Subd. 3. **Public terminal warehouse.** The term "public terminal warehouse" wherever used in this chapter shall be construed to mean and include all elevators or warehouses located within the switching limits of St. Paul, Minneapolis, and Duluth, or other points in the state, which are now, or hereafter may be, designated as terminal points in which grain not belonging to the warehouseman is received for storage, whether for hire or without charge, and shall include all warehouses where grain stored for different owners is mixed with the grain of other owners and where the identity of the different lots or parcels is not preserved, and shall include all warehouses where grain other than that of the warehouseman is stored in separate bins and the identity thereof preserved.

Sections 233.03 and 233.04, and sections 233.06 and 233.09, in so far as relates to the requirements therein, in respect to grade and dockage, and wherever requirements in respect to the same occur in sections 233.06 and 233.09, shall not apply to any such warehouse which is used and operated exclusively for cleaning, drying, cooling, mixing, and conditioning for the market, grain belonging to others and storing such grain until disposed of by the owner thereof, in which warehouse the grain of each owner or depositor is stored in separate bins or tanks and is kept separate from the grain of every other owner or depositor, and no grain belonging to such warehouseman is received, handled, or stored.

In all cases where such grain is delivered to a terminal elevator the receipt shall be issued in the name of the owner, or his agent, unless otherwise ordered in writing.

Subd. 4. **What included in definition of "public terminal warehouse."** All elevators or warehouses included within the foregoing definition of public terminal warehouses are hereby declared to be "public terminal warehouses" and subject to license and regulation as provided in this chapter.

**233.04 GRAIN REDELIVERED ON WAREHOUSE RECEIPT.** Upon return of the receipt for grain not stored in separate bins to the proper warehouseman, properly endorsed, and upon payment or tender of all advances and legal charges, grain of the same grade and quantity named therein shall be delivered to the holder of such receipt within 24 hours after facilities for receiving the same have been provided. The identical grain, if stored in separate bins, shall be so delivered. If such warehouseman shall fail so to deliver it, he shall be liable to the owner in damages at the rate of one cent a bushel for each day's delay, unless he shall deliver the property to the several owners in the order of demand, as rapidly as it can be done by ordinary diligence. If the warehouseman shall fail so to deliver such grain, the person entitled thereto may recover the same, if kept in separate bins, or the same amount of grain of like grade, if stored with other grain, or the value thereof, in a civil action; and such warehouseman shall also be guilty of theft.

[1923 c 201 s 5; 1965 c 35 s 8] (5020)

**233.05 WAREHOUSEMAN NOT TO SELL WITHOUT AUTHORITY FROM OWNER.** No warehouseman shall sell or otherwise dispose of or deliver out of store any grain stored in his warehouse without the express authority of its owner and the return of the storage receipt except as herein provided, nor mix together grain of different grades in store, nor select grain of different qualities, but of the same grade, for storage or delivery, nor shall he in any way tamper with grain of others while in his possession or custody with the purpose of securing any profit to himself or any other person, or attempt to deliver grain of one grade for that of another. Any person violating any provision of this section shall be punished by a fine of not more than \$1,000 or imprisonment in the state prison for not more than five years or both.

[1923 c 201 s 6] (5021)

**233.06 GRAIN STORED IN SEPARATE BINS.** At the request of the owner or consignee, such warehouseman shall store any grain of the same owner or consignee, in separate bins, which grain shall then bear the name of the owner or consignee. The warehouseman shall issue to the owner or consignee, distinguishing whether owner or consignee, a warehouse receipt or receipts for all or any part of such grain. Every such receipt shall give the name of the owner or consignee and state the amount, kind and grade of grain for which the receipt is issued, and that the grain of such owner or consignee is stored separately from the grain of any other owner or consignee. The warehouseman shall, on presentation and surrender of the warehouse receipt bearing the proper endorsement of the person to whom it was issued, deliver to the person surrendering the receipt such amounts of the same grain as may be demanded and of the same grade as called for by receipt. The warehouseman, at the request of the owner or consignee, shall clean, dry, mix or otherwise improve the condition or value of such grain, and it shall be delivered separately from the grain of any other owner or consignee upon the order of the owner or consignee, in accordance with the terms of the warehouse receipt issued therefor and endorsed by such owner or consignee; provided, that such special bin receipt, at the request of the owner or consignee, may have printed or stamped thereon the words "non-negotiable" and the delivery of the identical grain described therein shall be a sufficient delivery and satisfaction of such receipt.

