(b) The district providing the instruction shall maintain an appropriate educational program for such a child and shall bill the district of the child's residence for the actual cost of providing the program, as outlined in subdivision 4 of this section, except that the board, lodging, and treatment costs incurred in behalf of a handicapped child placed outside of the school district of his residence by the commissioner of public welfare or the commissioner of corrections or their agents, for reasons other than for making provision for his special educational needs shall not become the responsibility of either the district providing the instruction or the district of the child's residence.

(c) The district of residence shall pay tuition and other program costs to the district providing the instruction and the district of residence may claim foundation aid for the child as provided by law.
