420.03 MEMBERSHIP; DUTIES; TERMS. No commissioner shall, at the time of his appointment or while serving, hold any other office or employment under the city or village, the United States, the state of Minnesota, or any public corporation or political division thereof, other than the office of notary public or member of a civil service commission for policemen or other municipal personnel. 420.04 MEETINGS. The commission shall first meet immediately after its appointment and thereafter on the first Monday in February of each year at which meetings it shall select from its members a secretary who shall serve until his successor is elected. The commission shall, from time to time, fix the times of its meetings, and adopt, amend, and alter rules for its procedure. All meetings shall be held and all records kept at the city or village hall.

The council shall pay from the municipal treasury all expenses incurred by the commission in connection with the performance of its

duties and shall furnish it with all supplies, stationery, and equipment it may require, but all bills and accounts shall be audited and approved by the president and secretary of the commission before being paid by the council.

420.06 POWERS AND DUTIES. The commission shall have absolute control and supervision over the employment, promotion, discharge, and suspension of all officers and employees of the fire department of such city or village and these powers shall extend to and include the chief and assistant chief of such, and all inspectors, fire-wardens, electricians, engineers, auto mechanics, clerks, and other persons exclusively engaged in the fire prevention and protection service in the city or village.

The commission shall immediately after its appointment and organization grade and classify all of these employees of the fire department of the city or village and a service register shall be prepared for the purpose, in which shall be entered, in their classes, the names, ages, compensation, period of past employment, and such other facts and data with reference to each employee as the commission may deem useful.

The commission shall keep a second register to be known as the application register in which shall be entered the names and addresses in the order of the date of application of all applicants for examination and the offices or employments they seek. 420.07 RULES FOR FIRE DEPARTMENT SERVICE. The commission shall, immediately after its appointment and from time to time thereafter make, amend, alter, and change rules to promote efficiency in the fire department service and to carry out the purposes of this chapter. - (5) The commission may by rule provide for striking any name from the eligible register after it has been two years thereon;
- (6) The rejection of candidates or eligibles who, after the entry of their names shall fail to comply with the reasonable rules and requirements of the commission in respect to age, resident, physical condition or otherwise, or who have been guilty of criminal, infamous, or disgraceful conduct, or of any wilful misrepresentation, deception or fraud in connection with the examination or in connection with their applications for employment;
- (7) The certification of the three names standing highest on the appropriate list to fill any vacancy;

Copies of such rules shall be kept posted in a conspicuous place at each fire station house and no rules of general application with reference to employment, promotion, discharge, or suspension shall be effective until so posted.

[1929 c 57 s 8; 1959 c 695 s 3] (1933-30)

420.08 REMOVAL OR DISCHARGE. No officer or employee after six months' continuous employment shall be removed or discharged except for cause, upon written charges and after an opportunity to be heard in his own defense as in this

chapter hereinafter provided. Such charges shall be investigated by or before such civil service commission. The findings and decision of such commission shall be forthwith certified to the chief or other appointing or superior officer, and will be forthwith enforced by such officer. Nothing in this chapter shall limit the power of any officer to suspend a subordinate for a reasonable period not exceeding 60 days for the purpose of discipline, or pending investigation of charges when he deems such suspension advisable.

[1929 c. 57 s. 9] (1933-31)

The commission shall prescribe standards of fitness and efficiency for each office, position, and employment and for each grade, and adapt its examinations thereto.

[1929 c. 57 s. 10] (1933-32)

420.10 EXAMINATIONS; EXAMINERS. All examinations shall be impartial, fair and practical and designed only to test the relative qualifications and fitness of applicants to discharge the duties of the particular employment which they seek to fill. No question in any examination shall relate to the political or religious convictions or affiliations of the applicant. All applicants for positions of trust and responsibility shall be specially examined as to moral character, sobriety and integrity, and all applicants for positions requiring special experience, skill or faithfulness shall be specially examined in respect to those qualities. It shall be the duty of the chief of the fire department and of every employee to act as an examiner or assistant examiner, at the request of the commission, without special compensation therefor. Examinations shall be conducted and examination papers scored by some experienced and competent person who is not a resident of the city or village where the examinations are being held, when by resolution or motion it is so ordered by the council of such city or village.

[1929 c. 57 s. 11; 1945 c. 197 s. 1] (1933-33)

420.11 NOTICE OF EXAMINATIONS. Notice of the time, place, and scope of each examination shall be given by publication and posting as specified in section 420.07 and by mailing such notice to each applicant upon the appropriate list of the application register ten days in advance. The names of those found eligible upon examinations after giving credit for character and previous successful experience, shall be entered with their addresses and percentages on the eligible register. No name shall remain upon the eligible register more than two years without a new application and, if the rules of the commission so require, a new examination. When a vacancy has been filled or new appointment made the names selected shall be stricken from the eligible register and transferred to the service register.

[1929 c. 57 s. 12] (1933-34)

420.12 CHARGES TO BE FILED; TRIAL. Charges of inefficiency or misconduct may be filed with the secretary of the commission by a superior officer or by the appointing authority, and thereupon the commission shall try the charges after not less than ten days' written notice to the accused. Such notice shall set forth the charges as filed. The trial of these charges shall be open to the public and each commissioner shall have the power to issue subpoenas and to administer oaths and to compel the attendance and testimony of witnesses and the production of books and papers relevant to the investigation. The commission shall require by subpoena the attendance of any witness requested by the accused who can be found in the county in which such city or village is located. The commission may make a complaint to the district court of disobedience of its subpoenas or orders under this section, and the court shall prescribe notice to the person accused and require him to obey the commission's subpoena and order, if found within the lawful powers of the commission, and punish disobedience as a contempt of court. Witnesses shall be entitled to the same fees and mileage as for attendance upon the district court, except that any officer, agent, or employee of the city or village who receives compensation for his services, shall not be entitled to fees or mileage.

Findings and determinations hereunder and orders of suspension, reduction, or removal shall be in writing and filed within three days after the completion of such hearing with the secretary of the commission and it shall be the duty of the secretary to notify such employee of the decision in writing. Any person suspended, reduced, or removed by the commission after investigation may appeal from the order to the district court by serving written notice thereof upon the secretary within ten days after the filing of the order or the receipt by the employee of written notice of the order as above provided.

Within five days thereafter, the secretary shall certify to the clerk of the district court the record of the proceedings, including all documents, testimony, and minutes. The case shall then be at issue and placed on the calendar by the clerk to be tried before the court without jury at the next general term thereof to be held in the county where the city or village is located at the place nearest the city or village. The question to be determined by the court shall be:
