306.01 CEMETERY ASSOCIATIONS AND PRIVATE CEMETERIES, HOW GOVERNED. All public cemetery associations existing at the time of the taking effect of Revised Laws 1905 shall continue under the forms of organization adopted by them, respectively, and shall retain all the rights and powers then possessed. All cemetery associations thereafter formed and all private cemeteries thereafter established shall be organized and governed solely by the provisions of this chapter applicable thereto.

[R. L. s. 2935] (7557)

306.02 CEMETERY CORPORATIONS OR ASSOCIATIONS. A corporation or association may be formed for the purpose of procuring and holding or selling lands or lots exclusively for the purpose of a public cemetery. It may acquire and manage all real and personal property necessary or proper for the establishment, embellishment, care, and management of a cemetery, and may construct and

operate thereon a crematory and other proper means of disposing of the dead. It may sell and convey cemetery lots or sell and convey real or personal property lawfully acquired by it but not needed for cemetery purposes. It may be formed by three or more persons, who shall execute and verify the certificate or articles of incorporation as required in the matter of the formation of other corporations. Such certificate of incorporation shall be filed for record in the office of the register of deeds of the county wherein such cemetery is situated and thereupon such association shall become a corporation.

Any cemetery lands and property or public burial ground now or hereafter owned or controlled by any town, village, or city of this state may be transferred by such town, village, or city by deed or otherwise to any cemetery association or corporation formed or organized under the terms of this chapter or heretofore existing and such transfer may be with or without condition, as shall be determined by the town, village, or city, as the case may be; such town, city, or village may, as a part of such transaction, enter into a contract or agreement with such cemetery association providing for the management and manner of maintaining, keeping, and caring for such cemetery, for the sale of lots or lands therein, and for such other matters in relation to the care and control thereof as shall be deemed advisable by such town, village, or city.