[1923 c 201 s 7; 1939 c 285 s 2] (5022)

**233.07 INSPECTION AT TERMINAL WAREHOUSE.** All grains received at a terminal warehouse shall be inspected and graded by an inspector licensed by the United States department of agriculture under the provisions of the United States grain standards act at the time of its receipt, provided such grain has not previously been inspected by an inspector so licensed, and further provided no inspection shall be required of grain being moved between elevators owned or operated by the same person, firm or corporation. The right of reinspection and appeal is hereby expressly preserved to all interested parties.

[1923 c 201 s 8; 1929 c 175 s 1; 1967 c 881 s 1] (5023)

**233.08 LICENSE.** No public terminal warehouse shall be operated or receive grain for storage, either to be mixed with the grain of other parties of like grade, or in separate bins, until the owners or parties in charge and operating such warehouse shall first obtain a license from the department authorizing such warehouseman to operate such warehouse under the provisions of this chapter. All li-

censes issued or renewed annually shall expire at midnight on the 30th day of June next following the date of issuance or renewal. Before any such license shall be issued, written application under oath shall be made to the department for license specifying the kind of warehouse, the nature of its construction, its capacity and location, the name of the firm or corporation operating the same and each member of the firm or officer of the corporation and such other facts as the department may require shall be contained in such application. The application shall be acted upon with reasonable dispatch by the department; and, if no reason exists for refusing the same, such license may be issued upon the payment of the fee of \$50 for each elevator. Such application shall be granted only upon the warehouseman furnishing to the department a bond to the state of Minnesota, to be approved by the department, in a penal sum to be fixed by the department but not less than \$50,000 for each warehouse, which shall be conditioned for the faithful discharge of his duties as such warehouseman and full compliance with all the laws of the state and rules of the department relative to the operation of public terminal warehouses and for the delivery to parties storing grain in such warehouses under the terms of this chapter of the grain or an equal amount of the same kind and grade so stored or the payment therefor of the value of such grain in case of failure to make such delivery. Such license may be revoked by the department for violation of the law or any rule or regulation prescribed by the department, but shall only be revoked upon a written notice or complaint specifying the charges and after a hearing had before the department. A license may be refused to any warehouseman whose license has been revoked within the preceding year. All moneys collected for license fees shall be deposited with the state treasurer. If such warehouseman applies for a license for more than one warehouse in the same county, but one bond need be furnished but the same shall in all cases be in proportion to the capacity of such warehouses.

He shall also make a daily statement to the registrar of the amount of each kind and grade of such grain received in store in his warehouse the preceding day; the amount shipped or delivered, and the warehouse receipt canceled on such delivery, stating the number of each receipt and the amount, kind, and grade of grain shipped or delivered thereon; the amount, kind, and grade of grain delivered for which no warehouse receipt was issued and how and when the same was received, the aggregate of such reported cancellation and delivery of unreceipted grain corresponding in amount, grade, and kind with the shipments and deliveries reported; and at the same time report the receipts canceled upon issue of new ones, with the number of each such receipt canceled and that issued in its place. He shall also furnish the registrar any further information regarding receipts issued or canceled necessary for correct record of all such receipts and of grain received and delivered and make a further verified statement to the department of the condition and management of any terminal warehouse under his control, at such times and in such form as the department may require.

The charges for receiving, handling and delivering grain at such warehouse and the charges for storing grain in such warehouse shall be fixed by the department, subject to the provisions of Minnesota Statutes 1969, Chapter 15.

In establishing the grades, in addition to the physical qualities of the grain, there shall be taken into consideration the milling and bread-producing quality of all grain products used as human food. The board shall determine the grade and dockage, if any, of all grain in all cases where appeals from the decisions of the chief inspector have been taken and for such purpose they may request fresh samples of such grain to be furnished direct to the board. Dockage shall be considered as being of two classes. First, that having value and second, that having no value. At the annual meeting the board shall ascertain and determine what dockage contained in grain is of value and publish a list thereof in connection with the publication of said Minnesota grades. Any foreign content of the grain shall not be considered in establishing the grade. Whenever grain containing dockage of value is sold to any public, local warehouse or mill, terminal warehouse, or to any flour mill located in St. Paul, Minneapolis, or Duluth, or any other point within the state, which is now or may hereafter be designated as a terminal point, such sale shall not be considered to include such dockage of value, but such dockage shall be paid for at its market value or shall be returned to the vendor of said grain at the option of the vendee.
