250.02 CONTROL AND MANAGEMENT; TREATMENT OF CHILDREN. Subdivision 1. The children's hospital shall be under the control and management of the commissioner of public welfare and he is hereby authorized and empowered to make provision for the care and treatment in such hospital of children who reside in the state who are crippled or deformed, or who are suffering from disease through which they are likely to become crippled or deformed, and to make the necessary contracts for the maintenance and care of such children in this hospital.

Subd. 2. The Gillette children's hospital shall seek reimbursement for actual costs of care and treatment provided, from parents to the extent of their ability to pay, from insurance policies covering care and treatment, and from other sources, including any federally financed medical aids for which the child is eligible. Payments received for such care and treatment shall be paid to the state treasurer and deposited in the general fund.

Subd. 3. Children from other states who can benefit from the services of the hospital may be accepted upon the referral of a medical doctor. Reimbursement for full costs for care provided shall be obtained from parents, from insurance policies covering care and treatment, or from any sources other than the state of Minnesota which may be available to the child and his family. Payments received for such care and treatment shall be paid to the state treasurer and deposited in the general fund.

250.04 ESTABLISHMENT OF GILLETTE STATE HOSPITAL MEDICAL EDUCATION AND RESEARCH ACCOUNT. Physicians providing service at the hospital shall be permitted to bill and to receive payments for such services from parents to the extent of their ability to pay and under any applicable health insurance policies. Such payments shall be deposited with the state treasurer in an account to be known as the Gillette state hospital medical education and research account. The primary purpose of such account shall be to carry on such medical education and research at Gillette state hospital as will enhance the care and treatment of crippled children.

An advisory board consisting of five members of the hospital and medical staff shall be appointed by the commissioner of public welfare to recommend to him the expenditure of said funds for medical education and research and such amounts as are needed are appropriated herewith from the account.

An amount equal to all payments made in a fiscal year to the medical staff for services performed at the hospital shall be transferred from the medical education and research account to the general fund of the state at the end of each fiscal year, but this account shall not be reduced below \$7500 in any fiscal year by reason of such transfers.
