106.221 Contract and bond

[For text of subd. 1, see M.S.1971]

Subd. 2. Changes during construction. The contract shall give the engineer the right, with the consent of the board or court, to modify his reports, plans and specifications as the work proceeds and as circumstances may require. It shall provide that the increased cost resulting from such changes will be paid by the county to the contractor at not to exceed the price for like work in the contract. No change shall be made that will substantially impair the usefulness of any part of the drainage system or substantially alter its original character or increase its total cost by more than ten percent of the total original contract price. In no event shall any change be made that will cause the cost to exceed the total estimated benefits found by the board or court, or will cause any detrimental effects to the public interest as set forth in section 106.021.

[1973 c 479 s 18]

106.631 Appeals

Subdivision 1. Grounds for appeal. Any party aggrieved thereby, may appeal to the district court from an order of the board or court made in any proceeding and entered upon its record determining any of the following matters:

- (1) The amount of benefits determined;
- (2) The amount of damages allowed;
- (3) Relative to the allowance of fees or expenses in any proceeding;
- (4) The sufficiency of the order in meeting the requirements of section 106.021, and any criteria promulgated pursuant thereto.
