 "Iron ore exclusive of taconite, semi-taconite and iron sulphides mined or produced prior to January 1, 1972 is not affected by the provisions of this article. The provisions of Minnesota Statutes 1969, Chapters 298 and 299 shall apply to iron ore exclusive of taconite, semi-taconite and iron sulphides mined or produced prior to January 1, 1972."

Subd. 2. There is hereby imposed a tax upon all royalty received for the permission to explore, mine, take out and remove taconite, semi-taconite and iron sulphides from land in this state, a tax of 15 percent to be levied and collected in the same manner as the tax levied by subdivision 1.

299.012 TAX CREDIT UPON PRODUCTION OF HIGH LABOR COST ORES AND TACONITES. Subdivision 1. For the purpose of increasing the utilization of low grade, underground, and high labor cost ores and taconites, the royalty tax levied by virtue of section 299.01, subdivisions 1 and 2, on royalty received because of the production of ores in any calendar year from land forming part of any mine which was in production during said year, shall be reduced by a credit in an amount which will make the net effective tax rate thereon equal to the net effective rate of the occupation tax imposed pursuant to section 298.01, because of the production of ores during such calendar year from the mine of which such land forms a part, after the application of the credits against such occupation tax allowed under section 298.02; provided, if such mine produced ore in such calendar year, but the ore produced had no valuation for occupation tax purposes because of the allowable deductions equalling or exceeding the value of the ore produced, the credit allowed hereunder shall be three fourths of eleven percent, as applied to underground, taconite, and semi-taconite operations, and six-tenths of eleven percent as applied to all other operations, of the royalty received. Any person making payments of royalty taxes in advance of the final determination of such taxes, may assume for the purposes of section 299.08, that the net rate of the tax for the calendar year in question shall be the last full year's net effective occupation tax rate known at the time of the first payment of royalty tax during the current calendar year.

Subd. 2. In the event that the payments for any calendar year are less than the amount of the tax as finally determined by the commissioner of taxation, the amount of such deficiency shall be collected in the manner provided by subdivision 3 or sections 299.09 and 299.10. In the event that there has been collected or paid an amount of tax for any year in excess of the amount legally due for that year, a credit against future payments shall be allowed.

Subd. 3. In case any tax is not paid at the time provided in section 299.07, the commissioner, not earlier than ten days after notice to the royalty recipient, shall direct the royalty payor to withhold from any royalties due, or to become due to

said recipient, the amount of tax determined to be delinquent, and shall remit the same to the state treasurer in the same manner and under the same conditions as prescribed by said section 299.08 for the withholding and remitting of the royalty tax.

299.013 TAX ON COPPER-NICKEL ROYALTY. Royalty received from and after May 23, 1967, for permission to explore, mine, take out and remove copper-nickel ore from land in this state shall be exempt from the tax imposed thereon under Minnesota Statutes 1965, Sections 299.01 and 299.011, and in lieu thereof, there shall be levied and collected upon all such royalty a tax of one percent plus an additional one percent of the amount of royalty paid on gold, silver, platinum and other precious metals.

[*1967 c 671 s 17*]

[*1923 c. 226 s. 2*] (*2392-2*)

299.03 REPORTS TO COMMISSIONER. Every person to whom royalty is paid shall, on or before the first day of February, make and file with the commissioner of taxation annually a report setting forth the amount of royalty received by such person during the preceding calendar year, and such other information as the commissioner of taxation may require.

299.04 CONTENTS OF REPORTS. It shall be the duty of every person paying royalty, on the first day of February, to make and file with the commissioner of taxation annually a report covering the preceding calendar year, verified by the oath of the person making the same, and setting forth:

(1) The number of tons mined from each tract of land for the right to mine and remove ore on which such person pays royalty;

(2) The amount of royalty paid on each tract of land separately;

(3) The name and post-office address of each person to whom royalty is paid; and

(4) Such other information as the commissioner of taxation may require.

[*1923 c. 226 s. 4*] (*2392-4*)

299.05 ASSESSMENT BY COMMISSIONER. Upon the receipt by the commissioner of taxation of the report provided for in section 299.03, he shall determine, from such information as he may possess, or obtain, whether the same is correct, or otherwise; and, if found correct, he shall determine therefrom the amount of tax due from such person, enter the amount thereof in his records, make his certificate of taxes due thereon from such person, and the amount that has been paid thereon; and, on or before June 30, of each year, file the same with the state auditor and file a duplicate thereof with the state treasurer. The commissioner of taxation shall have power, in case he shall deem the report incorrect, or in case the report is not made and filed with the commissioner as provided in section 299.03, to make his findings as to the amount of such taxes due after hearing upon notice to the person interested, and his findings shall have the same effect as the determination of the amount of such taxes upon a report made as hereinbefore provided.

A person subletting land for the use of which he received royalty shall be required to pay taxes only on the difference between the amount of royalty paid by him and the amount received.

to the number of days delinquent but not exceeding 60 days after which the full penalty of ten percent shall be applied. After the said penalty or any proportion thereof has been assessed the commissioner of taxation shall serve notice by registered mail to the royalty recipient at his last known address of the amount of penalty due and of his intention to demand payment thereof from the royalty payor by withholding the same in the same manner as provided for withholding the royalty tax under section 299.08. Thereupon the commissioner not earlier than ten days after notice to the royalty recipient shall direct the royalty payor to withhold from any royalties due, or thereafter to become due said recipient, the amount of the penalty so assessed and remit the same to the state treasurer in the same manner and under the same conditions as prescribed by said section 299.08 for the withholding and remitting of the royalty tax.

[1923 c 226 s 6; 1947 c 310 s 2] (2392-6)

299.08 LIEN; PAYMENT OF TAX. The situs of royalty, for all purposes of this chapter, shall be in this state; and the tax herein provided for shall be a specific lien from the time the royalty accrues upon all and singular the right, title, and interest of the person to whom such royalty is payable, in and to the land, for permission to explore, mine, take out, and remove ore on which the royalty is paid, and shall be a specific lien upon such royalties as they accrue. Every person paying royalty to another which is subject to tax hereunder, upon which the royalty tax has not been paid, shall withhold the amount of the tax upon such royalty and remit the same to the state treasurer at the time the royalty is paid. Such payment to the state treasurer shall operate to discharge to that extent the liability of the person paying such royalty to the royalty recipient. The commissioner of taxation, may, upon petition of any royalty payor or recipient, upon such conditions as he may impose, permit the paying of the tax in one annual payment instead of as such royalty accrues, in which case such annual payment shall be made at such times as the commissioner of taxation directs, not later than June 30 of the year following the accrual of the royalty. No such extension of time shall be granted unless, as one of the conditions thereof, the royalty payor shall guarantee the payment of the tax.

In the event the royalty is paid in ore instead of in cash the tax provided for herein shall be a specific lien upon the ore apportioned to the royalty recipient; or, if such ore be not apportioned, upon the royalty recipient's interest in the ore mined, and such ore shall not be shipped from this state unless:
