Subd. 2. Schools using written contracts. (a) Notwithstanding anything to the contrary, every school which utilizes a written contract or enrollment agreement shall refund all tuition, fees and other charges paid by a student, if the student gives written notice of cancellation within five business days after the day on which the contract was executed regardless of whether the course of instruction has started.

(b) With respect to those schools utilizing a written contract or enrollment agreement, when a student has been accepted by the school and has entered into a contractual agreement with the school and gives written notice of cancellation following the fifth business day after the date of execution of contract, but before the start of the course of instruction in the case of resident schools, or before the first lesson has been serviced by the school in the case of correspondence (home study) schools, all tuition, fees and other charges, except 15 percent of the total cost of the course but not to exceed \$50, shall be refunded to the student.

Subd. 3. Schools not using written contracts. (a) Notwithstanding anything to the contrary, every school which does not utilize a written contract or enroll-

(b) With respect to those schools not utilizing a written contract or enrollment agreement, when a student has been accepted by the school and gives written notice of cancellation following the fifth business day after the day of acceptance by the school, but before the start of the course of instruction, in the case of resident schools, or before the first lesson has been serviced by the school, in the case of correspondence (home study) schools, all tuition, fees and other charges, except 15 percent of the total cost of the course but not to exceed \$50, shall be refunded to the student.

After completion of 75 percent of the course of instruction, no refunds are required.

Subd. 5. Correspondence (home study) schools. With respect to all schools offering a correspondence (home study) course of instruction, when a student has been accepted by the school and gives written notice of cancellation after the first lesson has been completed by the student and serviced by the school, but before completion of 75 percent of the course of instruction, the amount charged for tuition, fees and all other charges for the completed lessons shall not exceed the prorata portion of the total charges for tuition, fees and all other charges that the number of lessons completed by the student bears to the total number of lessons offered, plus 25 percent of the total cost of the course but not to exceed \$75. After completion of 75 percent of the course of instruction, no refunds are required.

Subd. 6. Combination correspondence-resident schools. With respect to all schools offering a combination correspondence (home study)-resident course of instruction, when a student has been accepted by the school and gives written notice of cancellation after the start of the course of instruction or after the first lesson has been completed by the student and serviced by the school, whichever phase comes first, the school shall refund all tuition, fees and other charges as provided for in subdivision 4 if cancellation occurs during the resident portion, and as provided for in subdivision 5 if cancellation occurs during the correspondence portion; provided that, if the cancellation occurs before the student has commenced one of the phases, the price of that phase shall not be considered in making the prorata and the student shall be entitled to a full refund of the price thereof. Conversely, if the student has completed a phase of the course before cancellation, the price thereof may be retained by the school provided that the total tuition, fees and other charges for each phase have been stated separately in the school's catalog and contract or enrollment agreement.

Subd. 7. Equipment and supplies. The fair market retail price, if separately stated in the catalog and contract or enrollment agreement, of equipment or supplies furnished to the student, which the student fails to return in condition suitable for resale within ten business days following cancellation may be retained by the school and may be deducted from the total cost for tuition, fees and all other charges when computing refunds.

An overstatement of the fair market retail price of any equipment or supplies furnished the student shall be considered inconsistent with this provision.

Subd. 8. Time of refund. Each school shall acknowledge in writing any valid notice of cancellation within ten business days after the receipt of such notice and within 30 business days shall refund to the student any amounts due him and arrange for termination of the student's obligation to pay any sum in excess of that due under the cancellation and refund policy.

Subd. 9. Limitation. A school cannot make its refund policy conditional upon compliance with the school's regulations or rules of conduct.

Subd. 10. Cancellation occurrence. Written notice of cancellation shall take place on the date the letter of cancellation is postmarked or, in the cases where the notice is hand carried, it shall occur on the date the notice is delivered to the school.

Subd. 12. **Instrument not to be negotiated.** No school shall negotiate any promissory instrument received as payment of tuition or other charge prior to completion of 50 percent of the course of instruction. Subdivision 1. **Not to advertise state approval.** Schools, agents of schools, and solicitors may not advertise or represent in writing or orally that such school is approved or accredited by the state of Minnesota, except that any school, agent, or solicitor may advertise that the school and solicitor have been duly licensed by the state.

