Such complaint shall be served upon such railroad company and 20 days, exclusive of the day of such service, shall be allowed for answer. After the time for answering has expired the commission shall fix the time and place for a hearing and give at least ten days notice thereof to both parties.

Where such buildings, structures, instrumentalities, or ground space are already established or used upon such right of way and the compensation therefor is not fixed by order of the commission or by contract, the commission may fix the reasonable compensation to be paid for the occupation thereof.
