148.01 CHIROPRACTIC. Subdivision 1. For the purposes of sections 148.01 to 148.10, "chiropractic" is hereby defined as being the science of adjusting any abnormal articulations of the human body, especially those of the spinal column, for the purpose of giving freedom of action to impinged nerves that may cause pain or deranged function.

Subd. 2. The practice of chiropractic is hereby declared not to be the practice of medicine, surgery, or osteopathy.

[1919 c. 64 ss. 2, 8; 1927 c. 230] (5725, 5731(c))

148.02 CHIROPRACTORS; STATE BOARD OF EXAMINERS. There is hereby created and established a board to be known by the name and style of state board of chiropractic examiners.

[1919 c. 64 s. 1] (5724)

148.03 APPOINTMENT. The governor shall appoint a state board of chiropractic examiners consisting of five resident chiropractors who shall have practiced chiropractic in this state for at least three years immediately prior to the time of appointment, all of whom shall be graduates of a course of chiropractic, but no more than two of whom shall be graduates of the same school or college of chiropractic; one to be appointed each year to serve five years and until his successor is appointed and qualifies to the end that each member shall serve five years after

the first appointment. The board shall have the authority to prescribe rules and regulations relative to the examination of applicants for license to practice chiropractic and for the annual renewal of licenses. Vacancies caused by death or otherwise shall be filled by the governor within 60 days. No member of the board shall be financially interested in any chiropractic school or college or be in any way affiliated with the practice of other methods of healing as are now regulated by law in this state.

[1919 c 64 s 3; 1943 c 155 s 1; 1959 c 186 s 1] (5726)

148.04 PROCEDURE. The officers of the state board of chiropractic examiners shall have power to administer oaths, summon witnesses, and take testimony as to matters pertaining to its duties. It shall adopt a minimum of educational requirements not inconsistent with the provisions of sections 148.01 to 148.10, which shall be without prejudice, partiality, or discrimination as to the different schools or colleges of chiropractic. The board shall meet each year in March and September and at such other times as the majority of the board may deem proper. Three members shall constitute a quorum for the transaction of business. The secretary shall keep a record of its proceedings. This report shall be prima facie evidence of all matters therein recorded.

[1919 c 64 s 4; 1967 c 149 s 1] (5727)

148.05 LICENSE AND FEE. At its first meeting the state board of chiropractic examiners shall issue to each member a license to practice chiropractic, for which he shall pay a fee of \$25. The board shall have a common seal and formulate rules to govern its actions.

[1919 c. 64 s. 5] (5728)

148.06 APPLICATION; EXAMINATION; LICENSE; FEE. Any person desiring to commence the practice of chiropractic in this state shall make a written application to the secretary of the state board of chiropractic examiners for a license and appear at its first regular meeting thereafter. The applicant shall furnish evidence of having completed a high school course, or of education qualifications required for admission as a student to the university of Minnesota, or other university of equal standing, and taken a four-year resident course of eight months each in a chartered school or college of chiropractic wherein the curriculum includes instruction in the following branches: anatomy, physiology, symptomatology, pathology, hygiene, dietetics, diagnoses, urinalysis, chiropractic orthopedy, intellectual adaption, and the science and art of chiropractic. An examination for a license shall be in writing. The applicant shall be required to give practical demonstration in vertebral palpation, nerve tracing, and adjusting. A license, countersigned by the members of the board and authenticated by the seal thereof, shall be granted to each applicant who shall correctly answer 75 percent of the questions propounded in each of the above subjects. Each application shall be accompanied by a fee of \$50. Such fee shall not be returned in the event of failure to pass, but the applicant may, within six months, present himself for examination without the payment of an additional fee. Such examination may be waived as to any person who has been licensed to practice chiropractic in another state whose requirements are equal to the provisions of sections 148.01 to 148.10, upon the payment of a fee of \$50. The board may further waive the written examination if it accepts the grades an applicant has received in the written examinations given by the national board of chiropractic examiners and may grant a license to an applicant who holds a valid certificate from the national board of chiropractic examiners, provided such applicant meets the other requirements of this chapter and satisfactorily passes a practical examination before the board.
