minnesota. Such average tax shall be paid on each intercity bus registered in Minnesota in the same manner and at the same time as other motor vehicles using the streets and highways of Minnesota are taxed and the taxes paid thereon. The registrar of motor vehicles shall issue number plates for the intercity buses registered in Minnesota.

Subd. 3. At the same time that an owner or operator of intercity buses registers them in Minnesota and obtains number plates therefor, he shall apply for special identification plates or certificates for the remainder of his fleet of intercity buses. The registrar of motor vehicles shall design an appropriate plate or identification certificate for this purpose which shall be issued upon the payment of a fee of \$10.00 covering each intercity bus so identified. The proceeds of such fees shall be deposited to the credit of the highway user tax distribution fund. No intercity bus shall at any time be operated in the state of Minnesota without either Minnesota number plates or special identification plates or certificates issued as herein provided.

[1957 c 80 s 2; 1959 c 365 s 1]

168.63 REGISTRAR OF MOTOR VEHICLES, DUTIES. Subdivision 1. It shall be the duty of the registrar of motor vehicles to administer and to enforce the terms and conditions of sections 168.61 to 168.65.

Subd. 2. The registrar of motor vehicles shall determine the percentage of intercity buses to be registered in Minnesota by an owner or operator thereof. He shall determine the total number of miles traveled by each intercity bus within the state of Minnesota and the total number of miles such intercity bus traveled both within and without the state of Minnesota. In making such determinations he may use mileage records of operation of each owner or operator of intercity buses for such period of time as he deems appropriate and during which operation existed. If there are no operations in Minnesota for any period of time so as to determine the mileage records of operation he shall use such estimates as will fairly determine the percentage of intercity buses which any owner or operator thereof shall register in Minnesota.

Subd. 3. Whenever an owner or operator of intercity buses increases his fleet of intercity buses after the beginning of a calendar year in which a percentage of the fleet has been registered in Minnesota, he shall notify the registrar of motor vehicles thereof.

Subd. 4. Whenever the owner or operator of intercity buses substitutes an intercity bus in his fleet as a result of new purchase or otherwise, he shall likewise notify the registrar of motor vehicles thereof.

Subd. 5. At the close of each calendar year and not later than February 15th

of the next succeeding year, beginning with 1959, the registrar of motor vehicles shall re-compute and re-determine the number of intercity buses required to have been registered in Minnesota for the prior year and the actual amount of tax liability for such previous year shall likewise be re-determined. Any additional tax which may be due by any owner or operator of intercity buses shall be paid forthwith. If it is determined as a result of such recomputation that there has been an overpayment of tax, the amount of such overpayment shall be credited to the amount of tax which may be due by the owner or operator of intercity buses in any subsequent year. In the event any owner or operator of intercity buses discontinues operations in Minnesota and has a tax credit due him as a result of overpayment of motor vehicle taxes for any year, the amount of such overpayment shall be refunded. Such sums as are necessary to make the refunds herein are hereby appropriated annually from the highway user tax distribution fund.

[1957 c 80 s 3; 1963 c 166 s 1]

168.64 RULES, REQUIREMENTS. The registrar of motor vehicles shall:

- (a) Promulgate such rules and regulations as he may deem necessary in order to fully administer and carry out the terms and provisions of sections 168.61 to 168.65;
- (b) Require owners and operators of intercity buses to furnish such information and to make and file such reports as he deems necessary in order to administer sections 168.61 to 168.65.
- (c) Require re-computation of the percentage of intercity buses of any owner or operator at any time he has reason to believe that an insufficient number of such intercity buses of such owner or operator are registered in Minnesota. If as a result of any such re-computation, the registrar of motor vehicles determines that additional intercity buses should be registered in Minnesota, he shall require the owner or operator thereof to so register such additional buses and pay the taxes thereon in accordance with the standards required by this section. All intercity buses registered under the terms of this provision shall be registered for a full calendar year. All taxes computed on the percentage of intercity buses to be registered in the state of Minnesota shall likewise be computed on the basis of a full calendar year. If additional taxes are required to be paid by an owner or operator of intercity buses under this provision, such owner or operator shall also pay interest at the rate of six percent per annum on the amount so paid with interest computed from January 1st of the calendar year in which the taxes are due to the date of payment.

[1957 c 80 s 4]

168.65 VIOLATIONS. Subdivision 1. It shall be unlawful for any owner or operator of intercity buses to wilfully violate any provision of sections 168.61 to 168.65 or to wilfully furnish false information or reports to the registrar of motor vehicles which such registrar may require.

