(1) The term "trademark" as used in sections 333.18 to 333.31 means any word, name, symbol, or device or any combination thereof adopted and used by a person to identify goods made or sold by him and to distinguish them from goods made or sold by others.

(2) The term "service mark" as used in sections 333.18 to 333.31 means a word, name, symbol, or device or any combination thereof adopted and used by a person to identify his services and to distinguish them from services of others and includes without limitation the marks, names, symbols, titles, designations, slogans, character names, and distinctive features of radio or other advertising used in commerce.

(3) The term "certification mark" means a mark used upon or in connection with the products or services of one or more persons other than the owner of the mark to certify regional or other origin, material, mode of manufacture, quality, accuracy or other characteristics of such goods or services or that the work or labor on the goods or services was performed by members of a union or other organization.

(4) The term "collective mark" means a trademark or service mark used by the members of a cooperative, an association or other collective group or organization and includes marks used to indicate membership in a union, an association or other organization.

(2) For the purpose of sections 333.18 to 333.31, a service mark shall be deemed

to be "adopted and used" when it is adopted and used in connection with the rendering, selling, or advertising of services in this state to identify the services of one person and distinguish them from the services of others, and such services are rendered.

A renewal fee of \$12 payable to the secretary of state shall accompany the application for renewal of the registration.

Subd. 2. The secretary of state shall notify each registrant of a mark hereunder of the necessity of renewal thereof by writing to the last known address of the registrant approximately one year prior to the registration's expiration date.

(5) When a district court shall order cancellation of a registration on any ground.
