The county auditor or the municipal clerk shall also affix to this "Return Envelope" United States postage stamps sufficient in amount to pay the required United States postage on the "Return Envelope," after the ballot envelope and voter's certificate herein prescribed have been enclosed therein. If necessary to assure delivery to the judges of election in the polling place by the postmaster, the county auditor or the municipal clerk shall affix to this "Return Envelope" United States postage stamps necessary for special delivery.

The Return Envelope shall be so made as to open on the left hand end and the certificate above set forth shall be printed on the right hand three-fourths of the back of the envelope.

The following "Directions to Voters" shall be printed and furnished to each voter at the time such ballots are mailed or delivered in person.

**"DIRECTIONS TO VOTERS"**

(2) Exhibit the ballots to be voted on to such person unmarked.

(3) In his presence mark the ballots in such a manner that he cannot see your vote. If you are physically incapacitated, you may ask him to mark your ballot for you.

(4) Fold each ballot separately so that your cross marks cannot be seen without unfolding, but so that facsimile signature of officer (secretary of state, county auditor, or municipal clerk) on back of ballot can be seen without unfolding ballot. Do not put your name, initials, or any other identifying mark on the ballots.

(5) Enclose all the ballots in the "Ballot Envelope" and seal the envelope.

(6) Sign your name on back of the "Return Envelope." The person taking your acknowledgment must sign his name as attesting witness, and, if he is an official, indicate his official title, insert proper date, and affix his official seal, or, in the case of postal authorities previously mentioned, the cancellation stamp of their respective post offices. When the person taking your acknowledgment is an eligible voter of your county he must state the fact below his signature. Insert the "Ballot Envelope" in the "Return Envelope" and seal the "Return Envelope."

(7) Deposit the "Return Envelope" in the mail in the presence of the attesting witness or have him do it for you.

(8) The ballots may be marked and mailed at any time after you receive them from the county auditor or from the municipal clerk. However, they must be marked and mailed so that they can be delivered by the post office to the judges of election at your polling place before the polls close on election day."

[1973 c 676 s 30; 1973 c 677 s 2; 1973 c 699 s 7]

**207.09 Application to be certified and sealed**

The county auditor or the municipal clerk on mailing or delivering to an applicant ballots as hereinbefore specified, shall sign or cause to be signed by his deputy, and date the certificate printed on the application for ballots and shall authenticate such certificate with his official seal. All applications shall be preserved by the auditor or the municipal clerk and arranged by him according to precincts and the initial letter of the surname of the applicant. At the time the county auditor delivers the state and county ballots to the town, village and city clerks within his county, he shall also deliver to the respective town, village, and city clerks the applications theretofore received by him and endorsed by him. Such town, village and city clerks shall in turn deliver said applications so endorsed together with the applications filed with their respective offices to the respective judges of the several precincts.

[1973 c 699 s 8]

**207.10 Voter to mail ballot**

Any qualified voter of any precinct of this state to whom ballots have been delivered by the county auditor or by the municipal clerk, may mark and mail the ballots so delivered to him at any place, the same to be marked and mailed in the manner specified in the directions to voters, set forth in section 207.08, and before an attesting witness belonging to one of the classes specified in the directions to voters.

[1973 c 699 s 9]

**207.11 Judges to receive and count ballots**

The judges in the several precincts at any election shall receive all ballots delivered to them on election day by officers or employees of the United

States post office department in due course of the business of that department or by the clerk of the municipality, and as herein provided, and deposit the same in the appropriate ballot box provided that they are satisfied that the person is a voter in such precinct and entitled to vote therein at such election; provided, further, that the conditions precedent hereinafter set forth, exist. Ballots so deposited shall be counted, canvassed and returned and shall be given the same force and effect as the votes of other duly qualified voters who vote in person.

