

**62D.28 HEALTH MAINTENANCE ACT**

hensive health planning agency, as defined in section 145.72, shall provide technical assistance to the board in identifying areas with demographic and geographic health needs.

Subd. 3. The planning organization seeking financial assistance must be a Minnesota nonprofit corporation having a board of directors with a majority composed of health care consumers from the proposed service area, but with additional representation of existing health interests in the area including health providers.

The organization shall assume responsibility for:

(a) Determining and assessing the ongoing health needs of the community, formulating a program to meet such needs, including, but not limited to, an identification of private and public funds which may be available for this purpose;

(b) Coordinating existing health activities where appropriate, and establishing better utilization of existing health facilities, programs, and services, with particular emphasis on health manpower training projects in the area including those for local community residents;

(c) Laying the foundation for a community health maintenance organization; and

(d) Promoting development and expansion of preventive and ambulatory, outpatient services with the objective of replacing crisis medicine with an integrated, comprehensive system of health care.