Subd. 2. If after a public hearing, upon due notice, the registrar of motor vehicles determines that any owner or operator of intercity buses has violated any term or provisions of sections 168.61 to 168.65 or wilfully furnished false information or reports, such registrar shall cancel all number plates and all special identification plates or certificates issued to such owner or operator of intercity buses and such intercity buses during such calendar year shall not operate upon the streets and highways of the state unless the owner's or operator's entire fleet of intercity buses is then registered in the state of Minnesota and the motor vehicle taxes paid thereon for the full calendar year in which the offense occurs. Any such determination by the registrar of motor vehicles shall be subject to judicial review by certiorari as provided by law.

[1957 c 80 s 5]

[1957 c 266 s 2: 1959 c 364 s 1: 1961 c 281 s 1]

168.68 SUSPENSION OR REVOCATION OF LICENSE. (a) A license may be suspended or revoked by the administrator on the following grounds:

- (1) Material misstatement in application for license:
- (2) Intentional failure to comply with any provision of sections 168.66 to 168.77 relating to retail installment contract;
  - (3) Defrauding any retail buyer to the buyer's damage;
- (4) Fraudulent misrepresentation, circumvention or concealment by the licensee through whatever subterfuge or device of any of the material particulars or the nature thereof required to be stated or furnished to the retail buyer under sections 168.66 to 168.77.
- (b) If a licensee is a firm, association or corporation, it shall be sufficient cause for the suspension or revocation of a license that any officer, director or trustee of a licensed firm, association or corporation, or any member of a licensed partnership, has so acted or failed to act as would be cause for suspending or revoking a license to such part as an individual. Each licensee shall be responsible for the acts of any or all of his employees while acting as his agent, if such licensee after actual knowledge of his act retained the benefits, proceeds, profits or advantages accruing from said acts or otherwise ratified such acts.
- (c) No license shall be suspended or revoked except after hearing thereon. The administrator shall give the licensee at least ten days' written notice, in the form of an order to show cause, of the time and place of such hearing by registered mail addressed to the principal place of business in this state of such licensee. The said notice shall contain the grounds of complaint against the licensee. Any order suspending or revoking such license shall recite the grounds upon which the same is based. The order shall be entered upon the records of the administrator and shall not be effective until after 30 days' written notice thereof given after such entry forwarded by registered mail to the licensee at such principal place of business. No revocation, suspension or surrender of any license shall impair or affect the obligation of any lawful retail installment contract acquired previously thereto by the licensee.
- Within 30 days after such service of notice of any order of suspension or revocation of a license, the licensee aggrieved may appeal from such order to the district court for the county in which the principal place of business of such licensee in this state is located, by service of a written notice of appeal upon the administrator, and filing the same with proof of such service with the clerk of the court to which the appeal is taken, within five days. The district court shall thereupon have jurisdiction over the appeal; and the same shall be entered upon the records of the court and tried according to the rules relating to the trial of civil actions in so far as the same are applicable. Upon service of such a notice of appeal upon him, the administrator shall forthwith file with the clerk of the district court to which the appeal is taken a certified copy of the order appealed from and of the order to show cause upon which the same was based; and unless otherwise ordered by the court the documents so filed shall frame the issues to be determined upon the appeal. The court shall determine, de novo, all questions, both of fact and of law, touching upon the legality and reasonableness of the determination of the administrator, and shall render such judgment as shall be lawful and just. Pending final judgment on such appeal, the order appealed from shall be stayed. Upon motion of the licensee or the administrator the appeal shall be tried

ahead of all other actions pending before the court except criminal cases. Appeals to the supreme court may be taken as in other civil proceedings.

[1957 c 266 s 3]

168.69 COMPLAINTS ALLEGING VIOLATION. Any retail buyer having reason to believe that sections 168.66 to 168.77 relating to his retail installment contract has been violated may file with the administrator a written complaint setting forth the details of such alleged violation and the administrator, upon receipt of such complaint, may inspect the pertinent books, records, letters and contracts of the licensee and of the retail seller involved, relating to such specific written complaint.

[1957 c 266 s 4]

The administrator shall have power to issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records and other evidence before him in any matter over which he has jurisdiction, control or supervision pertaining to sections 168.66 to 168.77. The administrator shall have the power to administer oaths and affirmations to any person whose testimony is required.

If any person shall refuse to obey any such subpoena, or to give testimony, or to produce evidence as required thereby, any judge of any district court may, upon application and proof of such refusal, make an order for the issuance of a subpoena, or subpoena duces tecum, for the witness to appear before the administrator and to give testimony, and to produce evidence as required thereby. Upon filing such order in the office of the clerk of such court the clerk shall issue a subpoena, as directed, under the seal of said court, requiring the person to whom it is directed to appear at the time and place therein designated.