Subd. 2. **Unlawful designation.** No school organized after November 15, 1969, shall apply to itself either as a part of its name or in any other manner the designation of "college" or "university" unless such school applies for and receives certification from the commissioner that it meets appropriate standards and is entitled to such designation. Operating schools now using such designation may continue use thereof.

Subd. 3. **False statements.** No school, agent, or solicitor shall make, or cause to be made, any statement or representation, oral, written or visual, in connection with the offering or publicizing of a course, if such school, agent or solicitor knows or reasonably should have known the statement or representation to be false, fraudulent, deceptive, substantially inaccurate or misleading.

Subd. 4. **Acceptance of contracts.** No school shall accept contracts, enrollment agreements or enrollment applications from an agent or solicitor who does not have a current permit as required by Laws 1973, Chapter 714.

Subd. 5. **Improbable course completion or employment.** No school, agent or solicitor shall enroll a prospective student when it is obvious that the prospective student is unlikely to successfully complete a course of instruction or is unlikely to qualify for employment in the vocation or field for which the training is designed unless this fact is affirmatively disclosed to the prospective student. If a prospective student expresses a desire to enroll after such disclosure, a disclaimer may be obtained by the school. Such disclaimer shall be signed by the student and shall state that the student is fully aware that it is unlikely he or she will be able to successfully complete the course of instruction and/or is fully aware of the improbability or impossibility that he or she will qualify for employment in the vocation or field for which the course was designed.

[1969 c 866 s 8; 1973 c 714 s 13-15]

Where a school has been operating and its license has been revoked, suspended or refused by the commissioner such order shall not become effective until the final determination of such appeal unless immediate effect shall be ordered by the court.

Subd. 3. **Powers and duties.** The commissioner shall have (in addition to the powers and duties now vested therein by law) the following powers and duties:

(a) To negotiate and enter into interstate reciprocity agreements with similar agencies in other states, if in the judgment of the commissioner such agreements are or will be helpful in effectuating the purposes of Laws 1973, Chapter 714;

(b) To grant conditional school license for periods of less than one year if in the judgment of the commissioner correctable deficiencies exist at the time of application and when refusal to issue school license would adversely affect currently enrolled students;

(c) The commissioner may upon his own motion, and shall upon the verified complaint in writing of any person setting forth fact which, if proved, would constitute grounds for refusal or revocation under Laws 1973, Chapter 714, investigate the actions of any applicant or any person or persons holding or claiming to hold a license or permit. However, before proceeding to a hearing on the question of whether a license or permit shall be refused, revoked or suspended for any cause enumerated in subdivision 1, the commissioner may grant a reasonable time to the holder of or applicant for a license or permit to correct the situation. If within such time the situation is corrected, no further action leading to refusal, revocation, or suspension shall be taken.

[1969 c 866 s 9; 1973 c 714 s 16, 17]

141.30 INSPECTION. (a) The commissioner or his delegate may inspect the instructional books and records, classrooms, dormitories, tools, equipment and classes of any school or applicant for license at any reasonable time. The commissioner may require the submission of a certified public audit, or if there is no such audit available the commissioner or his delegate may inspect the financial books and records of the school. In no event shall such financial information be used by the commissioner to regulate or set the tuition or fees charged by the school.

(b) No agent or employee of the state of Minnesota shall divulge to any person other than a member of the department of education, or duly constituted law enforcement official, any data obtained from an inspection of the financial records of a school, except in connection with a legal or administrative proceeding commenced to enforce a requirement of law.

Subd. 2. **Contracts for consideration greater than \$500 invalid.** Any contract or contracts for instruction in social skills, or for the use by a patron of a dance hall, studio, ballroom, or other social training facility which requires payment by the person receiving such instruction, or the use of such social training facility, of a total amount in excess of \$500, or granting to the person furnishing such instruction or providing the use of such facilities, an automatic renewal option where the payments to be made during the original contract period and the option period combined are in excess of \$500, shall be void in their inception and unenforceable.