Upon a "Return Envelope" being delivered to the judges they shall open the same in such a manner as not to cut or mutilate the contents or deface or damage the certificate or the signatures thereto on the outside thereof. They shall compare the signature of the voter on the outside of the "Return Envelope" with the signature on the "Application for Ballots" delivered to them as provided herein. If the judges or a majority of them, shall be satisfied that the signature of the voter subscribed to the "Voter's Certificate" is the genuine signature of the person who made the "Application for Ballots," and if the signature of the voter has been properly authenticated as prescribed in the "Directions to Voters" set forth in this chapter, the judges, or one or more of them shall write the word "Received" on such "Ballot Envelope" and under such word his or their name or initials, provided that in municipalities in which registration of voters is required such ballots shall not be so marked unless the voter mailing in such ballots has been theretofore duly registered in such precinct, nor shall said ballots be so marked with the word "Received" if it appears from the registration file that such voter has already voted at such election, either in person or by mail. If the ballots are not received for the reason that the voter has failed to comply with the requirements herein set forth or has previously voted at such election, then such "Ballot Envelope" shall be marked "Rejected" and placed in the "Return Envelope" and placed with and returned to the county auditor with the unused ballots. No person who voted by mail as herein provided shall be permitted to thereafter vote in person in the same election.

If the "Ballot Envelope" is marked with the word "Received" as herein provided, the judges in charge of the register shall make an appropriate notation on the register of voters indicating that the voter has voted by mail; this shall be done by placing the letters "V.M." in the appropriate column opposite the voter's name.

The "Ballot Envelope" marked "Received" as aforesaid shall be placed by the judges in a separate absentee ballot box until after the last regular mail delivery by the United States post office department on the election day. The absentee ballot box and each "Ballot Envelope" may then be opened, ballots therein initialled, counted and tabulated by the election judges. If there be more than one ballot of any kind enclosed in said "Ballot Envelope," then and in such case neither of such ballots of such kind shall be counted but all such kinds shall be placed with the spoiled ballots and returned as is provided for by law with reference to such spoiled ballots. The judges shall write their initials on absentee ballots in the same manner as is provided by law with reference to ballots delivered by them to voters in person. No count results from any precinct shall be disclosed by any election official or other individual until all count results are available, nor shall the public media disclose any count results from any precinct before the polls are closed.

[1973 c 637 s 1]

**207.13 County auditor to prepare applications**

The county auditor or the municipal clerk shall prepare and print a suitable number of blanks for the "Application for ballots" described herein and deliver a copy thereof to any voter applying therefor.

Registrations under sections 207.16 to 207.29 may be challenged in the manner provided for in law, except that the county auditor or the municipal clerk shall not be required to give notice to the voter, and all reasonable doubt shall be resolved in favor of the validity of such registration. If it appears from the communication or request that the applicant is not qualified to vote at the primary election but will be qualified to vote at the general election, then no primary ballot shall be forwarded to the applicant, but such communication or request shall nevertheless constitute a request for ballot for the general election. The ballots used under this section conform to the requirements of the Minnesota election law, except that if modification of the size of ballot or envelope, or weight or color of paper, is necessary to conform to mailing requirements of the federal authorities, state, county, and municipal officials in charge of the preparation of such ballots and envelopes shall cause such modifications to be made. [1973 c 699 s 16]

## 207.28 Expense chargeable to general revenue

The county auditors of the several counties and the clerks of the municipalities may incur such expenses and expend such amounts for clerk hire, postage and other expenses as are necessary to carry out the provisions of sections 207.16 to 207.29, the same to be paid from the general revenue funds of the counties or of the municipalities.

[1973 c 699 s 17]

## 207.30 Absentee ballot precinct

**Subdivision 1. Legislative purpose and policy.** The legislature determines that some municipalities in the state have the cumbersome burden of handling absentee ballots. It is the purpose of this section to provide a means through the local option of a municipality to determine whether or not it would be more convenient and more efficient to establish an absentee ballot precinct within the municipality which will handle all absentee ballots of the electorate of the municipality received during any election.

[1973 c 699 s 18]

[For text of subd. 2, see M.S.1971]

**Subd. 3. Board, duties.** An absentee ballot precinct shall be a board set up by the designated election official of a municipality whose duties shall be as follows:

(a) Receive all absentee ballots of the electorate of the municipality for any election.

(b) Check the registration of each absentee ballot.

(c) Determine the precinct of each absentee ballot voter and report the results of such election to each precinct with such results to be tabulated with that precinct.

(d) Prepare a list for submission to each precinct within the municipality prior to the close of the election day for the precinct officials to check against the voter registration file to ascertain if any absentee ballot voter voted by person.

(e) Reject any absentee ballots of persons who had voted at a precinct making a notation on the envelope of the absentee ballot as to the reason for rejection.

(f) After the polls have closed in the municipality the board shall count the absentee ballots by opening them and tabulating the vote of each absentee ballot voter in a manner which will indicate each vote of the absentee voter and designate that the vote was received by absentee ballot.