If any person served with any such subpoena shall refuse to obey the same, or to give testimony or to produce evidence as required thereby, the administrator may report such refusal to the court, and the court shall thereupon enforce obedience to the subpoena in the manner provided by law for enforcing obedience to subpoenas of the court.

[1957 c 266 s 5]

168.71 RETAIL INSTALLMENT CONTRACTS. (a) (1) Every retail installment contract shall be in writing, shall contain all the agreements of the parties, shall be signed by the retail buyer and seller, and a copy thereof shall be furnished to such retail buyer at the time of the execution of the contract.

In addition to such delinquency and collection charge, the retail installment contract may provide for the payment of attorneys' fees not exceeding 15 percent of the amount due and payable under such contract where such contract is referred to an attorney not a salaried employee of the holder of the contract for collection plus the court costs.
- (4) Unless written notice has been given to the retail buyer of actual or intended assignment of a retail installment contract, payment thereunder or tender thereof made by the retail buyer to the last known holder of such contract shall be binding upon all subsequent holders or assignees.
- (5) Upon written request from the retail buyer, the holder of the retail installment contract shall give or forward to the retail buyer a written statement of the dates and amounts of payments and the total amount unpaid under such contract. A retail buyer shall be given a written receipt for any payment when made in cash.
  - (b) The retail installment contract shall contain the following items:

- (2) The amount of the retail buyer's down payment, whether made in money or goods, or partly in money or partly in goods;

The time balance payable by the retail buyer to the retail seller and the number of installment payments required and the amount of each installment expressed in dollars or percentages, and date of each payment necessary finally to pay the time balance which is the sum of item five and item six.

Provided, however, that said items one to seven inclusive need not be stated in the sequence or order set forth above and that additional items may be included which serve to explain the calculations involved in determining the stated

time balance to be paid by the retail buyer.

- (c) Every retail seller or sales finance company, if a charge for insurance on the motor vehicle is included in a retail installment contract shall within 30 days after execution of the retail installment contract send or cause to be sent to the retail buyer a policy or policies or certificate of insurance. which insurance shall be written by a company authorized to do business in this state, clearly setting forth the amount of the premium, the kind or kinds of insurance and the scope of the coverage and all the terms, exceptions, limitations, restrictions and conditions of the contract or contracts of the insurance. The buyer of a motor vehicle under a retail installment contract shall have the privilege of purchasing such insurance from an agent or broker of his own selection and selecting an insurance company mutually acceptable to the seller and the buyer; provided, however, that the inclusion of the cost of the insurance premium in the retail installment contract when the buyer selects the agent, broker or company, shall be optional with the seller.
- (d) Any sales finance company hereunder may purchase or acquire from any retail seller any retail installment contract on such terms and conditions as may be mutually agreed upon between them.

Class 3. Any motor vehicle not in Class 1 or Class 2-\$13 per \$100 per year

plus a flat charge of \$3 for each such retail installment sale.

- (b) Such time price differential shall be computed on the principal balance as determined under section 168.71(b) and shall be computed at the rate indicated on contracts payable in successive monthly installment payments substantially equal in amount extending for a period of one year. On contracts providing for installment payments extending for a period less than or greater than one year, the time price differential shall be computed proportionately.
- (c) When a retail installment contract provides for unequal or irregular installment payments, the time price differential shall be at the effective rate provided in subsection (a) hereof, having due regard for the irregular schedule of payment.
- The time price differential shall be inclusive of all charges incident to (d) investigating and making the contract, and for the extension of the credit provided for in the contract and no fee, commission, expense or other charge whatsoever shall be taken, received, reserved or contracted for except as provided in sections 168.66 to 168.77.

tion of the time price differential after first deducting from such time price differential an acquisition cost of \$15, as the sum of the periodic time balances after the month in which prepayment is made, bears to the sum of all the periodic time balances under the schedule of payments in the original contract.

Where the amount of the credit for anticipation of payment is less than \$1, no refund need be made.

[1957 c 266 s 8]

168.74 EXTENSION OF SCHEDULES, PAYMENTS. The holder of a retail installment contract, may, upon agreement with the retail buyer, extend the schedules due date, or defer the schedules payment of all or part of any installment payment or payments, or renew the balance of such contract. In any such case the holder may restate the amount of the installments and the time schedule therefor, and collect as a refinance charge for such extension, deferment or renewal, a flat service fee not to exceed \$5 and a total additional charge not exceeding an amount equal to one percent per month simple interest on the respective descending balances computed from the date of such extension, deferment or renewal.
